 78A-6-702, as last amended by Laws of Utah 2013, Chapter 186
 78A-6-703, as last amended by Laws of Utah 2010, Chapters 38 and 193

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 78A-6-701 is amended to read:

78A-6-701. Jurisdiction of district court.

(1) The district court has exclusive original jurisdiction over all persons 16 years of age or older charged with:

(a) an offense which would be murder or aggravated murder if committed by an adult; or

(b) an offense which would be a felony if committed by an adult if the minor has been previously committed to a secure facility as defined in Section 62A-7-101. This Subsection (1)(b) shall not apply if the offense is committed in a secure facility.

(2) When the district court has exclusive original jurisdiction over a minor under this section, it also has exclusive original jurisdiction over the minor regarding all offenses joined with the qualifying offense, and any other offenses, including misdemeanors, arising from the same criminal episode. The district court is not divested of

jurisdiction by virtue of the fact that the minor is allowed to enter a plea to, or is found guilty of, a lesser or joined offense.

(3) (a) Any felony, misdemeanor, or infraction committed after the offense over which the district court takes jurisdiction under Subsection (1) or (2) shall be tried against the defendant as an adult in the district court or justice court having jurisdiction.

(b) If the qualifying charge under Subsection (1) results in an acquittal, a finding of not guilty, or a dismissal of the charge in the district court, the juvenile court under Section 78A-6-103 and the Division of Juvenile Justice Services regain any jurisdiction and authority previously exercised over the minor.

(4) A minor arrested under this section shall be held in a juvenile detention facility until the district court determines where the minor shall be held until the time of trial, except for defendants who are otherwise subject to the authority of the Board of Pardons and Parole.

(5) The district court shall consider the following when determining where the minor will be held until the time of trial:

(a) the age of the minor;

(b) the nature, seriousness, and circumstances of the alleged offense;

(c) the minor's history of prior criminal acts;

(d) whether detention in a juvenile detention facility will adequately serve the need for community protection pending the outcome of any criminal proceedings;

(e) whether the minor's placement in a juvenile detention facility will negatively impact the functioning of the facility by compromising the goals of the facility to maintain a safe, positive, and secure environment for all minors within the facility;

(f) the relative ability of the facility to meet the needs of the minor and protect the public;

(g) whether the minor presents an imminent risk of harm to the minor or others within the facility;

(h) the physical maturity of the minor;

(i) the current mental state of the minor as evidenced by relevant mental health or psychological assessments or screenings that are made available to the court; and

(j) any other factors the court considers relevant.

(6) A minor ordered to a juvenile detention facility under Subsection (5) shall remain in the facility until released by a district court judge, or if convicted, until sentencing.

(7) A minor held in a juvenile detention facility under this section shall have the same right to bail as any other criminal defendant.

(8) If the minor ordered to a juvenile detention facility under Subsection (5) attains the age of 18

years, the minor shall be transferred within 30 days to an adult jail until released by the district court judge, or if convicted, until sentencing.

(9) A minor 16 years of age or older whose conduct or condition endangers the safety or welfare of others in the juvenile detention facility may, by court order that specifies the reasons, be detained in another place of confinement considered appropriate by the court, including jail or other place of pretrial confinement for adults.

Section 2. Section 78A-6-702 is amended to read:

78A-6-702. Serious youth offender -- Procedure.

(1) Any action filed by a county attorney, district attorney, or attorney general charging a minor 16 years of age or older with a felony shall be by criminal information and filed in the juvenile court if the information charges any of the following offenses:

(a) any felony violation of:

- (i) Section 76-6-103, aggravated arson;
- (ii) Section 76-5-103, aggravated assault resulting in serious bodily injury to another;
- (iii) Section 76-5-302, aggravated kidnapping;
- (iv) Section 76-6-203, aggravated burglary;
- (v) Section 76-6-302, aggravated robbery;
- (vi) Section 76-5-405, aggravated sexual assault;
- (vii) Section 76-10-508.1, felony discharge of a firearm;
- (viii) Section 76-5-202, attempted aggravated murder; or
- (ix) Section 76-5-203, attempted murder; or

(b) an offense other than those listed in Subsection (1)(a) involving the use of a dangerous weapon, which would be a felony if committed by an adult, and the minor has been previously adjudicated or convicted of an offense involving the use of a dangerous weapon, which also would have been a felony if committed by an adult.

(2) All proceedings before the juvenile court related to charges filed under Subsection (1) shall be conducted in conformity with the rules established by the Utah Supreme Court.

(3) (a) If the information alleges the violation of a felony listed in Subsection (1), the state shall have the burden of going forward with its case and the burden of proof to establish probable cause to believe that one of the crimes listed in Subsection (1) has been committed and that the defendant committed it. If proceeding under Subsection (1)(b), the state shall have the additional burden of proving by a preponderance of the evidence that the defendant has previously been adjudicated or convicted of an offense involving the use of a dangerous weapon.

(b) If the juvenile court judge finds the state has met its burden under this Subsection (3), the court shall order that the defendant be bound over and held to answer in the district court in the same manner as an adult unless the juvenile court judge finds that it would be contrary to the best interest of the minor and to the public to bind over the defendant to the jurisdiction of the district court.

(c) In making the bind over determination in Subsection (3)(b), the judge shall consider only the following:

(i) whether the minor has been previously adjudicated delinquent for an offense involving the use of a dangerous weapon which would be a felony if committed by an adult;

(ii) if the offense was committed with one or more other persons, whether the minor appears to have a greater or lesser degree of culpability than the codefendants;

(iii) the extent to which the minor's role in the offense was committed in a violent, aggressive, or premeditated manner;

(iv) the number and nature of the minor's prior adjudications in the juvenile court; and

(v) whether public safety is better served by adjudicating the minor in the juvenile court or in the district court.

