~~‡~~ (2) (a) The division may not issue a new type of special group license plate unless the division receives:

(i) (A) a private donation for the start-up fee established under Section 63J-1-504 for the production and administrative costs [for] of providing the new special group license plates; or

(B) a legislative appropriation for the start-up fee provided under Subsection (2)(a)(i)(A); and

(ii) beginning on January 1, 2012, and for the issuance of a support special group license plate authorized in Section 41-1a-422, at least 500 completed applications for the new type of support special group license plate to be issued with all fees required under this part for the support special group license plate issuance paid by each applicant.

(b) (i) Beginning on January 1, 2012, each participating organization shall collect and hold applications for support special group license plates authorized in Section 41-1a-422 on or after January 1, 2012, until it has received at least 500 applications.

(ii) Once a participating organization has received at least 500 applications, it shall submit the applications, along with the necessary fees, to the division for the division to begin working on the design and issuance of the new type of support special group license plate to be issued.

(iii) Beginning on January 1, 2012, the division may not work on the issuance or design of a new support special group license plate authorized in Section 41-1a-422 until the applications and fees required under this Subsection (2) have been received by the division.

(iv) The division shall begin issuance of a new support special group license plate authorized in Section 41-1a-422 on or after January 1, 2012, no later than six months after

HB0034S01 compared with HB0034

receiving the applications and fees required under this Subsection (2).

(c) (i) Beginning on July 1, 2009, the division may not renew a motor vehicle registration of a motor vehicle that has been issued a firefighter recognition special group license plate unless the applicant is a contributor as defined in Subsection 41-1a-422(1)(a)(ii)(D) to the Firefighter Support Restricted Account.

(ii) A registered owner of a vehicle that has been issued a firefighter recognition special group license plate prior to July 1, 2009, upon renewal of the owner's motor vehicle registration shall:

(A) be a contributor to the Firefighter Support Restricted Account as required under Subsection (2)(c)(i); or

(B) replace the firefighter recognition special group license plate with a new license plate.

(3) (a) Beginning on July 1, 2011, if a support special group license plate type authorized in Section 41-1a-422 and issued prior to January 1, 2012, has less than 500 license plates issued each year for a three consecutive year time period that begins on July 1, the division may not issue that type of support special group license plate to a new applicant beginning on January 1 of the following calendar year after the three consecutive year period for which that type of support special group license plate has less than 500 license plates issued each year.

(b) If the division is required to stop the issuance of a type of support special group license plate authorized in Section 41-1a-422 under this Subsection (3), the division shall report to the Transportation Interim Committee that the division will stop the issuance on or before the November interim meeting of the year in which the commission determines to stop the issuance of that type of support special group license plate.

(4) (a) Beginning on July 1, 2011, if a support special group license plate type authorized in Section 41-1a-422 and issued on or after January 1, 2012, has less than 500 license plates issued each year for a three consecutive year time period that begins on July 1, the division may not issue that type of support special group license plate to a new applicant beginning on January 1 of the following calendar year after the three consecutive year time period for which that type of support special group license plate has less than 500 license plates issued each year.

HB0034S01 compared with HB0034

(b) If the division is required to stop the issuance of a type of support special group license plate authorized in Section 41-1a-422 under this Subsection (4), the division shall report to the Transportation Interim Committee that the division will stop the issuance on or before the November interim meeting of the year in which the commission determines to stop the issuance of that type of support special group license plate.

(5) Beginning on July 1, 2011, the division may not issue a unique vehicle type license plate for a vehicle powered by clean fuel under Subsection (1)(c)(iv) to an applicant.
