347 (ii) [~~If the system is required as a condition of probation, the~~] The report shall be issued  
348 within 14 days following each monitoring.

349 (7) (a) If an ignition interlock system is ordered installed, the probationer shall pay the  
350 reasonable costs of leasing or buying and installing and maintaining the system.

351 (b) A probationer may not be excluded from this section for inability to pay the costs,  
352 unless:

353 (i) the probationer files an affidavit of impecuniosity; and

354 (ii) the court enters a finding that the probationer is impecunious.

355 (c) In lieu of waiver of the entire amount of the cost, the court may direct the probationer  
356 to make partial or installment payments of costs when appropriate.

357 (d) Subject to appropriation, the department shall lease or purchase the ignition interlock  
358 system and reimburse each installer maintaining the system provided to probationers for whom  
359 payment of costs has been waived or deferred on the grounds of indigency.

360 (8) (a) An additional fee of \$100 shall be paid to the court by each probationer ordered to  
361 purchase, install, use, and maintain an ignition interlock system under this section.

362 (b) The fee shall be deposited with the department as a dedicated credit for the support  
363 costs incurred for indigent individuals under Subsection (7)(d).

364 (c) Failure to pay the fees required under this section shall, unless excused, constitute  
365 sufficient basis for a finding by the court at a hearing that the probationer has failed to comply with  
366 the terms of probation.

367 (9) (a) If a probationer is required in the course and scope of employment to operate a  
368 motor vehicle owned by the probationer's employer, the probationer may operate that motor  
369 vehicle in the course and scope of employment without installation of an ignition interlock system  
370 only if the employer has been notified that the employee is restricted and the employee has proof  
371 of the notification in his possession while operating the employer's motor vehicle.

372 (b) (i) To the extent that an employer-owned motor vehicle is made available to a  
373 probationer subject to this section for personal use, no exemption under this section shall apply.

374 (ii) A probationer intending to operate an employer-owned motor vehicle for personal use  
375 and who is restricted to the operation of a motor vehicle equipped with an ignition interlock system  
376 shall notify the employer and obtain consent in writing from the employer to install a system in the  
377 employer-owned motor vehicle.

378 (c) A motor vehicle owned by a business entity that is all or partly owned or controlled by  
379 a probationer subject to this section is not a motor vehicle owned by the employer and does not  
380 qualify for an exemption under this Subsection (9).

381 (10) Upon conviction for violation of this section, the court shall notify the Driver License  
382 Division to immediately suspend the probationer's license to operate a motor vehicle for the  
383 remainder of the period of probation.

384 (11) (a) It is a class B misdemeanor for a person to:

385 (i) circumvent or tamper with the operation of an ignition interlock system;

386 (ii) knowingly furnish a motor vehicle without an ignition interlock system to someone  
387 who is not authorized to drive a motor vehicle unless the motor vehicle is equipped with an  
388 ignition interlock system that is in working order;

389 (iii) rent, lease, or borrow a motor vehicle without an ignition interlock system if a driving  
390 restriction is imposed under this section;

391 (iv) request another person to blow into an ignition interlock system, if the person is  
392 required to have a system and the person requests or solicits another to blow into the system to  
393 start the motor vehicle in order to circumvent the system;

394 (v) blow into an ignition interlock system or start a motor vehicle equipped with an  
395 ignition interlock system for the purpose of providing an operable motor vehicle to another person  
396 required to have a system; and

397 (vi) advertise for sale, offer for sale, sell, or lease an ignition interlock system unless the

398 system has been certified by the commissioner and the manufacturer of the system has affixed a  
399 warning label, as approved by the commissioner on the system, stating that the tampering,  
400 circumventing, or other misuse of the system is a class B misdemeanor.

401 (b) This Subsection (11) does not apply if the starting of a motor vehicle, or the request  
402 to start a motor vehicle, equipped with an ignition interlock system is done for the purpose of  
403 safety or mechanical repair of the system or the motor vehicle and the person subject to the court  
404 order does not drive the motor vehicle.

