

**65A-8a-103 Registration of operators.**

- (1) An operator intending to conduct forest practices in Utah, except a landowner conducting forest practices on the landowner's own land, shall register with the division.
- (2) The operator shall submit the following information to the division:
  - (a) the name of the company;
  - (b) the name of the state where the company is incorporated; and
  - (c) the name, telephone number, and address of a company officer and an on-the-ground supervisor.
- (3) In consultation with industry representatives, the division may establish, by rule, minimum requirements for registration of operators in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.
- (4) The division shall make available to landowners a list of registered operators.
