77 **72-13-102. Definitions.**

78 As used in this chapter:

79 (1) "Board" means the Spaceport Advisory Board created in Section 72-13-104.

80 (2) "Spaceport" means an area of land or water which is used, or is made available for, the
81 landing and takeoff of spacecraft, including any appurtenant areas which are used, or intended for
82 use, for spaceport buildings, other spaceport facilities or rights-of-way, together with all spaceport
83 buildings and facilities located thereon, and which may include land and buildings, together with
84 all appurtenances necessary or convenient thereto for the accommodation or convenience of the
85 public, including, parking, dining, recreational, and hotel facilities.

86 Section 4. Section **72-13-103** is enacted to read:

87 **72-13-103. Powers of department -- Spaceports.**

88 The department is designated as the state spaceport authority and has power to:

89 (1) plan, design, acquire property for, undertake, construct, operate, maintain, administer,

90 and manage all spaceport properties and attendant spaceport facilities;

91 (2) regulate the receiving, deposit, and embarkation of passengers or property to or from
92 the spaceport;

93 (3) regulate or prohibit any spaceport hazard;

94 (4) exact and require charges, fees, and rentals, and provide for a lien to enforce their
95 payment;

96 (5) lease or assign for operation any space or area, appurtenances, appliances, or other
97 conveniences as are necessary or useful;

98 (6) provide rules governing the use of the spaceport or spaceports, and facilities and the
99 use of other property and means of transportation within or over the spaceport or spaceports,
100 landing field and navigation facilities, and perform any duties, necessary for or consistent with the
101 regulation of spacecraft traffic;

102 (7) enter into contracts or otherwise cooperate with the federal government or other public
103 or private agencies regarding spaceport matters;

104 (8) exercise the powers that may be required for or that are consistent with the promotion
105 of a spaceport and the furtherance of commerce and navigation by spacecraft; and

106 (9) consult with the board and provide staff support to the board.

107 Section 5. Section **72-13-104** is enacted to read:

108 **72-13-104. Advisory board created -- Appointment -- Terms -- Meetings -- Per diem**
109 **and expenses -- Duties.**

110 (1) There is created within the department the Spaceport Advisory Board consisting of
111 seven members appointed by the governor as follows:

112 (a) the executive director of the department or his designee;

113 (b) the executive director of the Department of Community and Economic Development
114 or his designee; and

115 (c) the governor shall appoint five public members to represent the public at large,
116 aerospace interests, and local governments.

117 (2) Each public member of the board shall:

118 (a) be selected at large on a nonpartisan basis; and

119 (b) have been a legal resident of the state for at least one year immediately preceding the
120 date of appointment.

121 (3) (a) Except as required by Subsection (3)(b), as terms of current board members expire,
122 the governor shall appoint each new member or reappointed member to a four-year term.

123 (b) The governor shall, at the time of appointment or reappointment, adjust the length of
124 terms to ensure that the terms of board members are staggered so that approximately half of the
125 board is appointed every two years.

126 (c) A member shall serve from the date of appointment until a replacement is appointed.

127 (4) When a vacancy occurs in the membership for any reason, the replacement shall be
128 appointed for the unexpired term beginning the day following the expiration of the preceding term.

129 (5) The board shall elect its own chair and vice chair at the first regular meeting of each
130 calendar year.

131 (6) The board shall meet as needed when called by the chair.

132 (7) Any four voting members constitute a quorum for the transaction of business that
133 comes before the board.

134 (8) (a) Members shall receive no compensation or benefits for their services, but may
135 receive per diem and expenses incurred in the performance of the member's official duties at the
136 rates established by the Division of Finance under Sections 63A-3-106 and 63A-3-107.

137 (b) Members may decline to receive per diem and expenses for their service.

138 (9) The board shall advise the department and the commission on interpretation, adoption,
139 and implementation of this chapter and other spaceport related issues, including planning, design,
140 operation, maintenance, administration, and management of all spaceports and their attendant
141 facilities under the jurisdiction of the department.

142 (10) The department shall provide staff support to the board.

143 **Section 6. Effective date.**

144 This act takes effect on July 1, 2001.