(d) Once the state has met its burden under Subsection (3)(a) as to a showing of probable cause, the defendant shall have the burden of going forward and presenting evidence that in light of the considerations listed in Subsection (3)(c), it would be contrary to the best interest of the minor and the best interests of the public to bind the defendant over to the jurisdiction of the district court.

(e) If the juvenile court judge finds by clear and convincing evidence that it would be contrary to the best interest of the minor and the best interests of the public to bind the defendant over to the jurisdiction of the district court, the court shall so state in its findings and order the minor held for trial as a minor and shall proceed upon the information as though it were a juvenile petition.

(4) If the juvenile court judge finds that an offense has been committed, but that the state has not met its burden of proving the other criteria needed to bind the defendant over under Subsection (1), the juvenile court judge shall order the defendant held for trial as a minor and shall proceed upon the information as though it were a juvenile petition.

(5) At the time of a bind over to district court a criminal warrant of arrest shall issue. The defendant shall have the same right to bail as any other criminal defendant and shall be advised of that right by the juvenile court judge. The juvenile court shall set initial bail in accordance with Title 77, Chapter 20, Bail.

(6) At the time the minor is bound over to the district court, the juvenile court shall make the initial determination on where the minor shall be held.

(7) The juvenile court shall consider the following when determining where the minor shall be held until the time of trial:

- (a) the age of the minor;
- (b) the nature, seriousness, and circumstances of the alleged offense;
- (c) the minor's history of prior criminal acts;
- (d) whether detention in a juvenile detention facility will adequately serve the need for community protection pending the outcome of any criminal proceedings;
- (e) whether the minor's placement in a juvenile detention facility will negatively impact the functioning of the facility by compromising the goals of the facility to maintain a safe, positive, and secure environment for all minors within the facility;
- (f) the relative ability of the facility to meet the needs of the minor and protect the public;
- (g) whether the minor presents an imminent risk of harm to the minor or others within the facility;
- (h) the physical maturity of the minor;
- (i) the current mental state of the minor as evidenced by relevant mental health or psychological assessments or screenings that are made available to the court; and
- (j) any other factors the court considers relevant.

(8) If a minor is ordered to a juvenile detention facility under Subsection (7), the minor shall remain in the facility until released by a district court judge, or if convicted, until sentencing.

(9) A minor held in a juvenile detention facility under this section shall have the same right to bail as any other criminal defendant.

(10) If the minor ordered to a juvenile detention facility under Subsection (7) attains the age of 18 years, the minor shall be transferred within 30 days to an adult jail until released by the district court judge, or if convicted, until sentencing.

(11) A minor 16 years of age or older whose conduct or condition endangers the safety or welfare of others in the juvenile detention facility may, by court order that specifies the reasons, be detained in another place of pretrial confinement considered appropriate by the court, including jail or other place of confinement for adults.

(12) The district court may reconsider the decision on where the minor will be held pursuant to Subsection (6).

~~[(6)]~~ (13) If an indictment is returned by a grand jury charging a violation under this section, the preliminary examination held by the juvenile court judge need not include a finding of probable cause that the crime alleged in the indictment was committed and that the defendant committed it, but the juvenile court shall proceed in accordance with

this section regarding the additional considerations listed in Subsection (3)(b).

~~[(7)]~~ (14) When a defendant is charged with multiple criminal offenses in the same information or indictment and is bound over to answer in the district court for one or more charges under this section, other offenses arising from the same criminal episode and any subsequent misdemeanors or felonies charged against him shall be considered together with those charges, and where the court finds probable cause to believe that those crimes have been committed and that the defendant committed them, the defendant shall also be bound over to the district court to answer for those charges.

~~[(8)]~~ (15) When a minor has been bound over to the district court under this section, the jurisdiction of the Division of Juvenile Justice Services and the juvenile court over the minor is terminated regarding that offense, any other offenses arising from the same criminal episode, and any subsequent misdemeanors or felonies charged against the minor, except as provided in Subsection ~~[(12)]~~ (19).

~~[(9)]~~ (16) A minor who is bound over to answer as an adult in the district court under this section or on whom an indictment has been returned by a grand jury is not entitled to a preliminary examination in the district court.

~~[(10)]~~ (17) Allegations contained in the indictment or information that the defendant has previously been adjudicated or convicted of an offense involving the use of a dangerous weapon, or is 16 years of age or older, are not elements of the criminal offense and do not need to be proven at trial in the district court.

~~[(11)]~~ (18) If a minor enters a plea to, or is found guilty of, any of the charges filed or any other offense arising from the same criminal episode, the district court retains jurisdiction over the minor for all purposes, including sentencing.

~~[(12)]~~ (19) The juvenile court under Section 78A-6-103 and the Division of Juvenile Justice Services regain jurisdiction and any authority previously exercised over the minor when there is an acquittal, a finding of not guilty, or dismissal of all charges in the district court.

Section 3. Section 78A-6-703 is amended to read:

78A-6-703. Certification hearings -- Juvenile court to hold preliminary hearing -- Factors considered by juvenile court for waiver of jurisdiction to district court.

(1) If a criminal information filed in accordance with Subsection 78A-6-602(3) alleges the commission of an act which would constitute a felony if committed by an adult, the juvenile court shall conduct a preliminary hearing.

