ENACTS:

78B-15-708, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

28 Section 1. Section **78B-15-708** is enacted to read:

29 **78B-15-708. Access to identifying information and medical history.**

30 (1) A person who donates to a fertility clinic for the purpose of assisted reproduction
31 shall provide identifying information and a medical history to the fertility clinic. The fertility
32 clinic shall keep the identifying information and medical history of the donor and may disclose
33 the information as provided under Subsection (2).

34 (2) (a) A person conceived through assisted reproduction who is at least 18 years of age
35 shall be provided, upon the person's request, access to identifying information of the donor who
36 assisted in the reproduction process that resulted in the birth of the person, unless the donor
37 signed an affidavit of nondisclosure with the fertility clinic.

38 (b) Regardless of whether the donor signed an affidavit of nondisclosure, a person
39 conceived through assisted reproduction who is at least 18 years of age shall be provided, upon
40 the person's request, access to the nonidentifying medical history of the donor who assisted in
41 the reproduction process that resulted in the person's birth.
