 873 Fiscal Analyst on reimbursement alternatives for inpatient
 874 hospital outlier payments that would give the State more
 875 control over inflationary increases and/or move away from a

4495 The Division assigns a charge to all services performed regardless of the
 4496 client's or third party insurer's financial responsibility or the likelihood of
 4497 receiving payment for the services. Projected numbers of units of services are
 4498 based on past experiences but are subject to significant variation determined
 4499 by the actual needs of patients and changes in medical practices. Hence, it is
 4500 not possible to calculate the change in revenue resulting from a change in the
 4501 charge for a given service.
