465 violation or danger. The notice shall be in writing, setting forth with reasonable particularity the
466 grounds for notice, and signed by the employee or representative of employees. A copy of the
467 notice shall be provided the employer or the employer's agent no later than at the time of
468 inspection. Upon request of the person giving notice, the person's name and the names of
469 individual employees referred to in the notice shall not appear in the copy or on any record
470 published, released, or made available pursuant to Subsection (7).

471 (ii) (A) If upon receipt of the notice the division's authorized representative determines

478 (b) Prior to or during any inspection of a workplace, any employee or representative of
479 employees employed in the workplace may notify the division or its representative of any violation
480 of a standard that they have reason to believe exists in the workplace. The division shall, by rule,
481 establish procedures for informal review of any refusal by a representative of the division to issue
482 a citation with respect to any alleged violation and furnish the employees or representative of
483 employees requesting review a written statement of the reasons for the division's final disposition
484 of the case.

485 (7) (a) The division may compile, analyze, and publish, either in summary or detailed
486 form, all reports or information obtained under this section, subject to the limitations set forth in
487 Section 34A-6-306.

491 Section 34A-6-306.

492 (8) Any employer who refuses or neglects to make reports, to maintain records, or to file

493 reports with the commission as required by this section is guilty of a class C misdemeanor and
494 subject to citation under Section 34A-6-302 and a civil assessment as provided under Section
495 34A-6-307, unless the commission finds that the employer has shown good cause for submitting
496 a report later than required by this section.

556 of refusal -- Results of test available -- Who may give test -- Evidence.

557 (1) (a) A person operating a motor vehicle in this state is considered to have given his
558 consent to a chemical test or tests of his breath, blood, or urine for the purpose of determining
559 whether he was operating or in actual physical control of a motor vehicle while having a blood or
560 breath alcohol content statutorily prohibited under Section 41-6-44, 53-3-231, or 53-3-232, while
561 under the influence of alcohol, any drug, or combination of alcohol and any drug under Section
562 41-6-44, or while having any measurable controlled substance or metabolite of a controlled
563 substance in the person's body in violation of Section 41-6-44.6, if the test is or tests are

576 tests of his breath, blood, or urine, may not select the test or tests to be administered.

577 (ii) The failure or inability of a peace officer to arrange for any specific chemical test is
578 not a defense to taking a test requested by a peace officer, and it is not a defense in any criminal,
579 civil, or administrative proceeding resulting from a person's refusal to submit to the requested test
580 or tests.

581 (2) (a) If the person has been placed under arrest, has then been requested by a peace
582 officer to submit to any one or more of the chemical tests under Subsection (1), and refuses to
583 submit to any chemical test requested, the person shall be warned by the peace officer requesting
584 the test or tests that a refusal to submit to the test or tests can result in revocation of the person's
585 license to operate a motor vehicle.

586 (b) Following the warning under Subsection (2)(a), if the person does not immediately
587 request that the chemical test or tests as offered by a peace officer be administered a peace officer

593 (iii) supply to the operator, on a form approved by the Driver License Division, basic
594 information regarding how to obtain a hearing before the Driver License Division.

596 Division, serve also as the temporary license.

597 (d) As a matter of procedure, the peace officer shall submit a signed report, within ten
598 calendar days after the date of the arrest, that he had grounds to believe the arrested person had
599 been operating or was in actual physical control of a motor vehicle while having a blood or breath
600 alcohol content statutorily prohibited under Section 41-6-44, 53-3-231, or 53-3-232, or while under
601 the influence of alcohol, any drug, or combination of alcohol and any drug under Section 41-6-44,
602 or while having any measurable controlled substance or metabolite of a controlled substance in the
603 person's body in violation of Section 41-6-44.6, and that the person had refused to submit to a
604 chemical test or tests under Subsection (1).

605 (e) (i) A person who has been notified of the Driver License Division's intention to revoke
606 his license under this section is entitled to a hearing.

607 (ii) A request for the hearing shall be made in writing within ten calendar days after the
608 date of the arrest.

609 (iii) Upon written request, the division shall grant to the person an opportunity to be heard
610 within 29 days after the date of arrest.

