(b) Options Two, Three, Four, Five, and Six are modifications of the Option One calculation.

(2) The Option One benefit is an annual allowance calculated as follows:

(a) If the retiree is at least 65 years of age or has accrued at least 30 years of service credit, the allowance is:

(i) an amount equal to 1.25% of the retiree's final average monthly salary multiplied by the number of years of service credit accrued prior to July 1, 1975; plus

(ii) an amount equal to 2% of the retiree's final average monthly salary multiplied by the number of years of service credit accrued on and after July 1, 1975.

(b) If the retiree is less than 65 years of age, the allowance shall be reduced 3% for each year of retirement from age 60 to age 65, unless the member has 30 or more years of accrued credit in which event no reduction is made to the allowance.

(c) (i) Years of service includes any fractions of years of service to which the retiree may be entitled.

(ii) At the time of retirement, if a retiree's combined years of actual, not purchased, service credit is within 1/10 of one year of the total years of service credit required for retirement, the retiree shall be considered to have the total years of service credit required for retirement.

(d) An Option One allowance is only payable to the member during the member's lifetime.

(3) The allowance payable under Options Two, Three, Four, Five, and Six is calculated by reducing an Option One benefit based on actuarial computations to provide the following:

(a) Option Two is a reduced allowance paid to and throughout the lifetime of the retiree, and, if the retiree receives less in annuity payments than the amount of the retiree's member contributions, the remaining balance of the retiree's member contributions shall be paid in accordance with Sections 49-11-609 and 49-11-610.

(b) Option Three is a reduced allowance paid to and throughout the lifetime of the retiree, and, upon the death of the retiree, the same reduced allowance paid to and throughout the lifetime of the retiree's lawful spouse at the time of retirement.

(c) Option Four is a reduced allowance paid to and throughout the lifetime of the retiree, and upon the death of the retiree, an amount equal to 1/2 of the retiree's allowance paid to and throughout the lifetime of the retiree's lawful spouse at the time of retirement.

(d) Option Five is a modification of Option Three so that if the lawful spouse at the time of retirement predeceases the retiree, an allowance equivalent to the amount payable at the time of initial retirement under Option One shall be paid to the retiree for the remainder of the retiree's life, beginning on the first day of the month following the month in which the:

(i) ~~following the month in which the~~ spouse died, if the application is received by the office within 90 days of the spouse's death; or

(ii) ~~following the month in which the~~ application is received by the office, if the application is received by the office more than 90 days after the spouse's death.

(e) Option Six is a modification of Option Four so that if the lawful spouse at the time of retirement predeceases the retiree, an allowance equivalent to the amount payable at the time of initial retirement under Option One shall be paid to the retiree for the remainder of the retiree's life, beginning on the first day of the month following the month in which the:

(i) ~~following the month in which the~~ spouse died, if the application is received by the office within 90 days of the spouse's death; or

(ii) ~~following the month in which the~~ application is received by the office, if the application is received by the office more than 90 days after the spouse's death.

(4) (a) (i) The final average salary is limited in the computation of that part of an allowance based on service rendered prior to July 1, 1967, during a period when the retiree received employer contributions on a portion of compensation from an educational institution toward the payment of the premium required on a retirement annuity contract with ~~[the Teachers' Insurance and Annuity Association of America or with any other]~~ a public or private system, organization, or company designated by the State Board of Regents to \$4,800.

(ii) This limitation is not applicable to retirees who elected to continue in this system by July 1, 1967.

(b) Periods of employment which are exempt from this system under Subsection 49-12-203(1)(b), may be purchased by the member for the purpose of retirement only if all benefits from ~~[the Teachers' Insurance and Annuity Association of America or any other public or private system or organization]~~ a public or private system, organization, or company designated by the State Board of Regents based on this period of employment are forfeited.

(5) (a) If a retiree under Option One dies within 90 days after the retiree's retirement date, the retirement is canceled and the death shall be considered as that of a member before retirement.

(b) Any payments made to the retiree shall be deducted from the amounts due to the beneficiary.

(6) If a retiree retires under either Option Five or Six and subsequently divorces, the retiree may elect to convert the benefit to a Option One benefit at the time of divorce, if there is no court order filed in the matter.

(a) If the retiree is at least 65 years of age or has accrued at least 30 years of service credit, the allowance is an amount equal to 2% of the retiree's final average monthly salary multiplied by the number of years of service credit accrued.

(b) If the retiree is less than 65 years of age, the allowance shall be reduced 3% for each year of retirement from age 60 to age 65, plus a full actuarial reduction for each year of retirement prior to age 60, unless the member has 30 or more years of accrued credit, in which event no reduction is made to the allowance.

(c) (i) Years of service include any fractions of years of service to which the retiree may be entitled.

(ii) At the time of retirement, if a retiree's combined years of actual, not purchased, service credit is within 1/10 of one year of the total years of service credit required for retirement, the retiree shall be considered to have the total years of service credit required for retirement.

(c) Option Four is a reduced allowance paid to and throughout the lifetime of the retiree, and upon the death of the retiree, an amount equal to one-half of the retiree's allowance paid to and throughout the lifetime of the retiree's lawful spouse at the time of retirement.

(d) Option Five is a modification of Option Three so that if the lawful spouse at the time of retirement predeceases the retiree, an allowance equivalent to the amount payable at the time of initial retirement under Option One shall be paid to the retiree for the remainder of the retiree's life, beginning on the first day of the month following the month in which the:

(i) ~~following the month in which the~~ spouse died, if the application is received by the office within 90 days of the spouse's death; or

(ii) ~~following the month in which the~~ application is received by the office, if the application is received by the office more than 90 days after the spouse's death.

(e) Option Six is a modification of Option Four so that if the lawful spouse at the time of retirement predeceases the retiree, an allowance equivalent to the amount payable at the time of initial retirement under Option One shall be paid to the retiree for the remainder of the retiree's life, beginning on the first day of the month following the month in which the:

(i) ~~following the month in which the~~ spouse died, if the application is received by the office within 90 days of the spouse's death; or

(ii) ~~following the month in which the~~ application is received by the office, if the application is received by the office more than 90 days after the spouse's death.

