(2) (a) The land use authority shall ensure that the amended plat showing the vacation or amendment is recorded in the office of the county recorder in which the land is located.

(iii) A guardian is required to immediately notify all interested persons of the ward's death.

(iv) Unless emergency conditions exist, a guardian is required to file with the court a notice of the guardian's intent to move the ward and to serve the notice on all interested persons at least 10 days before the move. The guardian shall take reasonable steps to notify all interested persons and to file the notice with the court as soon as practicable following the earlier of the move or the date when the guardian's intention to move the ward is made known to the ward, the ward's care giver, or any other third party.

(v) The guardian shall, for all estates in excess of \$50,000, excluding the residence owned by the ward, send a report with a full accounting to the court on an annual basis. For estates less than \$50,000, excluding the residence owned by the ward, the guardian shall fill out an informal annual report and mail the report to the court. The report shall include the following: a statement of assets at the beginning and end of the reporting year, income received during the year, disbursements for the support of the ward, and other expenses incurred by the estate. The guardian shall also report the physical conditions of the ward, the place of residence, and a list of others living in the same household. The court may require additional

information. The forms for both the informal report for estates under \$50,000, excluding the residence owned by the ward, and the full accounting report for larger estates shall be approved by the Judicial Council. This annual report shall be examined and approved by the court. If the ward's income is limited to a federal or state program requiring an annual accounting report, a copy of that report may be submitted to the court in lieu of the required annual report.

(vi) Corporate fiduciaries are not required to petition the court, but shall submit their internal report annually to the court. The report shall be examined and approved by the court.

(vii) The guardian shall also render an annual accounting of the status of the person to the court which shall be included in the petition or the informal annual report as required under Subsection (2)(e). If a fee is paid for an accounting of an estate, no fee shall be charged for an accounting of the status of a person.

(viii) If a guardian:

(A) makes a substantial misstatement on filings of annual reports;

(B) is guilty of gross impropriety in handling the property of the ward; or

(C) willfully fails to file the report required by this subsection, after receiving written notice from the court of the failure to file and after a grace period of two months has elapsed, the court may impose a penalty in an amount not to exceed \$5,000. The court may also order restitution of funds misappropriated from the estate of a ward. The penalty shall be paid by the guardian and may not be paid by the estate.

(ix) These provisions and penalties governing annual reports do not apply if the guardian is the parent of the ward.

(x) For the purposes of Subsections (2)(e)(i), (ii), (iii), and (iv), "interested persons" means those persons required to receive notice in guardianship proceedings as set forth in Section 75-5-309.

(f) If a conservator has been appointed, all of the ward's estate received by the guardian in excess of those funds expended to meet current expenses for support, care, and education of the ward shall be paid to the conservator for management as provided in this code; and the guardian shall account to the conservator for funds expended.

(3) Any guardian of one for whom a conservator also has been appointed shall control the custody and care of the ward and is entitled to receive reasonable sums for services and for room and board furnished to the ward as agreed upon between the guardian and the conservator, if the amounts agreed upon are reasonable under the circumstances. The guardian may request the conservator to expend the ward's estate by payment to third persons or institutions for the ward's care and maintenance.

Section 7. Section 75-5-408 is amended to read:

75-5-408. Permissible court orders.

(1) The court has the following powers which may be exercised directly or through a conservator in respect to the estate and affairs of protected persons:

(a) While a petition for appointment of a conservator or other protective order is pending and after preliminary hearing and without notice to others, the court has power to preserve and apply the property of the person to be protected as may be required for the person's benefit or the benefit of the person's dependents.

(b) After hearing and upon determining that a basis for an appointment or other protective order exists with respect to a minor without other disability, the court has all those powers over the estate and affairs of the minor which are or might be necessary for the best interests of the minor, the minor's family, and the members of the minor's household.

(c) After hearing and upon determining that a basis for an appointment or other protective order exists with respect to a person for reasons other than minority, the court has, for the benefit of the person and members of the person's household, all the powers over the person's estate and affairs that the person could exercise if present and not under disability, except the power to make a will. These powers include the power to:

(i) make gifts;

(ii) convey or release the person's contingent and expectant interests in property including marital property rights and any right of survivorship incident to joint tenancy or tenancy by the entirety;

(iii) exercise or release the person's powers as personal representative, custodian for minors, conservator, or donee of a power of appointment;

(iv) enter into contracts;

(v) create revocable or irrevocable trusts of property of the estate that may extend beyond the person's disability or life;

(vi) exercise options of the person with a disability to purchase securities or other property;

(vii) exercise the person's rights to elect options and change beneficiaries under insurance and annuity policies and to surrender the policies for their cash value;

(viii) exercise the person's right to an elective share in the estate of the person's deceased spouse; and

(ix) renounce any interest by testate or intestate succession or by inter vivos transfer.

(d) The court may exercise, or direct the exercise of, its authority to exercise or release powers of appointment of which the protected person is donee, to renounce interests, to make gifts in trust

or otherwise exceeding 20% of any year's income of the estate, or to change beneficiaries under insurance and annuity policies, only if satisfied, after notice and hearing, that it is in the best interests of the protected person, and that the person either is incapable of consenting or has consented to the proposed exercise of power.

(2) An order made pursuant to this section determining that a basis for appointment of a conservator or other protective order exists has no effect on the capacity of the protected person.

(3) If the court elects to appoint a conservator under Subsection (1), the court may appoint a temporary conservator to serve until further order of the court. A temporary conservator, if appointed, has all of the powers and duties of a conservator as set forth in Sections 75-5-417, 75-5-418, 75-5-419, and 75-5-424.

Section 8. Section 75-5-415 is amended to read:

75-5-415. Death, resignation, or removal of conservator.

(1) The court may remove a conservator for good cause, upon notice and hearing, or accept the resignation of a conservator. After the death, resignation, or removal of a conservator, the court may appoint another conservator. A conservator so appointed succeeds to the title and powers of the preceding conservator.

(2) Before removing a conservator, accepting the resignation of a conservator, or ordering that a protected person's incapacity has terminated, the court shall follow the same procedures to safeguard the rights of the protected person as apply to a petition for appointment of a conservator as provided in Section 75-5-407. The court is not required to appoint an attorney to represent the ward if the case is uncontested and the protected person's capacity is not at issue.

Section 9. Section 75-5-416 is amended to read:

75-5-416. Petitions for orders subsequent to appointment.

(1) Any person interested in the welfare of a person for whom a conservator has been appointed may file a petition in the appointing court for an order:

(a) requiring bond or security or additional bond or security, or reducing bond;

(b) requiring an accounting for the administration of the [trust] conservatorship estate;

(c) directing distribution;

(d) removing the conservator and appointing a temporary or successor conservator; or

(e) granting other appropriate relief, including any relief available under Title 75, Chapter 7, Utah Uniform Trust Code, if the protected person is a grantor, settlor, trustor, or beneficiary of a trust.

(2) A conservator may petition the appointing court for instructions concerning his the conservator's fiduciary responsibility.

(3) Upon notice and hearing the court may give appropriate instructions or make any appropriate order.

Section 10. Section 75-5-424 is amended to read:

75-5-424. Powers of conservator in administration.

(1) A conservator has all of the powers conferred in this chapter and any additional powers conferred by law on trustees in this state. In addition, a conservator of the estate of an unmarried minor as to whom no one has parental rights, has the duties and powers of a guardian of a minor described in Section 75-5-209 until the minor attains majority or marries, but the parental rights so conferred on a conservator do not preclude appointment of a guardian as provided by Part 2 of this chapter.

(2) A conservator has the power to compel the production of the protected person's estate documents, including the protected person's will, trust, power of attorney, and any advance health care directives.

~~(2)~~ (3) A conservator has power without court authorization or confirmation to invest and reinvest funds of the estate as would a trustee.

Utah Code Sections Affected:**AMENDS:**

30-3-37, as last amended by Laws of Utah 2012, Chapter 227

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 30-3-37 is amended to read:**30-3-37. Relocation.**

(1) For purposes of this section, "relocation" means moving 150 miles or more from the residence of the other parent.

(2) The relocating parent shall provide 60 days advance written notice of the intended relocation to the other parent. The written notice of relocation shall contain statements affirming the following:

(a) the parent-time provisions in Subsection (5) or a schedule approved by both parties will be followed; and

(b) neither parent will interfere with the other's parental rights pursuant to court ordered parent-time arrangements, or the schedule approved by both parties.