405 (12) (a) In accordance with Title 63, Chapter 46a, Utah Administrative Rulemaking Act,  
406 the commissioner shall make rules setting standards for the certification of ignition interlock  
407 systems.

408 (b) The standards shall require that the system:

409 (i) not impede the safe operation of the motor vehicle;

410 (ii) have features that make circumventing difficult and that do not interfere with the  
411 normal use of the motor vehicle;

412 (iii) require a deep lung breath sample as a measure of breath alcohol concentration;

413 (iv) prevent the motor vehicle from being started if the driver's breath alcohol  
414 concentration exceeds an ordered level;

415 (v) work accurately and reliably in an unsupervised environment;

416 (vi) resist tampering and give evidence if tampering is attempted;

417 (vii) operate reliably over the range of motor vehicle environments; and

418 (viii) be manufactured by a party who will provide liability insurance.

419 (c) The commissioner may adopt in whole or in part, the guidelines, rules, studies, or  
420 independent laboratory tests relied upon in certification of ignition interlock systems by other  
421 states.

422 (d) A list of certified systems shall be published by the commissioner and the cost of  
423 certification shall be borne by the manufacturers or dealers of ignition interlock systems seeking  
424 to sell, offer for sale, or lease the systems.

425 (e) In accordance with Section 63-38-3.2, the commissioner may establish an annual dollar  
426 assessment against the manufacturers of ignition interlock systems distributed in the state for the  
427 costs incurred in certifying. The assessment shall be apportioned among the manufacturers on a  
428 fair and reasonable basis.

429 (13) There shall be no liability on the part of, and no cause of action of any nature shall  
430 arise against, the state or its employees in connection with the installation, use, operation,  
431 maintenance, or supervision of an interlock ignition system as required under this section.

432 Section 4. Section **41-6-44.10** is amended to read:

433 **41-6-44.10. Implied consent to chemical tests for alcohol or drug -- Number of tests**  
434 **-- Refusal -- Warning, report -- Hearing, revocation of license -- Appeal -- Person incapable**  
435 **of refusal -- Results of test available -- Who may give test -- Evidence.**

436 (1) (a) A person operating a motor vehicle in this state is considered to have given his  
437 consent to a chemical test or tests of his breath, blood, or urine for the purpose of determining  
438 whether he was operating or in actual physical control of a motor vehicle while having a blood or  
439 breath alcohol content statutorily prohibited under Section 41-6-44, 53-3-231, or 53-3-232, while  
440 under the influence of alcohol, any drug, or combination of alcohol and any drug under Section  
441 41-6-44, or while having any measurable controlled substance or metabolite of a controlled  
442 substance in the person's body in violation of Section 41-6-44.6, if the test is or tests are  
443 administered at the direction of a peace officer having grounds to believe that person to have been  
444 operating or in actual physical control of a motor vehicle while having a blood or breath alcohol  
445 content statutorily prohibited under Section 41-6-44, 53-3-231, or 53-3-232, or while under the  
446 influence of alcohol, any drug, or combination of alcohol and any drug under Section 41-6-44, or  
447 while having any measurable controlled substance or metabolite of a controlled substance in the  
448 person's body in violation of Section 41-6-44.6.

449 (b) (i) The peace officer determines which of the tests are administered and how many of  
450 them are administered.

451 (ii) If an officer requests more than one test, refusal by a person to take one or more  
452 requested tests, even though he does submit to any other requested test or tests, is a refusal under  
453 this section.

454 (c) (i) A person who has been requested under this section to submit to a chemical test or  
455 tests of his breath, blood, or urine, may not select the test or tests to be administered.

456 (ii) The failure or inability of a peace officer to arrange for any specific chemical test is  
457 not a defense to taking a test requested by a peace officer, and it is not a defense in any criminal,  
458 civil, or administrative proceeding resulting from a person's refusal to submit to the requested test  
459 or tests.

