Be it enacted by the Legislature of the state of Utah:

Section 1. **Division of Health Care Financing.**

30 As used in this bill, "division" means the Division of Health Care Financing created in
31 Section 26-18-2.1.

32 Section 2. **Medicaid autism waiver.**

33 (1) The division shall develop a range of options for a Medicaid waiver that would
34 authorize the Medicaid program to provide services to persons with autism. The range of
35 options shall include:

36 (a) an option based on Maryland's waiver for Children with Autism Spectrum Disorder
37 (0339. R02.00); and

38 (b) an option using applied behavioral analysis for children ages 0 to 9.

39 (2) Each option shall include the estimated cost of implementing the waiver to the
40 state Medicaid program and to an individual Medicaid client, taking into account:

41 (a) eligibility requirements;

42 (b) covered services;

43 (c) number of clients served; and

44 (d) possible funding levels.

45 (3) The division shall consult with families of persons with autism, providers of
46 autism services, and others with specialized knowledge of autism when developing the range
47 of options.

48 (4) (a) Before October 1, 2010, the division shall report to the Health and Human
49 Services Interim Committee as to whether the state should apply for a Medicaid waiver to
50 provide services to persons with autism.

51 (b) If the division recommends that the state should apply for a Medicaid waiver under
52 Subsection (4)(a), the report shall also include:

53 (i) specific recommendations regarding the parameters of the Medicaid waiver; and

54 (ii) the appropriate level of funding.

55 (5) Before December 1, 2010, the Health and Human Services Interim Committee
56 shall determine whether to sponsor legislation to require the Department of Health to apply for
57 a Medicaid waiver to provide services to persons with autism.