(2) At the preliminary hearing the state shall have the burden of going forward with its case and the burden of establishing:

(a) probable cause to believe that a crime was committed and that the defendant committed it; and

(b) by a preponderance of the evidence, that it would be contrary to the best interests of the minor or of the public for the juvenile court to retain jurisdiction.

(3) In considering whether or not it would be contrary to the best interests of the minor or of the public for the juvenile court to retain jurisdiction, the juvenile court shall consider, and may base its decision on, the finding of one or more of the following factors:

(a) the seriousness of the offense and whether the protection of the community requires isolation of the minor beyond that afforded by juvenile facilities;

(b) whether the alleged offense was committed by the minor under circumstances which would subject the minor to enhanced penalties under Section 76-3-203.1 if the minor were adult and the offense was committed:

(i) in concert with two or more persons;

(ii) for the benefit of, at the direction of, or in association with any criminal street gang as defined in Section 76-9-802; or

(iii) to gain recognition, acceptance, membership, or increased status with a criminal street gang as defined in Section 76-9-802;

(c) whether the alleged offense was committed in an aggressive, violent, premeditated, or willful manner;

(d) whether the alleged offense was against persons or property, greater weight being given to offenses against persons, except as provided in Section 76-8-418;

(e) the maturity of the minor as determined by considerations of the minor's home, environment, emotional attitude, and pattern of living;

(f) the record and previous history of the minor;

(g) the likelihood of rehabilitation of the minor by use of facilities available to the juvenile court;

(h) the desirability of trial and disposition of the entire offense in one court when the minor's associates in the alleged offense are adults who will be charged with a crime in the district court;

(i) whether the minor used a firearm in the commission of an offense; and

(j) whether the minor possessed a dangerous weapon on or about school premises as provided in Section 76-10-505.5.

(4) The amount of weight to be given to each of the factors listed in Subsection (3) is discretionary with the court.

(5) (a) Written reports and other materials relating to the minor's mental, physical,

educational, and social history may be considered by the court.

(b) If requested by the minor, the minor's parent, guardian, or other interested party, the court shall require the person or agency preparing the report and other material to appear and be subject to both direct and cross-examination.

(6) At the conclusion of the state's case, the minor may testify under oath, call witnesses, cross-examine adverse witnesses, and present evidence on the factors required by Subsection (3).

(ii) whether the employee is not legally eligible to be employed because of a reason unrelated to the impairment or combination of impairments.

(2) For permanent total disability compensation during the initial 312-week entitlement, compensation is 66-2/3% of the employee's average weekly wage at the time of the injury, limited as follows:

(A) the maximum established in Subsection (2)(a); or

(B) the average weekly wage of the employee at the time of the injury; and

(c) after the initial 312 weeks, the minimum weekly compensation rate under Subsection (2)(b) is 36% of the current state average weekly wage, rounded to the nearest dollar.

(3) This Subsection (3) applies to claims resulting from an accident or disease arising out of and in the course of the employee's employment on or before June 30, 1994.

(a) The employer or its insurance carrier is liable for the initial 312 weeks of permanent total disability compensation except as outlined in Section 34A-2-703 as in effect on the date of injury.

(b) The employer or its insurance carrier may not be required to pay compensation for any combination of disabilities of any kind, as provided in this section and Sections 34A-2-410 through 34A-2-412 and Part 5, Industrial Noise, in excess of the amount of compensation payable over the initial 312 weeks at the applicable permanent total disability compensation rate under Subsection (2).

(c) The Employers' Reinsurance Fund shall for an overpayment of compensation described in Subsection (3)(b), reimburse the overpayment:

(i) to the employer or its insurance carrier; and

(ii) out of the Employers' Reinsurance Fund's liability to the employee.

(d) After an employee receives compensation from the employee's employer, its insurance carrier, or the Employers' Reinsurance Fund for any combination of disabilities amounting to 312 weeks of compensation at the applicable permanent total disability compensation rate, the Employers' Reinsurance Fund shall pay all remaining permanent total disability compensation.

(e) Employers' Reinsurance Fund payments shall commence immediately after the employer or its insurance carrier satisfies its liability under this Subsection (3) or Section 34A-2-703.

(4) This Subsection (4) applies to claims resulting from an accident or disease arising out of and in the course of the employee's employment on or after July 1, 1994.

(a) The employer or its insurance carrier is liable for permanent total disability compensation.

(b) The employer or its insurance carrier may not be required to pay compensation for any combination of disabilities of any kind, as provided in this section and Sections 34A-2-410 through 34A-2-412 and Part 5, Industrial Noise, in excess of the amount of compensation payable over the initial 312 weeks at the applicable permanent total disability compensation rate under Subsection (2).

(c) The employer or its insurance carrier may recoup the overpayment of compensation described in Subsection (4) by reasonably offsetting the overpayment against future liability paid before or after the initial 312 weeks.

(5) (a) A finding by the commission of permanent total disability is not final, unless otherwise agreed to by the parties, until:

(i) an administrative law judge reviews a summary of reemployment activities undertaken pursuant to ~~Chapter 8a, Utah Injured Worker Reemployment Act~~ Section 34A-2-413.5;

(ii) the employer or its insurance carrier submits to the administrative law judge:

(A) a reemployment plan as prepared by a qualified rehabilitation provider reasonably

designed to return the employee to gainful employment; or

(B) notice that the employer or its insurance carrier will not submit a plan; and

(iii) the administrative law judge, after notice to the parties, holds a hearing, unless otherwise stipulated, to:

(A) consider evidence regarding rehabilitation; and

(B) review any reemployment plan submitted by the employer or its insurance carrier under Subsection (5)(a)(ii).