460 (2) (a) If the person has been placed under arrest, has then been requested by a peace  
461 officer to submit to any one or more of the chemical tests under Subsection (1), and refuses to  
462 submit to any chemical test requested, the person shall be warned by the peace officer requesting  
463 the test or tests that a refusal to submit to the test or tests can result in revocation of the person's  
464 license to operate a motor vehicle.

465 (b) Following the warning under Subsection (2)(a), if the person does not immediately  
466 request that the chemical test or tests as offered by a peace officer be administered a peace officer  
467 shall serve on the person, on behalf of the Driver License Division, immediate notice of the Driver  
468 License Division's intention to revoke the person's privilege or license to operate a motor vehicle.  
469 When the officer serves the immediate notice on behalf of the Driver License Division, he shall:

- 470 (i) take the Utah license certificate or permit, if any, of the operator;
- 471 (ii) issue a temporary license effective for only 29 days; and
- 472 (iii) supply to the operator, on a form approved by the Driver License Division, basic  
473 information regarding how to obtain a hearing before the Driver License Division.

474 (c) A citation issued by a peace officer may, if approved as to form by the Driver License  
475 Division, serve also as the temporary license.

476 (d) As a matter of procedure, the peace officer shall submit a signed report, within ten  
477 calendar days after the date of the arrest, that he had grounds to believe the arrested person had  
478 been operating or was in actual physical control of a motor vehicle while having a blood or breath  
479 alcohol content statutorily prohibited under Section 41-6-44, 53-3-231, or 53-3-232, or while under  
480 the influence of alcohol, any drug, or combination of alcohol and any drug under Section 41-6-44,  
481 or while having any measurable controlled substance or metabolite of a controlled substance in the  
482 person's body in violation of Section 41-6-44.6, and that the person had refused to submit to a  
483 chemical test or tests under Subsection (1).

484 (e) (i) A person who has been notified of the Driver License Division's intention to revoke  
485 his license under this section is entitled to a hearing.

486 (ii) A request for the hearing shall be made in writing within ten calendar days after the  
487 date of the arrest.

488 (iii) Upon written request, the division shall grant to the person an opportunity to be heard  
489 within 29 days after the date of arrest.

490 (iv) If the person does not make a timely written request for a hearing before the division,

491 his privilege to operate a motor vehicle in the state is revoked beginning on the 30th day after the  
492 date of arrest for a period of:

493 (A) one year unless Subsection (2)(e)(iv)(B) applies; or

494 (B) 18 months if the person has had a previous license sanction after July 1, 1993, under  
495 this section, Section 41-6-44.6, 53-3-223, 53-3-231, 53-3-232, or a conviction after July 1, 1993,  
496 under Section 41-6-44.

497 (f) If a hearing is requested by the person, the hearing shall be conducted by the Driver  
498 License Division in the county in which the offense occurred, unless the division and the person  
499 both agree that the hearing may be held in some other county.

500 (g) The hearing shall be documented and shall cover the issues of:

501 (i) whether a peace officer had reasonable grounds to believe that a person was operating  
502 a motor vehicle in violation of Section 41-6-44, 41-6-44.6, or 53-3-231; and

503 (ii) whether the person refused to submit to the test.

504 (h) (i) In connection with the hearing, the division or its authorized agent:

505 (A) may administer oaths and may issue subpoenas for the attendance of witnesses and the  
506 production of relevant books and papers; and

507 (B) shall issue subpoenas for the attendance of necessary peace officers.

508 (ii) The division shall pay witness fees and mileage from the Transportation Fund in  
509 accordance with the rates established in Section 21-5-4.

510 (i) If after a hearing, the Driver License Division determines that the person was requested  
511 to submit to a chemical test or tests and refused to submit to the test or tests, or if the person fails  
512 to appear before the Driver License Division as required in the notice, the Driver License Division  
513 shall revoke his license or permit to operate a motor vehicle in Utah beginning on the date the  
514 hearing is held for a period of:

515 (i) (A) one year unless Subsection (2)(i)(i)(B) applies; or

516 (B) 18 months if the person has had a previous license sanction after July 1, 1993, under  
517 this section, Section 41-6-44.6, 53-3-223, 53-3-231, 53-3-232, or a conviction after July 1, 1993,  
518 under Section 41-6-44.

