162 regularly held, open to the public, and for which notices and agendas are publicly posted in

169 (A) collective bargaining;

172 would put the public sports entity at a competitive disadvantage with respect to the other bidders;

173 (D) the negotiation, but not approval, of contracts and agreements when an open
174 discussion would prevent the public sports entity from entering into the contract or agreement on
175 the best possible terms; or

177 (iii) discussion regarding deployment of security personnel or devices; and

178 (iv) investigative proceedings regarding allegations of criminal or other misconduct;

186 sites related to public sports facilities, and public statements and representations related thereto be
187 approved by a majority of the governing or policymaking body of the entity.

188 (3) Any public sports entity, any of its officers, its employees, or any member of its
189 governing or advisory bodies that knowingly violates Subsection (2)(a)(i), knowingly fails to

197 shall require all parties who contract with that committee, or who provide any service, labor,
