39 (1) By following the [~~emergency~~] procedures in Title 63G, Chapter 4, Administrative  
40 Procedures Act, the division may [~~immediately~~] deny, suspend, disqualify, or revoke the  
41 license of any person [~~without hearing and~~] without receiving a record of the person's  
42 conviction of crime when the division has been notified or has reason to believe the person:

43 (a) has committed any offenses for which mandatory suspension or revocation of a  
44 license is required upon conviction under Section **53-3-220**;

45 (b) has, by reckless or unlawful driving of a motor vehicle, caused or contributed to an  
46 accident resulting in death or injury to any other person, or serious property damage;

47 (c) is incompetent to drive a motor vehicle or is afflicted with mental or physical  
48 infirmities or disabilities rendering it unsafe for the person to drive a motor vehicle upon the  
49 highways;

50 (d) has committed a serious violation of the motor vehicle laws of this state;

51 (e) has knowingly committed a violation of Section **53-3-229**; or

52 (f) has been convicted of serious offenses against traffic laws governing the movement  
53 of motor vehicles with a frequency that indicates a disrespect for traffic laws and a disregard  
54 for the safety of other persons on the highways.

55 (2) (a) The division may suspend the license of a person under Subsection (1) when the  
56 person has failed to comply with the terms stated on a traffic citation issued in this state, except  
57 this Subsection (2) does not apply to highway weight limit violations or violations of law  
58 governing the transportation of hazardous materials.

59 (b) This Subsection (2) applies to parking and standing violations only if a court has  
60 issued a warrant for the arrest of a person for failure to post bail, appear, or otherwise satisfy  
61 the terms of the citation.

62 (c) (i) This Subsection (2) may not be exercised unless notice of the pending  
63 suspension of the driving privilege has been sent at least 10 days previously to the person at the  
64 address provided to the division.

65 (ii) After clearance by the division, a report authorized by Section 53-3-104 may not  
66 contain any evidence of a suspension that occurred as a result of failure to comply with the  
67 terms stated on a traffic citation.

68 (3) (a) The division may suspend the license of a person under Subsection (1) when the  
69 division has been notified by a court that the person has an outstanding unpaid fine, an  
70 outstanding incomplete restitution requirement, or an outstanding warrant levied by order of a  
71 court.

72 (b) The suspension remains in effect until the division is notified by the court that the  
73 order has been satisfied.

74 (c) After clearance by the division, a report authorized by Section 53-3-104 may not  
75 contain any evidence of the suspension.

76 (4) (a) The division shall make rules establishing a point system as provided for in this  
77 Subsection (4).

78 (b) (i) The division shall assign a number of points to each type of moving traffic  
79 violation as a measure of its seriousness.

80 (ii) The points shall be based upon actual relationships between types of traffic  
81 violations and motor vehicle traffic accidents.

82 (iii) Except as provided in Subsection (4)(b)(iv), the division may not assess points  
83 against a person's driving record for a conviction of a traffic violation:

84 (A) that occurred in another state; and

85 (B) that was committed on or after July 1, 2011.

86 (iv) The provisions of Subsection (4)(b)(iii) do not apply to:

87 (A) a reckless or impaired driving violation or a speeding violation for exceeding the  
88 posted speed limit by 21 or more miles per hour; or

89 (B) an offense committed in another state which, if committed within Utah, would

90 result in the mandatory suspension or revocation of a license upon conviction under Section  
91 [53-3-220](#).

92 (c) Every person convicted of a traffic violation shall have assessed against the person's  
93 driving record the number of points that the division has assigned to the type of violation of  
94 which the person has been convicted, except that the number of points assessed shall be  
95 decreased by 10% if on the abstract of the court record of the conviction the court has graded  
96 the severity of violation as minimum, and shall be increased by 10% if on the abstract the court  
97 has graded the severity of violation as maximum.

98 (d) (i) A separate procedure for assessing points for speeding offenses shall be  
99 established by the division based upon the severity of the offense.

100 (ii) The severity of a speeding violation shall be graded as:

101 (A) "minimum" for exceeding the posted speed limit by up to 10 miles per hour;

102 (B) "intermediate" for exceeding the posted speed limit by from 11 to 20 miles per  
103 hour; and

104 (C) "maximum" for exceeding the posted speed limit by 21 or more miles per hour.

105 (iii) Consideration shall be made for assessment of no points on minimum speeding  
106 violations, except for speeding violations in school zones.