(b) Before commencing the procedure required by Subsection (5)(a), the administrative law judge shall order:

(i) the initiation of permanent total disability compensation payments to provide for the employee's subsistence; and

(ii) the payment of any undisputed disability or medical benefits due the employee.

(c) Notwithstanding Subsection (5)(a), an order for payment of benefits described in Subsection (5)(b) is considered a final order for purposes of Section 34A-2-212.

(d) The employer or its insurance carrier shall be given credit for any disability payments made under Subsection (5)(b) against its ultimate disability compensation liability under this chapter or Chapter 3, Utah Occupational Disease Act.

(e) An employer or its insurance carrier may not be ordered to submit a reemployment plan. If the employer or its insurance carrier voluntarily submits a plan, the plan is subject to Subsections (5)(e)(i) through (iii).

(i) The plan may include, but not require an employee to pay for:

(A) retraining;

(B) education;

(C) medical and disability compensation benefits;

(D) job placement services; or

(E) incentives calculated to facilitate reemployment.

(ii) The plan shall include payment of reasonable disability compensation to provide for the employee's subsistence during the rehabilitation process.

(iii) The employer or its insurance carrier shall diligently pursue the reemployment plan. The employer's or insurance carrier's failure to diligently pursue the reemployment plan is cause for the administrative law judge on the administrative law judge's own motion to make a final decision of permanent total disability.

(f) If a preponderance of the evidence shows that successful rehabilitation is not possible, the administrative law judge shall order that the

employee be paid weekly permanent total disability compensation benefits.

(g) If a preponderance of the evidence shows that pursuant to a reemployment plan, as prepared by a qualified rehabilitation provider and presented under Subsection (5)(e), an employee could immediately or without unreasonable delay return to work but for the following, an administrative law judge shall order that the employee be denied the payment of weekly permanent total disability compensation benefits:

(i) incarceration in a facility operated by or contracting with a federal, state, county, or municipal government to house a criminal offender in either a secure or nonsecure setting; or

(ii) not being legally eligible to be employed because of a reason unrelated to the impairment or combination of impairments.

(6) (a) The period of benefits commences on the date the employee acquired the permanent, total disability, as determined by a final order of the commission based on the facts and evidence, and ends:

(i) with the death of the employee; or

(ii) when the employee is capable of returning to regular, steady work.

(b) An employer or its insurance carrier may provide or locate for a permanently totally disabled employee reasonable, medically appropriate, part-time work in a job earning at least minimum wage, except that the employee may not be required to accept the work to the extent that it would disqualify the employee from Social Security disability benefits.

(c) An employee shall:

(i) fully cooperate in the placement and employment process; and

(ii) accept the reasonable, medically appropriate, part-time work.

(d) In a consecutive four-week period when an employee's gross income from the work provided under Subsection (6)(b) exceeds \$500, the employer or insurance carrier may reduce the employee's permanent total disability compensation by 50% of the employee's income in excess of \$500.

(e) If a work opportunity is not provided by the employer or its insurance carrier, an employee with a permanent, total disability may obtain medically appropriate, part-time work subject to the offset provisions of Subsection (6)(d).

(f) (i) The commission shall establish rules regarding the part-time work and offset.

(ii) The adjudication of disputes arising under this Subsection (6) is governed by Part 8, Adjudication.

(g) The employer or its insurance carrier has the burden of proof to show that medically appropriate part-time work is available.

(h) The administrative law judge may:

(i) excuse an employee from participation in any work:

(A) that would require the employee to undertake work exceeding the employee's:

(I) medical capacity; or

(II) residual functional capacity; or

(B) for good cause; or

(ii) allow the employer or its insurance carrier to reduce permanent total disability benefits as provided in Subsection (6)(d) when reasonable, medically appropriate, part-time work is offered, but the employee fails to fully cooperate.

(7) When an employee is rehabilitated or the employee's rehabilitation is possible but the employee has some loss of bodily function, the award shall be for permanent partial disability.

(8) As determined by an administrative law judge, an employee is not entitled to disability compensation, unless the employee fully cooperates with any evaluation or reemployment plan under this chapter or Chapter 3, Utah Occupational Disease Act. The administrative law judge shall dismiss without prejudice the claim for benefits of an employee if the administrative law judge finds that the employee fails to fully cooperate, unless the administrative law judge states specific findings on the record justifying dismissal with prejudice.

(9) (a) The loss or permanent and complete loss of the use of the following constitutes total and permanent disability that is compensated according to this section:

(i) both hands;

(ii) both arms;

(iii) both feet;

(iv) both legs;

(v) both eyes; or

(vi) any combination of two body members described in this Subsection (9)(a).

(b) A finding of permanent total disability pursuant to Subsection (9)(a) is final.

(10) (a) An insurer or self-insured employer may periodically reexamine a permanent total disability claim, except those based on Subsection (9), for which the insurer or self-insured employer had or has payment responsibility to determine whether the employee continues to have a permanent, total disability.

(b) Reexamination may be conducted no more than once every three years after an award is final, unless good cause is shown by the employer or its insurance carrier to allow more frequent reexaminations.

(c) The reexamination may include:

(i) the review of medical records;

(ii) employee submission to one or more reasonable medical evaluations;

(iii) employee submission to one or more reasonable rehabilitation evaluations and retraining efforts;

(iv) employee disclosure of Federal Income Tax Returns;

(v) employee certification of compliance with Section 34A-2-110; and

(vi) employee completion of one or more sworn affidavits or questionnaires approved by the division.

