AMENDS:

**4-31-16.5**, as enacted by Chapter 290, Laws of Utah 1999

---

---

*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **4-31-16.5** is amended to read:

**4-31-16.5. Brucellosis -- Vaccination required for certain cattle -- Testing required to import certain cattle.**

(1) As used in this section, "test-eligible" has the meaning defined in 9 C.F.R. Sec.

78.1.

26 (2) (a) Instate origin replacement cattle that are kept for breeding stock must be official  
27 calfhood vaccinated for brucellosis.

28 (b) Female cattle from within the state that are not kept for breeding stock will not be  
29 required to be vaccinated.

30 (c) For purposes of this Subsection (2), the department may make rules in accordance  
31 with Title 63, Chapter 46a, Utah Administrative Rulemaking Act, governing § ~~[noneligible]~~ **NON-**  
31a **LEGIBLE** §

32 brucellosis tattoos and may accept brucellosis vaccination record forms as evidence that  
33 brucellosis vaccinations were performed.

34 ~~[(2) Female]~~ (3) All female beef-breed cattle [within or] imported into the state are  
35 [not] required to be official calfhood vaccinated for brucellosis[-] except female cattle:

36 (a) less than four months of age;

37 (b) going directly to slaughter;

38 (c) going to a qualified feedlot; or

39 (d) going to an approved auction to be vaccinated on arrival or designated for slaughter  
40 only.

41 ~~[(3)]~~ (4) (a) Test-eligible cattle imported from states designated as brucellosis-free  
42 under 9 C.F.R. Sec. 78.43, that are acquired directly from the farm of origin are not required to  
43 be tested for brucellosis before movement into the state.

44 (b) Test-eligible cattle imported from states designated as brucellosis-free under 9  
45 C.F.R. Sec. 78.43, that are acquired through trading channels must test negative for brucellosis  
46 within 30 days before movement into the state.

47 ~~[(4)]~~ (5) Test-eligible cattle imported from states that have not been designated as  
48 brucellosis-free under 9 C.F.R. Sec. 78.43, must test negative for brucellosis within 30 days  
49 before movement into the state.

50 (6) The department may investigate situations where fees for brucellosis vaccinations  
51 are considered to be excessive.

52 (7) The department may make rules in accordance with Title 63, Chapter 46a, Utah  
53 Administrative Rulemaking Act, for beef-breed cattle that are acquired for specialized breeding  
54 purposes, and may exempt those cattle from brucellosis vaccination requirements.

55 ~~[(5)]~~ (8) The department shall make rules in accordance with Title 63, Chapter 46a,  
56 Utah Administrative Rulemaking Act, to implement this section.