107 (e) (i) Points assessed against a person's driving record shall be deleted for violations  
108 occurring before a time limit set by the division.

109 (ii) The time limit may not exceed three years.

110 (iii) The division may also delete points to reward violation-free driving for periods of  
111 time set by the division.

112 (f) (i) By publication in two newspapers having general circulation throughout the  
113 state, the division shall give notice of the number of points it has assigned to each type of  
114 traffic violation, the time limit set by the division for the deletion of points, and the point level  
115 at which the division will generally take action to deny or suspend under this section.

116 (ii) The division may not change any of the information provided above regarding  
117 points without first giving new notice in the same manner.

118 (5) (a) (i) [~~Upon denying or suspending~~] If the division finds that the license of a  
119 person should be denied, suspended, disqualified, or revoked under this section, the division  
120 shall immediately notify the licensee in a manner specified by the division and afford ~~him~~ the

121 person an opportunity for a hearing in the county where the licensee resides.

122 (ii) The hearing shall be documented, and the division or its authorized agent may  
123 administer oaths, may issue subpoenas for the attendance of witnesses and the production of  
124 relevant books and papers, and may require a reexamination of the licensee.

125 (iii) One or more members of the division may conduct the hearing, and any decision  
126 made after a hearing before any number of the members of the division is as valid as if made  
127 after a hearing before the full membership of the division.

128 (iv) After the hearing the division shall either rescind [~~its order of denial or suspension,~~  
129 ~~extend the denial or suspension of the license,~~] or affirm its decision to deny, suspend,  
130 disqualify, or revoke the license.

131 (b) The denial [~~or~~], suspension, disqualification, or revocation of the license remains in  
132 effect pending qualifications determined by the division regarding a person:

133 (i) whose license has been denied or suspended following reexamination;

134 (ii) who is incompetent to drive a motor vehicle;

135 (iii) who is afflicted with mental or physical infirmities that might make him dangerous  
136 on the highways; or

137 (iv) who may not have the necessary knowledge or skill to drive a motor vehicle safely.

138 (6) (a) Subject to Subsection (6)(d), the division shall suspend a person's license when  
139 the division receives notice from the Office of Recovery Services that the Office of Recovery  
140 Services has ordered the suspension of the person's license.

141 (b) A suspension under Subsection (6)(a) shall remain in effect until the division  
142 receives notice from the Office of Recovery Services that the Office of Recovery Services has  
143 rescinded the order of suspension.

144 (c) After an order of suspension is rescinded under Subsection (6)(b), a report  
145 authorized by Section 53-3-104 may not contain any evidence of the suspension.

146 (d) (i) If the division suspends a person's license under this Subsection (6), the division  
147 shall, upon application, issue a temporary limited driver license to the person if that person  
148 needs a driver license for employment, education, or child visitation.

149 (ii) The temporary limited driver license described in this section:

150 (A) shall provide that the person may operate a motor vehicle only for the purpose of  
151 driving to or from the person's place of employment, education, or child visitation;

152 (B) shall prohibit the person from driving a motor vehicle for any purpose other than a  
153 purpose described in Subsection (6)(d)(ii)(A); and

154 (C) shall expire 90 days after the day on which the temporary limited driver license is  
155 issued.

156 (iii) (A) During the period beginning on the day on which a temporary limited driver  
157 license is issued under this Subsection (6), and ending on the day that the temporary limited  
158 driver license expires, the suspension described in this Subsection (6) only applies if the person  
159 who is suspended operates a motor vehicle for a purpose other than employment, education, or  
160 child visitation.

161 (B) Upon expiration of a temporary limited driver license described in this Subsection  
162 (6)(d):

163 (I) a suspension described in Subsection (6)(a) shall be in full effect until the division  
164 receives notice, under Subsection (6)(b), that the order of suspension is rescinded; and

165 (II) a person suspended under Subsection (6)(a) may not drive a motor vehicle for any  
166 reason.

167 (iv) The division is not required to issue a limited driver license to a person under this  
168 Subsection (6)(d) if there are other legal grounds for the suspension of the person's driver  
169 license.

170 (v) The division shall make rules, in accordance with Title 63G, Chapter 3, Utah  
171 Administrative Rulemaking Act, to implement the provisions of this part.

172 (7) (a) The division may suspend or revoke the license of any resident of this state  
173 upon receiving notice of the conviction of that person in another state of an offense committed  
174 there that, if committed in this state, would be grounds for the suspension or revocation of a  
175 license.