(d) The insurer or self-insured employer shall pay for the cost of a reexamination with appropriate employee reimbursement pursuant to rule for reasonable travel allowance and per diem as well as reasonable expert witness fees incurred by the employee in supporting the employee's claim for permanent total disability benefits at the time of reexamination.

(e) If an employee fails to fully cooperate in the reasonable reexamination of a permanent total disability finding, an administrative law judge may order the suspension of the employee's permanent total disability benefits until the employee cooperates with the reexamination.

(f) (i) If the reexamination of a permanent total disability finding reveals evidence that reasonably raises the issue of an employee's continued entitlement to permanent total disability compensation benefits, an insurer or self-insured employer may petition the Division of Adjudication for a rehearing on that issue. The insurer or self-insured employer shall include with the petition, documentation supporting the insurer's or self-insured employer's belief that the employee no longer has a permanent, total disability.

(ii) If the petition under Subsection (10)(f)(i) demonstrates good cause, as determined by the Division of Adjudication, an administrative law judge shall adjudicate the issue at a hearing.

(iii) Evidence of an employee's participation in medically appropriate, part-time work may not be the sole basis for termination of an employee's permanent total disability entitlement, but the evidence of the employee's participation in medically appropriate, part-time work under Subsection (6) may be considered in the reexamination or hearing with other evidence relating to the employee's status and condition.

(g) In accordance with Section 34A-1-309, the administrative law judge may award reasonable attorney fees to an attorney retained by an employee to represent the employee's interests with respect to reexamination of the permanent total disability finding, except if the employee does not prevail, the attorney fees shall be set at \$1,000. The attorney fees awarded shall be paid by the employer or its insurance carrier in addition to the permanent total disability compensation benefits due.

(h) During the period of reexamination or adjudication, if the employee fully cooperates, each

insurer, self-insured employer, or the Employers' Reinsurance Fund shall continue to pay the permanent total disability compensation benefits due the employee.

(11) If any provision of this section, or the application of any provision to any person or circumstance, is held invalid, the remainder of this section is given effect without the invalid provision or application.

(2) As used in this section, "uninsured motor vehicle" includes:

(a) (i) a motor vehicle, the operation, maintenance, or use of which is not covered under a liability policy at the time of an injury-causing occurrence; or

(ii) (A) a motor vehicle covered with lower liability limits than required by Section 31A-22-304; and

(3) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured

motor vehicles because of bodily injury, sickness, disease, or death.

(4) (a) For new policies written on or after January 1, 2001, the limits of uninsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

- (i) is filed with the department;
- (ii) is provided by the insurer;
- (iii) waives the higher coverage;

(iv) need only state in this or similar language that uninsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has no liability insurance; and

(c) (i) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), "new policy" means:

- (i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or
- (ii) a change to an existing policy that results in:

(g) (i) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (4):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).

(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that issuer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least \$25,000 per person and \$500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) is secondary to the benefits provided by Title 34A, Chapter 2, Workers' Compensation Act;

(ii) may not be subrogated by the workers' compensation insurance carrier;

(iii) may not be reduced by any benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b)(ii).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a) [and], (b), and (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any

other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a “covered person” as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person’s spouse; or

(C) to the covered person’s resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent’s household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and

(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(I) to the covered person;

(II) to the covered person’s resident parent; or

(III) to the covered person’s resident sibling.

(ii) Each parent’s policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent’s policy of uninsured motorist coverage bears to the total of both parents’ uninsured coverage applicable to the accident.

(d) A covered person’s recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, “interpolicy stacking” means recovering benefits for a single incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person’s uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(d)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(d)(ii), the parties shall select a panel of three arbitrators.

(e) If the parties select a panel of three arbitrators under Subsection (9)(d)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(e)(i) shall select one additional arbitrator to be included in the panel.

(f) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(d)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(d)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(ii).

(g) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(h) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant’s specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(i) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(j) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(k) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(l) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) any allegations or claims asserting consequential damages or bad faith liability.

(m) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(n) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(o) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(l) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(o)(ii)(A).

(p) (i) Upon filing a complaint for a trial de novo under Subsection (9)(o), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(o)(ii)(A).

(q) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(o),

does not obtain a verdict that is at least \$5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(o), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(q)(iv), the costs under this Subsection (9)(q) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(q) may not exceed \$2,500 unless Subsection (10)(h)(iii) applies.

(r) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(q), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(s) If a district court determines, upon a motion of the nonmoving party, that the moving party's use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(t) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(u) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

(A) subject to Subsection (10)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are

material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) ~~[whether the covered person has seen other]~~ the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) ~~[whether the identity of any]~~ the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than \$15,000, the amount shall be reduced to an amount equal to the policy limits plus \$15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by this bill to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

Section 11. Section 31A-22-305.3 is amended to read:

31A-22-305.3. Underinsured motorist coverage.

(1) As used in this section:

(a) "Covered person" has the same meaning as defined in Section 31A-22-305.

(b) (i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term "underinsured motor vehicle" does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2); or

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured's spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an

underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person's spouse, or covered person's resident relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under Subsection (3)(a) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

(c) (i) Subsections (3)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (3), "new policy" means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) (i) As used in this Subsection (3)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(a)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(d) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(d):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(a) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) \$10,000 for one person in any one accident; and

(ii) at least \$20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(a) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured's underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) Except as provided in Subsection (4)(b)(ii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(ii) (A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.

