41 *Be it enacted by the Legislature of the state of Utah:*

42 Section 1. Section **11-13-302** is amended to read:

43 **11-13-302. Payment of fee in lieu of ad valorem property tax by certain energy**
44 **suppliers -- Method of calculating -- Collection -- Extent of tax lien.**

45 (1) (a) Each project entity created under this chapter that owns a project and that sells
46 any capacity, service, or other benefit from it to an energy supplier or suppliers whose tangible
47 property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad
48 valorem property tax, shall pay an annual fee in lieu of ad valorem property tax as provided in
49 this section to each taxing jurisdiction within which the project or any part of it is located.

50 (b) For purposes of this section, "annual fee" means the annual fee described in
51 Subsection (1)(a) that is in lieu of ad valorem property tax.

52 (c) The requirement to pay an annual fee shall commence:

53 (i) with respect to each taxing jurisdiction that is a candidate receiving the benefit of
54 impact alleviation payments under contracts or determination orders provided for in Sections
55 **11-13-305** and **11-13-306**, with the fiscal year of the candidate following the fiscal year of the
56 candidate in which the date of commercial operation of the last generating unit, other than any

57 generating unit providing additional project capacity, of the project occurs, or, in the case of
58 any facilities providing additional project capacity, with the fiscal year of the candidate
59 following the fiscal year of the candidate in which the date of commercial operation of the
60 generating unit providing the additional project capacity occurs; and

61 (ii) with respect to any taxing jurisdiction other than a taxing jurisdiction described in
62 Subsection (1)(c)(i), with the fiscal year of the taxing jurisdiction in which construction of the
63 project commences, or, in the case of facilities providing additional project capacity, with the
64 fiscal year of the taxing jurisdiction in which construction of those facilities commences.

65 (d) The requirement to pay an annual fee shall continue for the period of the useful life
66 of the project or facilities.

67 (2) (a) The annual fees due a school district shall be as provided in Subsection (2)(b)
68 because the ad valorem property tax imposed by a school district and authorized by the
69 Legislature represents both:

70 (i) a levy mandated by the state for the state minimum school program under Section
71 [53A-17a-135](#); and

72 (ii) local levies for capital outlay and other purposes under Sections [53A-16-113](#),
73 [53A-17a-133](#), and [53A-17a-164](#).

74 (b) The annual fees due a school district shall be as follows:

75 (i) the project entity shall pay to the school district an annual fee for the state minimum
76 school program at the rate imposed by the school district and authorized by the Legislature
77 under ~~Subsection~~ Section [53A-17a-135](#)~~(1)~~; and

78 (ii) for all other local property tax levies authorized to be imposed by a school district,
79 the project entity shall pay to the school district either:

80 (A) an annual fee; or

81 (B) impact alleviation payments under contracts or determination orders provided for
82 in Sections [11-13-305](#) and [11-13-306](#).

83 (3) (a) An annual fee due a taxing jurisdiction for a particular year shall be calculated
84 by multiplying the tax rate or rates of the jurisdiction for that year by the product obtained by
85 multiplying the fee base or value determined in accordance with Subsection (4) for that year of
86 the portion of the project located within the jurisdiction by the percentage of the project which
87 is used to produce the capacity, service, or other benefit sold to the energy supplier or suppliers.

88 (b) As used in this section, "tax rate," when applied in respect to a school district,
89 includes any assessment to be made by the school district under Subsection (2) or Section
90 63M-5-302.

91 (c) There is to be credited against the annual fee due a taxing jurisdiction for each year,
92 an amount equal to the debt service, if any, payable in that year by the project entity on bonds,
93 the proceeds of which were used to provide public facilities and services for impact alleviation
94 in the taxing jurisdiction in accordance with Sections 11-13-305 and 11-13-306.

95 (d) The tax rate for the taxing jurisdiction for that year shall be computed so as to:

96 (i) take into account the fee base or value of the percentage of the project located
97 within the taxing jurisdiction determined in accordance with Subsection (4) used to produce the
98 capacity, service, or other benefit sold to the supplier or suppliers; and

99 (ii) reflect any credit to be given in that year.

100 (4) (a) Except as otherwise provided in this section, the annual fees required by this
101 section shall be paid, collected, and distributed to the taxing jurisdiction as if:

102 (i) the annual fees were ad valorem property taxes; and

103 (ii) the project were assessed at the same rate and upon the same measure of value as
104 taxable property in the state.

