*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **20A-3a-402** is amended to read:

**20A-3a-402. Custody of ballots voted at a polling place -- Disposition -- Counting**

28 -- Release of number of ballots cast.

29 (1) This section governs ballots voted at a polling place.

30 (2) (a) The election officer shall deliver all return envelopes containing valid ballots  
31 and valid provisional ballots that are in the election officer's custody to the counting center  
32 before noon on the day of the official canvass following the election.

33 (b) Valid ballots, including valid provisional ballots, may be processed and counted:

34 (i) by the election officer, or poll workers acting under the supervision of the election  
35 officer, before the date of the canvass; and

36 (ii) at the canvass, by the election officer or poll workers, acting under the supervision  
37 of the official canvassers of the election.

38 (c) When processing ballots, the election officer and poll workers shall comply with  
39 the procedures and requirements of Section 20A-3a-401 in opening envelopes, verifying  
40 signatures, confirming eligibility of the ballots, and depositing ballots in preparation for  
41 counting.

42 (3) (a) After all valid ballots, including valid provisional ballots have been deposited,  
43 the ballots shall be counted in the usual manner.

44 (b) After the polls close on the date of the election, the election officer shall publicly  
45 release the results of those ballots, including provisional ballots, that have been counted on or  
46 before the date of the election.

47 (c) Except as provided in Subsection (3)(d), on each day, beginning on the day after the  
48 date of the election and ending on the day before the date of the canvass, the election officer  
49 shall publicly release:

51 (ii) the total number of voted ballots in the custody of the election officer that have not  
52 yet been counted.

53 (d) (i) If complying with Subsection (3)(c) on a particular day will likely result in  
54 disclosing a vote cast by an individual voter, the election officer shall request permission from  
55 the lieutenant governor to delay compliance for the minimum number of days necessary to  
56 protect against disclosure of the voter's vote.

57 (ii) The lieutenant governor shall grant a request made under Subsection (3)(d)(i) if the  
58 lieutenant governor finds that the delay is necessary to protect against disclosure of a voter's

59 vote.

60 (e) On the date of the canvass, the election officer shall provide a tally of all ballots,  
61 including provisional ballots, counted, and the resulting tally shall be added to the official  
62 canvass of the election.

63 (4) (a) On the day after the date of the election, the election officer shall determine the  
64 number of ballots received by the election officer at that time and shall make that number  
65 available to the public.

66 (b) The election officer may elect to publicly release updated totals for the number of

70 (1) (a) Before beginning to count ballots using automatic tabulating equipment, the

73 (b) The election officer shall publish public notice of the time and place of the test:

74 (i) (A) at least 48 hours before the test in one or more daily or weekly newspapers of

78 test, by posting one notice, and at least one additional notice per 2,000 population of the  
79 county, municipality, or jurisdiction, in places within the county, municipality, or jurisdiction  
80 that are most likely to give notice to the voters in the county, municipality, or jurisdiction; or

90 ballots.

91 (d) The election officer shall ensure that:

92 (i) a predetermined number of valid votes for each candidate and measure are recorded  
93 on the ballots;

94 (ii) for each office, one or more ballots have votes in excess of the number allowed by  
95 law in order to test the ability of the automatic tabulating equipment to reject those votes; and

96 (iii) a different number of valid votes are assigned to each candidate for an office, and  
97 for and against each measure.

98 (e) If any error is detected, the election officer shall determine the cause of the error  
99 and correct it.

104 before the election returns are approved as official.

105 (2) (a) The election officer or the election officer's designee shall supervise and direct

124 (b) release unofficial returns from time to time after the polls close; and  
125 (c) report the progress of the count for each candidate during the actual counting of  
126 ballots.

127 (5) If an election officer releases early unofficial returns or reports the progress of the  
128 count for each candidate under Subsection (4), the election officer shall, with each release or

138 count the valid write-in vote as being the obvious intent of the voter.

139 [~~7~~] (8) (a) The election officer shall certify the return printed by the automatic  
140 tabulating equipment, to which have been added write-in and absentee votes, as the official