(B) Each parent's policy under this Subsection (4)(b)(ii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

(iii) A covered person's recovery under any available policies may not exceed the full amount of damages.

(iv) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a) [and], (b), and (c) is secondary coverage.

(v) The primary and the secondary coverage may not be set off against the other.

(vi) A covered person as described under Subsection (4)(b)(i) is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(vii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(viii) (A) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) is secondary to the benefits provided by Title 34A, Chapter 2, Workers' Compensation Act;

(ii) may not be subrogated by a workers' compensation insurance carrier;

(iii) may not be reduced by benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the last liability policy payment.

(6) (a) Within five business days after notification that all liability insurers have tendered their liability policy limits, the underinsured carrier shall either:

(i) waive any subrogation claim the underinsured carrier may have against the person liable for the injuries caused in the accident; or

(ii) pay the insured an amount equal to the policy limits tendered by the liability carrier.

(b) If neither option is exercised under Subsection (6)(a), the subrogation claim is considered to be waived by the underinsured carrier.

(c) The notification under Subsection (6)(a) shall include:

(i) the name, address, and phone number for all liability insurers;

(ii) the liability insurers' liability policy limits; and

(iii) the claim number associated with each liability insurer.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the underinsured motorist coverage carrier.

(v) discloses the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under this Subsection (4) continues for that issuer of the liability coverage until the insured requests, in writing, a change of uninsured motorist coverage from that liability insurer.

(c) (i) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), "new policy" means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) (i) As used in this Subsection (4)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (4)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where uninsured motorist coverage has been rejected, or where uninsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner as described in Subsection (4)(a)(iv), explains the purpose of uninsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (4)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (4):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).

(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that issuer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least \$25,000 per person and \$500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) is secondary to the benefits provided by Title 34A, Chapter 2, Workers' Compensation Act;

(ii) may not be subrogated by the workers' compensation insurance carrier;

(iii) may not be reduced by any benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b)(ii).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under

Subsections (1)(a) [~~and~~], (b), and (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person's spouse; or

(C) to the covered person's resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and

(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(I) to the covered person;

(II) to the covered person's resident parent; or

(III) to the covered person's resident sibling.

(ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, "interpolicy stacking" means recovering benefits for a single

incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(d)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(d)(ii), the parties shall select a panel of three arbitrators.

(e) If the parties select a panel of three arbitrators under Subsection (9)(d)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(e)(i) shall select one additional arbitrator to be included in the panel.

(f) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(d)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(d)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(ii).

(g) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(h) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(i) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(j) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(k) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(l) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) any allegations or claims asserting consequential damages or bad faith liability.

(m) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(n) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(o) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(l) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(o)(ii)(A).

(p) (i) Upon filing a complaint for a trial de novo under Subsection (9)(o), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(o)(ii)(A).

(q) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(o), does not obtain a verdict that is at least \$5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(o), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(q)(iv), the costs under this Subsection (9)(q) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(q) may not exceed \$2,500 unless Subsection (10)(h)(iii) applies.

(r) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(q), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(s) If a district court determines, upon a motion of the nonmoving party, that the moving party's use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(t) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(u) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

(A) subject to Subsection (10)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) ~~whether the covered person has seen other~~ the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) ~~whether the identity of any~~ the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid

benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);

(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person less:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than \$15,000, the amount shall be reduced to an amount equal to the policy limits plus \$15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) the arbitrator or arbitration panel's fee; and

(h) (i) The covered person shall provide an affidavit of costs within five days of an arbitration award.

(ii) (A) Objection to the affidavit of costs shall specify with particularity the costs to which the uninsured motorist carrier objects.

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed \$5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by this bill to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by this bill to Subsections (10)(a)(ii)(A)(II) and (B)(II) apply to any claim submitted to binding arbitration or through litigation on or after May 13, 2014.

Section 11. Section 31A-22-305.3 is amended to read:

31A-22-305.3. Underinsured motorist coverage.

(1) As used in this section:

(a) "Covered person" has the same meaning as defined in Section 31A-22-305.

(b) (i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term “underinsured motor vehicle” does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2); or

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured’s spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person’s spouse, or covered person’s resident relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(b) Any selection or rejection under Subsection (3)(a) continues for that issuer of the liability coverage until the insured requests, in writing, a

change of underinsured motorist coverage from that liability insurer.

(c) (i) Subsections (3)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (3), “new policy” means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured’s motor vehicle liability coverage.

(e) (i) As used in this Subsection (3)(e), “additional motor vehicle” means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured’s motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(a)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(d) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(d):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(a) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) \$10,000 for one person in any one accident; and

(ii) at least \$20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(a) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured's underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by

the insurer under the named insured's motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) Except as provided in Subsection (4)(b)(ii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(ii) (A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.

(B) Each parent's policy under this Subsection (4)(b)(ii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

(iii) A covered person's recovery under any available policies may not exceed the full amount of damages.

(iv) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a) [and], (b), and (c) is secondary coverage.

(v) The primary and the secondary coverage may not be set off against the other.

(vi) A covered person as described under Subsection (4)(b)(i) is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(vii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(viii) (A) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) is secondary to the benefits provided by Title 34A, Chapter 2, Workers' Compensation Act;

(ii) may not be subrogated by a workers' compensation insurance carrier;

(iii) may not be reduced by benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the last liability policy payment.

(6) (a) Within five business days after notification that all liability insurers have tendered their liability policy limits, the underinsured carrier shall either:

(i) waive any subrogation claim the underinsured carrier may have against the person liable for the injuries caused in the accident; or

(ii) pay the insured an amount equal to the policy limits tendered by the liability carrier.

