S.B. 114 01-20-21 2:30 PM

28	Be it enacted by the Legislature of the state of Utah:
29	Section 1. Section 58-28-307 is amended to read:
30	58-28-307. Exemptions from chapter.
31	In addition to the exemptions from licensure in Section 58-1-307 this chapter does not
32	apply to:
33	(1) [any person] an individual who practices veterinary medicine, surgery, or dentistry
34	upon any animal owned by [him] the individual, and the employee of that [person] individual
35	when the practice is upon an animal owned by [his] the employee's employer, and incidental to
36	[his] employment, except:
37	(a) this exemption does not apply to [any person, or his] an individual, or the
38	individual's employee, when the ownership of an animal was acquired for the purpose of
39	circumventing this chapter; and
40	(b) this exemption does not apply to the administration, dispensing, or prescribing of a
41	prescription drug, or nonprescription drug intended for off label use, unless the administration,
42	dispensing, or prescribing of the drug is obtained through an existing veterinarian-patient
43	relationship;
44	(2) [any person] an individual who as a student at a veterinary college approved by the
45	board engages in the practice of veterinary medicine, surgery, and dentistry as part of [his] the
46	individual's academic training and under the direct supervision and control of a licensed
47	veterinarian, if that practice is during the last two years of the college course of instruction and
48	does not exceed an 18-month duration;
49	(3) a veterinarian who is an officer or employee of the government of the United
50	States, or the state, or its political subdivisions, and technicians under [his] the veterinarian's
51	supervision, while engaged in the practice of veterinary medicine, surgery, or dentistry for that
52	government;
53	(4) [any person] an individual while engaged in the vaccination of poultry, pullorum
54	testing, typhoid testing of poultry, and related poultry disease control activity;
55	(5) [any person] an individual who is engaged in bona fide and legitimate medical,
56	dental, pharmaceutical, or other scientific research, if that practice of veterinary medicine,
57	surgery, or dentistry is directly related to, and a necessary part of, that research;

(6) [veterinarians] a veterinarian licensed under the laws of another state rendering

58

01-20-21 2:30 PM S.B. 114

professional services in association with licensed veterinarians of this state for a period not to exceed 90 days;

- (7) [registered pharmacists] a registered pharmacist of this state engaged in the sale of veterinary supplies, instruments, and medicines, if the sale is at [his] the registered pharmacist's regular place of business;
- (8) [any person] an individual in this state engaged in the sale of veterinary supplies, instruments, and medicines, except prescription drugs which must be sold in compliance with state and federal regulations, if the supplies, instruments, and medicines are sold in original packages bearing adequate identification and directions for application and administration and the sale is made in the regular course of, and at the regular place of business;
- (9) [any person] an individual rendering emergency first aid to animals in those areas where a licensed veterinarian is not available, and if suspicious reportable diseases are reported immediately to the state veterinarian;
- (10) [any person] an individual performing or teaching nonsurgical bovine artificial insemination;
- (11) [any person] an individual affiliated with an institution of higher education who teaches nonsurgical bovine embryo transfer or any technician trained by or approved by an institution of higher education who performs nonsurgical bovine embryo transfer, but only if any prescription drug used in the procedure is prescribed and administered under the direction of a veterinarian licensed to practice in Utah;
- (12) (a) [upon written referral by a licensed veterinarian,] the practice of animal chiropractic by a chiropractic physician licensed under Chapter 73, Chiropractic Physician Practice Act, who has [completed an animal chiropractic course approved] been certified by the American Veterinary Chiropractic Association [or the division] for performing chiropractic on an animal;
- (b) upon written referral by a licensed veterinarian, the practice of animal physical therapy by a physical therapist licensed under Chapter 24b, Physical Therapy Practice Act, who has completed at least 100 hours of animal physical therapy training, including quadruped anatomy and hands-on training, approved by the division;
- (c) upon written referral by a licensed veterinarian, the practice of animal massage therapy by a massage therapist licensed under Chapter 47b, Massage Therapy Practice Act,

S.B. 114 01-20-21 2:30 PM

who has completed at least 60 hours of animal massage therapy training, including quadruped anatomy and hands-on training, approved by the division; and

- (d) upon written referral by a licensed veterinarian, the practice of acupuncture by an acupuncturist licensed under Chapter 72, Acupuncture Licensing Act, who has completed a course of study on animal acupuncture approved by the division;
- (13) unlicensed assistive personnel performing duties appropriately delegated to the unlicensed assistive personnel in accordance with Section 58-28-502;
 - (14) an animal shelter employee who is:

- (a) (i) acting under the indirect supervision of a licensed veterinarian; and
- (ii) performing animal euthanasia in the course and scope of employment; and
- (b) acting under the indirect supervision of a veterinarian who is under contract with the animal shelter, administering a rabies vaccine to a shelter animal in accordance with the Compendium of Animal Rabies Prevention and Control;
- (15) an individual providing appropriate training for animals; however, this exception does not include diagnosing any medical condition, or prescribing or dispensing any prescription drugs or therapeutics; and
 - (16) an individual who performs teeth floating if the individual:
- (a) has a valid certification from the International Association of Equine Dentistry, or an equivalent certification designated by division rule made in collaboration with the board, to perform teeth floating; and
- (b) administers or uses a sedative drug only if the individual is under the direct supervision of a veterinarian in accordance with Subsection 58-28-502(2)(a)(iv).
 - Section 2. Section **58-73-102** is amended to read:

58-73-102. Definitions.

- (1) "Adjustment of the articulation of the spinal column" means performance by a chiropractic physician by the use of passive movements directed toward the goal of restoring joints to their proper physiological relationship of motion and related function, releasing adhesions, or stimulating joint receptors using one or more of the following techniques:
- (a) impulse adjusting or the use of sudden, high velocity, short amplitude thrust of a nature that the patient cannot prevent the motion, commencing where the motion encounters the elastic barrier of resistance and ends at the limit of anatomical integrity;

01-20-21 2:30 PM S.B. 114

(b) instrument adjusting, utilizing instruments specifically designed to deliver sudden, high velocity, short amplitude thrust;

- (c) light force adjusting utilizing sustained joint traction or applied directional pressure, or both, which may be combined with passive motion to restore joint mobility; and
- (d) long distance lever adjusting utilizing forces delivered at some distance from the dysfunctional site and aimed at transmission through connected structures to accomplish joint mobility.
- (2) "Board" means the Chiropractic Physician Licensing Board created in Section 58-73-201.
- (3) "Chiropractic assistant" means [a person] an individual who performs activities related to the practice of chiropractic under the supervision of a licensed chiropractic physician in accordance with division rule established in collaboration with the board.
- (4) "Chiropractic physician" means [a person] an individual who has been licensed under this chapter to practice chiropractic.
- (5) "Diagnosis of the articulation of the spinal column" means to examine the articulations of the spinal column of another human to determine the source, nature, kind, or extent of a disease, vertebral [sublixation]sublixation, or other physical condition, and to make a determination of the source, nature, kind, or extent of a disease or other physical condition.
- (6) "Elastic barrier" means the point at which the patient cannot move a joint by his own means and through which movement is obtained or caused by a practitioner's skillful treatment using the practitioner's hands in a manipulation of a joint by thrust of sudden, high velocity, short amplitude so the patient cannot prevent the motion.
- (7) "Incisive surgery" means any procedure having the power or quality of cutting of a patient for the purpose of treating disease, injury, or deformity, and includes the use of laser.
- (8) [(a)] "Manipulate the articulation of the spinal column" means use by a practitioner of a skillful treatment using the practitioner's hands in a manipulation of a joint as follows:
- (a) by thrust of sudden, high velocity, short amplitude so the patient cannot prevent the motion[. Movement];
 - (b) the movement of the joint is by force beyond its active limit of motion[-];
- [(b)] (c) [This]the manipulation commences where mobilization ends and specifically begins when the elastic barrier of resistance is encountered and ends at the limit of anatomical

S.B. 114 01-20-21 2:30 PM

integrity[-]; and	
[(c)] (d) [Manipulation as described in this definition] the manipulation is directed	to
the goal of restoring joints to their proper physiological relationship of motion and related	
function, releasing adhesions, or stimulating joint receptors.	
(9) "Practice of chiropractic" means a practice of a branch of the healing arts:	
(a) the purpose of which is to restore or maintain human health, in which patient ca	re
or first aid, hygienic, nutritional, or rehabilitative procedures are administered;	
(b) which places emphasis upon specific vertebral adjustment, manipulation, and	
treatment of the articulation and adjacent tissues of the spinal column, musculoskeletal	
structure of the body, and nervous system;	
(c) that involves examining, diagnosing, treating, correcting, or prescribing treatme	nt
for any human disease, ailment, injury, infirmity, deformity, pain, or other condition, or the	
attempt to do so, in accordance with Section 58-73-601;	
(d) that involves diagnosing, prescribing treatment, or making a determination of	
treatment necessity for another person's condition by means of:	
(i) a physical examination of the person; or	
(ii) a determination based upon or derived from information supplied directly or	
indirectly by a third person; and	
(e) that includes the practice described in this Subsection (9) on an animal [to the	
extent permitted by] subject to:	
(i) Subsection 58-28-307(12);	
(ii) the provisions of this chapter; and	
(iii) division rule.	

(10) "Therapeutically position the articulation of the spinal column" means to adjust or

manipulate the articulation of the spinal column.
