

28 recommendations of and after consulting with the Riverway Enhancement Advisory Council and
29 the division.

30 (3) Rules for the awarding of grants for riverway enhancement projects shall provide that:

31 (a) each riverway enhancement project for which grant funds are awarded must be along
32 a river or stream that is impacted by high density populations or prone to flooding; and

33 (b) riverway enhancement proposals that include a plan to provide employment
34 opportunities for youth, including at-risk youth, as defined in Section 63-11a-501, in the
35 development of the riverway enhancement project shall be encouraged.

36 Section 2. Section **63-11-54.5** is amended to read:

37 **63-11-54.5. Mountain Meadow Massacre site included within state park system.**

38 (1) [~~An annex to Iron Mission State Park consisting of the~~] The Mountain Meadow
39 Massacre site and monument [is established] shall be included within the state park system.

40 (2) The Division of Parks and Recreation may:

41 (a) enter into an agreement with the United States Forest Service for the use of land at the
42 site as a state park; and

43 (b) receive donations of land, facilities or both at the site for inclusion within the state
44 park.

45 Section 3. Section **63-11a-501** is amended to read:

46 **63-11a-501. Grants -- Matching funds requirements -- Rules.**

47 (1) (a) The division may give grants to federal government agencies, state agencies, or
48 local governments for the planning, acquisition, and development of trails within the state's
49 recreational trail system with funds appropriated by the Legislature for that purpose.

50 (b) Each grant recipient must provide matching funds having a value that is equal to or
51 greater than the grant funds received. However, the Board of Parks and Recreation may allow a
52 grant recipient to provide property, material, or labor in lieu of money, provided the grant
53 recipient's contribution has a value that is equal to or greater than the grant funds received.

54 (2) The Board of Parks and Recreation shall:

55 (a) make rules setting forth procedures and criteria for the awarding of grants for
56 recreational trails; and

57 (b) determine to whom grant funds shall be awarded after considering the
58 recommendations of and after consulting with the Recreational Trails Advisory Council and the

59 division.

60 (3) Rules for the awarding of grants for recreational trails shall provide that:

61 (a) each grant applicant must solicit public comment on the proposed recreational trail and
62 submit a summary of that comment to the division;

63 (b) each trail project for which grant funds are awarded must conform to the criteria and
64 guidelines specified in Sections 63-11a-102, 63-11a-103, and 63-11a-201; and

65 (c) trail proposals that include a plan to provide employment opportunities for youth,
66 including at-risk youth, in the development of the trail shall be encouraged.

67 (4) As used in this section, "at-risk youth" means youth who:

68 (a) are subject to environmental forces, such as poverty or family dysfunction, that may
69 make them vulnerable to family, school, or community problems;

70 (b) perform poorly in school or have failed to complete high school;

71 (c) exhibit behaviors which have the potential to harm themselves or others in the
72 community, such as truancy, use of alcohol or drugs, and associating with delinquent peers; or

73 (d) have already engaged in behaviors harmful to themselves or others in the community.
