Utah Code Sections Affected:

AMENDS:

41-6a-1301, as last amended by Laws of Utah 2015, Chapter 412

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **41-6a-1301** is amended to read:

41-6a-1301. Standards and specifications for lighting and special warning devices on school buses.

(1) (a) A school bus shall be equipped with red signal lamps mounted as high and as widely spaced laterally as practicable.

(b) The red signal lamps shall display two alternately flashing red lights, located at the same level, to the front and rear of the school bus.

(c) The red signal lamps shall be visible at 500 feet in normal sunlight.

(2) (a) A school bus shall be equipped with yellow signal lamps mounted near each of the four red signal lamps and at the same level but closer to the vertical centerline of the bus.

(b) The yellow signal lamps shall display two alternately flashing yellow lights to the front and rear of the school bus.

(c) The yellow signal lamps shall be visible at 500 feet in normal sunlight.

(3) A school bus driver shall activate the yellow signal lamps at least 100 feet, but not more than 500 feet, before every stop at which the alternately flashing red lights are activated.

(4) (a) A school bus with a model year of 2017 or newer that is purchased after June 30, 2017, shall be equipped with **three-point** seatbelts available for use by each passenger on the school bus.

(b) In accordance with Section 41-6a-1304, the Department of Transportation shall adopt and enforce rules governing the design and installation of seatbelts on school buses.

(c) **The state, a county, a school district, a school bus operator under contract with a school district, or an agent or employee of a school district or operator, including a teacher or volunteer serving as a chaperone, is not required to ensure use or proper use of a seatbelt on a**
