

1st Sub. S.B. 130

REGULATION OF CONCENTRATED ANIMAL FEEDING OPERATIONS

Representative **Joel Ferry** proposes the following amendments:

1. Page 4, Lines 109 through 110:

109 (a) ~~{ designate the geographic areas within the county in which large concentrated animal~~  
110 ~~feeding operations may be located, including adopting a map described in Section~~  
~~17-27a-1104 }~~ designate geographic areas of sufficient size to support large concentrated animal  
feeding operations, including state trust lands described in Subsection 53C-1-103(8) and private  
property within the county, including adopting a map described in Section 17-27a-1104 ;

2. Page 4, Lines 119 through 120:

119 (3) (a) This part does not authorize a county to regulate the operation of large concentrated  
120 animal feeding operations in any way that conflicts with state or federal statutes or regulations.  
(b) Nothing in this part supersedes or authorizes enactment of an ordinance that infringes on  
Chapter 41, Agriculture, Industrial, or Critical Infrastructure Materials Protection Areas, or Title 4,  
Chapter 44, Agricultural Operations Nuisances Act. -

3. Page 5, Lines 137 through 140:

137 (iii) topography; and  
138 (iv) economic benefits to the county ~~{ ; and~~  
139 ~~(v) access to transportation, water, and power infrastructure }~~ .  
140 (b) A county may consider criteria in addition to those described in Subsection (1)(a).  
(c) A designated geographic area shall have economically accessible transportation, electrical  
infrastructure, and water supply, whether by groundwater or other means, sufficient to support large  
concentrated animal feeding operations. -

4. Page 5, Line 149 through Page 6, Line 159:

149 ~~{ (4) If the county establishes different geographic areas for large concentrated animal~~  
150 ~~feeding operations based on animal species type, the county shall provide the rationale as to how~~  
151 ~~the establishment of different geographic areas based on animal species type promotes the~~  
152 ~~general welfare and best interests of county residents. }~~  
153 ~~{ (5) }~~ (4) A county shall designate at least one geographic area within the county where large  
154 concentrated animal feeding operations ~~{ for any animal species listed in Subsection~~  
155 ~~17-27a-1102(6) }~~ may be located unless the county demonstrates that one of the following makes it

156     ~~{impossible}~~     not feasible     for the county to meet the criteria described in this section:  
157             (a) the county's population density; or  
158             (b) the county's population density relative to the amount of private land within the  
159     county.
