152 suspension of the driving privilege has been sent at least 10 days previously to the person at the  
153 address provided to the division.

166 Subsection (4).

167 (b) (i) The division shall assign a number of points to each type of moving traffic  
168 violation as a measure of its seriousness.

169 (ii) The points shall be based upon actual relationships between types of traffic  
170 violations and motor vehicle traffic accidents.

171 (iii) Except as provided in Subsection (4)(b)(iv), the division may not assess points  
172 against a person's driving record for a conviction of a traffic violation:

173 (A) that occurred in another state; and

174 (B) that was committed on or after July 1, 2011.

175 (iv) The provisions of Subsection (4)(b)(iii) do not apply to:

180 53-3-220.

181 (c) Every person convicted of a traffic violation shall have assessed against the person's  
182 driving record the number of points that the division has assigned to the type of violation of

183 which the person has been convicted, except that the number of points assessed shall be  
184 decreased by 10% if on the abstract of the court record of the conviction the court has graded  
185 the severity of violation as minimum, and shall be increased by 10% if on the abstract the court  
186 has graded the severity of violation as maximum.

187 (d) (i) A separate procedure for assessing points for speeding offenses shall be  
188 established by the division based upon the severity of the offense.

189 (ii) The severity of a speeding violation shall be graded as:

190 (A) "minimum" for exceeding the posted speed limit by up to 10 miles per hour;

191 (B) "intermediate" for exceeding the posted speed limit by from 11 to 20 miles per  
192 hour; and

193 (C) "maximum" for exceeding the posted speed limit by 21 or more miles per hour.

194 (iii) Consideration shall be made for assessment of no points on minimum speeding  
195 violations, except for speeding violations in school zones.

197 occurring before a time limit set by the division.

198 (ii) The time limit may not exceed three years.

199 (iii) The division may also delete points to reward violation-free driving for periods of  
200 time set by the division.

201 (f) (i) By publication in two newspapers having general circulation throughout the  
202 state, the division shall give notice of the number of points it has assigned to each type of  
203 traffic violation, the time limit set by the division for the deletion of points, and the point level  
204 at which the division will generally take action to deny or suspend under this section.

205 (ii) The division may not change any of the information provided above regarding  
206 points without first giving new notice in the same manner.

207 (5) (a) (i) Upon denying or suspending the license of a person under this section, the  
208 division shall immediately notify the licensee in a manner specified by the division and afford  
209 him an opportunity for a hearing in the county where the licensee resides.

210 (ii) The hearing shall be documented, and the division or its authorized agent may  
211 administer oaths, may issue subpoenas for the attendance of witnesses and the production of  
212 relevant books and papers, and may require a reexamination of the licensee.

213 (iii) One or more members of the division may conduct the hearing, and any decision

214 made after a hearing before any number of the members of the division is as valid as if made  
215 after a hearing before the full membership of the division.

216 (iv) After the hearing the division shall either rescind its order of denial or suspension,  
217 extend the denial or suspension of the license, or revoke the license.

218 (b) The denial or suspension of the license remains in effect pending qualifications  
219 determined by the division regarding a person:

220 (i) whose license has been denied or suspended following reexamination;

221 (ii) who is incompetent to drive a motor vehicle;

222 (iii) who is afflicted with mental or physical infirmities that might make him dangerous  
223 on the highways; or

224 (iv) who may not have the necessary knowledge or skill to drive a motor vehicle safely.

225 (6) (a) Subject to Subsection (6)(d), the division shall suspend a person's license when  
226 the division receives notice from the Office of Recovery Services that the Office of Recovery  
227 Services has ordered the suspension of the person's license.

228 (b) A suspension under Subsection (6)(a) shall remain in effect until the division  
229 receives notice from the Office of Recovery Services that the Office of Recovery Services has  
230 rescinded the order of suspension.

231 (c) After an order of suspension is rescinded under Subsection (6)(b), a report  
232 authorized by Section 53-3-104 may not contain any evidence of the suspension.

233 (d) (i) If the division suspends a person's license under this Subsection (6), the division  
234 shall, upon application, issue a temporary limited driver license to the person if that person  
235 needs a driver license for employment, education, or child visitation.

236 (ii) The temporary limited driver license described in this section:

237 (A) shall provide that the person may operate a motor vehicle only for the purpose of  
238 driving to or from the person's place of employment, education, or child visitation;

239 (B) shall prohibit the person from driving a motor vehicle for any purpose other than a  
240 purpose described in Subsection (6)(d)(ii)(A); and

241 (C) shall expire 90 days after the day on which the temporary limited driver license is  
242 issued.

243 (iii) (A) During the period beginning on the day on which a temporary limited driver  
244 license is issued under this Subsection (6), and ending on the day that the temporary limited

245 driver license expires, the suspension described in this Subsection (6) only applies if the person  
246 who is suspended operates a motor vehicle for a purpose other than employment, education, or  
247 child visitation.

