*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **53A-17a-124.5** is amended to read:

**53A-17a-124.5. Appropriation for class size reduction.**

(1) Money appropriated to the State Board of Education for class size reduction shall be used to reduce the average class size in kindergarten through the eighth grade in the state's public schools.

(2) Each district or charter school shall receive its allocation based upon prior year average daily membership in kindergarten through grade ~~[eight]~~ 8 plus growth as determined under Subsection 53A-17a-106(3) as compared to the ~~[state]~~ total prior year average daily membership in kindergarten through grade 8 plus growth of school districts and charter schools that qualify for an allocation pursuant to Subsection (8).

(3) (a) A district may use its allocation to reduce class size in any one or all of the grades referred to under this section, except as otherwise provided in Subsection (3)(b).

(b) (i) Each district or charter school shall use 50% of its allocation to reduce class size in any one or all of grades kindergarten through grade ~~[two]~~ 2, with an emphasis on improving student reading skills.

(ii) If a district's or charter school's average class size is below 18 in grades kindergarten through ~~[two]~~ grade 2, it may petition the state board for, and the state board may grant, a waiver to use its allocation under Subsection (3)(b)(i) for class size reduction in the other grades.

(4) Schools may use nontraditional innovative and creative methods to reduce class sizes with this appropriation and may use part of their allocation to focus on class size reduction for specific groups, such as at risk students, or for specific blocks of time during the school day.

(5) (a) A school district or charter school may use up to 20% of its allocation under Subsection (1) for capital facilities projects if such projects would help to reduce class size.

(b) If a school district's or charter school's student population increases by 5% or 700 students from the previous school year, the school district or charter school may use up to 50% of any allocation it receives under this section for classroom construction.

(6) This appropriation is to supplement any other appropriation made for class size

57 reduction.

58 (7) The Legislature shall provide for an annual adjustment in the appropriation  
59 authorized under this section in proportion to the increase in the number of students in the state  
60 in kindergarten through grade eight.

61 (8) (a) To qualify for class size reduction money, a school district or charter school  
62 shall submit:

63 (i) a plan for the use of the school district's or charter school's allocation of class size  
64 reduction money to the State Board of Education; and

65 (ii) beginning with the 2014-15 school year, a report on the school district's or charter  
66 school's use of class size reduction money in the prior school year.

67 (b) The plan and report required pursuant to Subsection (8)(a) shall include the  
68 following information:

69 (i) (A) the number of teachers employed using class size reduction money;

70 (B) the amount of class size reduction money expended for teachers; and

71 (C) if supplemental school district or charter school funds are expended to pay for  
72 teachers employed using class size reduction money, the amount of the supplemental money;

73 (ii) (A) the number of paraprofessionals employed using class size reduction money;

74 (B) the amount of class size reduction money expended for paraprofessionals; and

75 (C) if supplemental school district or charter school funds are expended to pay for  
76 paraprofessionals employed using class size reduction money, the amount of the supplemental  
77 money; and

78 (iii) the amount of class size reduction money expended for capital facilities.

78a **§→ (c) In addition to submitting a plan and report on the use of class size reduction**  
78b **money, a school district or charter school shall annually submit a report to the State Board of**  
78c **Education that includes the following information:**

78d **(i) the number of teachers employed using K-3 Reading Improvement Program money**  
78e **received pursuant to Sections 53A-17a-150 and 53A-17a-151;**

78f **(ii) the amount of K-3 Reading Improvement Program money expended for teachers;**

78g **(iii) the number of teachers employed in kindergarten through grade 8 using Title I**  
78h **money; and**

78i **(iv) the amount of Title I money expended for teachers in kindergarten through grade**  
78j **8; and**

78k **(v) a comparison of actual average class size by grade in grades kindergarten through 8**  
78l **in the school district or charter school with what the average class size would be without**

78m **the expenditure of class size reduction, K-3 Reading Improvement Program, and Title I**
