31	WHEREAS, the Utah State Training Center, later known as the USDC, was established
32	during an era when relatively little was known about the causes of intellectual disabilities;
33	WHEREAS, like other states, Utah built a public institution in a remote location and
34	within a broad perimeter of land that provided a physical barrier between the institution and the
35	nearest rural homes and communities;
36	WHEREAS, since its establishment in 1929, the USDC has evolved and improved in
37	determining what public services should be provided for individuals with intellectual
38	disabilities and how to provide those services;
39	WHEREAS, since state governments first acknowledged a public interest in and
40	accepted some fiscal responsibility for citizens with intellectual disabilities, states have made
41	sweeping changes in the philosophy and practice of providing public services to those citizens;
42	WHEREAS, these paradigm shifts have resulted from a growing knowledge about
43	intellectual disabilities, including their causes, preventions, interventions, and

NOW, THEREFORE, BE IT RESOLVED that the Legislature, in accordance with Utah
Code Subsection 62A-5-206.6(5), authorizes the Utah State Developmental Center's governing
board to offer for sale or long-term lease 143 acres of land and water rights, inclusive of the 7.7
acres authorized by the Legislature in 2017, located on the north end of the USDC's campus,
and recognizes that this may include the sale of land to construct an east-west connector road
and may include the sale or long-term lease of land to construct a fire station for American
Fork.
BE IT FURTHER RESOLVED that the Legislature urges the governing board to accept
the offer or offers that provide for the best long-term financial stability of the USDC and the
division, which may be a sale of the land and water rights and, in accordance with Utah Code
Section 62A-5-206.6, the investment of the proceeds of the sale.
