Utah Code Sections Affected:
ENACTS:
<b>63M-1-2508</b> , Utah Code Annotated 1953

40	Be it enacted by the Legislature of the state of Otan:
29	Section 1. Section 63M-1-2508 is enacted to read:
30	63M-1-2508. Nullification of federal health care reform.
31	(1) For purposes of this section:
32	(a) "Compact" means the multi-state effort to assert states' rights over health care that
33	is described in the Health Care Compact adopted by the state under Section 63M-1-2507.
34	(b) "Interstate Advisory Health Care Commission" is the body created in the compact
35	to work with other member states to assert the principles described in Section 63M-1-2507,
36	including the principles that:
37	(i) the constitution created a federal government of limited and enumerated powers and
38	reserves to the states or the people the powers not granted to the federal government;
39	(ii) the federal government has enacted many laws that have preempted state laws with
40	respect to health care, and placed increasing strain on state budgets, impairing other
41	responsibilities including education, infrastructure, and public safety; and
42	(iii) member states will take joint and separate actions to suspend the operation of all
43	federal laws, rules, and regulations regarding health care that are inconsistent with the laws and
44	regulations adopted by the member states pursuant to the compact.
45	(c) "Utah representative" means the individual appointed to represent Utah on the
46	Interstate Advisory Health Care Commission in accordance with Section 63M-1-2507.
47	(2) Utah's representative to the Interstate Advisory Health Care Commission for the
48	compact shall work with the compact member states and propose to nullify federal health care
49	reform under the terms of the compact, and work with the commission to implement the
50	nullification proposal as adopted through the compact.
