Representative **Olsen** proposes the following amendments:

1. Page 2, Line 17: After line 17 insert:
 "(iii) a requirement that unless the grantor and the holder of a
conservation easement agree in the instrument that creates the
conservation easement that the conservation easement continue in
perpetuity, a conservation easement acquired under this section shall
continue for a time period not exceeding the greater of:
(A) the remainder of the grantor's life; or
(B) ten years; and"