(4) (a) (i) The final average salary is limited in the computation of that part of an allowance based on service rendered prior to July 1, 1967, during a

period when the retiree received employer contributions on a portion of compensation from an educational institution toward the payment of the premium required on a retirement annuity contract with ~~[the Teachers' Insurance and Annuity Association of America or with any other]~~ a public or private system, organization, or company designated by the State Board of Regents to \$4,800.

(ii) This limitation is not applicable to retirees who elected to continue in the Public Employees' Contributory Retirement System by July 1, 1967.

(b) Periods of employment which are exempt from this system as permitted under Subsection 49-13-203(1)(b) may be purchased by the member for the purpose of retirement only if all benefits from ~~[the Teachers' Insurance and Annuity Association of America or any other]~~ a public or private system ~~[or organization]~~, organization, or company designated by the State Board of Regents based on this period of employment are forfeited.

(5) (a) If a retiree under Option One dies within 90 days after the retiree's retirement date, the retirement is canceled and the death shall be considered as that of a member before retirement.

(b) Any payments made to the retiree shall be deducted from the amounts due to the beneficiary.

(6) If a retiree retires under either Option Five or Six and subsequently divorces, the retiree may elect to convert the benefit to an Option One benefit at the time of divorce, if there is no court order filed in the matter.

(6) For purposes of penalty enhancement under Subsections (1)(b) and (2)(c), a plea of guilty or no contest to a violation of this section which is held in abeyance under Title 77, Chapter 2a, Pleas in Abeyance, is the equivalent of a conviction, even if the charge has been subsequently reduced or dismissed in accordance with the plea in abeyance agreement.

(7) A person may be charged and sentenced for a violation of this section, notwithstanding a charge and sentence for a violation of any other section of this chapter.

(8) (a) Any penalty imposed for violation of this section is in addition to, and not in lieu of, any civil or administrative penalty or sanction authorized by law.

(b) Where violation of this chapter violates a federal law or the law of another state, conviction or

acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state.

(10) This section does not prohibit a veterinarian, in good faith and in the course of the veterinarian's professional practice only and not for humans, from prescribing, dispensing, or administering controlled substances or from causing the substances to be administered by an assistant or orderly under the veterinarian's direction and supervision.

(b) any law enforcement officer acting in the course and legitimate scope of the officer's employment.

(12) (a) Civil or criminal liability may not be imposed under this section on any Indian, as defined in Subsection 58-37-2(1)(v), who uses, possesses, or transports peyote for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion as defined in Subsection 58-37-2(1)(w).

(b) In a prosecution alleging violation of this section regarding peyote as defined in Subsection 58-37-4(2)(a)(iii)(V), it is an affirmative defense that the peyote was used, possessed, or transported by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(c) (i) The defendant shall provide written notice of intent to claim an affirmative defense under this Subsection (12) as soon as practicable, but not later than 10 days prior to trial.

(ii) The notice shall include the specific claims of the affirmative defense.

(iii) The court may waive the notice requirement in the interest of justice for good cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

(d) The defendant shall establish the affirmative defense under this Subsection (12) by a preponderance of the evidence. If the defense is established, it is a complete defense to the charges.

(13) (a) It is an affirmative defense that the person produced, possessed, or administered a

controlled substance listed in Section 58-37-4.2 if the person:

(i) was engaged in medical research; and

(ii) was a holder of a valid license to possess controlled substances under Section 58-37-6.

(b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed a controlled substance listed in Section 58-37-4.2.

(14) It is an affirmative defense that the person possessed, in the person's body, a controlled substance listed in Section 58-37-4.2 if:

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58-37-6; and

(b) the substance was administered to the person by the medical researcher.

(15) (a) It is an affirmative defense to an allegation of the commission of an offense listed in Subsection (15)(b) that the person:

(i) reasonably believes that the person or another person is experiencing an overdose event due to the ingestion, injection, inhalation, or other introduction into the human body of a controlled substance or other substance;

(ii) reports in good faith the overdose event to a medical provider, an emergency medical service provider as defined in Section 26-8a-102, a law enforcement officer, a 911 emergency call system, or an emergency dispatch system, or the person is the subject of a report made under this Subsection (15);

(iii) provides in the report under Subsection (15)(a)(ii) a functional description of the actual location of the overdose event that facilitates responding to the person experiencing the overdose event;

(iv) remains at the location of the person experiencing the overdose event until a responding law enforcement officer or emergency medical service provider arrives, or remains at the medical care facility where the person experiencing an overdose event is located until a responding law enforcement officer arrives;

(v) cooperates with the responding medical provider, emergency medical service provider, and law enforcement officer, including providing information regarding the person experiencing the overdose event and any substances the person may have injected, inhaled, or otherwise introduced into the person's body; and

(vi) is alleged to have committed the offense in the same course of events from which the reported overdose arose.

(b) The offenses referred to in Subsection (15)(a) are:

(i) the possession or use of less than 16 ounces of marijuana;

(ii) the possession or use of a scheduled or listed controlled substance other than marijuana; and

(iii) any violation of Chapter 37a, Utah Drug Paraphernalia Act, or Chapter 37b, Imitation Controlled Substances Act.

(c) As used in this Subsection (15) and in Section 76-3-203.11, "good faith" does not include seeking medical assistance under this section during the course of a law enforcement agency's execution of a search warrant, execution of an arrest warrant, or other lawful search.

[45] (16) If any provision of this chapter, or the application of any provision to any person or circumstances, is held invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

[46] (17) A legislative body of a political subdivision may not enact an ordinance that is less restrictive than any provision of this chapter.

Section 2. Section 76-3-203.11 is enacted to read:

76-3-203.11. Reporting an overdose -- Mitigating factor.

(b) "Electrical corporation" does not include an entity that sells electric vehicle battery charging services, unless the entity conducts another activity in the state that subjects the entity to the jurisdiction and regulation of the commission as an electrical corporation.

(8) "Electric plant" includes all real estate, fixtures, and personal property owned, controlled, operated, or managed in connection with or to facilitate the production, generation, transmission, delivery, or furnishing of electricity for light, heat, or power, and all conduits, ducts, or other devices, materials, apparatus, or property for containing, holding, or carrying conductors used or to be used for the transmission of electricity for light, heat, or power.

