1	CONCURRENT RESOLUTION URGING THE PRESIDENT TO
2	RESCIND THE BEARS EARS NATIONAL MONUMENT
3	DESIGNATION
4	2017 GENERAL SESSION
5	STATE OF UTAH
6	Chief Sponsor: Gregory H. Hughes
7	Senate Sponsor: Wayne L. Niederhauser
8 9	LONG TITLE
10	General Description:
11	This concurrent resolution urges the President of the United States to rescind the Bears
12	Ears National Monument designation.
13	Highlighted Provisions:
14	This resolution:
15	 expresses strong opposition to the Bears Ears National Monument designation; and
16	 urges the President of the United States to rescind the Bears Ears National
17	Monument.
18	Special Clauses:
19	None
20	
21	Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:
22	WHEREAS, the state of Utah is a public lands state, committed to conservation and
23	continued recreational access for hunters, anglers, campers, and other recreationists, as well as
24	allowing for productive uses, including agriculture, timber production, and energy and natural
25	resource development;
26	WHEREAS, the Legislature and the Governor are committed to the health, protection,
27	preservation, and productivity of, and access to, the public lands within our state;
28	WHEREAS, roughly 66% of the land within the sovereign state of Utah is presently
29	controlled by the federal government;

H.C.R. 11 Enrolled Copy

30	WHEREAS, 38 non-western states in the Union govern and exercise their
31	constitutional jurisdiction over virtually all the land within their borders, and the legislatures
32	and the governors of those states tend to the health, safety, and welfare of their citizens;
33	WHEREAS, on December 28, 2016, President Barack Obama designated the Bears
34	Ears National Monument, limiting public access to 1.35 million acres in San Juan County,
35	Utah;
36	WHEREAS, every member of Utah's congressional delegation publically opposed the
37	designation of the Bears Ears National Monument;
38	WHEREAS, the designation of the Bears Ears National Monument sets a dangerous
39	precedent of allowing special interest groups to unduly influence the monument designation
40	process and silence local voices;
41	WHEREAS, local Native American groups with historical ties to the area have passed
42	resolutions opposing the designation of the Bears Ears National Monument;
43	WHEREAS, San Juan County Commissioner Rebecca Bennally, whose constituency
44	includes members of the Navajo Nation who live in San Juan County, and the entire San Juan
45	County Commission, opposed the monument designation and unanimously passed a resolution
46	expressing their opposition;
47	WHEREAS, every city council in San Juan County has passed a resolution opposing
48	the designation of the Bears Ears National Monument;
49	WHEREAS, counties across the state have passed resolutions standing unitedly with
50	San Juan County in opposition to the Bears Ears National Monument;
51	WHEREAS, every member of the Utah State Legislature representing San Juan County
52	opposed the designation of the Bears Ears National Monument;
53	WHEREAS, the Legislature passed a resolution last summer expressly opposing the
54	creation of the Bears Ears National Monument, with the Governor concurring therein;
55	WHEREAS, Governor Gary R. Herbert wrote to the President of the United States in
56	August 2015 and in February 2016 urging him not to use the Antiquities Act to designate
57	another national monument in Utah;

Enrolled Copy H.C.R. 11

58	WHEREAS, Governor Gary R. Herbert noted that another monument designation
59	would "inflame passion, spur divisiveness, and ensure perpetual opposition";
60	WHEREAS, the Antiquities Act limits a presidential monument designation to the
61	"smallest area compatible with proper care and management of the objects to be protected";
62	WHEREAS, the Bears Ears National Monument is almost twice the size of the state of
63	Rhode Island;
64	WHEREAS, once-thriving rural Utah communities and their citizens are suffering
65	economic deprivation at the hand of their own federal government, which a national monument
66	tourism economy fails to alleviate;
67	WHEREAS, the power granted to the President to designate national monuments under
68	the Antiquities Act has been exploited and abused by presidents of both parties for over a
69	century;
70	WHEREAS, newly designated monuments averaged 15,573 acres in 1906 when the
71	Antiquities Act was signed into law but, in the year 2016, have averaged 739,305 acres, which
72	is more than 47 times the size of those created 110 years ago;
73	WHEREAS, because only western states have large areas of federal land within their
74	borders, use of the Antiquities Act by presidents to designate millions of acres of land as
75	national monuments disparately impacts western states;
76	WHEREAS, Utah is 50th in the nation in per pupil spending due to the large portion of
77	the state that is held as federal land and not subject to property tax;
78	WHEREAS, considerable funding for the Utah public education system comes from the
79	responsible development of our abundant natural resources and other economic uses of our
80	public lands;
81	WHEREAS, continued opportunity for multiple uses of our public lands is vital to the
82	economies of San Juan County and the state of Utah, providing tax revenue that supports
83	students' education statewide;
84	WHEREAS, within the sweep of President Obama's Bears Ears National Monument
85	designation is 109,000 acres of school and institutional trust land designated to produce

H.C.R. 11 Enrolled Copy

86	funding for our school children;
87	WHEREAS, Utah is already home to five national parks and seven national
88	monuments;
89	WHEREAS, all or part of four national monuments, one national park, and one national
90	recreation area are located in San Juan County;
91	WHEREAS, San Juan County, despite the presence of these national monuments,
92	parks, and recreation areas, is the poorest county in the state and among the most economically
93	depressed in the nation;
94	WHEREAS, Navajos in San Juan County experience some of the highest rates of
95	unemployment in the state;
96	WHEREAS, rural economies depend on multiple uses of our public lands for
97	sustenance and growth;
98	WHEREAS, the Bears Ears National Monument designation will forever remove the
99	possibility of economic development and decimate the economy of the region with impacts felt
100	around the state;
101	WHEREAS, citizens in rural Utah deserve the equal opportunity to pursue happiness
102	through the protection of their life, liberty, property, and right to determine their own destiny
103	unimpeded by their own federal government;
104	WHEREAS, San Juan County residents, including local Native American tribes, fear
105	that woodcutting, pinion gathering, traditional religious and cultural practices, and a host of
106	other historical uses of the area will be restricted or entirely prohibited;
107	WHEREAS, San Juan County's Natural Bridges National Monument prohibits
108	woodcutting, and grazing has declined by almost a third in Grand Staircase-Escalante National
109	Monument despite a presidential promise that grazing would "remain at historical levels";
110	WHEREAS, the United States Forest Service and Bureau of Land Management, which
111	are charged with managing the Bears Ears National Monument, have a combined deferred
112	maintenance backlog of almost \$6 billion;
113	WHEREAS, these federal land management agencies clearly do not have the funding to

114	maintain the lands for which they are currently responsible; and
115	WHEREAS, Utahns are best positioned to care for and manage our public lands:
116	NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the
117	Governor concurring therein, strongly urges the President of the United States to rescind the
118	Bears Ears National Monument designation.
119	BE IT FURTHER RESOLVED that a copy of this resolution be sent to the President of
120	the United States, Utah's congressional delegation, the Secretary of the Department of the
121	Interior, and the Secretary of the United States Department of Agriculture.
