**77-40-101. Title -- Purpose -- Legislative intent.**

(1) This chapter is known as the "Utah Expungement Act."

(2) The Legislature recognizes that an individual who has committed a criminal act and paid his or her debt to society should, under certain circumstances, be able to move forward and rebuild their life without being hindered by the past.

(3) The Legislature, therefore, finds and declares the following:

appropriately against the desire for public safety.

(b) It is the intent of the Legislature that allowing for the expungement of certain criminal offenses will provide an opportunity to:

(ii) increase public safety;

(iii) assist the growing population of offenders reentering the community to establish a self-sustaining life through opportunities in employment; and

(iv) restore certain civil liberties to offenders to allow them to fully participate in society.

~~{(c) This chapter provides for the expungement of certain arrest and conviction records under limited circumstances. Obtaining an expungement of these records allows for the removal of a record from public access but does not result in the destruction of the record. An expunged record remains available for use in accordance with Sections 77-40-109 and 77-40-110.~~

~~(d) This chapter further requires that state agencies remove or redact certain identifying information from their public records and maintain that information only for internal record keeping purposes to preserve the integrity of the agency's files.~~ **Section 3. If the original certificate is filed with the petition, the clerk of the court shall scan it and return it to the petitioner or the petitioner's attorney, who shall keep it until the proceedings are concluded.

(2) (a) Upon receipt of a petition for expungement of a conviction, the prosecuting attorney shall provide notice of the expungement request by first-class mail to the victim at the most recent address of record on file.