(a) gas is made or produced on, and distributed by the maker or producer through, private property:

(i) solely for the maker's or producer's own use or the use of the maker's or producer's tenants; and

(ii) not for sale to others;

(b) gas is compressed on private property solely for the owner's own use or the use of the owner's employees as a motor vehicle fuel; or

(c) gas is compressed by a retailer of motor vehicle fuel on the retailer's property solely for sale as a motor vehicle fuel.

(10) "Gas plant" includes all real estate, fixtures, and personal property owned, controlled, operated, or managed in connection with or to facilitate the production, generation, transmission, delivery, or furnishing of gas, natural or manufactured, for light, heat, or power.

(13) "Independent energy producer" means every electrical corporation, person, corporation, or government entity, their lessees, trustees, or receivers, that own, operate, control, or manage an independent power production or cogeneration facility.

(14) "Independent power production facility" means a facility that:

(a) produces electric energy solely by the use, as a primary energy source, of biomass, waste, a renewable resource, a geothermal resource, or any combination of the preceding sources; or

(b) is a qualifying power production facility.

(15) "Private telecommunications system" includes all facilities for the transmission of signs, signals, writing, images, sounds, messages, data, or other information of any nature by wire, radio, lightwaves, or other electromagnetic means, excluding mobile radio facilities, that are owned, controlled, operated, or managed by a corporation or person, including their lessees, trustees, receivers, or trustees appointed by any court, for the use of that corporation or person and not for the shared use with or resale to any other corporation or person on a regular basis.

(16) (a) "Public utility" includes every railroad corporation, gas corporation, electrical corporation, distribution electrical cooperative, wholesale electrical cooperative, telephone corporation, telegraph corporation, water corporation, sewerage corporation, heat corporation, and independent energy producer not described in Subsection (16)(d), where the service is performed for, or the commodity delivered to, the public generally, or in the case of a gas corporation or electrical corporation where the gas or electricity is sold or furnished to any member or consumers within the state for domestic, commercial, or industrial use.

(b) (i) If any railroad corporation, gas corporation, electrical corporation, telephone corporation, telegraph corporation, water corporation, sewerage corporation, heat corporation, or independent energy producer not described in Subsection (16)(d), performs a service for or delivers a commodity to the public, it is considered to be a public utility, subject to the jurisdiction and regulation of the commission and this title.

(ii) If a gas corporation, independent energy producer not described in Subsection (16)(d), or electrical corporation sells or furnishes gas or electricity to any member or consumers within the state, for domestic, commercial, or industrial use, for which any compensation or payment is received, it is considered to be a public utility, subject to the jurisdiction and regulation of the commission and this title.

(c) Any corporation or person not engaged in business exclusively as a public utility as defined in

this section is governed by this title in respect only to the public utility owned, controlled, operated, or managed by the corporation or person, and not in respect to any other business or pursuit.

(d) An independent energy producer is exempt from the jurisdiction and regulations of the commission with respect to an independent power production facility if it meets the requirements of Subsection (16)(d)(i), (ii), (iii), or (iv), or any combination of these:

(i) the commodity or service is produced or delivered, or both, by an independent energy producer solely for the uses exempted in Subsection (7) or for the use of state-owned facilities;

(iii) (A) the commodity or service produced or delivered by the independent energy producer is delivered to an entity that controls, is controlled by, or affiliated with the independent energy producer or to a user located on real property managed or controlled by the independent energy producer; and

(B) the real property on which the service or commodity is used is contiguous to real property which is owned or controlled by the independent energy producer. Parcels of real property separated solely by public roads or easements for public roads shall be considered as contiguous for purposes of this Subsection (16); or

(A) supplies energy for direct consumption by a customer that is:

(I) a county, municipality, city, town, other political subdivision, local district, special service district, state institution of higher education, school district, charter school, or any entity within the state system of public education; or

(II) an entity qualifying as a charitable organization under 26 U.S.C. Sec. 501(c)(3) operated for religious, charitable, or educational purposes that is exempt from federal income tax and able to demonstrate its tax-exempt status;

(B) supplies energy to the customer through use of a customer generation system, as defined in Section 54-15-102, for use on the real property where the customer generation system is located;

(C) supplies energy using a customer generation system designed to supply the lesser of:

(I) no more than 90% of the average annual consumption of electricity by the customer at that site, based on an annualized billing period; or

(II) the maximum size allowable under net metering provisions, defined in Section 54-15-102;

(D) notifies the customer before installing the customer generation system of:

(I) all costs the customer is required to pay for the customer generation system, including any interconnection costs; and

(II) the potential for future changes in amounts paid by the customer for energy received from the public utility and the possibility of changes to the customer fees or charges to the customer associated with net metering and generation;

(E) enters into and performs in accordance with an interconnection agreement with a public utility providing retail electric service where the real property on which the customer generation system is located, with the rates, terms, and conditions of the retail service and interconnection agreement subject to approval by the governing authority of the public utility, as defined in Subsection 54-15-102(8); and

(F) installs the relevant customer generation system by December 31, 2015.

(e) Any person or corporation defined as an electrical corporation or public utility under this section may continue to serve its existing customers subject to any order or future determination of the commission in reference to the right to serve those customers.

(f) (i) "Public utility" does not include any person that is otherwise considered a public utility under this Subsection (16) solely because of that person's ownership of an interest in an electric plant, cogeneration facility, or small power production facility in this state if all of the following conditions are met:

(A) the ownership interest in the electric plant, cogeneration facility, or small power production facility is leased to:

(I) a public utility, and that lease has been approved by the commission;

(II) a person or government entity that is exempt from commission regulation as a public utility; or

(III) a combination of Subsections (16)(f)(i)(A)(I) and (II);

(B) the lessor of the ownership interest identified in Subsection (16)(f)(i)(A) is:

(C) the rent reserved under the lease does not include any amount based on or determined by revenues or income of the lessee.

(ii) Any person that is exempt from classification as a public utility under Subsection (16)(f)(i) shall continue to be so exempt from classification following termination of the lessee's right to possession or use of the electric plant for so long as the former lessor does not operate the electric plant or sell electricity from the electric plant. If the former lessor operates the electric plant or sells

electricity, the former lessor shall continue to be so exempt for a period of 90 days following termination, or for a longer period that is ordered by the commission. This period may not exceed one year. A change in rates that would otherwise require commission approval may not be effective during the 90-day or extended period without commission approval.

