AMENDS:

58-1-307, as enacted by Chapter 297, Laws of Utah 1993

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **58-1-307** is amended to read:

58-1-307. Exemptions from licensure.

(a) a person serving in the armed forces of the United States, the United States Public Health Service, the United States Department of Veterans Affairs, or other federal agencies while engaged in activities regulated under this chapter as a part of employment with that federal agency if the person holds a valid license to practice a regulated occupation or profession issued by any other state or jurisdiction recognized by the division;

(b) a student engaged in activities constituting the practice of a regulated occupation or profession while in training in a recognized school approved by the division to the extent the activities are supervised by qualified faculty, staff, or designee and the activities are a defined part of the training program;

(c) an individual engaged in an internship, residency, preceptorship, postceptorship, fellowship, apprenticeship, or on-the-job training program approved by the division while under the supervision of qualified persons;

(d) an individual residing in another state and licensed to practice a regulated occupation or profession in that state, who is called in for a consultation by an individual licensed in this state, and the services provided are limited to that consultation;

(e) an individual who is invited by a recognized school, association, society, or other body approved by the division to conduct a lecture, clinic, or demonstration of the practice of a regulated occupation or profession if the individual does not establish a place of business or regularly engage in the practice of the regulated occupation or profession in this state;

(f) an individual licensed under the laws of this state, other than under this title, to practice or engage in an occupation or profession, while engaged in the lawful, professional, and competent practice of that occupation or profession;

(h) an individual licensed in another state or country who is in this state temporarily to attend to the needs of an athletic team or group, except that the practitioner may only attend to the needs of the athletic team or group, including all individuals who travel with the team or group in any capacity except as a spectator~~[-]; and~~

(i) an individual licensed and in good standing in another state, who is in this state:

(i) temporarily, under the invitation and control of a sponsoring entity;

(iii) for a limited period of time not to exceed the duration of that event, together with any necessary preparatory and conclusionary periods. The requirements of Section 63A-10-105 do not apply to exemptions authorized by the division pursuant to this Subsection (1)(i).

(2) A practitioner temporarily in this state who is exempted from licensure under Subsection (1) shall comply with each requirement of the licensing jurisdiction from which the practitioner derives authority to practice. Violation of any limitation imposed by this section

59 constitutes grounds for removal of exempt status, denial of license, or other disciplinary
60 proceedings.

61 (3) An individual who is licensed under a specific chapter of this title to practice or engage
62 in an occupation or profession may engage in the lawful, professional, and competent practice of
63 that occupation or profession without additional licensure under other chapters of this title, except
64 as otherwise provided by this title.

65 (4) Upon the declaration of a national, state, or local emergency, the division in
66 collaboration with the board may suspend the requirements for permanent or temporary licensure
67 of persons who are licensed in another state. Persons exempt under this subsection shall be exempt