(b) If neither option is exercised under Subsection (6)(a), the subrogation claim is considered to be waived by the underinsured carrier.

(c) The notification under Subsection (6)(a) shall include:

(i) the name, address, and phone number for all liability insurers;

(ii) the liability insurers' liability policy limits; and

(iii) the claim number associated with each liability insurer.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which underinsured benefits are claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).

(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the underinsured motorist coverage carrier.

(d) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (8)(d)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (8)(d)(ii), the parties shall select a panel of three arbitrators.

(e) If the parties select a panel of three arbitrators under Subsection (8)(d)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (8)(e)(i) shall select one additional arbitrator to be included in the panel.

(f) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(d)(i); or

(ii) if an arbitration panel is selected under Subsection (8)(d)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(e)(ii).

(g) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section is governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(h) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (9)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(i) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.

(j) A written decision by a single arbitrator or by a majority of the arbitration panel constitutes a final decision.

(k) (i) Except as provided in Subsection (9), the amount of an arbitration award may not exceed the underinsured motorist policy limits of all applicable underinsured motorist policies, including applicable underinsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable underinsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined underinsured motorist policy limits of all applicable underinsured motorist policies.

(l) The arbitrator or arbitration panel may not decide an issue of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) an allegation or claim asserting consequential damages or bad faith liability.

(m) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(n) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs

against the party that failed to bring, pursue, or defend the arbitration in good faith.

(o) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (8)(l) between the parties unless:

(i) the award is procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (8)(o)(ii)(A).

(p) (i) Upon filing a complaint for a trial de novo under Subsection (8)(o), a claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (8)(o)(ii)(A).

(q) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (8)(o), does not obtain a verdict that is at least \$5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(o), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (8)(q)(iv), the costs under this Subsection (8)(q) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (8)(q) may not exceed \$2,500 unless Subsection (9)(h)(iii) applies.

(r) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (8)(q), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(s) If a district court determines, upon a motion of the nonmoving party, that a moving party's use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(t) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy.

(u) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers.

(9) (a) Within 30 days after a covered person elects to submit a claim for underinsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier:

(i) a written demand for payment of underinsured motorist coverage benefits, setting forth:

(A) subject to Subsection (9)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and all other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which the underinsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) ~~whether the covered person has seen other~~ the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (9)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) ~~whether the identity of any~~ the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the

election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the underinsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (9)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the underinsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (9)(a)(ii) is reasonably necessary, the underinsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the underinsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the underinsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (9)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An underinsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of underinsured motorist benefits under Subsection (9)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (9)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (9)(a)(i);

(B) except as provided in Subsection (9)(c)(i)(C), tender the amount, if any, of the underinsured motorist carrier's determination of the amount owed to the covered person; and

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the underinsured motorist carrier under Subsection (9)(c)(i) is the total amount of the underinsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an underinsured motorist carrier as provided for in Subsection (9)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (9)(c)(i) as payment in full of all underinsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (9)(c)(i) as partial payment of all underinsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (8)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (9)(c)(i) as partial payment of all underinsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the underinsured motorist carrier under Subsection (9)(c)(i).

(f) In an arbitration proceeding on the remaining underinsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (9)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of underinsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (9)(a)(i) and the underinsured motorist carrier's initial written

response provided for in Subsection (9)(c)(i), the underinsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject underinsured motorist policy by more than \$15,000, the amount shall be reduced to an amount equal to the policy limits plus \$15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(ii) If the information under Subsection (9)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (9)(g).

(j) This Subsection (9) does not limit any other cause of action that arose or may arise against the underinsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (9) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (9)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by this bill to this Subsection (9)(l) and Subsection (9)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

~~[(e)]~~ (d) Interest is payable until the day on which the claim is paid.

(3) (a) Unless the claim is paid and except as provided in Subsection (4), beginning on the day described in Subsection (3)(b) and ending the day on which the claim is paid, interest shall accrue at the rate in Subsection (2) plus additional interest at the rate of 10% annually.

(b) Interest accrues under Subsection (3)(a) beginning with the day that is 31 days from the latest of:

Section 13. Section 31A-22-617 is amended to read:

31A-22-617. Preferred provider contract provisions.

Health insurance policies may provide for insureds to receive services or reimbursement under the policies in accordance with preferred health care provider contracts as follows:

(1) Subject to restrictions under this section, ~~[any]~~ an insurer or third party administrator may enter into contracts with health care providers as defined in Section 78B-3-403 under which the health care providers agree to supply services, at prices specified in the contracts, to persons insured by an insurer.

(a) (i) A health care provider contract may require the health care provider to accept the specified payment in this Subsection (1) as payment in full, relinquishing the right to collect additional amounts from the insured person.

(ii) In ~~[any]~~ a dispute involving a provider's claim for reimbursement, the same shall be determined in accordance with applicable law, the provider contract, the subscriber contract, and the insurer's written payment policies in effect at the time services were rendered.

(iii) If the parties are unable to resolve their dispute, the matter shall be subject to binding arbitration by a jointly selected arbitrator. Each party is to bear its own expense except the cost of the jointly selected arbitrator shall be equally shared. This Subsection (1)(a)(iii) does not apply to the claim of a general acute hospital to the extent it is inconsistent with the hospital's provider agreement.

(iv) An organization may not penalize a provider solely for pursuing a claims dispute or otherwise demanding payment for a sum believed owing.

