50 Section 2. Section **9-2-205** is amended to read:

51 **9-2-205. Division of Business and Economic Development -- Powers and duties of**  
52 **division -- Consulting with board on funds or services provided by department or division.**

53 (1) For the purposes of this section:

54 (a) "National recruitment" means the recruitment to the state of business, industry, or  
55 commerce if, at the time of the recruitment, the business, industry, or commerce is principally  
56 located in the United States.

57 (b) "Private entity" means a private person, corporation, company, or organization.

58 (2) There is created within the department the Division of Business and Economic  
59 Development under the administration and general supervision of the executive director or a  
60 designee of the executive director.

61 (3) (a) The division shall [be under the policy direction of the board.] obtain the advice and  
62 concurrence of the board prior to an imposition of or change to a policy, priority, objective, or rule  
63 under which the division operates.

64 (b) Subsection (3)(a) does not apply to the routine administration by the department or  
65 division of funds or services related to assistance, retention, or recruitment of business, industry,  
66 or commerce in this state.

67 (4) The division shall:

68 (a) be the industrial promotion authority of the state;

69 (b) promote and encourage the economic, commercial, financial, industrial, agricultural,  
70 and civic welfare of the state;

71 (c) do all lawful acts to create, develop, attract, and retain business, industry, and  
72 commerce within the state; and

73 (d) do other acts that enhance the economy of the state.

74 (5) The division may, subject to Subsection (6) and the approval of the board:

75 (a) enter into contracts or agreements with, or make grants to, public or private entities,  
76 including municipalities, in the furtherance of its duties where the contracts or agreements are not  
77 in violation of the Constitution or statutes of the state; and

78 (b) receive and expend funds available from any source, public or private, in any manner  
79 and for any lawful purpose in the best interest of the state in the discharge of their obligations  
80 under this part.

81 (6) (a) Beginning on May 3, 1999, the department or division may enter into or renew a  
82 contract or agreement with or make a grant to a private entity under which the private entity  
83 engages in national recruitment only if the sole activity of the private entity is national recruitment.

84 (b) In determining whether a private entity engages in activity other than national  
85 recruitment, the department or division shall consider all activities of the private entity regardless  
86 of whether the activities are funded by the department or division.

87 (7) The executive director and the director shall consult with the board at each meeting of

88 the board regarding the administration by the department or the division of funds or services  
89 related to assistance, retention, or recruitment of business, industry, or commerce in the state.