(g) "Public utility" does not include any person that provides financing for, but has no ownership interest in an electric plant, small power production facility, or cogeneration facility. In the event of a foreclosure in which an ownership interest in an electric plant, small power production facility, or cogeneration facility is transferred to a third-party financier of an electric plant, small power production facility, or cogeneration facility, then that third-party financier is exempt from classification as a public utility for 90 days following the foreclosure, or for a longer period that is ordered by the commission. This period may not exceed one year.

(h) (i) The distribution or transportation of natural gas for use as a motor vehicle fuel does not cause the distributor or transporter to be a "public utility," unless the commission, after notice and a public hearing, determines by rule that it is in the public interest to regulate the distributors or transporters, but the retail sale alone of compressed natural gas as a motor vehicle fuel may not cause the seller to be a "public utility."

(ii) In determining whether it is in the public interest to regulate the distributors or transporters, the commission shall consider, among other things, the impact of the regulation on the availability and price of natural gas for use as a motor fuel.

(i) "Public utility" does not include any corporation, cooperative association, or person, their affiliates, lessees, trustees, or receivers, owning, controlling, operating, or managing an electric plant or in any way furnishing electricity if the electricity is consumed by an owner, lessor, or interest holder or by an affiliate of an owner, lessor, or interest holder, who has provided at least \$25,000,000 in value, including credit support, relating to the electric plant furnishing the electricity and whose consumption does not exceed its long-term entitlement in the plant under a long-term arrangement other than a power purchase agreement, except a power purchase agreement with an electrical corporation.

(j) "Public utility" does not include an entity that sells electric vehicle battery charging services, unless the entity conducts another activity in the state that subjects the entity to the jurisdiction and regulation of the commission as a public utility.

public telecommunications service as defined in Section 54-8b-2.

(4) In cases where obvious sexual abuse, sexual exploitation, abandonment, severe abuse, or severe neglect are involved, neither the division nor the court has any duty to make "reasonable efforts" or to, in any other way, attempt to provide reunification services, or to attempt to rehabilitate the offending parent or parents.

(5) In all cases, the minor's health, safety, and welfare shall be the court's paramount concern in determining whether reasonable efforts to reunify should be made.

(a) protect the physical safety of the minor;

(b) protect the life of the minor; or

(c) prevent the minor from being traumatized by contact with the parent due to the minor's fear of the parent in light of the nature of the alleged abuse or neglect.

(a) prove that the parent has not used legal or illegal substances; or

(b) comply with an aspect of the child and family plan that is ordered by the court.

(8) (a) In addition to the primary permanency goal, the court shall establish a concurrent permanency goal that shall include:

(i) a representative list of the conditions under which the primary permanency goal will be abandoned in favor of the concurrent permanency goal; and

(ii) an explanation of the effect of abandoning or modifying the primary permanency goal.

(b) In determining the primary permanency goal and concurrent permanency goal, the court shall consider:

(i) the preference for kinship placement over nonkinship placement;

(ii) the potential for a guardianship placement if the parent-child relationship is legally terminated and no appropriate adoption placement is available; and

(iii) the use of an individualized permanency goal, only as a last resort.

(9) A permanency hearing shall be conducted in accordance with Subsection 78A-6-314(1)(b) within 30 days after the day on which the dispositional hearing ends if something other than reunification is initially established as a minor's primary permanency goal.

(10) (a) The court may amend a minor's primary permanency goal before the establishment of a final permanency plan under Section 78A-6-314.

(b) The court is not limited to the terms of the concurrent permanency goal in the event that the primary permanency goal is abandoned.

(c) If, at any time, the court determines that reunification is no longer a minor's primary permanency goal, the court shall conduct a permanency hearing in accordance with Section 78A-6-314 on or before the earlier of:

(i) 30 days after the day on which the court makes the determination described in this Subsection (10)(c); or

(ii) the day on which the provision of reunification services, described in Section 78A-6-314, ends.

(11) (a) If the court determines that reunification services are appropriate, it shall order that the division make reasonable efforts to provide services to the minor and the minor's parent for the purpose of facilitating reunification of the family, for a specified period of time.

(b) In providing the services described in Subsection (11)(a), the minor's health, safety, and welfare shall be the division's paramount concern, and the court shall so order.

(12) (a) The court shall:

(i) determine whether the services offered or provided by the division under the child and family

plan constitute “reasonable efforts” on the part of the division;

(ii) determine and define the responsibilities of the parent under the child and family plan in accordance with Subsection 62A-4a-205(6)(e); and

(iii) identify verbally on the record, or in a written document provided to the parties, the responsibilities described in Subsection (12)(a)(ii), for the purpose of assisting in any future determination regarding the provision of reasonable efforts, in accordance with state and federal law.

(b) If the parent is in a substance abuse treatment program, other than a certified drug court program:

(i) the court may order the parent to submit to supplementary drug or alcohol testing in addition to the testing recommended by the parent’s substance abuse program based on a finding of reasonable suspicion that the parent is abusing drugs or alcohol; and

(ii) the court may order the parent to provide the results of drug or alcohol testing recommended by the substance abuse program to the court or division.

(13) (a) The time period for reunification services may not exceed 12 months from the date that the minor was initially removed from the minor’s home, unless the time period is extended under Subsection 78A-6-314(8).

(b) Nothing in this section may be construed to entitle any parent to an entire 12 months of reunification services.

(14) (a) If reunification services are ordered, the court may terminate those services at any time.

(b) If, at any time, continuation of reasonable efforts to reunify a minor is determined to be inconsistent with the final permanency plan for the minor established pursuant to Section 78A-6-314, then measures shall be taken, in a timely manner, to:

(i) place the minor in accordance with the permanency plan; and

(ii) complete whatever steps are necessary to finalize the permanent placement of the minor.

(15) Any physical custody of the minor by the parent or a relative during the period described in Subsections (11) through (14) does not interrupt the running of the period.

