APPLIED TECHNOLOGY PROGRAM AMENDMENTS

Representative **James A. Ferrin** proposes the following amendments:

1. *Page 1, Lines 9 through 11:*

9 This bill authorizes a ~~{local school board or}~~ charter school to allow a student in grade
10 seven or eight to earn additional credit in certain subjects in lieu of taking the
11 Technology, Life, and Careers course.

2. *Page 1, Lines 14 through 19:*

14 ▶ authorizes a ~~{local school board or}~~ charter school to allow a student in grade seven or
15 eight to earn one additional unit of credit in certain subjects in lieu of taking the
16 Technology, Life, and Careers course; and
17 ▶ provides that a ~~{local school board or}~~ charter school is not required to offer the
18 Technology, Life, and Careers course if at least six hours of alternative career and agri-business
instruction is provided and other courses are offered that may be
19 substituted for the Technology, Life, and Careers course.

3. *Page 2, Lines 55 through 58:*

55 (6) (a) In lieu of taking the Technology, Life, and Careers course, a ~~{local school board~~
56 ~~or}~~ charter school may allow a student in grade seven or eight to earn one additional unit of
57 credit in language arts, mathematics, science, social studies, or computer technology beyond
58 the minimum credit requirements for those subjects in grades seven and eight.

4. *Page 3, Lines 59 through 61:*

59 (b) A ~~{local school board or}~~ charter school is not required to offer the Technology, Life,
60 and Careers course if :
(i) other courses are offered that may be substituted for the Technology,
61 Life, and Careers course, as provided in Subsection (6)(a) ; and
(ii) at least six hours of alternative instruction in careers and agri-business is provided by the charter
