

28 (2) (a) The board shall act as trustees of the fund, and through its executive officer, may
29 commingle and pool the funds and investments of any retirement system, plan, or program into the
30 Utah State Retirement Investment Fund, as long as the principal amounts of the participating funds
31 do not lose their individual identity and are maintained as separate trust funds on the books of the
32 retirement office.

33 (b) In combining the investments of any fund, each of the participating funds shall be
34 credited initially with its share of the total assets transferred to the Utah State Retirement
35 Investment Fund, the calculation being made on the basis of the fair market value of the various
36 investments at the time the investments are credited to the Utah State Retirement Investment Fund.

37 (c) Subsequent transfers of additional capital from participating funds shall be credited
38 similarly to its respective trust account.

39 (d) Funds may be withdrawn or transferred out of the Utah State Retirement Investment
40 Fund and credited back to a participating fund, but at no time may the income or principal or
41 equity credit belonging to one participating fund be transferred to another, except for the purpose
42 of actuarially recommended transfers in order to adjust employer contribution rates for an
43 employer that participates in both contributory and noncontributory systems.

44 (3) The assets of the participating funds are for the exclusive benefit of the members and
45 may not be diverted or appropriated for any purpose other than that permitted by this chapter or
46 the chapters covering the individual participating funds.

47 (4) (a) Interest and other earnings shall be credited to each participating fund on a pro rata
48 basis monthly, or otherwise as directed by the board.

49 (b) A portion of the interest and other earnings of the common trust fund may be credited
50 to a reserve account within the Utah State Retirement Investment Fund to meet adverse
51 experiences arising from investments or other contingencies. Each participating fund shall retain
52 its proportionate equity in the reserve account.

53 Section 2. Section **49-1-505** is amended to read:

54 **49-1-505. Reemployment of a retired member of a system administered by the board.**

55 The following laws govern the reemployment of a member of any system administered by
56 the board who has retired from any agency and who returns to work at that agency after retirement.
57 A member of any system administered by the board who has retired from any agency and who
58 returns to work for a private employer or at a different agency from which the member retired is

59 not subject to any reemployment restrictions under this section, except as provided in Subsection
60 (4).

61 (1) (a) (i) If a member of any system administered by the board retires from any agency
62 and is reemployed within a six month period by the agency from which the member retired,
63 including exempt positions, but excluding part-time or full-time elected officials, the employer
64 shall immediately notify the administrator.

65 (ii) If the member has full-time employment and is not subject to Subsection (1)(b), the
66 administrator shall cancel the member's retirement allowance and reinstate the member to active
67 member status.

68 (iii) This cancellation of retirement and reinstatement to active status is effective on the
69 first day of the month following the date of reemployment.

70 (iv) If a member's retirement allowance is cancelled and the member is reinstated to active
71 member status pursuant to this subsection, the member may not retire again with a recalculated
72 benefit for a two-year period from the date of cancellation of the original retirement. If the
73 member retires again within the two-year period, the original retirement benefit shall be resumed.

74 (v) A reinstated member shall be credited with the service credits standing to the member's
75 account at the time of the first retirement and from that time shall be treated as a member of the
76 system in all respects, including the accrual of additional service credits but subject to recalculation
77 of the retirement allowance under Subsection (4).

78 (b) (i) If the member is reemployed on a part-time basis or is not an elected official and
79 is otherwise subject to Section 49-4-205, 49-4a-206, or 49-5-204, that member or employee may
80 earn, without penalty, compensation from that position or employment which is not in excess of
81 the exempt earnings permitted by Social Security.

82 (ii) If a member or an employee receives compensation in a calendar year in excess of the
83 limitation, 25% of the retirement allowance shall be suspended.

84 (iii) The effective date of a suspension and reinstatement of an allowance shall be set by
85 the administrator.

86 (iv) Any suspension of a member's retirement allowance pursuant to Subsection (1)(b)(ii)
87 shall be calculated on a calendar year basis.

88 (2) The member and employer shall maintain an accurate record of gross earnings in
89 employment after retirement, shall report the gross earnings on a monthly basis to the retirement

90 office, and shall immediately notify the administrator in writing of any postretirement earnings
91 under Subsection (1)(a) and whether postretirement earnings equal or exceed the exempt earnings
92 under Subsection (1)(b).

93 (3) If a member is reinstated to active service and subsequently retires after the two-year
94 period as provided in Subsection (1)(a)(iv), the member's retirement allowance shall be calculated
95 using:

96 (a) the formula in effect at the date of the member's original retirement for all service prior
97 to that date; and

98 (b) the formula in effect at the date of the subsequent retirement for all service rendered
99 between the first and the subsequent retirement dates.