(16) (a) If reunification services are ordered, a permanency hearing shall be conducted by the court in accordance with Section 78A-6-314 at the expiration of the time period for reunification services.

(b) The permanency hearing shall be held no later than 12 months after the original removal of the minor.

(c) If reunification services are not ordered, a permanency hearing shall be conducted within 30 days, in accordance with Section 78A-6-314.

(17) With regard to a minor in the custody of the division whose parent or parents are ordered to receive reunification services but who have abandoned that minor for a period of six months from the date that reunification services were ordered:

(a) the court shall terminate reunification services; and

(b) the division shall petition the court for termination of parental rights.

(18) When a court conducts a permanency hearing for a minor under Section 78A-6-314, the court shall attempt to keep the minor’s sibling group together if keeping the sibling group together is:

(a) practicable; and

(b) in accordance with the best interest of the minor.

(19) (a) Because of the state’s interest in and responsibility to protect and provide permanency for minors who are abused, neglected, or dependent, the Legislature finds that a parent’s interest in receiving reunification services is limited.

(b) The court may determine that:

(i) efforts to reunify a minor with the minor’s family are not reasonable or appropriate, based on the individual circumstances; and

(ii) reunification services should not be provided.

(c) In determining “reasonable efforts” to be made with respect to a minor, and in making “reasonable efforts,” the minor’s health, safety, and welfare shall be the paramount concern.

(20) There is a presumption that reunification services should not be provided to a parent if the court finds, by clear and convincing evidence, that any of the following circumstances exist:

(a) the whereabouts of the parents are unknown, based upon a verified affidavit indicating that a reasonably diligent search has failed to locate the parent;

(b) subject to Subsection (21)(a), the parent is suffering from a mental illness of such magnitude that it renders the parent incapable of utilizing reunification services;

(c) the minor was previously adjudicated as an abused child due to physical abuse, sexual abuse, or sexual exploitation, and following the adjudication the minor:

(i) was removed from the custody of the minor’s parent;

(ii) was subsequently returned to the custody of the parent; and

(iii) is being removed due to additional physical abuse, sexual abuse, or sexual exploitation;

- (d) the parent:
- (i) caused the death of another minor through abuse or neglect;
- (ii) committed, aided, abetted, attempted, conspired, or solicited to commit:
- (A) murder or manslaughter of a child; or
- (B) child abuse homicide;
- (iii) committed sexual abuse against the child; [e]
- (iv) is a registered sex offender or required to register as a sex offender; or
- (v) (A) intentionally, knowingly, or recklessly causes the death of another parent of the child;
- (B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or
- (C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child;
- (e) the minor suffered severe abuse by the parent or by any person known by the parent, if the parent knew or reasonably should have known that the person was abusing the minor;
- (f) the minor is adjudicated an abused child as a result of severe abuse by the parent, and the court finds that it would not benefit the minor to pursue reunification services with the offending parent;
- (g) the parent's rights are terminated with regard to any other minor;
- (h) the minor was removed from the minor's home on at least two previous occasions and reunification services were offered or provided to the family at those times;
- (i) the parent has abandoned the minor for a period of six months or longer;
- (j) the parent permitted the child to reside, on a permanent or temporary basis, at a location where the parent knew or should have known that a clandestine laboratory operation was located;
- (k) except as provided in Subsection (21)(b), with respect to a parent who is the child's birth mother, the child has fetal alcohol syndrome, fetal alcohol spectrum disorder, or was exposed to an illegal or prescription drug that was abused by the child's mother while the child was in utero, if the child was taken into division custody for that reason, unless the mother agrees to enroll in, is currently enrolled in, or has recently and successfully completed a substance abuse treatment program approved by the department; or
- (l) any other circumstance that the court determines should preclude reunification efforts or services.

(21) (a) The finding under Subsection (20)(b) shall be based on competent evidence from at least two

medical or mental health professionals, who are not associates, establishing that, even with the provision of services, the parent is not likely to be capable of adequately caring for the minor within 12 months after the day on which the court finding is made.

(b) A judge may disregard the provisions of Subsection (20)(k) if the court finds, under the circumstances of the case, that the substance abuse treatment described in Subsection (20)(k) is not warranted.

(22) In determining whether reunification services are appropriate, the court shall take into consideration:

(a) failure of the parent to respond to previous services or comply with a previous child and family plan;

(b) the fact that the minor was abused while the parent was under the influence of drugs or alcohol;

(c) any history of violent behavior directed at the child or an immediate family member;

(d) whether a parent continues to live with an individual who abused the minor;

(e) any patterns of the parent's behavior that have exposed the minor to repeated abuse;

(f) testimony by a competent professional that the parent's behavior is unlikely to be successful; and

(g) whether the parent has expressed an interest in reunification with the minor.

(23) (a) If reunification services are not ordered pursuant to Subsections (19) through (21), and the whereabouts of a parent become known within six months after the day on which the out-of-home placement of the minor is made, the court may order the division to provide reunification services.

(b) The time limits described in Subsections (2) through (18) are not tolled by the parent's absence.

(24) (a) If a parent is incarcerated or institutionalized, the court shall order reasonable services unless it determines that those services would be detrimental to the minor.

(b) In making the determination described in Subsection (24)(a), the court shall consider:

(i) the age of the minor;

(ii) the degree of parent-child bonding;

(iii) the length of the sentence;

(iv) the nature of the treatment;

(v) the nature of the crime or illness;

(vi) the degree of detriment to the minor if services are not offered;

(vii) for a minor 10 years of age or older, the minor's attitude toward the implementation of family reunification services; and

(viii) any other appropriate factors.

(c) Reunification services for an incarcerated parent are subject to the time limitations imposed in Subsections (2) through (18).

(d) Reunification services for an institutionalized parent are subject to the time limitations imposed in Subsections (2) through (18), unless the court determines that continued reunification services would be in the minor's best interest.

(25) If, pursuant to Subsections (20)(b) through (1), the court does not order reunification services, a permanency hearing shall be conducted within 30 days, in accordance with Section 78A-6-314.

Section 5. Section 78A-6-314 is amended to read:

78A-6-314. Permanency hearing -- Final plan -- Petition for termination of parental rights filed -- Hearing on termination of parental rights.