519 (ii) The Driver License Division shall also assess against the person, in addition to any fee  
520 imposed under Subsection 53-3-205(14), a fee under Section 53-3-105, which shall be paid before  
521 the person's driving privilege is reinstated, to cover administrative costs.

522 (iii) The fee shall be cancelled if the person obtains an unappealed court decision  
523 following a proceeding allowed under this Subsection (2) that the revocation was improper.

524 (j) (i) Any person whose license has been revoked by the Driver License Division under  
525 this section may seek judicial review.

526 (ii) Judicial review of an informal adjudicative proceeding is a trial. Venue is in the  
527 district court in the county in which the offense occurred.

528 (3) Any person who is dead, unconscious, or in any other condition rendering him  
529 incapable of refusal to submit to any chemical test or tests is considered to not have withdrawn the  
530 consent provided for in Subsection (1), and the test or tests may be administered whether the  
531 person has been arrested or not.

532 (4) Upon the request of the person who was tested, the results of the test or tests shall be  
533 made available to him.

534 (5) (a) Only a physician, registered nurse, practical nurse, or person authorized under  
535 Section 26-1-30, acting at the request of a peace officer, may withdraw blood to determine the  
536 alcoholic or drug content. This limitation does not apply to taking a urine or breath specimen.

537 (b) Any physician, registered nurse, practical nurse, or person authorized under Section  
538 26-1-30 who, at the direction of a peace officer, draws a sample of blood from any person whom  
539 a peace officer has reason to believe is driving in violation of this chapter, or hospital or medical  
540 facility at which the sample is drawn, is immune from any civil or criminal liability arising from  
541 drawing the sample, if the test is administered according to standard medical practice.

542 (6) (a) The person to be tested may, at his own expense, have a physician of his own  
543 choice administer a chemical test in addition to the test or tests administered at the direction of a  
544 peace officer.

545 (b) The failure or inability to obtain the additional test does not affect admissibility of the  
546 results of the test or tests taken at the direction of a peace officer, or preclude or delay the test or  
547 tests to be taken at the direction of a peace officer.

548 (c) The additional test shall be subsequent to the test or tests administered at the direction  
549 of a peace officer.

550 (7) For the purpose of determining whether to submit to a chemical test or tests, the person  
551 to be tested does not have the right to consult an attorney or have an attorney, physician, or other  
552 person present as a condition for the taking of any test.

553 (8) If a person under arrest refuses to submit to a chemical test or tests or any additional  
554 test under this section, evidence of any refusal is admissible in any civil or criminal action or  
555 proceeding arising out of acts alleged to have been committed while the person was operating or  
556 in actual physical control of a motor vehicle while under the influence of alcohol, any drug,  
557 combination of alcohol and any drug, or while having any measurable controlled substance or  
558 metabolite of a controlled substance in the person's body.

570 (2) If a registered owner of the vehicle, other than the operator, is present at the time of  
571 arrest, the officer may release the vehicle to that registered owner, but only if the registered owner:

572 (a) requests to remove the vehicle from the scene;

573 (b) presents to the officer a valid operator's license and sufficient identification to prove  
574 ownership of the vehicle;

575 (c) complies with all restrictions of his operator's license; and

576 (d) would not, in the judgment of the officer, be in violation of Section 41-6-44 or  
577 41-6-44.10, or a local ordinance similar to Section 41-6-44 which complies with Subsection

612 proceeds, if any, disposed of under Section 41-1a-1103. The date of impoundment is considered  
613 the date of seizure for computing the time period provided in Section 41-1a-1103.

614 (7) The registered owner of the vehicle upon the payment of all fees and charges incurred

615 in the seizure and impoundment of the owner's vehicle has a cause of action for all the fees and  
616 charges, together with damages, court costs, and attorney fees, against the operator of the vehicle
