

1 evaluating the applicant's qualification for licensure.

2 (2) Each applicant for licensure as a professional structural engineer shall:

3 (a) submit an application in a form prescribed by the division;

4 (b) pay a fee determined by the department under Section 63-38-3.2;

5 (c) provide satisfactory evidence of good moral character;

6 (d) have graduated and received an earned bachelors or masters degree from an
7 engineering program meeting criteria established by rule by the division in collaboration with the
8 board;

9 (e) have successfully completed three years of licensed professional engineering
10 experience established by rule by the division in collaboration with the board;

11 (f) have successfully passed examinations established by rule by the division in
12 collaboration with the board; and

13 (g) meet with the board or representative of the division upon request for the purpose of
14 evaluating the applicant's qualification for licensure.

15 (3) Each applicant for licensure as a professional land surveyor shall:

16 (a) submit an application in a form prescribed by the division;

17 (b) pay a fee determined by the department under Section 63-38-3.2;

18 (c) provide satisfactory evidence of good moral character;

19 (d) have graduated and received an earned associates, bachelors, or masters degree from
20 a land surveying program, or an equivalent land surveying program, established by rule by the
21 division in collaboration with the board; or

22 (e) have successfully completed a program of qualifying experience in land surveying
23 established by rule by the division in collaboration with the board;

24 (f) have successfully completed a program of qualifying experience in land surveying
25 established by rule by the division in collaboration with the board, which experience is in addition
26 to any experience obtained in Subsection (3)(e);

27 (g) have successfully passed examinations established by rule by the division in
28 collaboration with the board; and

29 (h) meet with the board or representative of the division upon request for the purpose of
30 evaluating the applicant's qualification for licensure.

31 (4) Each applicant for licensure by endorsement shall:

- 1 (a) submit an application in a form prescribed by the division;
- 2 (b) pay a fee determined by the department under Section 63-38-3.2;
- 3 (c) provide satisfactory evidence of good moral character;
- 4 (d) submit satisfactory evidence of:
 - 5 (i) current licensure in good standing in a jurisdiction recognized by rule by the division
 - 6 in collaboration with the board; and
 - 7 (ii) have successfully passed any examination established by rule by the division in
 - 8 collaboration with the board; and
 - 9 (iii) full-time employment as a licensed professional engineer, professional structural
 - 10 engineer, or professional land surveyor as a principal for at least five of the last seven years
 - 11 immediately preceding the date of the application; and
 - 12 (e) meet with the board or representative of the division upon request for the purpose of
 - 13 evaluating the applicant's qualifications for license.

Legislative Review Note
as of 1-19-98 6:02 PM

A limited legal review of this bill raises no obvious constitutional or statutory concerns.