105 (b) (i) Notwithstanding Subsection (4)(a), for purposes of an annual fee required by
106 this section, the fee base of a project may be determined in accordance with an agreement
107 among:

108 (A) the project entity; and

109 (B) any county that:

110 (I) is due an annual fee from the project entity; and

111 (II) agrees to have the fee base of the project determined in accordance with the
112 agreement described in this Subsection (4).

113 (ii) The agreement described in Subsection (4)(b)(i):

114 (A) shall specify each year for which the fee base determined by the agreement shall be
115 used for purposes of an annual fee; and

116 (B) may not modify any provision of this chapter except the method by which the fee
117 base of a project is determined for purposes of an annual fee.

118 (iii) For purposes of an annual fee imposed by a taxing jurisdiction within a county

119 described in Subsection (4)(b)(i)(B), the fee base determined by the agreement described in
120 Subsection (4)(b)(i) shall be used for purposes of an annual fee imposed by that taxing
121 jurisdiction.

122 (iv) (A) If there is not agreement as to the fee base of a portion of a project for any
123 year, for purposes of an annual fee, the State Tax Commission shall determine the value of that
124 portion of the project for which there is not an agreement:

125 (I) for that year; and

126 (II) using the same measure of value as is used for taxable property in the state.

127 (B) The valuation required by Subsection (4)(b)(iv)(A) shall be made by the State Tax
128 Commission in accordance with rules made by the State Tax Commission.

129 (c) Payments of the annual fees shall be made from:

130 (i) the proceeds of bonds issued for the project; and

131 (ii) revenues derived by the project entity from the project.

132 (d) (i) The contracts of the project entity with the purchasers of the capacity, service, or
133 other benefits of the project whose tangible property is not exempted by Utah Constitution
134 Article XIII, Section 3, from the payment of ad valorem property tax shall require each
135 purchaser, whether or not located in the state, to pay, to the extent not otherwise provided for,
136 its share, determined in accordance with the terms of the contract, of these fees.

137 (ii) It is the responsibility of the project entity to enforce the obligations of the
138 purchasers.

139 (5) (a) The responsibility of the project entity to make payment of the annual fees is
140 limited to the extent that there is legally available to the project entity, from bond proceeds or
141 revenues, money to make these payments, and the obligation to make payments of the annual
142 fees is not otherwise a general obligation or liability of the project entity.

143 (b) No tax lien may attach upon any property or money of the project entity by virtue of
144 any failure to pay all or any part of an annual fee.

145 (c) The project entity or any purchaser may contest the validity of an annual fee to the
146 same extent as if the payment was a payment of the ad valorem property tax itself.

147 (d) The payments of an annual fee shall be reduced to the extent that any contest is
148 successful.

149 (6) (a) The annual fee described in Subsection (1):

- 150 (i) shall be paid by a public agency that:
- 151 (A) is not a project entity; and
- 152 (B) owns an interest in a facility providing additional project capacity if the interest is
- 153 otherwise exempt from taxation pursuant to Utah Constitution, Article XIII, Section 3; and
- 154 (ii) for a public agency described in Subsection (6)(a)(i), shall be calculated in
- 155 accordance with Subsection (6)(b).
- 156 (b) The annual fee required under Subsection (6)(a) shall be an amount equal to the tax
- 157 rate or rates of the applicable taxing jurisdiction multiplied by the product of the following:
- 158 (i) the fee base or value of the facility providing additional project capacity located
- 159 within the jurisdiction;
- 160 (ii) the percentage of the ownership interest of the public agency in the facility; and
- 161 (iii) the portion, expressed as a percentage, of the public agency's ownership interest
- 162 that is attributable to the capacity, service, or other benefit from the facility that is sold by the
- 163 public agency to an energy supplier or suppliers whose tangible property is not exempted by
- 164 Utah Constitution, Article XIII, Section 3, from the payment of ad valorem property tax.
- 165 (c) A public agency paying the annual fee pursuant to Subsection (6)(a) shall have the
- 166 obligations, credits, rights, and protections set forth in Subsections (1) through (5) with respect
- 167 to its ownership interest as though it were a project entity.