(1) (a) When reunification services have been ordered in accordance with Section 78A-6-312, with regard to a minor who is in the custody of the Division of Child and Family Services, a permanency hearing shall be held by the court no later than 12 months after the day on which the minor was initially removed from the minor's home.

(b) If reunification services were not ordered at the dispositional hearing, a permanency hearing shall be held within 30 days after the day on which the dispositional hearing ends.

(2) (a) If reunification services were ordered by the court in accordance with Section 78A-6-312, the court shall, at the permanency hearing, determine, consistent with Subsection (3), whether the minor may safely be returned to the custody of the minor's parent.

(b) If the court finds, by a preponderance of the evidence, that return of the minor to the minor's parent would create a substantial risk of detriment to the minor's physical or emotional well-being, the minor may not be returned to the custody of the minor's parent.

(c) Prima facie evidence that return of the minor to a parent or guardian would create a substantial risk of detriment to the minor is established if:

(i) the parent or guardian fails to:

(i) (A) participate in a court approved child and family plan;

(i) (B) comply with a court approved child and family plan in whole or in part; or

(i) (C) meet the goals of a court approved child and family plan; or

(ii) the child's natural parent:

(A) intentionally, knowingly, or recklessly causes the death of another parent of the child;

(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child.

(3) In making a determination under Subsection (2)(a), the court shall review and consider:

(a) the report prepared by the Division of Child and Family Services;

(b) any admissible evidence offered by the minor's guardian ad litem;

(c) any report submitted by the division under Subsection 78A-6-315(3)(a)(i);

(d) any evidence regarding the efforts or progress demonstrated by the parent; and

(e) the extent to which the parent cooperated and utilized the services provided.

(4) With regard to a case where reunification services were ordered by the court, if a minor is not returned to the minor's parent or guardian at the permanency hearing, the court shall, unless the time for the provision of reunification services is extended under Subsection (8):

(a) order termination of reunification services to the parent;

(b) make a final determination regarding whether termination of parental rights, adoption, or permanent custody and guardianship is the most appropriate final plan for the minor, taking into account the minor's primary permanency goal established by the court pursuant to Section 78A-6-312; and

(c) establish a concurrent plan that identifies the second most appropriate final plan for the minor.

(5) If the Division of Child and Family Services documents to the court that there is a compelling reason that adoption, reunification, guardianship, and a placement described in Subsection 78A-6-306(6)(e) are not in the minor's best interest, the court may order another planned permanent living arrangement, in accordance with federal law.

(6) If the minor clearly desires contact with the parent, the court shall take the minor's desire into consideration in determining the final plan.

(7) Except as provided in Subsection (8), the court may not extend reunification services beyond 12 months after the day on which the minor was initially removed from the minor's home, in accordance with the provisions of Section 78A-6-312.

(8) (a) Subject to Subsection (8)(b), the court may extend reunification services for no more than 90 days if the court finds, beyond a preponderance of the evidence, that:

(i) there has been substantial compliance with the child and family plan;

(ii) reunification is probable within that 90-day period; and

(iii) the extension is in the best interest of the minor.

(b) (i) Except as provided in Subsection (8)(c), the court may not extend any reunification services beyond 15 months after the day on which the minor was initially removed from the minor's home.

(ii) Delay or failure of a parent to establish paternity or seek custody does not provide a basis for the court to extend services for that parent beyond the 12-month period described in Subsection (7).

(c) In accordance with Subsection (8)(d), the court may extend reunification services for one additional 90-day period, beyond the 90-day period described in Subsection (8)(a), if:

(i) the court finds, by clear and convincing evidence, that:

(A) the parent has substantially complied with the child and family plan;

(B) it is likely that reunification will occur within the additional 90-day period; and

(C) the extension is in the best interest of the child;

(ii) the court specifies the facts upon which the findings described in Subsection (8)(c)(i) are based; and

(iii) the court specifies the time period in which it is likely that reunification will occur.

(d) A court may not extend the time period for reunification services without complying with the requirements of this Subsection (8) before the extension.

(e) In determining whether to extend reunification services for a minor, a court shall take into consideration the status of the minor siblings of the minor.

(9) The court may, in its discretion:

(a) enter any additional order that it determines to be in the best interest of the minor, so long as that order does not conflict with the requirements and provisions of Subsections (4) through (8); or

(b) order the division to provide protective supervision or other services to a minor and the minor's family after the division's custody of a minor has been terminated.

(10) If the final plan for the minor is to proceed toward termination of parental rights, the petition for termination of parental rights shall be filed, and a pretrial held, within 45 calendar days after the permanency hearing.

(11) (a) Any party to an action may, at any time, petition the court for an expedited permanency hearing on the basis that continuation of reunification efforts are inconsistent with the permanency needs of the minor.

(b) If the court so determines, it shall order, in accordance with federal law, that:

(i) the minor be placed in accordance with the permanency plan; and

(ii) whatever steps are necessary to finalize the permanent placement of the minor be completed as quickly as possible.

(12) Nothing in this section may be construed to:

(a) entitle any parent to reunification services for any specified period of time;

(b) limit a court's ability to terminate reunification services at any time prior to a permanency hearing; or

(c) limit or prohibit the filing of a petition for termination of parental rights by any party, or a hearing on termination of parental rights, at any time prior to a permanency hearing.

(13) (a) Subject to Subsection (13)(b), if a petition for termination of parental rights is filed prior to the date scheduled for a permanency hearing, the court may consolidate the hearing on termination of parental rights with the permanency hearing.

(b) For purposes of Subsection (13)(a), if the court consolidates the hearing on termination of parental rights with the permanency hearing:

(i) the court shall first make a finding regarding whether reasonable efforts have been made by the Division of Child and Family Services to finalize the permanency goal for the minor; and

(ii) any reunification services shall be terminated in accordance with the time lines described in Section 78A-6-312.

(c) A decision on a petition for termination of parental rights shall be made within 18 months from the day on which the minor is removed from the minor's home.

(14) If a court determines that a child will not be returned to a parent of the child, the court shall consider appropriate placement options inside and outside of the state.

This Subsection (4)(c) does not apply to a violation of Subsection (2)(g).