611 (iv) If the person does not make a timely written request for a hearing before the division,
612 his privilege to operate a motor vehicle in the state is revoked beginning on the 30th day after the
613 date of arrest for a period of:

614 (A) 18 months unless Subsection (2)(e)(iv)(B) applies; or

615 (B) 24 months if the person has had a previous license sanction after July 1, 1993, under
616 this section, Section 41-6-44.6, 53-3-223, 53-3-231, 53-3-232, or a conviction after July 1, 1993,

617 under Section 41-6-44.

618 (f) If a hearing is requested by the person, the hearing shall be conducted by the Driver
619 License Division in the county in which the offense occurred, unless the division and the person
620 both agree that the hearing may be held in some other county.

621 (g) The hearing shall be documented and shall cover the issues of:

622 (i) whether a peace officer had reasonable grounds to believe that a person was operating
623 a motor vehicle in violation of Section 41-6-44, 41-6-44.6, or 53-3-231; and

624 (ii) whether the person refused to submit to the test.

625 (h) (i) In connection with the hearing, the division or its authorized agent:

626 (A) may administer oaths and may issue subpoenas for the attendance of witnesses and the
627 production of relevant books and papers; and

628 (B) shall issue subpoenas for the attendance of necessary peace officers.

629 (ii) The division shall pay witness fees and mileage from the Transportation Fund in
630 accordance with the rates established in Section [~~21-5-4~~] 78-46-28.

631 (i) If after a hearing, the Driver License Division determines that the person was requested
632 to submit to a chemical test or tests and refused to submit to the test or tests, or if the person fails
633 to appear before the Driver License Division as required in the notice, the Driver License Division
634 shall revoke his license or permit to operate a motor vehicle in Utah beginning on the date the
635 hearing is held for a period of:

636 (i) (A) 18 months unless Subsection (2)(i)(i)(B) applies; or

637 (B) 24 months if the person has had a previous license sanction after July 1, 1993, under
638 this section, Section 41-6-44.6, 53-3-223, 53-3-231, 53-3-232, or a conviction after July 1, 1993,
639 under Section 41-6-44.

640 (ii) The Driver License Division shall also assess against the person, in addition to any fee
641 imposed under Subsection 53-3-205(14), a fee under Section 53-3-105, which shall be paid before
642 the person's driving privilege is reinstated, to cover administrative costs.

643 (iii) The fee shall be cancelled if the person obtains an unappealed court decision
644 following a proceeding allowed under this Subsection (2) that the revocation was improper.

645 (j) (i) Any person whose license has been revoked by the Driver License Division under
646 this section may seek judicial review.

647 (ii) Judicial review of an informal adjudicative proceeding is a trial. Venue is in the

648 district court in the county in which the offense occurred.

649 (3) Any person who is dead, unconscious, or in any other condition rendering him
650 incapable of refusal to submit to any chemical test or tests is considered to not have withdrawn the
651 consent provided for in Subsection (1), and the test or tests may be administered whether the
652 person has been arrested or not.

653 (4) Upon the request of the person who was tested, the results of the test or tests shall be
654 made available to him.

655 (5) (a) Only a physician, registered nurse, practical nurse, or person authorized under
656 Section 26-1-30, acting at the request of a peace officer, may withdraw blood to determine the
657 alcoholic or drug content. This limitation does not apply to taking a urine or breath specimen.

658 (b) Any physician, registered nurse, practical nurse, or person authorized under Section
659 26-1-30 who, at the direction of a peace officer, draws a sample of blood from any person whom
660 a peace officer has reason to believe is driving in violation of this chapter, or hospital or medical
661 facility at which the sample is drawn, is immune from any civil or criminal liability arising from
662 drawing the sample, if the test is administered according to standard medical practice.

663 (6) (a) The person to be tested may, at his own expense, have a physician of his own
664 choice administer a chemical test in addition to the test or tests administered at the direction of a
665 peace officer.

666 (b) The failure or inability to obtain the additional test does not affect admissibility of the
667 results of the test or tests taken at the direction of a peace officer, or preclude or delay the test or
668 tests to be taken at the direction of a peace officer.

669 (c) The additional test shall be subsequent to the test or tests administered at the direction
670 of a peace officer.

671 (7) For the purpose of determining whether to submit to a chemical test or tests, the person
672 to be tested does not have the right to consult an attorney or have an attorney, physician, or other
673 person present as a condition for the taking of any test.

