24 (b) conveys a part of the water right in the land conveyance document; or

25 (c) conveys the water right [~~to the use of water~~] in a separate conveyance document prior
26 to or contemporaneously with the execution of the land conveyance document.

27 (2) (a) If the water right has been exercised in irrigating different parcels of land at
28 different times, it shall pass to the grantee of a parcel of land on which the water right was
29 exercised next preceding the time the land conveyance was executed.

30 (b) Subsection (2)(a) applies only to land conveyances executed before May 4, 1998.

31 (3) In any conveyance, the grantee assumes the obligation for any unpaid assessment.

1 (4) The right to the use of water evidenced by shares of stock in a corporation shall not be
2 deemed appurtenant to [the] land.

3 (5) (a) This Subsection (5) governs land conveyances executed on or after May 4, 1998,
4 and has no retrospective operation.

5 (b) For purposes of land conveyances only, a water right evidenced by any of the
6 following documents is appurtenant to land:

7 (i) a decree entered by a court;

8 (ii) a certificate issued under Section 73-3-17;

9 (iii) a diligence claim for surface or underground water filed pursuant to Section 73-5-13;

10 (iv) a water user's claim executed for general determination of water rights proceedings
11 conducted pursuant to Title 73, Chapter 4, Determination of Water Rights, or pursuant to Section
12 73-3-16;

13 (v) an approval for an application to appropriate water issued under Section 73-3-10;

14 (vi) an approval for an application to permanently change the place of use of water issued
15 under Section 73-3-10; or

16 (vii) an approval for an application to exchange water issued under Section 73-3-20.

17 (c) For purposes of land conveyances only, the land to which a water right is appurtenant
18 is the authorized place of use of water as described in the:

19 (i) decree;

20 (ii) certificate;

21 (iii) diligence claim;

22 (iv) water user's claim;

23 (v) approved application to appropriate water;

24 (vi) approved application to permanently change the place of use of water; or

25 (vii) approved exchange application.

26 (d) If a grantor conveys part of the water right in a land conveyance document pursuant
27 to Subsection (1)(b), the portion of the water right not conveyed is presumed to be reserved by the
28 grantor.

29 (e) If the land conveyed constitutes only a portion of the authorized place of use for the
30 water right, the amount of the appurtenant water right that passes to the grantee shall be
31 proportionate to the conveyed portion of the authorized place of use.