248 (B) Upon expiration of a temporary limited driver license described in this Subsection  
249 (6)(d):

250 (I) a suspension described in Subsection (6)(a) shall be in full effect until the division  
251 receives notice, under Subsection (6)(b), that the order of suspension is rescinded; and

252 (II) a person suspended under Subsection (6)(a) may not drive a motor vehicle for any  
253 reason.

254 (iv) The division is not required to issue a limited driver license to a person under this  
255 Subsection (6)(d) if there are other legal grounds for the suspension of the person's driver  
256 license.

257 (v) The division shall make rules, in accordance with Title 63G, Chapter 3, Utah  
258 Administrative Rulemaking Act, to implement the provisions of this part.

259 (7) (a) The division may suspend or revoke the license of any resident of this state  
260 upon receiving notice of the conviction of that person in another state of an offense committed  
261 there that, if committed in this state, would be grounds for the suspension or revocation of a  
262 license.

263 (b) The division may, upon receiving a record of the conviction in this state of a  
264 nonresident driver of a motor vehicle or motorboat of any offense under the motor vehicle laws

266 state where the person convicted is a resident.

267 (8) (a) The division may suspend or revoke the license of any nonresident to drive a  
268 motor vehicle in this state for any cause for which the license of a resident driver may be  
269 suspended or revoked.

270 (b) Any nonresident who drives a motor vehicle upon a highway when the person's  
271 license has been suspended or revoked by the division is guilty of a class C misdemeanor.

272 (9) (a) The division may not deny or suspend the license of any person for a period of  
273 more than one year except:

284 person shows satisfactory evidence of compliance with the terms of the traffic citation.

285 (10) (a) By following the emergency procedures in Title 63G, Chapter 4,  
286 Administrative Procedures Act, the division may immediately suspend the license of any  
287 person without hearing and without receiving a record of the person's conviction for a crime  
288 when the division has reason to believe that the person's license was granted by the division  
289 through error or fraud or that the necessary consent for the license has been withdrawn or is  
290 terminated.

291 (b) The procedure upon suspension is the same as under Subsection (5), except that  
292 after the hearing the division shall either rescind its order of suspension or cancel the license.

293 (11) (a) The division, having good cause to believe that a licensed driver is  
294 incompetent or otherwise not qualified to be licensed, may upon notice in a manner specified  
295 by the division of at least five days to the licensee require him to submit to an examination.

296 (b) Upon the conclusion of the examination the division may suspend or revoke the  
297 person's license, permit him to retain the license, or grant a license subject to a restriction  
298 imposed in accordance with Section 53-3-208.

299 (c) Refusal or neglect of the licensee to submit to an examination is grounds for  
300 suspension or revocation of the licensee's license.

301 (12) (a) Except as provided in Subsection (12)(b), a report authorized by Section  
302 53-3-104 may not contain any evidence of a conviction for speeding on an interstate system in  
303 this state if the conviction was for a speed of 10 miles per hour or less, above the posted speed  
304 limit and did not result in an accident, unless authorized in a manner specified by the division  
305 by the individual whose report is being requested.

306 (b) The provisions of Subsection (12)(a) do not apply for:

307 (i) a CDL license holder; or  
308 (ii) a violation that occurred in a commercial motor vehicle.  
309 (13) (a) By following the emergency procedures in Title 63G, Chapter 4,  
310 Administrative Procedures Act, the division may immediately suspend the license of a person  
311 if it has reason to believe that the person is the owner of a motor vehicle for which security is  
312 required under Title 41, Chapter 12a, Financial Responsibility of Motor Vehicle Owners and  
313 Operators Act, and has driven the motor vehicle or permitted it to be driven within this state  
314 without the security being in effect.

315 (b) The division may immediately suspend a driving privilege card holder's driving  
316 privilege card if the division receives notification from the Motor Vehicle Division that:

- 317 (i) the driving privilege card holder is the registered owner of a vehicle; and
- 318 (ii) the driving privilege card holder's vehicle registration has been revoked under  
319 Subsection 41-1a-110(2)(a)(ii)(A).

321 security applies to persons whose driving privileges are suspended under this Subsection (13).

322 (d) If the division exercises the right of immediate suspension granted under this  
323 Subsection (13), the notice and hearing provisions of Subsection (5) apply.

324 (e) A person whose license suspension has been sustained or whose license has been  
325 revoked by the division under this Subsection (13) may file a request for agency action  
326 requesting a hearing.

327 (14) The division may deny an individual's license if the person fails to comply with  
328 the requirement to downgrade the person's CDL to a class D license under Section 53-3-410.1.

329 (15) The division may deny a person's class A, B, C, or D license if the person fails to  
330 comply with the requirement to have a K restriction removed from the person's license.

331 ~~[(15)]~~ (16) Any suspension or revocation of a person's license under this section also  
332 disqualifies any license issued to that person under Part 4, Uniform Commercial Driver License