674 (8) If a person under arrest refuses to submit to a chemical test or tests or any additional
675 test under this section, evidence of any refusal is admissible in any civil or criminal action or

845 Section 21. Section **70A-9-403 (Repealed 07/01/01)** is amended to read:

846 **70A-9-403 (Repealed 07/01/01). What constitutes filing -- Required statement --**
847 **Duration of filing -- Effect of lapsed filing -- Duties of filing officer.**

848 (1) Presentation for filing by the Division of Corporations and Commercial Code, or for
849 recording, indexing, and abstracting by tract by the county recorder of a financing statement and
850 tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under
851 this chapter.

852 (2) Except as provided in Subsection (6), a filed financing statement is effective for a
853 period of five years from the date of filing. The effectiveness of a filed financing statement lapses
854 on the expiration of the five-year period unless a continuation statement is filed prior to the lapse.
855 If a security interest perfected by filing exists at the time insolvency proceedings are commenced
856 by or against the debtor, the security interest remains perfected until termination of the insolvency
857 proceedings and thereafter for a period of 60 days or until expiration of the five-year period,
858 whichever occurs later. Upon lapse, the security interest becomes unperfected, unless it is
859 perfected without filing. If the security interest becomes unperfected upon lapse, it is considered
860 to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

861 (3) (a) A continuation statement may be filed by the secured party within six months prior
862 to the expiration of the five-year period specified in Subsection (2). Any such continuation
863 statement must be signed by the secured party, identify the original statement by file number or
864 by entry numbers and book and page numbers and state that the original statement is still effective.

865 A continuation statement signed by a person other than the secured party of record must be
866 accompanied by a separate written statement of assignment signed by the secured party of record
867 and complying with Subsection 70A-9-405(2), including payment of the required fee. Upon timely
868 filing of the continuation statement, the effectiveness of the original statement is continued for five
869 years after the last date to which the filing was effective whereupon it lapses in the same manner
870 as provided in Subsection (2) unless another continuation statement is filed prior to such lapse.
871 Succeeding continuation statements may be filed in the same manner to continue the effectiveness
872 of the original statement.

873 (b) Unless a statute on disposition of public records provides otherwise, the filing officer
874 may remove a lapsed statement from the files and destroy it immediately if the filing officer has
875 retained a microfilm or other photographic record, or in other cases after one year after the lapse.
876 The filing officer shall so arrange matters by physical annexation of financing statements to
877 continuation statement or other related filings, or by other means, that if the filing officer
878 physically destroys the financing statements of a period more than five years past, those which
879 have been continued by a continuation statement or which are still effective under Subsection (6)
880 shall be retained.

881 (4) Except as provided in Subsection (7), a filing officer shall mark each statement with
882 a file number and with the date and hour of filing and shall hold the statement or a microfilm or
883 other photographic copy thereof for public inspection. In addition, the filing officer shall index
884 the statements according to the name of the debtor and shall note in the index the file number and
885 the address of the debtor given in the statement.

886 (5) The fees for filing and indexing and for stamping a copy furnished by the secured party
887 to show the date and place of filing for an original financing statement or for a continuation
888 statement shall be determined by the Division of Corporations and Commercial Code pursuant to
889 Section 63-38-3.2. The secured party may at the secured party's option show a trade name for any
890 person and an extra indexing fee determined by the Division of Corporations and Commercial
891 Code pursuant to Section 63-38-3.2 shall be paid with respect thereto.

892 (6) If the debtor is a transmitting utility (Subsection 70A-9-401(5)) and a filed financing
893 statement so states, it is effective until a termination statement is filed. A real estate mortgage
894 which is effective as a fixture filing under Subsection 70A-9-402(6) remains effective as a fixture
895 filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates

896 as to the real estate.

897 (7) When a financing statement covers timber to be cut or covers minerals or the like
898 (including oil and gas) subject to Subsection 70A-9-103(5), or accounts, or is recorded as a fixture
899 filing, the county recorder shall record and index it under the names of the debtor and any owner
900 of record shown on the financing statement in the same fashion as if they were the mortgagors in
901 a mortgage of the real estate described, and under the name of the secured party as if the secured
902 party were the mortgagee thereunder, or where indexing is by description, record and index it in
903 the same fashion as if the financing statement were a mortgage of the real estate described.

904 Original statements, once duly marked and recorded by the county recorder, may be returned to
905 the party making the filing. Except as provided in Subsection 70A-9-404(3), filings made in the
906 office of the county recorder shall be subject to the provisions of Section [~~21-2-8~~] 17-16-21 in lieu
907 of the fees provided in this chapter.

