

Effective 5/10/2016

63M-2-702 Reporting requirements for higher education institutions.

- (1) Except as provided in Subsection (3), on or before September 1 each year, a higher education institution employing a USTAR researcher shall submit a written report to the governing authority.
- (2) A report under Subsection (1) shall contain information on:
 - (a) collaborations established by a USTAR researcher with other researchers;
 - (b) the amount and source of funding, other than USTAR funding, expended on a USTAR researcher's research program, including:
 - (i) federal funds;
 - (ii) philanthropic or nonprofit funds;
 - (iii) industry funds; and
 - (iv) state funds other than USTAR funds, including funds from a higher education institution;
 - (c) a copy of each:
 - (i) technology disclosure that a USTAR researcher files with a higher education institution;
 - (ii) license agreement that the higher education institution enters into with respect to a technology developed by a USTAR researcher, including any current, expired, or breached license; and
 - (iii) patent filed by the higher education institution based on technology developed by a USTAR researcher;
 - (d) publications in which a USTAR researcher participated, including a citation for each peer reviewed publication;
 - (e) the number of research jobs maintained by a USTAR researcher's research program and average wages paid to those holding those jobs;
 - (f) expenses paid using USTAR funds, including:
 - (i) salary and benefits for a USTAR researcher or staff;
 - (ii) operational expenses;
 - (iii) capital equipment expenses; and
 - (iv) travel; and
 - (g) compensation, including salary and benefits, that a USTAR researcher received from a publicly funded source other than USTAR funds.
- (3) The governing authority may make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to simplify or eliminate the reporting requirements described in this section for a USTAR researcher who has received less than \$100,000 in cumulative USTAR funding for a particular line of research.
