*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **53B-17-802** is amended to read:

**53B-17-802. Rocky Mountain Center for Occupational and Environmental Health at the university.**

(1) There is established at the University of Utah the Rocky Mountain Center for Occupational and Environmental Health, to be an occupational health and safety center for education and research.

(2) The university shall operate the center in a manner so that the center is:

(a) eligible to be designated as an education and research center by the National Institute for Occupational Safety and Health in the United States Department of Health and Human Services; and

(b) a resource for affected populations to:

- (i) improve workplace health and safety; and
- (ii) contribute to economic growth and development in Utah and the surrounding region.

(3) The center shall create a website designed for the public to learn about the findings of research studies regarding occupational and environmental health, including research on the health effects of air pollution.

**Section 2. Appropriation.**

Under the terms and conditions of Utah Code Title 63J, Chapter 1, Budgetary Procedures Act, the following sums of money are appropriated from resources not otherwise appropriated, or reduced from amounts previously appropriated, out of the funds or fund accounts indicated for the fiscal year beginning July 1, 2013, and ending June 30, 2014. These appropriations are additions to amounts previously appropriated for the fiscal year 2013-14.

To University of Utah - Rocky Mountain Center for Occupational and Environmental Health