(d) (i) If the violation is of Subsection (4)(a)(xi):

(A) the person may be sentenced to imprisonment for an indeterminate term as provided by law, and the court shall additionally sentence the person convicted for a term of one year to run consecutively and not concurrently; and

(B) the court may additionally sentence the person convicted for an indeterminate term not to exceed five years to run consecutively and not concurrently; and

(ii) the penalties under this Subsection (4)(d) apply also to any person who, acting with the mental state required for the commission of an offense, directly or indirectly solicits, requests, commands, coerces, encourages, or intentionally aids another person to commit a violation of Subsection (4)(a)(xi).

(e) It is not a defense to a prosecution under this Subsection (4) that the actor mistakenly believed the individual to be 18 years of age or older at the time of the offense or was unaware of the individual's true age; nor that the actor mistakenly believed that the location where the act occurred was not as described in Subsection (4)(a) or was unaware that the location where the act occurred was as described in Subsection (4)(a).

(5) Any violation of this chapter for which no penalty is specified is a class B misdemeanor.

(6) For purposes of penalty enhancement under Subsections (1)(b) and (2)(c), a plea of guilty or no contest to a violation of this section which is held in abeyance under Title 77, Chapter 2a, Pleas in Abeyance, is the equivalent of a conviction, even if the charge has been subsequently reduced or dismissed in accordance with the plea in abeyance agreement.

(7) A person may be charged and sentenced for a violation of this section, notwithstanding a charge and sentence for a violation of any other section of this chapter.

(8) (a) Any penalty imposed for violation of this section is in addition to, and not in lieu of, any civil or administrative penalty or sanction authorized by law.

(b) Where violation of this chapter violates a federal law or the law of another state, conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state.

(9) In any prosecution for a violation of this chapter, evidence or proof which shows a person or persons produced, manufactured, possessed, distributed, or dispensed a controlled substance or substances, is prima facie evidence that the person or persons did so with knowledge of the character of the substance or substances.

(10) This section does not prohibit a veterinarian, in good faith and in the course of the veterinarian's professional practice only and not for humans, from prescribing, dispensing, or administering controlled substances or from causing the substances to be administered by an assistant or

orderly under the veterinarian's direction and supervision.

(11) Civil or criminal liability may not be imposed under this section on:

(a) any person registered under this chapter who manufactures, distributes, or possesses an imitation controlled substance for use as a placebo or investigational new drug by a registered practitioner in the ordinary course of professional practice or research; or

(b) any law enforcement officer acting in the course and legitimate scope of the officer's employment.

(b) In a prosecution alleging violation of this section regarding peyote as defined in Subsection 58-37-4(2)(a)(iii)(V), it is an affirmative defense that the peyote was used, possessed, or transported by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(c) (i) The defendant shall provide written notice of intent to claim an affirmative defense under this Subsection (12) as soon as practicable, but not later than 10 days prior to trial.

(ii) The notice shall include the specific claims of the affirmative defense.

(iii) The court may waive the notice requirement in the interest of justice for good cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

(d) The defendant shall establish the affirmative defense under this Subsection (12) by a preponderance of the evidence. If the defense is established, it is a complete defense to the charges.

(13) (a) It is an affirmative defense that the person produced, possessed, or administered a controlled substance listed in Section 58-37-4.2 if the person:

(i) was engaged in medical research; and

(ii) was a holder of a valid license to possess controlled substances under Section 58-37-6.

(b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed a controlled substance listed in Section 58-37-4.2.

(14) It is an affirmative defense that the person possessed, in the person's body, a controlled substance listed in Section 58-37-4.2 if:

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58-37-6; and

(b) the substance was administered to the person by the medical researcher.

(15) The application of any increase in penalty under this section to a violation of Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This Subsection (15) takes precedence over any conflicting provision of this section.

~~[(45)]~~ (16) If any provision of this chapter, or the application of any provision to any person or circumstances, is held invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

~~[(46)]~~ (17) A legislative body of a political subdivision may not enact an ordinance that is less restrictive than any provision of this chapter.

(2) Subject to Subsection (4), a notice to a party or another document required under applicable law in an insurance transaction or that serves as evidence of insurance coverage may be delivered, stored, and presented by electronic means if it meets the requirements of Title 46, Chapter 4, Uniform Electronic Transactions Act.

(3) Delivery of a notice or document in accordance with this section is considered equivalent to any delivery method required under applicable law.

(4) Subject to Subsection (5), a notice or document may be delivered by electronic means by an insurer to a party under this section if:

(a) the party has affirmatively consented to that method of delivery and has not withdrawn the consent;

(b) the party, before giving consent, is provided with a clear and conspicuous statement informing the party of:

(i) any right or option of the party to have the notice or document provided or made available in paper or another nonelectronic form;

(ii) the right of the party to withdraw consent to have a notice or document delivered by electronic means, including:

(7) This section does not affect requirements related to content or timing of any notice or document required under applicable law.

(8) If a provision of this title or applicable law requiring a notice or document to be provided to a party expressly requires verification or acknowledgment of receipt of the notice or document, the notice or document may be delivered by electronic means only if the method used provides for verification or acknowledgment of receipt.

(9) The legal effectiveness, validity, or enforceability of a contract or policy of insurance executed by a party may not be denied solely because of the failure to obtain electronic consent or confirmation of consent of the party in accordance with Subsection (4)(c)(ii).

(10) This section does not apply to or affect a notice or document delivered by an insurer in an electronic form before July 1, 2014, to a party who, before July 1, 2014, has consented to receive the notice or document in an electronic form otherwise allowed by law.

(1) ~~[Funds]~~ Money received or held by ~~[any]~~ a trust company as agent or fiduciary, whether for investment or distribution, shall be invested or distributed as soon as practicable as authorized under the instrument creating the account and may not be held uninvested any longer than is reasonably necessary.

(2) If the instrument creating an agency or fiduciary account contains provisions authorizing the trust company, its officers, or its directors to exercise their discretion in the matter of investments, ~~[funds]~~ money held in the trust account under that instrument may be invested only in those classes of securities which are approved by the directors of the trust company or a committee of directors appointed for that purpose. If a trust company acts in any agency or fiduciary capacity under appointment by a court of competent jurisdiction, it shall make and account for ~~[all]~~ the investments according to ~~[the provisions of]~~ Title 75, Utah Uniform Probate Code, unless the underlying instrument provides otherwise.

