46 *Be it enacted by the Legislature of the state of Utah:*

47 Section 1. Section **10-2-403** is amended to read:

48 **10-2-403. Annexation petition -- Requirements -- Notice required before filing.**

49 (1) Except as provided in Section 10-2-418, the process to annex an unincorporated
50 area to a municipality is initiated by a petition as provided in this section.

51 (2) (a) (i) Before filing a petition under Subsection (1) with respect to the proposed
52 annexation of an area located in a county of the first class, the person or persons intending to
53 file a petition shall:

54 (A) file with the city recorder or town clerk of the proposed annexing municipality a
55 notice of intent to file a petition; and

56 (B) send a copy of the notice of intent to each affected entity.

57 (ii) Each notice of intent under Subsection (2)(a)(i) shall include an accurate map of the
58 area that is proposed to be annexed.

59 (b) (i) Subject to Subsection (2)(b)(ii), the county in which the area proposed to be
60 annexed is located shall:

61 (A) mail the notice described in Subsection (2)(b)(iii) to:

62 (I) each owner of real property located within the area proposed to be annexed; and

63 (II) each owner of real property located within 300 feet of the area proposed to be
64 annexed; and

65 (B) send to the proposed annexing municipality a copy of the notice and a certificate
66 indicating that the notice has been mailed as required under Subsection (2)(b)(i)(A).

67 (ii) The county shall mail the notice required under Subsection (2)(b)(i)(A) within 20
68 days after receiving from the person or persons who filed the notice of intent:

69 (A) a written request to mail the required notice; and

70 (B) payment of an amount equal to the county's expected actual cost of mailing the
71 notice.

72 (iii) Each notice required under Subsection (2)(b)(i)(A) shall:

73 (A) be in writing;

74 (B) state, in bold and conspicuous terms, substantially the following:

75 "Attention: Your property may be affected by a proposed annexation.

76 Records show that you own property within an area that is intended to be included in a
77 proposed annexation to (state the name of the proposed annexing municipality) or that is within
78 300 feet of that area. If your property is within the area proposed for annexation, you may be
79 asked to sign a petition supporting the annexation. You may choose whether or not to sign the
80 petition. By signing the petition, you indicate your support of the proposed annexation. If you
81 sign the petition but later change your mind about supporting the annexation, you may
82 withdraw your signature by submitting a signed, written withdrawal with the recorder or clerk
83 of (state the name of the proposed annexing municipality) within 30 days after (state the name
84 of the proposed annexing municipality) receives notice that the petition has been certified.

85 There will be no public election on the proposed annexation because Utah law does not
86 provide for an annexation to be approved by voters at a public election. Signing or not signing
87 the annexation petition is the method under Utah law for the owners of property within the area

88 proposed for annexation to demonstrate their support of or opposition to the proposed
89 annexation.

90 Under Utah law, the elected officials of (state the name of the proposed annexing
91 municipality) may have no choice but to grant the annexation petition if the county's property
92 tax rate for municipal services in the area proposed to be annexed is higher than the property
93 tax rate of (state the name of the proposed annexing municipality) and if other statutory
94 conditions are met.

95 You may obtain more information on the proposed annexation by contacting (state the
96 name, mailing address, telephone number, and email address of the official or employee of the
97 proposed annexing municipality designated to respond to questions about the proposed
98 annexation), (state the name, mailing address, telephone number, and email address of the
99 county official or employee designated to respond to questions about the proposed annexation),
100 or (state the name, mailing address, telephone number, and email address of the person who
101 filed the notice of intent under Subsection (2)(a)(i)(A), or, if more than one person filed the
102 notice of intent, one of those persons). Once filed, the annexation petition will be available for
103 inspection and copying at the office of (state the name of the proposed annexing municipality)
104 located at (state the address of the municipal offices of the proposed annexing municipality).";
105 and

106 (C) be accompanied by an accurate map identifying the area proposed for annexation.

107 (iv) A county may not mail with the notice required under Subsection (2)(b)(i)(A) any
108 other information or materials related or unrelated to the proposed annexation.

109 (c) (i) After receiving the certificate from the county as provided in Subsection
110 (2)(b)(i)(B), the proposed annexing municipality shall, upon request from the person or persons
111 who filed the notice of intent under Subsection (2)(a)(i)(A), provide an annexation petition for
112 the annexation proposed in the notice of intent.

113 (ii) An annexation petition provided by the proposed annexing municipality may be
114 duplicated for circulation for signatures.