100 (4) A member who has retired from any agency and who returns to work at that agency
101 or a different agency from which the member retired may not accrue any additional service credit,
102 except that a member who cancels the retirement allowance under Subsection (1) may earn
103 additional service credit.

104 (5) For the purposes of this section "part-time" employment means employment
105 contemplated as less than full-time by the employer at the time of hire.

106 (6) The board may make rules to implement this section.

107 Section 3. Section **49-1-606** is amended to read:

108 **49-1-606. Beneficiary designations -- Revocation of beneficiary designation --**
109 **Procedure -- Beneficiary not designated -- Payment to survivors in order established under**
110 **the Uniform Probate Code -- Restrictions on payment -- Payment of deceased's expenses.**

111 (1) The beneficiary designation in a member's file at the retirement office at the time of
112 the member's death is binding in the payment of any benefits due under this title.

113 (2) A member may revoke a designation of beneficiary at any time and may file a different
114 beneficiary designation by executing and filing with the retirement office a written beneficiary
115 designation on forms provided by the retirement office, except where an optional continuing plan
116 is chosen, or the law makes a specific benefit designation to a dependent spouse, in which case the
117 beneficiary designation may not be revoked.

118 (3) If no beneficiary is designated [~~or if the estate is the named beneficiary and if a~~
119 ~~deceased member does not leave an estate requiring probate in the absence of the amounts due~~
120 ~~from the retirement system, unless otherwise provided in this title], all benefits payable from the~~

121 retirement system, including retirement benefits accrued but not received prior to death, may be
122 paid or applied to the benefit of the surviving next of kin of the deceased in the order of precedence
123 established under Title 75, Chapter 2, [~~the Utah Uniform Probate Code~~] Intestate Succession and
124 Wills.

125 (4) No payment may be made to persons included in any of these groups if at the date of
126 payment there are living persons in any of the groups preceding it. Payment to the persons in any
127 group based upon receipt from those persons of an affidavit in a form satisfactory to the
128 administrator that:

129 (a) there are no living individuals in the group preceding it;

130 (b) that the probate of the estate of the deceased has not been commenced; and

131 (c) that more than three months have elapsed since the date of death of the decedent, shall
132 be in full satisfaction and discharge of all claims for benefits under this title and payable by reason
133 of the death of the decedent.

134 (5) If the location of the nominated beneficiary cannot be ascertained or if the nominated
135 beneficiary is the estate of the deceased person, the administrator may pay the costs of the
136 deceased's last illness, convalescent care, and funeral expenses directly to the undertaking
137 establishment, hospital, doctor, or convalescent home which provided the service. The
138 administrator shall require verified statements of the charges before making partial or full payment.
139 The payment shall discharge the obligation of the system and of the fund up to the amount paid.

140 Section 4. Section **49-1-609** is amended to read:

141 **49-1-609. Nonassignability of benefits or payments -- Exemption from legal process**
142 **-- Deduction of amounts owned.**

143 (1) Except as provided in Subsection (4), the right of any member or beneficiary to any
144 benefit, payment, or any other right accrued or accruing to any person under this title and the assets
145 of the fund created by this title are not subject to alienation or assignment by the member or
146 beneficiary and are not subject to attachment, execution, garnishment, or any other legal or
147 equitable process.

148 (2) This section may not be construed to prohibit the administrator from deducting medical
149 or other insurance premiums from a retirant's allowance as requested by the retirant providing that
150 any request is within limitations and rules prescribed by the board.

151 (3) (a) Notwithstanding Subsection (1), the retirement board shall provide for the division

152 of a member's service retirement allowance, continuing monthly death benefit, or refund of
153 contributions upon termination to former spouses and family members pursuant to an order of a
154 court of competent jurisdiction with respect to domestic relations matters on file with the
155 retirement office.

156 (b) The court order shall specify the manner in which the retirement allowance or refund
157 of contributions shall be partitioned, whether as a fixed amount or as a percentage of the benefit.

158 (c) The board may also provide for the division of a member's defined contribution
159 account.

160 (d) The board shall make rules to implement this section.

161 (4) In accordance with federal law, the board may deduct the required amount from any
162 benefit, payment, or other right accrued or accruing to any member of a system, plan, or program
163 under this title to offset any amount that member owes to a system, plan, or program administered
164 by the board.

165 Section 5. Section **49-5-203** is amended to read:

166 **49-5-203. Eligibility for membership in the system.**

167 (1) Any employee who performs covered services for any political subdivision after the

177 in which the greatest amount of duty time is contemplated and actually worked. The personnel
178 shall be full-time public safety or firefighter employees of the employing unit.