176 (b) The division may, upon receiving a record of the conviction in this state of a  
177 nonresident driver of a motor vehicle or motorboat of any offense under the motor vehicle laws  
178 of this state, forward a certified copy of the record to the motor vehicle administrator in the  
179 state where the person convicted is a resident.

180 (8) (a) The division may suspend or revoke the license of any nonresident to drive a  
181 motor vehicle in this state for any cause for which the license of a resident driver may be  
182 suspended or revoked.

183 (b) Any nonresident who drives a motor vehicle upon a highway when the person's  
184 license has been suspended or revoked by the division is guilty of a class C misdemeanor.

185 (9) (a) The division may not deny or suspend the license of any person for a period of  
186 more than one year except:

187 (i) for failure to comply with the terms of a traffic citation under Subsection (2);

188 (ii) upon receipt of a second or subsequent order suspending juvenile driving privileges  
189 under Section 53-3-219;

190 (iii) when extending a denial or suspension upon receiving certain records or reports  
191 under Subsection 53-3-220(2);

192 (iv) for failure to give and maintain owner's or operator's security under Section  
193 41-12a-411;

194 (v) when the division suspends the license under Subsection (6); or

195 (vi) when the division denies the license under Subsection (14).

196 (b) The division may suspend the license of a person under Subsection (2) until the  
197 person shows satisfactory evidence of compliance with the terms of the traffic citation.

198 (10) (a) By following the [~~emergency~~] procedures in Title 63G, Chapter 4,  
199 Administrative Procedures Act, the division may [~~immediately~~] suspend the license of any  
200 person [~~without hearing and~~] without receiving a record of the person's conviction for a crime  
201 when the division has reason to believe that the person's license was granted by the division  
202 through error or fraud or that the necessary consent for the license has been withdrawn or is  
203 terminated.

204 (b) The procedure upon suspension is the same as under Subsection (5), except that  
205 after the hearing the division shall either rescind its order of suspension or cancel the license.

206 (11) (a) The division, having good cause to believe that a licensed driver is  
207 incompetent or otherwise not qualified to be licensed, may upon notice in a manner specified  
208 by the division of at least five days to the licensee require him to submit to an examination.

209 (b) Upon the conclusion of the examination the division may suspend or revoke the  
210 person's license, permit him to retain the license, or grant a license subject to a restriction  
211 imposed in accordance with Section 53-3-208.

212 (c) Refusal or neglect of the licensee to submit to an examination is grounds for  
213 suspension or revocation of the licensee's license.

214 (12) (a) Except as provided in Subsection (12)(b), a report authorized by Section  
215 53-3-104 may not contain any evidence of a conviction for speeding on an interstate system in  
216 this state if the conviction was for a speed of 10 miles per hour or less, above the posted speed  
217 limit and did not result in an accident, unless authorized in a manner specified by the division  
218 by the individual whose report is being requested.

219 (b) The provisions of Subsection (12)(a) do not apply for:

220 (i) a CDL license holder; or

221 (ii) a violation that occurred in a commercial motor vehicle.

222 (13) (a) By following the [emergency] procedures in Title 63G, Chapter 4,  
223 Administrative Procedures Act, the division may [immediately] suspend the license of a person  
224 if it has reason to believe that the person is the owner of a motor vehicle for which security is  
225 required under Title 41, Chapter 12a, Financial Responsibility of Motor Vehicle Owners and  
226 Operators Act, and has driven the motor vehicle or permitted it to be driven within this state  
227 without the security being in effect.

228 (b) The division may [immediately] suspend a driving privilege card holder's driving  
229 privilege card if the division receives notification from the Motor Vehicle Division that:

230 (i) the driving privilege card holder is the registered owner of a vehicle; and

231 (ii) the driving privilege card holder's vehicle registration has been revoked under  
232 Subsection 41-1a-110(2)(a)(ii)(A).

233 (c) Section 41-12a-411 regarding the requirement of proof of owner's or operator's  
234 security applies to persons whose driving privileges are suspended under this Subsection (13).

238 revoked by the division under this Subsection (13) may file a request for agency action  
239 requesting a hearing.]~~

240 (14) The division may deny an individual's license if the person fails to comply with  
241 the requirement to downgrade the person's CDL to a class D license under Section 53-3-410.1.

242 (15) The division may deny a person's class A, B, C, or D license if the person fails to  
243 comply with the requirement to have a K restriction removed from the person's license.

244 (16) Any suspension or revocation of a person's license under this section also
