*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **26-4-4** is amended to read:

**26-4-4. Chief medical examiner -- Appointment -- Qualifications -- Authority.**

(1) The executive director, with the advice of an advisory board consisting of the chairman of the Department of Pathology at the University of Utah medical school and the dean of the law school at the University of Utah, shall appoint a chief medical examiner who shall be licensed to practice medicine in the state and shall meet the qualifications of a forensic pathologist, certified by the American Board of Pathologists.

(2) (a) The medical examiner shall serve at the will of the executive director.

(b) The medical examiner has authority to:

(i) employ medical, technical and clerical personnel as may be required to effectively administer this chapter, subject to the rules of the department and the state merit system;

(ii) conduct investigations and pathological examinations;

(iii) perform autopsies authorized in this title;

(iv) conduct or authorize necessary examinations on dead bodies; and

(v) notwithstanding the provisions of Subsection **26-28-122(3)**, retain tissues and biological samples;

(A) for scientific purposes [and those the medical examiner considers];

(B) where necessary to accurately certify the cause and manner of death[-]; or

(C) in order to donate the tissue or biological sample to a person for the purpose of training a dog to search for human remains.

(c) In the case of an unidentified body, the medical examiner shall authorize or conduct investigations, tests and processes in order to determine its identity as well as the cause of death.

(3) The medical examiner may appoint regional pathologists, each of whom shall be approved by the executive director.

Section 2. Section **26-4-25** is repealed and reenacted to read:

**26-4-25. Burial of an unclaimed body -- Request by the School of Medicine at the University of Utah -- Medical examiner may retain tissue for dog training.**

(1) Except as described in Subsections (2) or (3), a county shall provide, at the county's

57 expense, decent burial for an unclaimed body found in the county.

58 (2) A county is not responsible for decent burial of an unclaimed body found in the  
59 county if the body is requested by the dean of the School of Medicine at the University of Utah  
60 under Section [53B-17-301](#).

61 (3) For an unclaimed body that is temporarily in the medical examiner's custody before  
62 burial under Subsection (1), the medical examiner may retain tissue from the unclaimed body  
63 in order to donate the tissue to a person for the purpose of training a dog to search for human  
64 remains.

65 Section 3. Section **35A-3-401** is amended to read:

66 **35A-3-401. General Assistance.**

67 (1) (a) General Assistance may be provided to individuals who are not receiving cash  
68 assistance under Part 3, Family Employment Program, or Supplemental Security Income, and  
69 who are unemployable according to standards established by the department.

70 (b) (i) General Assistance may be provided by payment in cash or in kind.

71 (ii) The office may provide an amount less than the existing payment level for an  
72 otherwise similarly situated client of cash assistance under Part 3, Family Employment  
73 Program.

74 (c) The office shall establish asset limitations for General Assistance clients.

75 (d) (i) General Assistance may be granted to meet special nonrecurrent needs of an  
76 applicant for the federal Supplemental Security Income program, if the applicant agrees to  
77 reimburse the division for assistance advanced while awaiting the determination of eligibility  
78 by the Social Security Administration.

79 (ii) General Assistance payments may not be made to a current client of cash assistance  
80 or Supplemental Security Income.

81 (e) (i) General Assistance may be used for the reasonable cost of burial for a client, if  
82 heirs or relatives are not financially able to assume this expense.

83 (ii) Notwithstanding Subsection (1)(e)(i), if the body of a person is unclaimed, Section  
84 ~~[53B-17-301](#)~~ [26-4-25](#) applies.

85 (iii) The department shall fix the cost of a reasonable burial and conditions under  
86 which burial expenditures may be made.

87 (2) The division may cooperate with any governmental unit or agency, or any private

88 nonprofit agency in establishing work projects to provide employment for employable persons.

89 Section 4. Section **53B-17-301** is amended to read:

90 **53B-17-301. Unclaimed dead bodies -- Notice to School of Medicine --**

91 **Preservation of dead bodies.**

92 ~~[(1) Any person who has charge over an unclaimed dead body that is to be buried at~~  
93 ~~public expense shall notify the dean of the School of Medicine at the University of Utah within~~  
94 ~~24 hours after taking charge of the body.]~~

95 (1) A county shall, within 24 hours after assuming custody of an unclaimed body for  
96 which the county is required to provide burial under Section 26-4-25, provide notice of the  
97 county's custody of the body to the dean of the School of Medicine at the University of Utah.

98 (2) The notice described in Subsection (1) shall specify the body's probable cause of  
99 death.

100 (3) ~~[At the dean's request, the person shall]~~ The county shall, at the request of the dean  
101 of the School of Medicine at the University of Utah, forward the body to the university, at [its]  
102 the university's expense, within 24 hours of receiving the dean's request.

103 ~~[(4) The delivered body shall be properly embalmed and preserved for not less than 60~~  
104 ~~days. If a personal friend or relative of the deceased person requests the body for a private~~  
105 ~~burial, during this time period, the person is given possession of the body.]~~

106 (4) The School of Medicine at the University of Utah shall, for a body it receives under  
107 Subsection (3):

108 (a) properly embalm and preserve the body for at least 60 days; and

109 (b) upon request, release the body to a person with priority to control the disposition of  
110 the body under Section 58-9-602.