115 (3) Each petition under Subsection (1) shall:

116 (a) (i) be filed with the city recorder or town clerk, as the case may be, of the proposed
117 annexing municipality; and

118 (ii) when filed and if applicable, be accompanied by a written statement, signed by the

119 petition sponsors, certifying that signatures on a petition that does not comply with the
120 requirements of Subsection (3)(d) were gathered before the effective date of that Subsection;
121 (b) contain the signatures of:
122 (i) the owners of private real property that:
123 (A) is located within the area proposed for annexation;
124 (B) (I) subject to Subsection (3)(b)(i)(B)(II), covers a majority of the private land area
125 within the area proposed for annexation; and
126 (II) covers 100% of the private land area within the area proposed for annexation, if the
127 area is within:
128 (Aa) an agriculture protection area created under Title 17, Chapter 41, Agriculture and
129 Industrial Protection [~~Area; and~~] Areas; or
130 (Bb) a migratory bird production area created under Title 23, Chapter 28, Migratory
131 Bird Production Area; and
132 (C) is equal in value to at least 1/3 of the value of all private real property within the
133 area proposed for annexation; or
134 (ii) if all the real property within the area proposed for annexation is owned by a public
135 entity other than the federal government, the owner of all the publicly owned real property;
136 (c) be accompanied by:
137 (i) an accurate and recordable map, prepared by a licensed surveyor, of the area
138 proposed for annexation; and
139 (ii) a copy of the notice sent to affected entities as required under Subsection
140 (2)(a)(i)(B) and a list of the affected entities to which notice was sent;
141 (d) if the area proposed to be annexed is located in a county of the first class, contain
142 on each signature page a notice in bold and conspicuous terms that states substantially the
143 following:
144 "Notice:
145 • Under Utah law, the elected officials of (state the name of the proposed annexing
146 municipality) may have no choice but to grant this annexation petition if the county's property
147 tax rate for municipal services in the area proposed to be annexed is higher than the property
148 tax rate of (state the name of the proposed annexing municipality) and if other statutory
149 conditions are met.

150 • There will be no public election on the annexation proposed by this petition because
151 Utah law does not provide for an annexation to be approved by voters at a public election.

152 • If you sign this petition and later decide that you do not support the petition, you may
153 withdraw your signature by submitting a signed, written withdrawal with the recorder or clerk
154 of (state the name of the proposed annexing municipality). If you choose to withdraw your
155 signature, you must do so no later than 30 days after (state the name of the proposed annexing
156 municipality) receives notice that the petition has been certified.";

157 (e) if the petition proposes the annexation of an area located in a county that is not the
158 county in which the proposed annexing municipality is located, be accompanied by a copy of
159 the resolution, required under Subsection 10-2-402(6), of the legislative body of the county in
160 which the area is located; and

161 (f) designate up to five of the signers of the petition as sponsors, one of whom shall be
162 designated as the contact sponsor, and indicate the mailing address of each sponsor.

163 (4) A petition under Subsection (1) may not propose the annexation of all or part of an
164 area proposed for annexation to a municipality in a previously filed petition that has not been
165 denied, rejected, or granted.

166 (5) A petition under Subsection (1) proposing the annexation of an area located in a
167 county of the first class may not propose the annexation of an area that includes some or all of
168 an area proposed to be incorporated in a request for a feasibility study under Section 10-2-103
169 or a petition under Section 10-2-125 if:

170 (a) the request or petition was filed before the filing of the annexation petition; and

171 (b) the request, a petition under Section 10-2-109 based on that request, or a petition
172 under Section 10-2-125 is still pending on the date the annexation petition is filed.

173 (6) If practicable and feasible, the boundaries of an area proposed for annexation shall
174 be drawn:

175 (a) along the boundaries of existing local districts and special service districts for
176 sewer, water, and other services, along the boundaries of school districts whose boundaries
177 follow city boundaries or school districts adjacent to school districts whose boundaries follow
178 city boundaries, and along the boundaries of other taxing entities;

179 (b) to eliminate islands and peninsulas of territory that is not receiving municipal-type
180 services;

- 181 (c) to facilitate the consolidation of overlapping functions of local government;
- 182 (d) to promote the efficient delivery of services; and
- 183 (e) to encourage the equitable distribution of community resources and obligations.

184 (7) On the date of filing, the petition sponsors shall deliver or mail a copy of the
 185 petition to:

- 186 (a) the clerk of the county in which the area proposed for annexation is located; and
- 187 (b) the chair of the planning commission of each township in which any part of the area
 188 proposed for annexation is located.

189 (8) A property owner who signs an annexation petition proposing to annex an area
 190 located in a county of the first class may withdraw the owner's signature by filing a written
 191 withdrawal, signed by the property owner, with the city recorder or town clerk no later than 30
 192 days after the municipal legislative body's receipt of the notice of certification under
 193 Subsection 10-2-405(2)(c)(i).
