49 *Be it enacted by the Legislature of the state of Utah:*

50 Section 1. Section **53A-17a-133** is amended to read:

51 **53A-17a-133. State-supported voted local levy authorized -- Election**
52 **requirements -- State guarantee -- Reconsideration of the program.**

53 (1) An election to consider adoption or modification of a voted local levy is required if
54 initiative petitions signed by 10% of the number of electors who voted at the last preceding
55 general election are presented to the local school board or by action of the board.

56 (2) (a) (i) To impose a voted local levy, a majority of the electors of a district voting at
57 an election in the manner set forth in Subsections (8) and (9) must vote in favor of a special

58 tax.

59 (ii) The tax rate may not exceed .002 per dollar of taxable value.

60 (b) Except as provided in Subsection (2)(c), in order to receive state support the first
61 year, a district must receive voter approval no later than December 1 of the year prior to
62 implementation.

63 (c) Beginning on or after January 1, 2012, a school district may receive state support in
64 accordance with Subsection (3) without complying with the requirements of Subsection (2)(b)
65 if the local school board imposed a tax in accordance with this section during the taxable year
66 beginning on January 1, 2011 and ending on December 31, 2011.

67 (3) (a) In addition to the revenue a school district collects from the imposition of a levy
68 pursuant to this section, the state shall contribute an amount sufficient to guarantee [~~\$25.25~~]
69 \$27.36 per weighted pupil unit for each .0001 of the first .0016 per dollar of taxable value.

70 (b) The same dollar amount guarantee per weighted pupil unit for the .0016 per dollar
71 of taxable value under Subsection (3)(a) shall apply to the portion of the board local levy
72 authorized in Section 53A-17a-164, so that the guarantee shall apply up to a total of .002 per
73 dollar of taxable value if a school district levies a tax rate under both programs.

74 (c) (i) Beginning July 1, [~~2011~~] 2013, the [~~\$25.25~~] \$27.36 guarantee under Subsections
75 (3)(a) and (b) shall be indexed each year to the value of the weighted pupil unit for the grades 1
76 through 12 program by making the value of the guarantee equal to .010544 times the value of
77 the prior year's weighted pupil unit for the grades 1 through 12 program.

78 (ii) The guarantee shall increase by .0005 times the value of the prior year's weighted
79 pupil unit for the grades 1 through 12 program for each succeeding year subject to the
80 Legislature appropriating funds for an increase in the guarantee.

81 (d) (i) The amount of state guarantee money to which a school district would otherwise
82 be entitled to receive under this Subsection (3) may not be reduced for the sole reason that the
83 district's levy is reduced as a consequence of changes in the certified tax rate under Section
84 59-2-924 pursuant to changes in property valuation.

85 (ii) Subsection (3)(d)(i) applies for a period of five years following any such change in

86 the certified tax rate.

87 (e) The guarantee provided under this section does not apply to the portion of a voted
88 local levy rate that exceeds the voted local levy rate that was in effect for the previous fiscal
89 year, unless an increase in the voted local levy rate was authorized in an election conducted on
90 or after July 1 of the previous fiscal year and before December 2 of the previous fiscal year.

91 (4) (a) An election to modify an existing voted local levy is not a reconsideration of the
92 existing authority unless the proposition submitted to the electors expressly so states.

93 (b) A majority vote opposing a modification does not deprive the district of authority to
94 continue the levy.

95 (c) If adoption of a voted local levy is contingent upon an offset reducing other local
96 school board levies, the board must allow the electors, in an election, to consider modifying or
97 discontinuing the imposition of the levy prior to a subsequent increase in other levies that
98 would increase the total local school board levy.

99 (d) Nothing contained in this section terminates, without an election, the authority of a
100 school district to continue imposing an existing voted local levy previously authorized by the
101 voters as a voted leeway program.

102 (5) Notwithstanding Section 59-2-919, a school district may budget an increased
103 amount of ad valorem property tax revenue derived from a voted local levy imposed under this
104 section in addition to revenue from new growth as defined in Subsection 59-2-924(4), without
105 having to comply with the notice requirements of Section 59-2-919, if:

106 (a) the voted local levy is approved:

107 (i) in accordance with Subsections (8) and (9) on or after January 1, 2003; and

108 (ii) within the four-year period immediately preceding the year in which the school
109 district seeks to budget an increased amount of ad valorem property tax revenue derived from
110 the voted local levy; and

111 (b) for a voted local levy approved or modified in accordance with this section on or
112 after January 1, 2009, the school district complies with the requirements of Subsection (7).