908 Section 22. Section **70A-9-404 (Repealed 07/01/01)** is amended to read:

909 **70A-9-404 (Repealed 07/01/01). Termination statement.**

910 (1) If a financing statement covering consumer goods is filed on or after July 1, 1977, then
911 within one month or within ten days following written demand by the debtor after there is no
912 outstanding secured obligation and no commitment to make advances, incur obligations, or
913 otherwise give value, the secured party must file with each filing officer with whom the financing
914 statement was filed, a termination statement to the effect that he no longer claims a security interest
915 under the financing statement, which shall be identified by file number or by entry number and
916 book and page numbers. In other cases, whenever there is no outstanding secured obligation and
917 no commitment to make advances, incur obligations, or otherwise give value, the secured party
918 must, on written demand by the debtor, send the debtor, for each filing officer with whom the
919 financing statement was filed, a termination statement to the effect that he no longer claims a
920 security interest under the financing statement, which shall be identified by file number or by entry
921 number and book and page numbers. A termination statement signed by a person other than the
922 secured party of record must be accompanied by a separate written statement of assignment signed
923 by the secured party of record complying with Subsection (2) of Section 70A-9-405, including
924 payment of the required fee. If the affected secured party fails to file such a termination statement
925 as required by this Subsection (1), or to send such a termination statement within ten days after
926 proper demand therefor, he shall be liable to the debtor for \$100, and in addition, for any loss

927 caused to the debtor by such failure.

928 (2) On presentation to the filing officer of such a termination statement, he must duly file
929 the same. If he has received the termination statement in duplicate, he shall return one copy of the
930 termination statement to the secured party stamped to show the time of receipt thereof. If the filing
931 officer has a microfilm or other photographic record of the financing statement, and of any related
932 continuation statement, statement of assignment and statement of release, he may remove the
933 originals from the files at any time after receipt of the termination statement, or if he has no such
934 record, he may remove them from the files at any time after one year after receipt of the
935 termination statement.

936 (3) No fee shall be charged for filing and indexing a termination statement including
937 sending or delivering the financing statement, except that filings made in the office of the county
938 recorder shall be subject to the provisions of Section [~~21-2-8~~] 17-16-21 in lieu of the no-fee
939 provision in this chapter.

940 Section 23. Section **70A-9a-525 (Effective 07/01/01)** is amended to read:

941 **70A-9a-525 (Effective 07/01/01). Fees.**

942 (1) Except as otherwise provided in Subsection (3), the fee for the Division of
943 Corporations and Commercial Code filing and indexing a record under this part, including an
944 initial financing statement of the kind described in Subsection 70A-9a-502(3), shall:

- 945 (a) be determined by the Division of Corporations and Commercial Code;
946 (b) be reasonable and fair; and
947 (c) reflect the cost of services provided.

949 for information from the Division of Corporations and Commercial Code, including for issuing
950 a record showing whether there is on file any financing statement naming a particular debtor shall:

- 951 (a) be determined by the Division of Corporations and Commercial Code;
952 (b) be reasonable and fair; and
953 (c) reflect the cost of services provided.

954 (3) (a) This section does not require a fee with respect to a record of a mortgage which is
955 effective as a financing statement filed as a fixture filing or as a financing statement covering
956 as-extracted collateral or timber to be cut under Subsection 70A-9a-502(3). However, the
957 recording and satisfaction fees that otherwise would be applicable to the record of the mortgage

958 apply.

959 (b) (i) This section does not apply to fees charged by a filing office described in Subsection
960 70A-9a-501(1)(a).

961 (ii) A filing office described in Subsection 70A-9a-501(1)(a) shall charge fees in
962 accordance with Section [~~21-2-3~~] 17-21-18.5.

968 where the arrest occurred, for an order expunging any and all records of arrest, investigation, and
969 detention which may have been made in the case, subject to the following conditions:

972 (c) one of the following occurred:

973 (i) the person was released without the filing of formal charges;

974 (ii) proceedings against the person were dismissed;

975 (iii) the person was discharged without a conviction and no charges were refiled within
976 30 days;

977 (iv) the person was acquitted at trial; or

978 (v) the record of any proceedings against the person has been sealed.

979 (2) (a) A person seeking expungement under Subsection (1) may petition the court for
980 expungement before the expiration of the 30 days required by Subsection (1)(a) if he believes
981 extraordinary circumstances exist and the court orders the division to proceed with the eligibility
982 process.
