1 (1) There is created for the purpose of enlarging the investment base and simplifying  
2 investment procedures and functions a common trust fund known as the "Utah State Retirement  
3 Investment Fund."

4 (2) (a) The board shall act as trustees of the fund, and through its executive officer, may  
5 commingle and pool the funds and investments of any retirement system, plan, or program into  
6 the Utah State Retirement Investment Fund, as long as the principal amounts of the participating  
7 funds do not lose their individual identity and are maintained as separate trust funds on the books  
8 of the retirement office.

9 (b) In combining the investments of any fund, each of the participating funds shall be  
10 credited initially with its share of the total assets transferred to the Utah State Retirement  
11 Investment Fund, the calculation being made on the basis of the [book] fair market value of the  
12 various investments at the time the investments are credited to the Utah State Retirement  
13 Investment Fund.

14 (c) Subsequent transfers of additional capital from participating funds shall be credited  
15 similarly to its respective trust account.

16 (d) Funds may be withdrawn or transferred out of the Utah State Retirement Investment  
17 Fund and credited back to a participating fund, but at no time may the income or principal or  
18 equity credit belonging to one participating fund be transferred to another.

19 (3) The assets of the participating funds are for the exclusive benefit of the members and  
20 may not be diverted or appropriated for any purpose other than that permitted by this chapter or  
21 the chapters covering the individual participating funds.

14 deceased member does not leave an estate requiring probate in the absence of the amounts due

4 records **h RELATING TO THE DISABILITY h** which may, at the board's option, be reviewed by an  
4a independent medical examiner  
5 selected by the board, to the effect that the member is mentally or physically totally disabled; and
- 6 (b) receipt of proof by the board from the employer that the member has become totally

2 (b) If any retirant refuses or neglects to file a sworn statement as required, the  
3 administrator may suspend payment of any and all benefits pending receipt of the statement. Upon