113 (6) Notwithstanding Section 59-2-919, a school district may levy a tax rate under this

114 section that exceeds the certified tax rate without having to comply with the notice
115 requirements of Section 59-2-919 if:

116 (a) the levy exceeds the certified tax rate as the result of a school district budgeting an
117 increased amount of ad valorem property tax revenue derived from a voted local levy imposed
118 under this section;

119 (b) the voted local levy was approved:

120 (i) in accordance with Subsections (8) and (9) on or after January 1, 2003; and

121 (ii) within the four-year period immediately preceding the year in which the school
122 district seeks to budget an increased amount of ad valorem property tax revenue derived from
123 the voted local levy; and

124 (c) for a voted local levy approved or modified in accordance with this section on or
125 after January 1, 2009, the school district complies with requirements of Subsection (7).

126 (7) For purposes of Subsection (5)(b) or (6)(c), the proposition submitted to the
127 electors regarding the adoption or modification of a voted local levy shall contain the following
128 statement:

129 "A vote in favor of this tax means that (name of the school district) may increase
130 revenue from this property tax without advertising the increase for the next five years."

131 (8) (a) Before imposing a property tax levy pursuant to this section, a school district
132 shall submit an opinion question to the school district's registered voters voting on the
133 imposition of the tax rate so that each registered voter has the opportunity to express the
134 registered voter's opinion on whether the tax rate should be imposed.

135 (b) The election required by this Subsection (8) shall be held:

136 (i) at a regular general election conducted in accordance with the procedures and
137 requirements of Title 20A, Election Code, governing regular elections;

138 (ii) at a municipal general election conducted in accordance with the procedures and
139 requirements of Section 20A-1-202; or

140 (iii) at a local special election conducted in accordance with the procedures and
141 requirements of Section 20A-1-203.

142 (c) Notwithstanding the requirements of Subsections (8)(a) and (b), beginning on or
143 after January 1, 2012, a school district may levy a tax rate in accordance with this section
144 without complying with the requirements of Subsections (8)(a) and (b) if the school district
145 imposed a tax in accordance with this section at any time during the taxable year beginning on
146 January 1, 2011, and ending on December 31, 2011.

147 (9) If a school district determines that a majority of the school district's registered
148 voters voting on the imposition of the tax rate have voted in favor of the imposition of the tax
149 rate in accordance with Subsection (8), the school district may impose the tax rate.

150 Section 2. Section **53A-17a-134** is amended to read:

151 **53A-17a-134. Board-approved leeway -- Purpose -- State support -- Disapproval.**

152 (1) Except as provided in Subsection (9), a local school board may levy a tax rate of up
153 to .0004 per dollar of taxable value to maintain a school program above the cost of the basic
154 school program as follows:

155 (a) a local school board shall use the money generated by the tax for class size
156 reduction within the school district;

157 (b) if a local school board determines that the average class size in the school district is
158 not excessive, it may use the money for other school purposes but only if the board has
159 declared the use for other school purposes in a public meeting prior to levying the tax rate; and

160 (c) a district may not use the money for other school purposes under Subsection (1)(b)
161 until it has certified in writing that its class size needs are already being met and has identified
162 the other school purposes for which the money will be used to the State Board of Education
163 and the state board has approved their use for other school purposes.

164 (2) (a) The state shall contribute an amount sufficient to guarantee [~~\$25.25~~] \$27.36 per
165 weighted pupil unit for each .0001 per dollar of taxable value.

166 (b) The guarantee shall increase in the same manner as provided for the voted local
167 levy guarantee in Subsection 53A-17a-133(3)(c).

168 (c) (i) The amount of state guarantee money to which a school district would otherwise
169 be entitled to under this Subsection (2) may not be reduced for the sole reason that the district's

170 levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924
171 pursuant to changes in property valuation.

172 (ii) Subsection (2)(c)(i) applies for a period of five years following any such change in
173 the certified tax rate.

174 (d) The guarantee provided under this section does not apply to:

175 (i) a board-authorized leeway in the first fiscal year the leeway is in effect, unless the
176 leeway was approved by voters pursuant to Subsections (4) through (6); or

177 (ii) the portion of a board-authorized leeway rate that is in excess of the
178 board-authorized leeway rate that was in effect for the previous fiscal year.

