

72-10-404 Zoning ordinances -- Governing law in event of conflict.

- (1) In the event that a political subdivision has adopted or adopts a comprehensive zoning ordinance regulating the height of buildings, any airport zoning regulations applicable to the same area or a portion of the area may be incorporated in and made a part of comprehensive zoning regulations, and be administered and enforced in connection with the comprehensive zoning regulations.
- (2) In the event of conflict between any airport zoning regulations adopted under this part and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, and whether the other regulations were adopted by the political subdivision which adopted the airport zoning regulations or by some other political subdivision, the more stringent limitation or requirement shall govern and prevail.