(3) The court shall, upon motion of any party or upon the court's own motion, schedule a hearing with notice to review the notice of relocation and parent-time schedule as provided in Section 30-3-35 and make appropriate orders regarding the parent-time and costs for parent-time transportation.

(4) In a hearing to review the notice of relocation, the court shall, in determining if the relocation of a custodial parent is in the best interest of the child, consider any other factors that the court considers

relevant to the determination. If the court determines that relocation is not in the best interest of the child, and the custodial parent relocates, the court may order a change of custody.

(5) If the court finds that the relocation is in the best interest of the child, the court shall determine the parent-time schedule and allocate the transportation costs that will be incurred for the child to visit the noncustodial parent. In making its determination, court shall consider:

- (a) the reason for the parent's relocation;
- (b) the additional costs or difficulty to both parents in exercising parent-time;
- (c) the economic resources of both parents; and
- (d) other factors the court considers necessary and relevant.

(6) Unless otherwise ordered by the court, upon the relocation, as defined in Subsection (1), of one of the parties the following schedule shall be the minimum requirements for parent-time [with a school-age child] for children 5 to 18 years of age:

(a) in years ending in an odd number, the child shall spend the following holidays with the noncustodial parent:

(i) Thanksgiving holiday beginning Wednesday until Sunday; and

(ii) Spring break, if applicable, beginning the last day of school before the holiday until the day before school resumes;

(b) in years ending in an even number, the child shall spend the following holidays with the noncustodial parent:

(i) the entire winter school break period; and

(ii) the Fall school break beginning the last day of school before the holiday until the day before school resumes;

(c) extended parent-time equal to 1/2 of the summer or off-track time for consecutive weeks. The children should be returned to the custodial home no later than seven days before school begins; however, this week shall be counted when determining the amount of parent-time to be divided between the parents for the summer or off-track period; and

(d) one weekend per month, at the option and expense of the noncustodial parent.

(7) The court may also set a parent-time schedule for children under the age of five. The schedule shall take into consideration the following:

(a) the age of the child;

(b) the developmental needs of the child;

(c) the distance between the parents' homes;

(d) the travel arrangements and cost;

(e) the level of attachment between the child and the noncustodial parent; and

(f) any other factors relevant to the best interest of the child.

[47] (8) The noncustodial parent's monthly weekend entitlement is subject to the following restrictions.

(a) If the noncustodial parent has not designated a specific weekend for parent-time, the noncustodial parent shall receive the last weekend of each month unless a holiday assigned to the custodial parent falls on that particular weekend. If a holiday assigned to the custodial parent falls on the last weekend of the month, the noncustodial parent shall be entitled to the next to the last weekend of the month.

(b) If a noncustodial parent's extended parent-time or parent-time over a holiday extends into or through the first weekend of the next month, that weekend shall be considered the noncustodial parent's monthly weekend entitlement for that month.

(c) If a child is out of school for teacher development days or snow days after the children begin the school year, or other days not included in the list of holidays in Subsection (6) and those days are contiguous with the noncustodial parent's monthly weekend parent-time, those days shall be included in the weekend parent-time.

[48] (9) The custodial parent is entitled to all parent-time not specifically allocated to the noncustodial parent.

[49] (10) In the event finances and distance preclude the exercise of minimum parent-time for the noncustodial parent during the school year, the court should consider awarding more time for the noncustodial parent during the summer time if it is in the best interests of the children.

[40] (11) Upon the motion of any party, the court may order uninterrupted parent-time with the noncustodial parent for a minimum of 30 days during extended parent-time, unless the court finds it is not in the best interests of the child. If the court orders uninterrupted parent-time during a period not covered by this section, it shall specify in its order which parent is responsible for the child's travel expenses.

[41] (12) Unless otherwise ordered by the court the relocating party shall be responsible for all the child's travel expenses relating to Subsections (6)(a) and (b) and 1/2 of the child's travel expenses relating to Subsection (6)(c), provided the noncustodial parent is current on all support obligations. If the noncustodial parent has been found in contempt for not being current on all support obligations, the noncustodial parent shall be responsible for all of the child's travel expenses under Subsection (6), unless the court rules otherwise. Reimbursement by either responsible party to the other for the child's travel expenses shall be made within 30 days of receipt of documents detailing those expenses.

[42] (13) The court may apply this provision to any preexisting decree of divorce.

[43] (14) Any action under this section may be set for an expedited hearing.

[14] (15) A parent who fails to comply with the notice of relocation in Subsection (2) shall be in contempt of the court's order.

Section 1. Section 10-1-302 is amended to read:**10-1-302. Purpose and intent.**

The Legislature finds that:

- (1) the energy industry has previously been highly regulated and monopolistic;
- (2) municipalities have historically raised town or city, respectively, general fund revenues by collecting franchise and business license revenues from the energy industry;
- (3) substantial restructuring of the energy industry has created an opportunity for increased competition within the energy industry;
- (4) the restructuring of the energy industry has diminished the effectiveness and fairness of the revenues collected by municipalities;
- (5) to provide for a stable revenue source for municipalities and to create a more competitive environment for the energy industry, it is necessary to enact taxing authority for municipalities that accomplishes those goals; and
- (6) this part does not alter or affect the municipalities' authority to grant or regulate franchises, or to control municipal streets, highways, or other property.

Section 1. Section 34A-2-302 is amended to read:**34A-2-302. Employee's willful misconduct -- Penalty.**

(d) "State institution of higher education" is as defined in Section 34-41-101[;and].

(e) "Valid prescription" is a prescription, as defined in Section 58-37-2, that:

(i) is prescribed for a controlled substance for use by the employee for whom it was prescribed; and

(ii) has not been altered or forged.

(2) An employee may not:

(a) remove, displace, damage, destroy, or carry away any safety device or safeguard provided for use in any employment or place of employment;

(b) interfere in any way with the use of a safety device or safeguard described in Subsection (2)(a) by any other person;

(c) interfere with the use of any method or process adopted for the protection of any employee in the employer's employment or place of employment; or

(d) fail or neglect to follow and obey orders and to do every other thing reasonably necessary to protect the life, health, and safety of employees.

(3) Except in case of injury resulting in death:

(a) compensation provided for by this chapter shall be reduced 15% when injury is caused by the willful failure of the employee:

(i) to use safety devices when provided by the employer; or

(ii) to obey any order or reasonable rule adopted by the employer for the safety of the employee; and

(b) except when the employer permitted, encouraged, or had actual knowledge of the conduct described in Subsection [(3)(b)(i) through (iii)], (4):

(i) disability compensation may not be awarded under this chapter or [Title 34A,] Chapter 3, Utah Occupational Disease Act, to an employee when the major contributing cause of the employee's injury is the employee's conduct described in Subsection (4); or

(ii) disability compensation to an employee under this chapter or Chapter 3, Utah Occupational Disease Act, shall be reduced by 15% when the employee's conduct is a contributing cause of the employee's injury but not the major contributing cause.

(4) The conduct described in Subsection (3)(b) is the employee's:

[(4)] (a) knowing use of a controlled substance that the employee did not obtain under a valid prescription;

[(4)] (b) intentional abuse of a controlled substance that the employee obtained under a valid prescription if the employee uses the controlled substance intentionally;

[(4)] (i) in excess of prescribed therapeutic amounts; or

be used as a basis for the presumption, it is presumed that the major contributing cause of the employee's injury is the employee's conduct described in ~~[Subsections (3)(b)(i) through (iii)]~~ Subsection (4) if at the time of the injury:

(i) the employee has in the employee's system:

(A) any amount of a controlled substance or its metabolites if the employee did not obtain the controlled substance under a valid prescription; or

(II) in an otherwise abusive manner; or

(ii) the employee has a blood or breath alcohol concentration of .08 grams or greater.

(b) The presumption created under Subsection ~~[(4)]~~ (5)(a) may be rebutted by a preponderance of the evidence showing that:

(A) Sections 34-38-4 through 34-38-6; or

(B) if the employer is a local governmental entity or state institution of higher education, Section 34-41-104 and Subsection 34-41-103(5);

(ii) the employee did not engage in the conduct described in ~~[Subsections (3)(b)(i) through (iii)]~~ Subsection (4);

(A) Sections 34-38-4 through 34-38-6; or

(B) if the employer is a local governmental entity or state institution of higher education, Section 34-41-104 and Subsection 34-41-103(5);

(iv) a competent medical opinion from a physician verifies that the amount of controlled substances, metabolites, or alcohol in the employee's system ~~[of the following]~~ does not support a finding that the conduct described in ~~[Subsections (3)(b)(i) through (iii)]~~ Subsection (4) was the major contributing cause of the employee's injury~~[:]~~ or a contributing cause of the employee's injury; or

~~[(A) any amount of a controlled substance or its metabolites if the employee did not obtain the controlled substance under a valid prescription; or]~~

~~[(B) a controlled substance the employee obtained under a valid prescription or the metabolites of the controlled substance if the amount in the~~

~~employee's system is consistent with the employee using the controlled substance intentionally;]~~

~~[(I) in excess of prescribed therapeutic amounts; or]~~

~~[(II) in an otherwise abusive manner;]~~

~~[(C) alcohol; or]~~

~~[(D) a combination of Subsections (4)(b)(iii)(A) through (C); or]~~

(v) (A) the conduct described in ~~[Subsections (3)(b)(i) through (iii)]~~ Subsection (4) was not ~~[the major]~~ a contributing cause of the employee's injury~~[:]~~; or

(B) the employee's mental and physical condition were not impaired at the time of the injury.

(c) (i) Except as provided in Subsections ~~[(4)]~~ (5)(c)(ii) and (iii), if a chemical test that creates the presumption under Subsection ~~[(4)]~~ (5)(a) is taken at the request of the employer, the employer shall comply with:

(A) Title 34, Chapter 38, Drug and Alcohol Testing; or

(B) if the employee is a local governmental employee or an employee of a state institution of higher education, Title 34, Chapter 41, Local Governmental Entity Drug-Free Workplace Policies.

(ii) Notwithstanding Section 34-38-13, the results of a test taken under Title 34, Chapter 38, Drug and Alcohol Testing, may be disclosed to the extent necessary to establish or rebut the presumption created under Subsection ~~[(4)]~~ (5)(a).

(iii) Notwithstanding Section 34-41-103, the results of a test taken under Title 34, Chapter 41, Local Governmental Entity Drug-Free Workplace Policies, may be disclosed to the extent necessary to establish or rebut the presumption created under Subsection ~~[(4)]~~ (5)(a).

(6) (a) A test sample taken pursuant to this section shall be taken as a split sample.

(b) One part of the sample is to be used by the employer for testing pursuant to Subsection (5)(a):

(ii) at the employer's or the employer's workers' compensation carrier's expense.

(c) The testing facility selected under Subsection (6)(b) shall hold the part of the sample not used under Subsection (6)(b) until the sooner of:

(i) six months from the date of the original test; or

(1) A financial institution may accept or advertise that it accepts transaction accounts only if authorized to do so under federal or state law. An institution may submit a written request for this authority to the commissioner, except that an institution authorized to accept transaction accounts as of June 1, 1994, does not, in the first

(b) the deposits and other accounts held by the institution are insured or guaranteed by an agency of the federal government; and

(c) the management of the institution is qualified to handle transaction accounts.

(2) The commissioner may revoke, limit, or condition an institution's authority to accept and handle transaction accounts upon a finding that:

7-1-703. Restrictions on acquisition of institutions and holding companies -- Enforcement.

(1) Unless the commissioner gives prior written approval under Section 7-1-705, no person may:

(a) acquire, directly or indirectly, control of a depository institution or depository institution holding company subject to the jurisdiction of the department;

(b) vote the stock of any depository institution or depository institution holding company subject to the jurisdiction of the department acquired in violation of Section 7-1-705;

(f) take any action that causes a person other than an individual to become a depository institution holding company subject to the jurisdiction of the department;

(g) acquire, directly or indirectly, the voting or nonvoting securities of a depository institution or a depository institution holding company subject to the jurisdiction of the department if the acquisition would result in the person obtaining more than 20% of the authorized voting securities of the institution if the nonvoting securities were converted into voting securities; or

(h) merge or consolidate with a depository institution or depository institution holding company subject to the jurisdiction of the department.

(2) Any person who willfully violates any provision of this section or any rule or order issued by the department under this section is subject to a civil penalty of not more than \$1,000 per day during which the violation continues. The commissioner may assess the civil penalty after giving notice and opportunity for hearing. (3) The commissioner may secure injunctive relief to prevent any change in control or impending violation of this section.

(4) The commissioner may lengthen or shorten any time period specified in Section 7-1-705 if the commissioner finds it necessary to protect the public interest.

(6) The prior approval of the commissioner under Section 7-1-705 is not required for the acquisition by a person other than an individual of voting securities or assets of a depository institution or a depository institution holding company that are acquired by foreclosure or otherwise in the ordinary course of collecting a debt previously contracted in good faith if these voting securities or assets are divested within two years of acquisition. The commissioner may, upon application, extend the two-year period of divestiture for up to three additional one-year periods if, in the commissioner's judgment, the extension would not be detrimental to the public interest. The commissioner may adopt rules to implement the intent of this Subsection (6).

(7) (a) An out-of-state depository institution without a branch in Utah, or an out-of-state depository institution holding company without a depository institution in Utah, may acquire:

(i) a Utah depository institution only if it has been in existence for at least five years; or

(ii) a Utah branch of a depository institution only if the branch has been in existence for at least five years.

(b) For purposes of Subsection (7)(a), a depository institution chartered solely for the purpose of acquiring another depository institution is considered to have been in existence for the same period as the depository institution to be acquired, so long as it does not open for business at any time before the acquisition.

(c) The commissioner may waive the restriction in Subsection (7)(a) in the case of a depository institution that is subject to, or is in danger of becoming subject to, supervisory action under Chapter 2, Possession of Depository Institution by Commissioner, or Chapter 19, Acquisitions of Failing Repository Institutions or Holding Companies, or, if applicable, the equivalent provisions of federal law or the law of the institution's home state.

(d) The restriction in Subsection (7)(a) does not apply to an acquisition of, or merger transaction between, affiliate depository institutions.

Section 11. Section 7-1-710 is amended to read:

7-1-710. "Agency" defined -- Purposes and establishment of agency.

(1) As used in this section, "agency" means a place, person, or facility, stationary or mobile, other than the home office or a branch office[;]:

(4) The department may disclose records and information that are not public to the following:

(e) to any other person, if the commissioner determines, after notice to the institution or person

that is the subject of the record and opportunity for hearing, that the interests favoring disclosure of the information outweigh the interests favoring confidentiality of the information; and

(6) The department shall disclose information in the manner and to the extent directed by a court order signed by a judge from a court of competent jurisdiction if:

(a) the disclosure does not violate applicable federal or state law;

(b) the information to be disclosed deals with a matter in controversy over which the court has jurisdiction;

(ii) to protect the public interest, such as to avoid:

(B) undue speculation in securities or currency markets.

Section 13. Section 7-2-1 is amended to read:

7-2-1. Supervisory actions by commissioner -- Grounds -- Mergers or acquisitions authorized by commissioner -- Possession of business and property taken by commissioner.

(1) An institution under the jurisdiction of the department is subject to supervisory actions by the commissioner under this chapter or Chapter 19, Acquisition of Failing Repository Institutions or

Holding Companies, if the commissioner, with or without an administrative hearing, finds that:

(a) the institution is not in a safe and sound condition to transact its business;

(b) an officer of the institution or other person has refused to be examined or has made false statements under oath regarding its affairs;

(c) the institution or other person has violated its articles of incorporation or any law, rule, or regulation governing the institution or other person;

(e) the institution or other person has been notified by its primary account insurer of the insurer's intention to initiate proceedings to terminate insurance;

(f) the institution or other person has failed to maintain a minimum amount of capital as required by the department, any state, or the relevant federal regulatory agency;

(g) the institution or other person is a depository institution that has failed or refused to pay its depositors in accordance with the terms under which the deposits were received, or has or is about to become insolvent;

(h) the institution or other person or its officers or directors have failed or refused to comply with the terms of a legally authorized order issued by the commissioner or by any federal authority or authority of another state having jurisdiction over the institution or other person;

(j) the institution or other person or its officers or directors, after 30 days written notice, have failed to comply with or have continued to violate this title or any rule or regulation of the department issued under it;

(k) any person who controls the institution or other person subject to the jurisdiction of the department has used the control to cause the institution or other person to be or about to be in an unsafe or unsound condition, to conduct its business in an unauthorized or unsafe manner, or to violate this title or any rule or regulation of the department issued under it; or

(l) the remedies provided in Section 7-1-307, 7-1-308, or 7-1-313 are ineffective or impracticable to protect the interest of depositors, creditors, or members of the institution or other person, or to protect the interests of the public.

(2) The commissioner may take any action described in Subsection (3) if:

(a) he finds that:

(i) any of the conditions set forth in Subsection (1) exist with respect to an institution under the jurisdiction of the department; and

(ii) an order issued pursuant to Section 7-1-307, 7-1-308, or 7-1-313 would not adequately protect the interests of the institution's depositors, creditors, members, or other interested persons from all dangers presented by the conditions found to exist; or

(b) two-thirds of the voting shares of an institution under the jurisdiction of the department that are eligible to be voted at any regular or special meeting of the shareholders of the institution are voted at the meeting in favor of a resolution consenting to the commissioner taking or causing to be taken any of the actions described below.

(3) After making the requisite findings or receiving the consenting vote of shareholders under Subsection (2), the commissioner may:

(a) without taking possession of the institution, authorize, or by order require or give effect to the acquisition of control of, the merger with, the acquisition of all or a portion of the assets of, or the assumption of all or a portion of the liabilities of the institution or other person by any other institution or entity approved or designated by the commissioner in accordance with Chapter 19, Acquisition of Failing Repository Institutions or Holding Companies; or

(b) take possession of the institution or other person subject to the jurisdiction of the department with or without a court order if an acquisition of control of, a merger with, an acquisition of all or a portion of the assets of, or an assumption of all or a portion of the liabilities of the institution or other person without taking possession does not appear to the commissioner to be practicable.

(4) Upon taking possession of an institution or the person, the commissioner is vested by operation of law with the title to and the right to possession of all assets, the business, and property of the institution or other person subject to court order made under Section 7-2-3. While in possession of an institution or other person, the commissioner or any receiver or liquidator appointed by him may exercise any or all of the rights, powers, and authorities granted to the commissioner under this chapter, or may give effect to the acquisition of control of, the merger with, the acquisition of all or a portion of the assets of, or the assumption of all or a portion of the liabilities of an institution or other person subject to the jurisdiction of the department, under the provisions of Chapter 19, Acquisition of Failing Repository Institutions or Holding Companies.

(5) An action of the commissioner under this section may only be enjoined or set aside upon a finding, after notice and hearing, that the action is arbitrary, capricious, an abuse of discretion, or otherwise contrary to law.

Section 14. Section 7-2-2 is amended to read:

7-2-2. Jurisdiction of district court -- Supervision of actions of commissioner in possession -- Authority of commissioner and court.

(1) The district court for the county in which the principal office of the institution or other person is situated has jurisdiction in the liquidation or reorganization of the institution or other person of which the commissioner has taken possession under this chapter or Chapter 19, Acquisition of Failing Repository Institutions or Holding Companies. As used in this chapter, "court" means the court given jurisdiction by this provision.

(2) Before taking possession of an institution or other person under his jurisdiction, or within a reasonable time after taking possession of an institution or other person without court order, as provided in this chapter, the commissioner shall cause to be commenced in the appropriate district court, an action to provide the court supervisory jurisdiction to review the actions of the commissioner.

(3) The actions of the commissioner are subject to review of the court. The court has jurisdiction to hear all objections to the actions of the commissioner and may rule upon all motions and actions coming before it. Standing to seek review of any action of the commissioner or any receiver or liquidator appointed by him is limited to persons whose rights, claims, or interests in the institution would be adversely affected by the action.

(4) The authority of the commissioner under this chapter is of an administrative and not judicial receivership. The court may not overrule a determination or decision of the commissioner if it is not arbitrary, capricious, fraudulent, or contrary to law. If the court overrules an action of the commissioner, the matter shall be remanded to the commissioner for a new determination by him, and the new determination shall be subject to court review.

Section 15. Section 7-2-12 is amended to read:

7-2-12. Powers of commissioner in possession -- Sale of assets -- Postpossession financing -- New deposit instruments -- Executory contracts -- Transfer of property -- Avoidance of transfers -- Avoidable preferences -- Setoff.

(1) Upon taking possession of the institution, the commissioner may do all things necessary to preserve its assets and business, and shall rehabilitate, reorganize, or liquidate the affairs of the institution in a manner he determines to be in the best interests of the institution's depositors and creditors. Any such determination by the commissioner may not be overruled by a reviewing court unless it is found to be arbitrary, capricious, fraudulent, or contrary to law. In the event of a liquidation, he shall collect all debts due and claims belonging to it, and may compromise all bad or

doubtful debts. He may sell, upon terms he may determine, any or all of the property of the institution for cash or other consideration. The commissioner shall give such notice as the court may direct to the institution of the time and place of hearing upon an application to the court for approval of the sale. The commissioner shall execute and deliver to the purchaser of any property of the institution sold by him those deeds or instruments necessary to evidence the passing of title.

(2) With approval of the court and upon terms and with priority determined by the court, the commissioner may borrow money and issue evidence of indebtedness. To secure repayment of the indebtedness, he may mortgage, pledge, transfer in trust, or hypothecate any or all of the property of the institution superior to any charge on the property for expenses of the proceeding as provided in Section 7-2-14. These loans may be obtained for the purpose of facilitating liquidation, protecting or preserving the assets in the charge of the commissioner, expediting the making of distributions to depositors and other claimants, aiding in the reopening or reorganization of the institution or its merger or consolidation with another institution, or the sale of all of its assets. Neither the commissioner nor any special deputy or other person lawfully in charge of the affairs of the institution is under any personal obligation to repay those loans. The commissioner may take any action necessary or proper to consummate the loan and to provide for its repayment and to give bond when required for the faithful performance of all undertakings in connection with it. The commissioner or special deputy shall make application to the court for approval of any loan proposed under this section. Notice of hearing upon the application shall be given as the court directs. At the hearing upon the application any stockholder or shareholder of the institution or any depositor or other creditor of the institution may appear and be heard on the application. Prior to the obtaining of a court order, the commissioner or special deputy in charge of the affairs of the institution may make application or negotiate for the loan or loans subject to the obtaining of the court order.

(3) With the approval of the court pursuant to a plan of reorganization or liquidation under Section 7-2-18, the commissioner may provide for depositors to receive new deposit instruments from a depository institution that purchases or receives some or all of the assets of the institution in the possession of the commissioner. All new deposit instruments issued by the acquiring depository institution may, in accordance with the terms of the plan of reorganization or liquidation, be subject to different amounts, terms, and interest rates than the original deposit instruments of the institution in the possession of the commissioner. All deposit instruments issued by the acquiring institution shall be considered new deposit obligations of the acquiring institution. The original deposit instruments issued by the institution in the possession of the commissioner are not liabilities of

the acquiring institution, unless assumed by the acquiring institution. Unpaid claims of depositors against the institution in the possession of the commissioner continue, and may be provided for in the plan of reorganization or liquidation.

(4) The commissioner, after taking possession of any institution or other person subject to the jurisdiction of the department, may terminate any executory contract, including standby letters of credit, unexpired leases and unexpired employment contracts, to which the institution or other person is a party. If the termination of an executory contract or unexpired lease constitutes a breach of the contract or lease, the date of the breach is the date on which the commissioner took possession of the institution. Claims for damages for breach of an executory contract shall be filed within 30 days of receipt of notice of the termination, and if allowed, shall be paid in the same manner as all other allowable claims of the same priority out of the assets of the institution available to pay claims.

(5) With approval of the court and upon a showing by the commissioner that it is in the best interests of the depositors and creditors, the commissioner may transfer property on account of an indebtedness incurred by the institution prior to the date of the taking.

(6) (a) The commissioner may avoid any transfer of any interest of the institution in property or any obligation incurred by the institution that is void or voidable by a creditor under Title 25, Chapter 6, Uniform Fraudulent Transfer Act.

(b) The commissioner may avoid any transfer of any interest in real property of the institution that is void as against or voidable by a subsequent purchaser in good faith and for a valuable consideration of the same real property or any portion thereof who has duly recorded his conveyance at the time possession of the institution is taken, whether or not such a purchaser exists.

(c) The commissioner may avoid any transfer of any interest in property of the institution or any obligation incurred by the institution that is invalid or void as against, or is voidable by a creditor that extends credit to the institution at the time possession of the institution is taken by the commissioner, and that obtains, at such time and with respect to such credit, a judgment lien or a lien by attachment, levy, execution, garnishment, or other judicial lien on the property involved, whether or not such a creditor exists.

(d) The right of the commissioner under Subsections (6)(b) and (c) to avoid any transfer of any interest in property of the institution shall be unaffected by and without regard to any knowledge of the commissioner or of any creditor of the institution.

(e) "Transfer" means every mode, direct or indirect, absolute or conditional, voluntary or involuntary, or disposing of or parting with property or with an interest in property, including retention of title as a security interest.

(f) The commissioner may avoid and recover any payment or other transfer of any interest in

property of the institution to or for the benefit of a creditor, for or on account of an antecedent debt owed by the institution before the transfer was made if the creditor at the time of such transfer had reasonable cause to believe that the institution was insolvent, and if the payment or other transfer will allow the creditor to obtain a greater percentage of his debt than he would be entitled to under the provisions of Section 7-2-15. For the purposes of this subsection:

(i) antecedent debt does not include earned wages and salaries and other operating expenses incurred and paid in the normal course of business;

(ii) a transfer of any interest in real property is deemed to have been made or suffered when it became so far perfected that a subsequent good faith purchaser of the property from the institution for a valuable consideration could not acquire an interest superior to the transferee; and

(iii) a transfer of property other than real property is deemed to have been made or suffered when it became so far perfected that a creditor on a simple contract could not acquire a lien by attachment, levy, execution, garnishment, or other judicial lien superior to the interest of the transferee.

(g) For purposes of this section, "date of possession" means the earlier of the date the commissioner takes possession of a financial institution under Title 7, Chapter 2, Possession of Depository Institution by Commissioner, or the date when the commissioner enters an order suspending payments to depositors and other creditors under Section 7-2-19.

(7) (a) With or without the prior approval of the court, the commissioner or any federal deposit insurance agency appointed by him as receiver or liquidator of a depository institution closed by the commissioner under the provisions of this chapter may setoff against the deposits or other liabilities of the institution any debts or other obligations of the depositor or claimant due and owing to the institution. The amount of any setoff against the liabilities of the institution shall be no greater than the amount the depositor or claimant would receive pursuant to Section 7-2-15 after final liquidation of the institution. When the liquidation value of a depositor's or claimant's claim against the institution will or may be less than the full amount of the claim, setoff may be made prior to final liquidation if the commissioner or any receiver or liquidator appointed by him can reasonably estimate the liquidation value of the claim, and the court, after notice and opportunity for hearing, approves the estimate for purposes of making the setoff. If the right of setoff is exercised, the commissioner or any receiver or liquidator appointed by him shall give written notice to the depositor or claimant of the amount setoff.

(b) The existence and amount of a debtor or creditor relationship or both, between the institution and its depositor or claimant and the right to the proceeds in a deposit account shall be

determined solely by the books and records of the institution.

(c) Any contract purporting to affect the right of setoff shall be in writing and signed by the depositor-debtor and an authorized officer of the institution and be maintained as a part of the records of the institution.

(d) Any claim that a deposit account is a special account not subject to setoff because it was maintained for a specific purpose or to satisfy a particular obligation other than satisfaction of or as security for an indebtedness to the institution or that the right to the deposit actually belongs to a third party does not affect the right to setoff of the commissioner or any receiver or liquidator appointed by him unless the special nature of the account is clearly shown in the books and records of the institution.

(e) In the absence of any other instrument in writing, the terms and provisions of the signature card applicable to a particular account in effect at the time the commissioner takes possession of the institution shall be determinative of the right of setoff by the commissioner or any receiver or liquidator appointed by him.

(f) Knowledge of the institution or of any director, officer, or employee of the institution that the nature of the account is other than as shown in the books and records of the institution does not affect the right of setoff by the commissioner or any receiver or liquidator appointed by him.

(g) The liability of the commissioner or any receiver or liquidator appointed by him for exercising a right of setoff other than as authorized by this section shall be only to a person who establishes by the procedure set forth in Section 7-2-6 that his interest in the account is superior to that of the person whose debt to the institution was setoff against the account. The amount of any such liability shall be no greater than the amount of the setoff and neither the commissioner or any receiver or liquidator appointed by him shall be liable for any action taken under this section unless the action taken is determined by the court to be arbitrary or capricious.

Section 16. Section 7-3-1 is amended to read:

(2) An election to consider adoption or modification of a voted local levy is required if initiative petitions signed by 10% of the number of electors who voted at the last preceding general election are presented to the local school board or by action of the board.

(3) (a) (i) To impose a voted local levy, a majority of the electors of a district voting at an election in the manner set forth in Subsections (9) and (10) must vote in favor of a special tax.

(ii) The tax rate may not exceed .002 per dollar of taxable value.

(b) Except as provided in Subsection (3)(c), in order to receive state support the first year, a district must receive voter approval no later than December 1 of the year prior to implementation.

(c) Beginning on or after January 1, 2012, a school district may receive state support in accordance with Subsection (4) without complying with the requirements of Subsection (3)(b) if the local school board imposed a tax in accordance with this section

during the taxable year beginning on January 1, 2011 and ending on December 31, 2011.

(4) (a) In addition to the revenue a school district collects from the imposition of a levy pursuant to this section, the state shall contribute an amount sufficient to guarantee \$27.36 per weighted pupil unit for each .0001 of the first .0016 per dollar of taxable value.

(b) The same dollar amount guarantee per weighted pupil unit for the .0016 per dollar of taxable value under Subsection (4)(a) shall apply to the portion of the board local levy authorized in Section 53A-17a-164, so that the guarantee shall apply up to a total of .002 per dollar of taxable value if a school district levies a tax rate under both programs.

(c) (i) Beginning July 1, 2014, the \$27.36 guarantee under Subsections (4)(a) and (b) shall be indexed each year to the value of the weighted pupil unit for the grades 1 through 12 program by making the value of the guarantee equal to .00963 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program.

(ii) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program for each succeeding year subject to the Legislature appropriating funds for an increase in the guarantee.

(d) (i) The amount of state guarantee money to which a school district would otherwise be entitled to receive under this Subsection (4) may not be reduced for the sole reason that the district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (4)(d)(i) applies for a period of five years following any such change in the certified tax rate.

(e) The guarantee provided under this section does not apply to the portion of a voted local levy rate that exceeds the voted local levy rate that was in effect for the previous fiscal year, unless an increase in the voted local levy rate was authorized in an election conducted on or after July 1 of the previous fiscal year and before December 2 of the previous fiscal year.

(ii) The State Board of Education shall report action taken under this Subsection (4)(f) to the

Office of the Legislative Fiscal Analyst and the Governor's Office of Planning and Budget.

(5) (a) An election to modify an existing voted local levy is not a reconsideration of the existing authority unless the proposition submitted to the electors expressly so states.

(b) A majority vote opposing a modification does not deprive the district of authority to continue the levy.

(c) If adoption of a voted local levy is contingent upon an offset reducing other local school board levies, the board must allow the electors, in an election, to consider modifying or discontinuing the imposition of the levy prior to a subsequent increase in other levies that would increase the total local school board levy.

(d) Nothing contained in this section terminates, without an election, the authority of a school district to continue imposing an existing voted local levy previously authorized by the voters as a voted leeway program.

(6) Notwithstanding Section 59-2-919, a school district may budget an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section in addition to revenue from new growth as defined in Subsection 59-2-924(4), without having to comply with the notice requirements of Section 59-2-919, if:

(a) the voted local levy is approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(b) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the school district complies with the requirements of Subsection (8).

(7) Notwithstanding Section 59-2-919, a school district may levy a tax rate under this section that exceeds the certified tax rate without having to comply with the notice requirements of Section 59-2-919 if:

(a) the levy exceeds the certified tax rate as the result of a school district budgeting an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section;

(b) the voted local levy was approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(c) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the school district complies with requirements of Subsection (8).

(8) For purposes of Subsection (6)(b) or (7)(c), the proposition submitted to the electors regarding the adoption or modification of a voted local levy shall contain the following statement:

"A vote in favor of this tax means that (name of the school district) may increase revenue from this property tax without advertising the increase for the next five years."

(9) (a) Before imposing a property tax levy pursuant to this section, a school district shall submit an opinion question to the school district's registered voters voting on the imposition of the tax rate so that each registered voter has the opportunity to express the registered voter's opinion on whether the tax rate should be imposed.

(b) The election required by this Subsection (9) shall be held:

(i) at a regular general election conducted in accordance with the procedures and requirements of Title 20A, Election Code, governing regular elections;

(ii) at a municipal general election conducted in accordance with the procedures and requirements of Section 20A-1-202; or

(iii) at a local special election conducted in accordance with the procedures and requirements of Section 20A-1-203.

(c) Notwithstanding the requirements of Subsections (9)(a) and (b), beginning on or after January 1, 2012, a school district may levy a tax rate in accordance with this section without complying with the requirements of Subsections (9)(a) and (b) if the school district imposed a tax in accordance with this section at any time during the taxable year beginning on January 1, 2011, and ending on December 31, 2011.

(10) If a school district determines that a majority of the school district's registered voters voting on the imposition of the tax rate have voted in favor of the imposition of the tax rate in accordance with Subsection (9), the school district may impose the tax rate.

(7) (a) Within 45 days after the day on which an association of unit owners adopts its annual budget,

the unit owners may veto the reserve fund line item by a 51% vote of the allocated voting interests in the association of unit owners at a special meeting called by the unit owners for the purpose of voting whether to veto a reserve fund line item.

(b) If the unit owners veto a reserve fund line item under Subsection (7)(a) and a reserve fund line item exists in a previously approved annual budget of the association of unit owners that was not vetoed, the association of unit owners shall fund the reserve account in accordance with that prior reserve fund line item.

(8) (a) Subject to Subsection (8)(b), if an association of unit owners does not comply with the requirements of Subsection (5), (6), or (7) and fails to remedy the noncompliance within the time specified in Subsection (8)(c), a unit owner may file an action in state court for:

(ii) for any purpose other than the purpose for which the reserve fund was established.

(b) A management committee shall maintain a reserve fund separate from other funds of the association of unit owners.

(c) This Subsection (9) may not be construed to limit a management committee from prudently investing money in a reserve fund, subject to any investment constraints imposed by the declaration.

(10) Subsections (2) through (9) do not apply to an association of unit owners during the period of declarant control described in Subsection 57-8-16.5(1).

(11) This section applies to each association of unit owners, regardless of when the association of unit owners was created.

Section 111. Section 57-8-43 is amended to read:

57-8-43. Insurance.

(1) As used in this section, "reasonably available" means available using typical insurance carriers and markets, irrespective of the ability of the association of unit owners to pay.

(2) (a) This section applies to an insurance policy or combination of insurance policies:

- (i) issued or renewed on or after July 1, 2011; and
- (ii) issued to or renewed by:
 - (A) a unit owner; or

(b) Unless otherwise provided in the declaration, this section does not apply to a commercial condominium project insured under a policy or combination of policies issued or renewed on or after July 1, ~~2013~~ 2014.

(3) Beginning not later than the day on which the first unit is conveyed to a person other than a declarant, an association of unit owners shall maintain, to the extent reasonably available:

(a) subject to Subsection (9), blanket property insurance or guaranteed replacement cost insurance on the physical structures in the condominium project, including common areas and facilities, limited common areas and facilities, and units, insuring against all risks of direct physical loss commonly insured against, including fire and extended coverage perils; and

(b) subject to Subsection (10), liability insurance covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common areas and facilities.

(4) If an association of unit owners becomes aware that property insurance under Subsection (3)(a) or liability insurance under Subsection (3)(b) is not reasonably available, the association of unit owners shall, within seven calendar days after becoming aware, give all unit owners notice, as provided in Section 57-8-42, that the insurance is not reasonably available.

(5) (a) The declaration or bylaws may require the association of unit owners to carry other types of insurance in addition to those described in Subsection (3).

(b) In addition to any type of insurance coverage or limit of coverage provided in the declaration or

bylaws and subject to the requirements of this section, an association of unit owners may, as the management committee considers appropriate, obtain:

- (i) an additional type of insurance than otherwise required; or
- (ii) a policy with greater coverage than otherwise required.

(6) Unless a unit owner is acting within the scope of the unit owner's authority on behalf of an association of unit owners, a unit owner's act or omission may not:

- (a) void a property insurance policy under Subsection (3)(a) or a liability insurance policy under Subsection (3)(b); or
- (b) be a condition to recovery under a policy.

(7) An insurer under a property insurance policy or liability insurance policy obtained by an association of unit owners under this section waives the insurer's right to subrogation under the policy against:

- (a) any person residing with the unit owner, if the unit owner resides in the unit; and
- (b) the unit owner.

(8) (a) An insurance policy issued to an association of unit owners may not be inconsistent with any provision of this section.

(b) A provision of a declaration, bylaw, rule, or other document governing the association of unit owners that is contrary to a provision of this section has no effect.

(c) Neither the governing documents nor a property insurance or liability insurance policy issued to an association of unit owners may prevent a unit owner from obtaining insurance for the unit owner's own benefit.

(9) (a) This Subsection (9) applies to property insurance required under Subsection (3)(a).

(b) The total amount of coverage provided by blanket property insurance or guaranteed replacement cost insurance may not be less than 100% of the full replacement cost of the insured property at the time the insurance is purchased and at each renewal date, excluding:

(i) items normally excluded from property insurance policies; and

(ii) unless otherwise provided in the declaration, any commercial condominium unit in a mixed-use condominium project, including any fixture, improvement, or betterment in a commercial condominium unit in a mixed-use condominium project.

(c) Property insurance shall include coverage for any fixture, improvement, or betterment installed at any time to a unit or to a limited common area associated with a unit, whether installed in the original construction or in any remodel or later alteration, including a floor covering, cabinet, light fixture, electrical fixture, heating or plumbing

fixture, paint, wall covering, window, and any other item permanently part of or affixed to a unit or to a limited common element associated with a unit.

(d) Notwithstanding anything in this section and unless otherwise provided in the declaration, an association of unit owners is not required to obtain property insurance for a loss to a unit that is not physically attached to:

(i) another unit; or

(ii) a structure that is part of a common area or facility.

(e) Each unit owner is an insured person under a property insurance policy.

(f) If a loss occurs that is covered by a property insurance policy in the name of an association of unit owners and another property insurance policy in the name of a unit owner:

(i) the association's policy provides primary insurance coverage; and

(ii) notwithstanding Subsection (9)(f)(i) and subject to Subsection (9)(g):

(A) the unit owner is responsible for the deductible of the association of unit owners; and

(B) building property coverage, often referred to as coverage A, of the unit owner's policy applies to that portion of the loss attributable to the policy deductible of the association of unit owners.

(g) (i) As used in this Subsection (9)(g) and Subsection (9)(j):

(A) "Covered loss" means a loss, resulting from a single event or occurrence, that is covered by a property insurance policy of an association of unit owners.

(B) "Unit damage" means damage to a unit or to a limited common area or facility appurtenant to that unit, or both.

(C) "Unit damage percentage" means the percentage of total damage resulting in a covered loss that is attributable to unit damage.

(ii) A unit owner who owns a unit that has suffered unit damage as part of a covered loss is responsible for an amount calculated by applying the unit damage percentage for that unit to the amount of the deductible under the property insurance policy of the association of unit owners.

(iii) If a unit owner does not pay the amount required under Subsection (9)(g)(ii) within 30 days after substantial completion of the repairs to the unit or limited common areas and facilities appurtenant to that unit, an association of unit owners may levy an assessment against the unit owner for that amount.

(h) An association of unit owners shall set aside an amount equal to the amount of the association's property insurance policy deductible or, if the policy deductible exceeds \$10,000, an amount not less than \$10,000.

(i) (i) An association of unit owners shall provide notice in accordance with Section 57-8-42 to each unit owner of the unit owner's obligation under Subsection (9)(g) for the association's policy deductible and of any change in the amount of the deductible.

(ii) (A) An association of unit owners that fails to provide notice as provided in Subsection (9)(i)(i) is responsible for the portion of the deductible that the association of unit owners could have assessed to a unit owner under Subsection (9)(g), but only to the extent that the unit owner does not have insurance coverage that would otherwise apply under this Subsection (9).

(B) Notwithstanding Subsection (9)(i)(ii), an association of unit owners that provides notice of the association's policy deductible, as required under Subsection (9)(i)(i), but fails to provide notice of a later increase in the amount of the deductible is responsible only for the amount of the increase for which notice was not provided.

(iii) The failure of an association of unit owners to provide notice as provided in Subsection (9)(i)(i) may not be construed to invalidate any other provision of this section.

(j) If, in the exercise of the business judgment rule, the management committee determines that a covered loss is likely not to exceed the property insurance policy deductible of the association of unit owners and until it becomes apparent the covered loss exceeds the deductible of the property insurance of the association of unit owners and a claim is submitted to the property insurance insurer of the association of unit owners:

(i) a unit owner's policy is considered the policy for primary coverage for a loss occurring to the unit owner's unit or to a limited common area or facility appurtenant to the unit;

(ii) the association of unit owners is responsible for any covered loss to any common areas and facilities;

(iii) a unit owner who does not have a policy to cover the damage to that unit owner's unit and appurtenant limited common areas and facilities is responsible for that damage, and the association of unit owners may, as provided in Subsection (9)(g)(iii), recover any payments the association of unit owners makes to remediate that unit and appurtenant limited common areas and facilities; and

(iv) the association of unit owners need not tender the claim to the association's insurer.

(k) (i) An insurer under a property insurance policy issued to an association of unit owners shall adjust with the association of unit owners a loss covered under the association's policy.

(ii) Notwithstanding Subsection (9)(k)(i), the insurance proceeds for a loss under a property insurance policy of an association of unit owners:

(A) are payable to an insurance trustee that the association of unit owners designates or, if no trustee is designated, to the association of unit owners; and

(B) may not be payable to a holder of a security interest.

(iii) An insurance trustee or an association of unit owners shall hold any insurance proceeds in trust for the association of unit owners, unit owners, and lien holders.

(iv) (A) If damaged property is to be repaired or restored, insurance proceeds shall be disbursed first for the repair or restoration of the damaged property.

(B) After the disbursements described in Subsection (9)(k)(iv)(A) are made and the damaged property has been completely repaired or restored or the project terminated, any surplus proceeds are payable to the association of unit owners, unit owners, and lien holders, as provided in the declaration.

(l) An insurer that issues a property insurance policy under this section, or the insurer's authorized agent, shall issue a certificate or memorandum of insurance to:

- (i) the association of unit owners;
- (ii) a unit owner, upon the unit owner's written request; and
- (iii) a holder of a security interest, upon the holder's written request.

(m) A cancellation or nonrenewal of a property insurance policy under this section is subject to the procedures stated in Section 31A-21-303.

(n) A management committee that acquires from an insurer the property insurance required in this section is not liable to unit owners if the insurance proceeds are not sufficient to cover 100% of the full replacement cost of the insured property at the time of the loss.

(o) (i) Unless required in the declaration, property insurance coverage is not required for fixtures, improvements, or betterments in a commercial unit or limited common areas and facilities appurtenant to a commercial unit in a mixed-use condominium project.

(ii) Notwithstanding any other provision of this section, an association of unit owners may obtain property insurance for fixtures, improvements, or betterments in a commercial unit in a mixed-use condominium project if allowed or required in the declaration.

(p) (i) This Subsection (9) does not prevent a person suffering a loss as a result of damage to property from asserting a claim, either directly or through subrogation, for the loss against a person at fault for the loss.

(ii) Subsection (9)(p)(i) does not affect Subsection (7).

(10) (a) This Subsection (10) applies to a liability insurance policy required under Subsection (3)(b).

(b) A liability insurance policy shall be in an amount determined by the management committee

but not less than an amount specified in the declaration or bylaws.

(c) Each unit owner is an insured person under a liability insurance policy that an association of unit owners obtains, but only for liability arising from:

- (i) the unit owner's ownership interest in the common areas and facilities;
- (ii) maintenance, repair, or replacement of common areas and facilities; and
- (iii) the unit owner's membership in the association of unit owners.

(F) multiple projects within a single building or facility previously reported to the Legislature as a capital improvement project under \$1,000,000 that, because of an increase in costs or scope of work, will now cost more than \$1,000,000.

(b) Unless otherwise directed by the Legislature, the State Building Board shall prioritize capital improvements from the list submitted to the Legislature up to the level of appropriation made by the Legislature.

(c) In prioritizing capital improvements, the State Building Board shall consider the results of facility evaluations completed by an architect/engineer as stipulated by the building board's facilities maintenance standards.

(d) Beginning on July 1, 2013, in prioritizing capital improvements, the State Building Board shall allocate at least 80% of the funds that the Legislature appropriates for capital improvements to:

(i) projects that address:

(A) a structural issue;

(B) fire safety;

(C) a code violation; or

- (D) any issue that impacts health and safety;
- (ii) projects that upgrade:
- (A) an HVAC system;
- (B) an electrical system;
- (C) essential equipment;
- (D) an essential building component; or
- (E) infrastructure, including a utility tunnel, water line, gas line, sewer line, roof, parking lot, or road; or
- (iii) projects that demolish and replace an existing building that is in extensive disrepair and cannot be fixed by repair or maintenance.
- (e) Beginning on July 1, 2013, in prioritizing capital improvements, the State Building Board shall allocate no more than 20% of the funds that the Legislature appropriates for capital improvements to:
- (i) remodeling and aesthetic upgrades to meet state programmatic needs; or
- (ii) construct an addition to an existing building or facility.
- (f) The State Building Board may require an entity that benefits from a capital improvement project to repay the capital improvement funds from savings that result from the project.
- (g) The State Building Board may provide capital improvement funding to a single project, or to multiple projects within a single building or facility, even if the total cost of the project or multiple projects is \$2,500,000 or more, if:
- (i) the capital improvement project or multiple projects require more than one year to complete; and
- (ii) the Legislature has affirmatively authorized the capital improvement project or multiple projects to be funded in phases.
- (5) The Legislature may authorize:
- (a) the total square feet to be occupied by each state agency; and
- (b) the total square feet and total cost of lease space for each agency.
- (6) If construction of a new building or facility will be paid for by nonstate funds, but will require an immediate or future increase in state funding for operations and maintenance or for capital improvements, the Legislature may not authorize the new building or facility until the Legislature appropriates funds for:
- (a) the portion of operations and maintenance, if any, that will require an immediate or future increase in state funding; and
- (b) the portion of capital improvements, if any, that will require an immediate or future increase in state funding.

(7) (a) Except as provided in Subsection (7)(b) or (c), the Legislature may not fund the design or construction of any new capital development projects, except to complete the funding of projects for which partial funding has been previously provided, until the Legislature has appropriated 1.1% of the replacement cost of existing state facilities and infrastructure to capital improvements.

(b) (i) As used in this Subsection (7)(b):

(A) "Education Fund budget deficit" is as defined in Section 63J-1-312; and

(B) "General Fund budget deficit" is as defined in Section 63J-1-312.

(ii) If the Legislature determines that an Education Fund budget deficit or a General Fund budget deficit exists, the Legislature may, in eliminating the deficit, reduce the amount appropriated to capital improvements to 0.9% of the replacement cost of state buildings and infrastructure.

(c) (i) The requirements under Subsections (6)(a) and (b) do not apply to the 2008-09, 2009-10, 2010-11, 2011-12, and 2012-13 fiscal years.

(ii) For the 2013-14 fiscal year, the amount appropriated to capital improvements shall be reduced to 0.9% of the replacement cost of state facilities.

(8) It is the policy of the Legislature that a new building or facility be approved and funded for construction in a single budget action, therefore the Legislature may not fund the programming, design, and construction of a new building or facility in phases over more than one year unless the Legislature has approved each phase of the funding for the construction of the new building or facility by the affirmative vote of two-thirds of all the members elected to each house.

~~(8)~~ (9) (a) If, after approval of capital development and capital improvement priorities by the Legislature under this section, emergencies arise that create unforeseen critical capital improvement projects, the State Building Board may, notwithstanding the requirements of Title 63J, Chapter 1, Budgetary Procedures Act, reallocate capital improvement funds to address those projects.

(b) The State Building Board shall report any changes it makes in capital improvement allocations approved by the Legislature to:

(i) the Office of Legislative Fiscal Analyst within 30 days of the reallocation; and

(ii) the Legislature at its next annual general session.

~~(9)~~ (10) (a) The State Building Board may adopt a rule allocating to institutions and agencies their proportionate share of capital improvement funding.

(b) The State Building Board shall ensure that the rule:

(i) reserves funds for the Division of Facilities Construction and Management for emergency projects; and

(ii) allows the delegation of projects to some institutions and agencies with the requirement that a report of expenditures will be filed annually with the Division of Facilities Construction and Management and appropriate governing bodies.

~~[(40)]~~ (11) It is the intent of the Legislature that in funding capital improvement requirements under this section the General Fund be considered as a funding source for at least half of those costs.

~~[(41)]~~ (12) (a) Subject to Subsection ~~[(41)]~~ (12)(b), at least 80% of the state funds appropriated for capital improvements shall be used for maintenance or repair of the existing building or facility.

(b) The State Building Board may modify the requirement described in Subsection ~~[(41)]~~ (12)(a) if the State Building Board determines that a different allocation of capital improvements funds is in the best interest of the state.

63G-6a-708. Justification statement -- Cost-benefit analysis.

~~(1) (a) In determining which proposal provides the best value to the procurement unit, the evaluation committee and the conducting procurement unit shall prepare a written justification statement that:~~

~~(i) explains the score assigned to each evaluation category;~~

~~(ii) explains how the proposal with the highest total combined score provides the best value to the procurement unit in comparison to the other proposals;~~

~~(iii) if applicable, includes the cost-benefit analysis described in Subsection (2) and how the cost-benefit analysis relates to the best value to the procurement unit; and~~

~~(iv) if applicable, includes the written determination described in Subsection (5).~~

~~(b) An explanation under Subsection (1)(a)(i) need not address each criterion within each category.~~

~~[(4) (2) If, in determining the best value to the procurement unit, the evaluation committee awards the highest score [awarded by the evaluation committee], including the score for cost, [is awarded] to a proposal other than the lowest cost proposal, and the difference between the cost of the highest scored proposal and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal, the [issuing procurement unit shall make] evaluation committee and the conducting procurement unit shall prepare an informal written cost-benefit analysis that:~~

~~(b) [includes,] except as provided in Subsection [(1)(e),] (5):~~

~~(i) includes the estimated added financial value to the procurement unit of each [criteria] criterion that justifies awarding the contract to the higher cost offeror; and~~

~~[(e) includes, to the extent that assigning a financial value to a particular criteria is not practicable, a statement describing:]~~

~~[(i) why it is not practicable to assign a financial value to the criteria; and]~~

~~[(ii) in nonfinancial terms, the advantage to the procurement unit, based on the particular criteria, of awarding the contract to the higher cost offeror;]~~

~~[(e) includes any other information required by rule made by the applicable rulemaking authority.]~~

~~[(2) (3) If the informal cost-benefit analysis described in Subsection [(1) (2)] does not justify [award of] awarding the contract to the offeror that received the highest score, the issuing procurement unit:~~

~~(a) may not award the contract to the offeror that received the highest score; and~~

~~(b) may award the contract to the offeror that received the next highest score, unless:~~

~~(i) an informal cost-benefit analysis is required, because the difference between the cost proposed by the offeror that received the next highest score and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal; and~~

(i) the informal cost-benefit analysis does not justify award of the contract to the offeror that received the next highest score.

~~[(3)] (4)~~ If the informal cost-benefit analysis described in Subsection ~~[(1)] (2)~~ does not justify award of the contract to the offeror, described in Subsection ~~[(2)] (3)~~, that received the next highest score, the issuing procurement unit:

(a) may not award the contract to the offeror that received the next highest score; and

(b) shall continue with the process described in Subsection ~~[(2)] (3)~~ for each offeror that received the next highest score, until the issuing procurement unit:

(ii) cancels the request for proposals.

(5) (a) The evaluation committee, with the issuing procurement unit's approval, may waive, in whole or in part, a requirement under Subsection (2)(b) if the evaluation committee determines in writing that assigning a financial value to a particular procurement item or evaluation criterion is not practicable.

(b) A written determination under Subsection (5)(a):

(i) shall explain:

(A) why it is not practicable to assign a financial value to the procurement item or evaluation criterion; and

(B) in nonfinancial terms, why awarding the contract to the higher cost offeror provides the best value to the procurement unit; and

(ii) may be included as part of the justification statement.

~~[(4)] (6) (a)~~ An issuing procurement unit is not required to make the cost-benefit analysis described in this section for a contract with a construction manager/general contractor if the contract is awarded based solely on the qualifications of the construction manager/general contractor and the management fee described in Subsection ~~[63G-6a-706] 63G-6a-707(6)~~.

(b) The applicable rulemaking authority shall make rules that establish procedures and criteria for awarding a contract described in Subsection ~~[(4)] (6)~~(a) to ensure that:

(i) a competitive process is maintained; and

(ii) the contract awarded is in the best interest of the procurement unit.

Section 44. Section 63G-6a-709 is amended to read:

(b) cancel the request for proposals without awarding a contract.

~~[(2)] (3)~~ In accordance with Subsection ~~[(3)] (4)~~, the procurement officer or the head of the issuing procurement unit may disqualify an offeror for:

(b) not being responsive or responsible;

~~[(b)] (c)~~ a violation of a requirement of the request for proposals;

~~[(e)] (d)~~ unlawful or unethical conduct; or

~~[(d)] (e)~~ a change in circumstance that, had the change been known at the time the proposal was submitted, would have caused the proposal to not have the highest score.

~~[(3)] (4)~~ A procurement officer or head of an issuing procurement unit who disqualifies an offeror under Subsection ~~[(2)] (3)~~ shall:

(a) make a written finding, stating the reasons for disqualification; and

(b) provide a copy of the written finding to the disqualified offeror.

~~(3) —any cost-benefit analysis made, under Section 63G-6a-708, in relation to the request for proposals.]~~

(2) Subsection (1)(a) does not prevent the issuing procurement unit from using codes or another method in a statement under Subsection (1) to distinguish offerors to which the contract is not awarded and to indicate their scores, as long as an offeror cannot be matched with the score awarded to that offeror.

(10) (a) By following the emergency procedures in Title 63G, Chapter 4, Administrative Procedures Act, the division may immediately suspend the license of any person without hearing and without receiving a record of the person's conviction for a crime when the division has reason to believe that the person's license was granted by the division through error or fraud or that the necessary consent for the license has been withdrawn or is terminated.

(b) The procedure upon suspension is the same as under Subsection (5), except that after the hearing the division shall either rescind its order of suspension or cancel the license.

(11) (a) The division, having good cause to believe that a licensed driver is incompetent or otherwise not qualified to be licensed, may upon notice in a manner specified by the division of at least five days to the licensee require him to submit to an examination.

(b) The division may immediately suspend a driving privilege card holder's driving privilege card if the division receives notification from the Motor Vehicle Division that:

(e) A person whose license suspension has been sustained or whose license has been revoked by the division under this Subsection (13) may file a request for agency action requesting a hearing.

(14) The division may deny an individual's license if the person fails to comply with the requirement to downgrade the person's CDL to a class D license under Section 53-3-410.1.

(15) The division may deny a person's class A, B, C, or D license if the person fails to comply with the requirement to have a K restriction removed from the person's license.

Section 5. Section 53-3-304 is amended to read:

53-3-304. Licensing of persons with impairments -- Medical review -- Restricted license -- Procedures.

(i) a physical examination of the applicant by a health care professional and the submittal by the health care professional of a signed medical report indicating the results of the physical examination;

(ii) a follow-up medical review of the applicant by a health care professional and completion of a medical report at intervals established by the division under standards recommended by the board.

(b) The format of the medical report required under Subsection (1)(a) shall be devised by the division with the advice of the board and shall elicit the necessary medical information to determine whether it would be a public safety hazard to permit the applicant to drive a motor vehicle or mobility vehicle on the highways.

(b) The division may grant a restricted mobility vehicle permit to a person with an impairment who is otherwise qualified to obtain a mobility vehicle permit.

~~(c)~~ (d) The license or mobility vehicle permit renewal is subject to the conditions of this section.

~~(d)~~ (e) Any physical, mental, or emotional impairment of the applicant that in the opinion of the division does not affect the applicant's ability to exercise reasonable and ordinary control at all times in driving a motor vehicle upon the highway, does not prevent granting a license or mobility vehicle permit to the applicant.

(3) (a) If an examination is required under this section, the division is not bound by the recommendation of the examining health care professional but shall give fair consideration to the recommendation in acting upon the application. The criterion is whether upon all the evidence it is safe to permit the applicant to drive a motor vehicle or mobility vehicle.

(b) In deciding whether to grant or deny a license or mobility vehicle permit, the division may be guided by the opinion of experts in the fields of diagnosing and treating mental, physical, or emotional disabilities and may take into consideration any other factors that bear on the issue of public safety.

(4) Information provided under this section relating to physical, mental, or emotional impairment is classified under Title 63G, Chapter 2, Government Records Access and Management Act.