(v) If an insurer permits another entity with which it does not share common ownership or control to use or otherwise lease one or more of the organization's networks of participating providers, the organization shall ensure, at a minimum, that the entity pays participating providers in accordance with the same fee schedule and general payment policies as the organization would for that network.

(b) The insurance contract may reward the insured for selection of preferred health care providers by:

(i) reducing premium rates;

(ii) reducing deductibles;

(iii) coinsurance;

(iv) other copayments; or

(v) any other reasonable manner.

(c) If the insurer is a managed care organization, as defined in Subsection 31A-27a-403(1)(f):

(i) the insurance contract and the health care provider contract shall provide that in the event the managed care organization becomes insolvent, the rehabilitator or liquidator may:

(A) require the health care provider to continue to provide health care services under the contract until the earlier of:

(I) 90 days after the date of the filing of a petition for rehabilitation or the petition for liquidation; or

(II) the date the term of the contract ends; and

(B) subject to Subsection (1)(c)(v), reduce the fees the provider is otherwise entitled to receive from the managed care organization during the time period described in Subsection (1)(c)(i)(A);

(ii) the provider is required to:

(A) accept the reduced payment under Subsection (1)(c)(i)(B) as payment in full; and

(B) relinquish the right to collect additional amounts from the insolvent managed care organization's enrollee, as defined in Subsection 31A-27a-403(1)(b);

(iii) if the contract between the health care provider and the managed care organization has not been reduced to writing, or the contract fails to contain the ~~[language required by]~~ requirements described in Subsection (1)(c)(i), the provider may not collect or attempt to collect from the enrollee:

(A) sums owed by the insolvent managed care organization; or

(B) the amount of the regular fee reduction authorized under Subsection (1)(c)(i)(B);

(iv) the following may not bill or maintain ~~[any]~~ an action at law against an enrollee to collect sums owed by the insolvent managed care organization or the amount of the regular fee reduction authorized under Subsection (1)(c)(i)(B):

(A) a provider;

(B) an agent;

(C) a trustee; or

(D) an assignee of a person described in Subsections (1)(c)(iv)(A) through (C); and

(v) notwithstanding Subsection (1)(c)(i):

(A) a rehabilitator or liquidator may not reduce a fee by less than 75% of the provider's regular fee set forth in the contract; and

(B) the enrollee shall continue to pay the copayments, deductibles, and other payments for services received from the provider that the enrollee was required to pay before the filing of:

(I) a petition for rehabilitation; or

(II) a petition for liquidation.

(2) (a) Subject to Subsections (2)(b) through (2)(e), an insurer using preferred health care provider contracts is subject to the reimbursement

requirements in Section 31A-8-501 on or after January 1, 2014.

(b) When reimbursing for services of health care providers not under contract, the insurer may make direct payment to the insured.

(c) An insurer using preferred health care provider contracts may impose a deductible on coverage of health care providers not under contract.

(d) When selecting health care providers with whom to contract under Subsection (1), an insurer may not unfairly discriminate between classes of health care providers, but may discriminate within a class of health care providers, subject to Subsection (7).

(e) For purposes of this section, unfair discrimination between classes of health care providers includes:

(i) refusal to contract with class members in reasonable proportion to the number of insureds covered by the insurer and the expected demand for services from class members; and

(ii) refusal to cover procedures for one class of providers that are:

(A) commonly used by members of the class of health care providers for the treatment of illnesses, injuries, or conditions;

(B) otherwise covered by the insurer; and

(C) within the scope of practice of the class of health care providers.

(3) Before the insured consents to the insurance contract, the insurer shall fully disclose to the insured that it has entered into preferred health care provider contracts. The insurer shall provide sufficient detail on the preferred health care provider contracts to permit the insured to agree to the terms of the insurance contract. The insurer shall provide at least the following information:

(a) a list of the health care providers under contract, and if requested their business locations and specialties;

(b) a description of the insured benefits, including ~~[any]~~ deductibles, coinsurance, or other copayments;

(c) a description of the quality assurance program required under Subsection (4); and

(d) a description of the adverse benefit determination procedures required under Subsection (5).

(4) (a) An insurer using preferred health care provider contracts shall maintain a quality assurance program for assuring that the care provided by the health care providers under contract meets prevailing standards in the state.

(b) The commissioner in consultation with the executive director of the Department of Health may designate qualified persons to perform an audit of the quality assurance program. The auditors shall have full access to all records of the organization

and its health care providers, including medical records of individual patients.

(c) The information contained in the medical records of individual patients shall remain confidential. All information, interviews, reports, statements, memoranda, or other data furnished for purposes of the audit and any findings or conclusions of the auditors are privileged. The information is not subject to discovery, use, or receipt in evidence in any legal proceeding except hearings before the commissioner concerning alleged violations of this section.

(5) An insurer using preferred health care provider contracts shall provide a reasonable procedure for resolving complaints and adverse benefit determinations initiated by the insureds and health care providers.

(6) An insurer may not contract with a health care provider for treatment of illness or injury unless the health care provider is licensed to perform that treatment.

(7) (a) A health care provider or insurer may not discriminate against a preferred health care provider for agreeing to a contract under Subsection (1).

(b) ~~[Any]~~ A health care provider licensed to treat ~~[any]~~ an illness or injury within the scope of the health care provider's practice, who is willing and able to meet the terms and conditions established by the insurer for designation as a preferred health care provider, shall be able to apply for and receive the designation as a preferred health care provider. Contract terms and conditions may include reasonable limitations on the number of designated preferred health care providers based upon substantial objective and economic grounds, or expected use of particular services based upon prior provider-patient profiles.
