SR3-2-503 Motions in committee -- Substitute motions.

- (1) A standing committee member may, upon recognition by the standing committee chair, make a substitute motion, which, if adopted by vote of a majority of the members present, disposes of the original motion.
- (2) If the substitute motion is not adopted, the original motion is revived.
- (3) A standing committee member may not make a substitute motion if another substitute motion has been made and is pending.
