

1st Sub. H.B. 145
SCHOOLS FOR THE 21ST CENTURY

HOUSE FLOOR AMENDMENTS

FEBRUARY 27, 1998 8:49 AM

Representative **Wright** proposes the following amendments:

1. Page 11, Line 2: After "charter" insert ", which performance should be at least equal to that of similar public schools within the district in which the charter school is located, unless the uniqueness of the school prevents making such comparisons"

2. Page 13, Line 19: After "part" insert ", except that federal grants targeted specifically for charter schools may not be used to fund charter schools under the pilot program if the State Board of Education or the charter school determines that conditions attached to using the grant would compromise the integrity of the pilot program"
