

SPECIAL GROUP LICENSE PLATE**REVISIONS**

2003 GENERAL SESSION

STATE OF UTAH

Sponsor: David L. Hogue

This act modifies the Motor Vehicle Code by revising and amending the special group license plates provisions. This act establishes categories for special group license plates.

This act provides that the Motor Vehicle Division must receive a start-up fee for production and administrative costs as established by the division prior to issuing any new type of special group license plates or a legislative appropriation to cover this fee.

This act limits organizations that can obtain any new type of special group license plates, without legislative action to tax-exempt 501(c)(3) organizations that collect 200 applicants and that pay the start-up fee. This act allows a redesign fee to be established by the division for the redesign of special group license plates. This act repeals a \$50 initial license plate fee and its exemptions and a \$10 renewal fee and its exemptions and in their place establishes a \$5 initial license plate fee applicable to all special group license plates.

This act provides for an immediate effective date.

This act affects sections of Utah Code Annotated 1953 as follows:
