*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **53E-6-103** is amended to read:

**53E-6-103. Legislative findings on teacher quality -- Declaration of education as a profession.**

(1) (a) The Legislature acknowledges that education is perhaps the most important function of state and local governments, recognizing that the future success of our state and nation depend in large part upon the existence of a responsible and educated citizenry.

(b) The Legislature further acknowledges that the primary responsibility for the education of children within the state resides with their parents and that the role of state and local governments is to support and assist parents in fulfilling that responsibility.

(2) (a) The Legislature finds that:

(i) quality teaching is the basic building block of successful schools and, outside of home and family circumstances, the essential component of student achievement;

(ii) the high quality of teachers is absolutely essential to enhance student achievement

and to assure educational excellence in each classroom in the state's public schools; and

(iii) the implementation of a comprehensive continuum of data-driven strategies regarding recruitment, preservice, licensure, induction, professional development, and evaluation is essential if the state and its citizens expect every classroom to be staffed by a skilled, caring, and effective teacher.

(b) In providing for the safe and effective performance of the function of educating Utah's children, the Legislature further finds it to be of critical importance that education, including instruction, administrative, and supervisory services, be recognized as a profession, and that those who are licensed or seek to become licensed and to serve as educators:

(i) meet high standards both as to qualifications and fitness for service as educators through quality recruitment and preservice programs [~~before assuming their responsibilities in the schools~~] designed to provide opportunities to demonstrate competency in a school classroom setting;

(ii) maintain those standards in the performance of their duties while holding licenses, in large part through participating in induction and ongoing professional development programs focused on instructional improvement;

(iii) receive fair, systematic evaluations of their performance at school for the purpose of enhancing the quality of public education and student achievement; and

(iv) have access to a process for fair examination and review of allegations made against them and for the administration of appropriate sanctions against those found, in accordance with due process, to have failed to conduct themselves in a manner commensurate with their authority and responsibility to provide appropriate professional services to the children of the state.

Section 2. Section **53E-6-201** is amended to read:

### **53E-6-201. State board licensure.**

(1) The state board shall [~~establish in rule made~~] make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to establish a system for educator licensing that includes:

(a) an associate educator license that permits an individual to provide educational services in a public school while working to meet the requirements of a professional educator license;

## HB0208S02 compared with HB0208S01

(b) a professional educator license that permits an individual to provide educational services in a public school after demonstrating that the individual meets licensure requirements established in state board rule;

(c) an LEA-specific educator license issued by the state board at the request of an LEA's governing body that is valid for an individual to provide educational services in the requesting LEA's schools; ~~[and]~~

(d) beginning in the 2023-2024 school year, a provider-specific license issued by the state board at the request of an authorized online course provider described in Subsection 53F-4-504 that:

(i) is valid for an individual to provide educational services to a student enrolled in an online course described in 53F-4-503; and

(ii) contains eligibility criteria that is no more stringent than the requirements for a license described in Subsection (1)(c)~~[-]; and~~

(e) beginning in the 2029-2030 school year, ~~{one}~~the creation or ~~{more}~~modification of licenses if any are created or modified under Section 53G-6-206.

(2) An individual employed in a position that requires licensure by the state board shall hold the license that is appropriate to the position.

(3) (a) (i) ~~[The]~~ Except as provided in Subsection (3)(a)(ii), the state board may ~~[by rule made]~~ make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, rank, endorse, or otherwise classify licenses and establish the criteria for obtaining, retaining, and reinstating licenses.

(ii) The state board may not make licensure contingent upon passage of a pedagogical performance assessment.

(b) An educator who is enrolling in a course of study at an institution within the state system of higher education to satisfy the state board requirements for retaining a license is exempt from tuition, except for a semester registration fee established by the Utah Board of Higher Education, if:

(i) the educator is enrolled on the basis of surplus space in the class after regularly enrolled students have been assigned and admitted to the class in accordance with regular procedures, normal teaching loads, and the institution's approved budget; and

(ii) enrollments are determined by each institution under rules and guidelines

established by the Utah Board of Higher Education in accordance with findings of fact that space is available for the educator's enrollment.

Section 3. Section **53E-6-206** is enacted to read:

**53E-6-206. Expansion of traditional and alternative programs for teacher training.**

(1) (a) By July 1, 2028, the state board and the Utah Board of Higher Education, in consultation with administrators and staff responsible for hiring licensed educators at an LEA or regional education service agency as defined in Section 53G-4-410, shall develop a strategy for ~~expanding~~ modifying traditional and alternative programs for training teachers.

(b) The strategy described in Subsection (1)(a) shall include consideration of:

- (i) competency-based approaches;
- (ii) experiential learning, including apprenticeships; and
- (iii) degree-agnostic qualifications.

(2) (a) Subject to having an agreement between at least one institution of higher education and the state board, the state board shall ~~create or~~ modify requirements for traditional and alternative training program licenses to accommodate the strategy described in Subsection (1).

(b) The changes described in Subsection (2)(a) may include the ~~creation and~~ modification of requirements necessary for:

- (i) a license based on an ~~applied~~ associates degree;
- (ii) competency-based training programs;
- (iii) accommodations for non-traditional students;
- (iv) credit for competency obtained through prior learning or experience; or
- (v) other options that would accommodate the strategy described in Subsection (1).

Section 4. Section **53E-6-301** is amended to read:

**53E-6-301. Qualifications of applicants for licenses -- Changes in qualifications.**

(1) As used in this section:

(a) "Literacy preparation assessment" means an examination that evaluates an individual's knowledge of the science of reading, related to literacy instruction for an individual who teaches preschool, elementary school, or special education.

(b) "Required literacy preparation assessment" means a literacy preparation assessment
