34 **Utah Code Sections Affected:**

35 ENACTS:

36 **73-10-33**, Utah Code Annotated 1953

38 *Be it enacted by the Legislature of the state of Utah:*

39 Section 1. Section **73-10-33** is enacted to read:

40 **73-10-33. State Facility Water Conservation Program.**

41 (1) As used in this section:

42 (a) "Division" means the Division of Water Resources created in Section 73-10-18.

43 (b) "Program" means the State Facility Water Conservation Program created in this
44 section.

45 (c) "State agency" means an executive, legislative, or judicial branch department,
46 agency, board, commission, or division, including a state institution of higher education as
47 defined in Section 53B-3-102.

48 (d) (i) "State facility" means a building, structure, or other improvement that is
49 constructed on property owned by the state or a state agency.

50 (ii) "State facility" does not mean:

51 (A) an unoccupied structure that is a component of the state highway system;

52 (B) a privately owned structure that is located on property owned by the state or a state
53 agency; or

54 (C) a structure that is located on land administered by the School and Institutional
55 Trust Lands Administration under a lease, permit, or contract with the School and Institutional
56 Trust Lands Administration.

57 (e) "Water conservation measure" means an action taken or initiated by a state agency
58 that reduces water use at a state facility.

- 59 (2) There is created a State Facility Water Conservation Program.
- 60 (3) The division shall develop, administer, and implement the program by:
- 61 (a) in accordance with Title 63, Chapter 46a, Utah Administrative Rulemaking Act,
- 62 enacting a rule:
- 63 (i) that establishes voluntary guidelines and procedures to improve indoor and outdoor
- 64 water conservation in the maintenance and management of a state facility; and
- 65 (ii) in collaboration with the Division of Facilities Construction and Management, that
- 66 establishes mandatory design and construction standards to improve indoor and outdoor water
- 67 conservation in a state facility that on or after July 1, 2008 is:
- 68 (A) constructed; or
- 69 (B) renovated to improve plumbing or landscaping;
- 70 (b) analyzing water use at a state facility to identify a potential water conservation
- 71 measure;
- 72 (c) recommending a water conservation measure;
- 73 (d) providing information and assistance in implementing a water conservation
- 74 measure; and
- 75 (e) expending funds appropriated to implement the program for a water conservation
- 76 measure.
- 77 (4) Beginning in 2009, the division shall submit an annual report to the governor and
- 78 the Capital Facilities and Administrative Services Appropriations Subcommittee by August 1
- 79 of each year that:
- 80 (a) details each water conservation project or activity that was implemented as part of
- 81 the program; and
- 82 (b) identifies the water conservation projects or activities that the division plans to
- 83 implement in the future as part of the program.
- 84 (5) (a) A state agency may request funding or reimbursement from the division for
- 85 implementation of a water conservation measure.
- 86 (b) The division may provide funding or reimbursement to a state agency under
- 87 Subsection (5)(a) based on:
- 88 (i) the effectiveness of a proposed conservation measure; and
- 89 (ii) the availability of funds.

90 (6) In expending funds appropriated to implement the program, the division shall use
91 no less than the following percentage of the appropriated amount to pay for the costs of
92 performing the requirements of Subsections (3)(b), (c), (d), and (e):

- 93 (a) 80% in fiscal year 2008-09;
- 94 (b) 93% in fiscal year 2009-10; and
- 95 (c) 95% in a fiscal year following fiscal year 2009-10.

96 **Section 2. Appropriation.**

97 (1) There is appropriated as an ongoing appropriation subject to future budget
98 constraints, \$500,000 from the General Fund for fiscal year 2008-09, to the Division of Water
99 Resources.

100 (2) It is the intent of the Legislature that the Division of Water Resources use the
101 monies appropriated in Subsection (1) to implement the State Facility Water Conservation
102 Program.
