

**Representative Edward H. Redd** proposes the following substitute bill:

**JOINT RESOLUTION ON MAINTENANCE-OF-EFFORT  
REQUIREMENTS**

2017 GENERAL SESSION

STATE OF UTAH

**Chief Sponsor: Edward H. Redd**

Senate Sponsor: Allen M. Christensen

---

---

**LONG TITLE**

**General Description:**

This joint resolution of the Legislature requests that Utah's congressional delegation submit federal legislation amending federal block grant maintenance-of-effort requirements.

**Highlighted Provisions:**

This resolution:

- ▶ recognizes that federal maintenance-of-effort requirements can severely limit state budget flexibility; and
- ▶ requests that Utah's congressional delegation submit federal legislation adding the following language to each maintenance-of-effort statutory requirement: "In nowise shall the state amount obligated as a maintenance-of-effort calculation exceed the amount of federal funding provided through the grant."

**Special Clauses:**

None

---

---

*Be it resolved by the Legislature of the state of Utah:*

WHEREAS, block grants offered by the federal government often include

26 maintenance-of-effort provisions specifying required state spending levels necessary to receive  
27 a grant;

28 WHEREAS, maintenance-of-effort requirements are intended to prevent supplantation  
29 of state efforts using federal funds;

30 WHEREAS, ~~H→ [the federal government increases]~~ for some federal grants,  
30a calculated ←H maintenance-of-effort requirements ~~H→ increase ←H~~ if  
31 states voluntarily increase state spending on budget items that receive block grants;

32 WHEREAS, over time, maintenance-of-effort requirements can become several times  
33 larger than the amount of the federal block grant;

34 WHEREAS, if a state does not meet its maintenance-of-effort requirements in any  
35 fiscal year, the federal government will often reduce the state's federal block grant in the  
36 following year by an amount equal to the two-year average of the maintenance-of-effort  
37 shortfall;

38 WHEREAS, this penalty for failing to meet maintenance-of-effort requirements occurs,  
39 even when a state spends more than the maintenance-of-effort requirement at the time the grant  
40 was originally awarded;

41 WHEREAS, these maintenance-of-effort requirements can severely limit state  
42 legislative budget flexibility, especially during economic downturns, because attempts to  
43 reduce state spending to address decreased state revenue can lead to additional decreases in  
44 revenue from reductions in federal block grant funds;

45 WHEREAS, in fiscal year 2015, Utah received a \$3.2 million Mental Health Block  
46 Grant that required a maintenance-of-effort obligation of \$29.3 million;

47 WHEREAS, in fiscal year 2015, Utah received a \$5 million Baby Watch Early  
48 Intervention Grant that required a maintenance-of-effort obligation of \$12 million;

49 WHEREAS, in fiscal year 2015, Utah received a \$16.5 million Substance Abuse  
50 Prevention and Treatment Block Grant that required a maintenance-of-effort obligation of  
51 \$19.2 million; and

52 WHEREAS, the state of Utah obligates hundreds of millions of dollars in  
53 maintenance-of-effort requirements:

54 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah  
55 requests that Utah's congressional delegation submit federal legislation amending federal block  
56 grant maintenance-of-effort requirements by adding the following language to each

57 maintenance-of-effort statutory requirement: "In nowise shall the state amount obligated as a  
58 maintenance-of-effort calculation exceed the amount of federal funding provided through the  
59 grant."

60 BE IT FURTHER RESOLVED that a copy of this resolution be sent to the President of  
61 the United States, the Majority Leader of the United States Senate, the Speaker of the United  
62 States House of Representatives, and the members of Utah's congressional delegation.
