The Utah Data Research Center is created within the Workforce Research and Analysis
Division within the department.

Section 4. Section 35A-14-202 is enacted to read:

The center may:
1. employ staff necessary to carry out the center's duties;
2. purchase, own, create, or maintain equipment necessary to:
   (a) collect data from the participating entities;
   (b) connect and de-identify data collected by the center;
   (c) store connected and de-identified data; or
   (d) conduct research on data stored or obtained by the center; or
3. contract with a private entity, another state or federal entity, or a political subdivision of the state to carry out the center's duties as provided in this chapter.

Section 5. Section 35A-14-203 is enacted to read:

35A-14-203. Utah Data Research Advisory Board -- Composition -- Appointment.

(1) There is created the Utah Data Research Advisory Board in accordance with this section.

(2) The Utah Data Research Advisory Board is composed of the following members:
   (a) the state superintendent of the State Board of Education or the state superintendent's designee;
   (b) the commissioner of higher education or the commissioner of higher education's designee;
   (c) the commissioner of technical education or the commissioner's designee;
   (d) the executive director of the Department of Workforce Services or the executive director's designee; and
   (e) the director of the Department of Health or the director's designee.

(3) The executive director shall serve as chair.

(4) A member of the board:
   (a) except to the extent a member's service on the board is related to the member's duties outside of the board, may not receive compensation or benefits for the member's service; and
   (b) may receive per diem and travel expenses in accordance with:
      (i) Section 63A-3-106;
      (ii) Section 63A-3-107; and
(iii) rules made by the Division of Finance under Sections 63A-3-106 and 63A-3-107.

Section 6. Section 35A-14-204 is enacted to read:

35A-14-204. Director -- Additional staff -- Administrative support.

(1) The director shall manage the day-to-day operations of the center.

(2) The director may, with the department's approval, hire staff, including:

(a) data scientists;
(b) data technology experts; and
(c) data security experts.

Section 7. Section 35A-14-301 is enacted to read:

Part 3. Data Research Program

35A-14-301. Data research center.

(1) The center shall establish a data research program for the purpose of analyzing data that is:

(a) collected over time;
(b) aggregated from multiple sources; and
(c) connected and de-identified.

(2) The center may, in order to establish the data research program described in Subsection (1):

(a) acquire property or equipment in order to store aggregated, connected, and de-identified data derived from data contributed by the participating entities; or
(b) contract with a private entity in accordance with Title 63G, Chapter 6a, Utah Procurement Code, or with a state government entity to:

(i) store aggregated, connected, and de-identified data derived from data contributed by the participating entities; or
(ii) utilize existing aggregated, connected, and de-identified data maintained by a state government entity.

(3) A participating entity shall contribute data to the data research program described in Subsection (1) within guidelines established by the center.

(4) The center may only release data maintained by the center in accordance with the procedures described in this chapter.

(5) The data research program is not subject to Title 63G, Chapter 2, Government
Records Access and Management Act.

Section 8. Section 35A-14-302 is enacted to read:

35A-14-302. Center duties -- Data studies.

(1) The center shall use data that the center maintains or that a participating entity contributes to the data research program under Section 35A-14-301 to conduct research for the purpose of developing public policy for the state.

(2) The director, with consultation by the advisory board, shall create a prioritized list of data research for the center to conduct using the data research program each year.

(3)(a) In developing the list described in Subsection (2), the center shall accept data research requests from:

(i) a legislative committee or a legislative staff office;
(ii) the governor or an executive branch agency;
(iii) the State Board of Education;
(iv) the State Board of Regents; and
(v) the Utah College of Applied Technology.

(b) The department shall begin accepting the data research requests described in Subsection (3)(a) on July 1, 2017.

(c) The center shall report the list described in Subsection (2) to the Education Interim Committee before December 1 of each year.

(4) In addition to conducting data research in accordance with the prioritized list described in Subsection (2), the center may use additional resources to prepare data research at the request of:

(a) a state government entity;
(b) a political subdivision of the state;
(c) a private entity; or
(d) a member of the public.

(5) The director, with approval by the board, shall determine, for a data research request described in Subsection (4):

(a) whether the center has the resources to complete the data research request;
(b) the order in which the center shall complete the data research request, if at all; and
(c) a reasonable estimated cost for the request.
(6) The center, after evaluating a request under Subsection (5), shall:
   (a) provide the person that requested the data research with a cost estimate; and
   (b) require, before accepting a data research request, that the person that submitted the
data research request agree to pay, once the data research is complete, the full cost of
completing the data research request as determined by the center under Subsection (5).

(7) The center shall make available to the public, on a website maintained by the
center, any data research request that the center completes under this section.

(8) The center shall ensure that any data contained in a completed data research request
is de-identified.

(9) The center shall:
   (a) establish, by rule made in accordance with Title 63G, Chapter 3, Utah
Administrative Rulemaking Act:
      (i) procedures for submitting a data research request under this section;
      (ii) criteria to determine how to prioritize data research requests; and
      (iii) minimum standards for information a person is required to include in a data
research request; and
   (b) create a fee schedule in accordance with Section 63J-1-504 for completing a data
research request.

(10) In addition to submitting a data research request under Subsection (4), a
participating entity, executive branch agency, or legislative staff office may request, and the
center may release, a data set from the data research program if the data set is:
   (a) connected;
   (b) aggregated; and
   (c) de-identified.

(11) (a) The center shall use any fee the center collects under this section to cover the
center's costs to administer this chapter.
   (b) The center shall deposit any fee the center collects under this section not used to
cover the center's costs into the General Fund.

Section 9. Section 35A-14-303 is enacted to read:

35A-14-303. Data visualization access.

(1) In addition to performing data research and responding to data research requests
under Section 35A-14-302, the center shall create an online data visualization portal that
provides access to the public to connected, aggregated, and de-identified data in the program.
(2) The data visualization portal described in Subsection (1) shall include role-based
dashboards that:
(a) allow a user to query data in the program;
(b) integrate real-time data; and
(c) allow a user to view queried data in a customizable environment.

Section 10. Section 35A-14-304 is enacted to read:

35A-14-304. Reporting.
(1) The center shall report to the Education Interim Committee:
(a) before July 1 of each year regarding the center's:
   (i) research priorities for the year; and
   (ii) completed research from the previous year; and
(b) before December 1 of each year, the center's ongoing data research priority list
described in Subsection 35A-14-302(2).
(2) The Education Interim Committee shall provide the center ongoing input regarding
the center's data research priorities.

Section 11. Appropriation.
The following sums of money are appropriated for the fiscal year beginning July 1, 2017, and ending July 1, 2018. These are additions to amounts previously appropriated for fiscal year 2018.