179 (3) The levy authorized under this section is not in addition to the maximum rate of
180 .002 authorized in Section 53A-17a-133, but is a board-authorized component of the total tax
181 rate under that section.

182 (4) As an exception to Section 53A-17a-133, the board-authorized levy does not
183 require voter approval, but the board may require voter approval if requested by a majority of
184 the board.

185 (5) An election to consider disapproval of the board-authorized levy is required, if
186 within 60 days after the levy is established by the board, referendum petitions signed by the
187 number of legal voters required in Section 20A-7-301, who reside within the school district, are
188 filed with the school district.

189 (6) (a) A local school board shall establish its board-approved levy by April 1 to have
190 the levy apply to the fiscal year beginning July 1 in that same calendar year except that if an
191 election is required under this section, the levy applies to the fiscal year beginning July 1 of the
192 next calendar year.

193 (b) The approval and disapproval votes authorized in Subsections (4) and (5) shall
194 occur at a general election in even-numbered years, except that a vote required under this
195 section in odd-numbered years shall occur at a special election held on a day in odd-numbered
196 years that corresponds to the general election date. The school district shall pay for the cost of
197 a special election.

198 (7) (a) Modification or termination of a voter-approved leeway rate authorized under
199 this section is governed by Section 53A-17a-133.

200 (b) A board-authorized leeway rate may be modified or terminated by a majority vote
201 of the board subject to disapproval procedures specified in this section.

202 (8) A board levy election does not require publication of a voter information pamphlet.

203 (9) Beginning January 1, 2012, a local school board may not levy a tax in accordance
204 with this section.

205 Section 3. Section **53A-17a-135** is amended to read:

206 **53A-17a-135. Minimum basic tax rate -- Certified revenue levy.**

207 (1) (a) In order to qualify for receipt of the state contribution toward the basic program
208 and as its contribution toward its costs of the basic program, each school district shall impose a
209 minimum basic tax rate per dollar of taxable value that generates [~~\$284,221,713~~] \$289,021,900
210 in revenues statewide.

211 (b) The preliminary estimate for the [~~2011-12~~] 2012-13 minimum basic tax rate is
212 [~~.001628~~] .001665.

213 (c) The State Tax Commission shall certify on or before June 22 the rate that generates
214 [~~\$284,221,713~~] \$289,021,900 in revenues statewide.

215 (d) If the minimum basic tax rate exceeds the certified revenue levy as defined in
216 Section 53A-17a-103, the state is subject to the notice requirements of Section 59-2-926.

217 (2) (a) The state shall contribute to each district toward the cost of the basic program in
218 the district that portion which exceeds the proceeds of the levy authorized under Subsection
219 (1).

220 (b) In accord with the state strategic plan for public education and to fulfill its
221 responsibility for the development and implementation of that plan, the Legislature instructs
222 the State Board of Education, the governor, and the Office of Legislative Fiscal Analyst in each
223 of the coming five years to develop budgets that will fully fund student enrollment growth.

224 (3) (a) If the proceeds of the levy authorized under Subsection (1) equal or exceed the
225 cost of the basic program in a school district, no state contribution shall be made to the basic

226 program.

227 (b) The proceeds of the levy authorized under Subsection (1) which exceed the cost of
228 the basic program shall be paid into the Uniform School Fund as provided by law.

230 (1) (a) The State Board of Education shall distribute money appropriated for Teacher

232 and the Blind, and charter schools on the basis of the number of classroom teachers in each
233 school as compared to the total number of classroom teachers.

234 (b) Teachers shall receive up to the following amounts:

235 (i) a teacher on salary schedule steps one through three teaching in grades kindergarten
236 through 6 or preschool handicapped - \$250;

242 \$150.

243 (c) If the appropriation is not sufficient to provide to each teacher the full amount
244 allowed under Subsection (1)(b), teachers on salary schedule steps one through three shall
245 receive the full amount allowed with the remaining money apportioned to all other teachers.

246 (2) Teachers shall spend money appropriated for classroom supplies and materials for
247 school supplies, materials, or field trips under rules adopted by the State Board of Education.

251 (b) who are paid on the teacher's salary schedule;

252 (c) who are hired for an entire contract period; and
