Be it enacted by the Legislature of the state of Utah:

Section 1. Section **26-19-201** is amended to read:

26-19-201. Assignment of rights to benefits.

30 (1) (a) [~~To~~] Except as provided in Subsection 26-19-401(1), to the extent that medical
 31 assistance is actually provided to a recipient, all benefits for medical services or payments from
 32 a [~~third-party~~] third-party otherwise payable to or on behalf of a recipient are assigned by
 33 operation of law to the department if the department provides, or becomes obligated to provide,
 34 medical assistance, regardless of who made application for the benefits on behalf of the
 35 recipient.

36 (b) The assignment:

37 (i) authorizes the department to submit its claim to the [~~third-party~~] third-party and
 38 authorizes payment of benefits directly to the department; and

39 (ii) is effective for all medical assistance.

40 (2) The department may recover the assigned benefits or payments in accordance with
 41 Section 26-19-401 and as otherwise provided by law.

42 (3) (a) The assignment of benefits includes medical support and [~~third-party~~]
 43 third-party payments ordered, decreed, or adjudged by any court of this state or any other state
 44 or territory of the United States. [~~That~~]

45 (b) The assignment is not in lieu of, and does not supersede or alter any other court
 46 order, decree, or judgment.

47 (4) When an assignment takes effect, the recipient is entitled to receive medical
 48 assistance, and the benefits paid to the department are a reimbursement to the department.

49 Section 2. Section 26-19-401 is amended to read:

50 **26-19-401. Recovery of medical assistance from third party -- Lien -- Notice --**
 51 **Action -- Compromise or waiver -- Recipient's right to action protected.**

52 (1) (a) [~~When~~] Except as provided in Subsection (1)(c), if the department provides or
 53 becomes obligated to provide medical assistance to a recipient that a third-party is obligated to
 54 pay for, the department may recover the medical assistance directly from [~~that~~] the third-party.

55 (b) (i) [~~Any~~] A claim [~~arising~~] under Subsection (1)(a) or Section 26-19-201 to recover
 56 medical assistance provided to a recipient is a lien against any proceeds payable to or on behalf
 57 of the recipient by [~~that~~] the third-party. [~~This~~]

58 (ii) The lien described in Subsection (1)(b)(i) has priority over all other claims to the
59 proceeds, except claims for attorney fees and costs authorized under Subsection
60 26-19-403(2)(c)(ii).

61 (c) (i) The department may not recover medical assistance under Subsection (1)(a) if:

62 (A) the third-party is obligated to pay the recipient for an injury to the recipient's child
63 that occurred while the child was in the physical custody of the child's foster parent;

64 (B) the child's injury is a physical or mental impairment that requires ongoing medical
65 attention, or limits activities of daily living, for at least one year;

66 (C) the third-party's payment to the recipient is placed in a trust, annuity, financial
67 account, or other financial instrument for the benefit of the child; and

68 (D) the recipient makes reasonable efforts to mitigate any other medical assistance
69 costs for the recipient to the state.

70 (ii) The department is responsible for any repayment to the federal government related
71 to the medical assistance the department is prohibited from recovering under Subsection
72 (1)(c)(i).

73 (2) (a) The department shall mail or deliver written notice of [~~its~~] the department's
74 claim or lien to the third-party at [~~its~~] the third-party's principal place of business or last-known
75 address.

76 (b) The notice shall include:

77 (i) the recipient's name;

78 (ii) the approximate date of illness or injury;

79 (iii) a general description of the type of illness or injury; and

80 (iv) if applicable, the general location where the injury is alleged to have occurred.

81 (3) The department may commence an action on [~~its~~] the department's claim or lien in
82 [~~its own~~] the department's name, but [~~that~~] the claim or lien is not enforceable as to a
83 third-party unless:

84 (a) the third-party receives written notice of the department's claim or lien before [~~it~~
85 the third-party settles with the recipient; or

86 (b) the department has evidence that the third party had knowledge that the department
87 provided or was obligated to provide medical assistance.

88 (4) The department may:

89 (a) waive a claim or lien against a third party in whole or in part; or

90 (b) compromise, settle, or release a claim or lien.

91 (5) An action commenced under this section does not bar an action by a recipient or a
92 dependent of a recipient for loss or damage not included in the department's action.

93 (6) [~~The~~] Except as provided in Subsection (1)(c), the department's claim or lien on
94 proceeds under this section is not affected by the transfer of the proceeds to a trust, annuity,
95 financial account, or other financial instrument.