However, if the instrument creating the fiduciary or managing agency account expressly permits ~~[funds]~~ money to be deposited in the affiliated depository institution, the ~~[funds]~~ money may be so deposited without setting aside collateral securities as required under this section and deposits in the event of insolvency of the depository institution shall be treated as other general deposits are treated. (3) Any amount paid from the industrial bank's net earnings into a fund for the retirement of any debenture capital or preferred stock for the period covered by the dividend is considered an addition to its surplus fund if, upon the retirement of the debenture capital or preferred stock, the amount paid into the retirement fund for the period may be properly carried to the surplus fund of the industrial bank. 77-41-105, as enacted by Laws of Utah 2012, Chapter 145 and last amended by Coordination Clause, Laws of Utah 2012, Chapter 382

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 76-1-201 is amended to read:**76-1-201. Jurisdiction of offenses.**

(1) A person is subject to prosecution in this state for an offense which he commits, while either within or outside the state, by his own conduct or that of another for which he is legally accountable, if:

- (a) the offense is committed either wholly or partly within the state;
- (b) the conduct outside the state constitutes an attempt to commit an offense within the state;
- (c) the conduct outside the state constitutes a conspiracy to commit an offense within the state and an act in furtherance of the conspiracy occurs in the state; or
- (d) the conduct within the state constitutes an attempt, solicitation, or conspiracy to commit in another jurisdiction an offense under the laws of both this state and the other jurisdiction.

(2) An offense is committed partly within this state if either the conduct which is any element of the offense, or the result which is an element, occurs within this state.

(3) In homicide offenses, the "result" is either the physical contact which causes death or the death itself.

(a) If the body of a homicide victim is found within the state, the death shall be presumed to have occurred within the state.

(b) If jurisdiction is based on this presumption, this state retains jurisdiction unless the defendant proves by clear and convincing evidence that:

- (i) the result of the homicide did not occur in this state; and
- (ii) the defendant did not engage in any conduct in this state which is any element of the offense.

(4) (a) An offense which is based on an omission to perform a duty imposed by the law of this state is committed within the state regardless of the location of the offender at the time of the omission.

(b) For the purpose of establishing venue for a violation of Subsection 77-41-105(3) concerning sex offender registration, the offense is considered to be committed:

- (i) at the most recent registered primary residence of the offender, if the actual location of the offender at the time of the violation is not known; or
- (ii) at the location of the offender at the time the offender is apprehended.

(5) (a) If no jurisdictional issue is raised, the pleadings are sufficient to establish jurisdiction.

(b) The defendant may challenge jurisdiction by filing a motion before trial stating which facts exist that deprive the state of jurisdiction.

(c) The burden is upon the state to initially establish jurisdiction over the offense by a preponderance of the evidence by showing under the provisions of Subsections (1) through (4) that the offense was committed either wholly or partly within the borders of the state.

(d) If after the prosecution has met its burden of proof under Subsection (5)(c) the defendant claims that the state is deprived of jurisdiction or may not exercise jurisdiction, the burden is upon the defendant to prove by a preponderance of the evidence:

- (i) any facts claimed; and
- (ii) why those facts deprive the state of jurisdiction.

(6) Facts that deprive the state of jurisdiction or prohibit the state from exercising jurisdiction include the fact that the:

- (a) defendant is serving in a position that is entitled to diplomatic immunity from prosecution and that the defendant's country has not waived that diplomatic immunity;
- (b) defendant is a member of the armed forces of another country and that the crime that he is

alleged to have committed is one that due to an international agreement, such as a status of forces agreement between his country and the United States, cedes the exercise of jurisdiction over him for that offense to his country;

(c) defendant is an enrolled member of an Indian tribe, as defined in Section 9-9-101, and that the Indian tribe has a legal status with the United States or the state that vests jurisdiction in either tribal or federal courts for certain offenses committed within the exterior boundaries of a tribal reservation, and that the facts establish that the crime is one that vests jurisdiction in tribal or federal court; or

(d) offense occurred on land that is exclusively within federal jurisdiction.

(7) (a) The Legislature finds that identity fraud under Chapter 6, Part 11, Identity Fraud Act, involves the use of personal identifying information which is uniquely personal to the consumer or business victim of that identity fraud and which information is considered to be in lawful possession of the consumer or business victim wherever the consumer or business victim currently resides or is found.

(b) For purposes of Subsection (1)(a), an offense which is based on a violation of Chapter 6, Part 11, Identity Fraud Act, is committed partly within this state, regardless of the location of the offender at the time of the offense, if the victim of the identity fraud resides or is found in this state.

(8) The judge shall determine jurisdiction.

Section 2. Section 76-1-202 is amended to read:

76-1-202. Venue of actions.

(1) Criminal actions shall be tried in the county, district, or precinct where the offense is alleged to have been committed. In determining the proper place of trial, the following provisions shall apply:

(a) If the commission of an offense commenced outside the state is consummated within this state, the offender shall be tried in the county where the offense is consummated.

(b) When conduct constituting elements of an offense or results that constitute elements, whether the conduct or result constituting elements is in itself unlawful, shall occur in two or more counties, trial of the offense may be held in any of the counties concerned.

(c) If a person committing an offense upon the person of another is located in one county and his victim is located in another county at the time of the commission of the offense, trial may be held in either county.

(d) If a cause of death is inflicted in one county and death ensues in another county, the offender may be tried in either county.

(e) A person who commits an inchoate offense may be tried in any county in which any act that is

an element of the offense, including the agreement in conspiracy, is committed.

(f) Where a person in one county solicits, aids, abets, agrees, or attempts to aid another in the planning or commission of an offense in another county, he may be tried for the offense in either county.

(g) When an offense is committed within this state and it cannot be readily determined in which county or district the offense occurred, the following provisions shall be applicable:

(i) When an offense is committed upon any railroad car, vehicle, watercraft, or aircraft passing within this state, the offender may be tried in any county through which such railroad car, vehicle, watercraft, or aircraft has passed.

(ii) When an offense is committed on any body of water bordering on or within this state, the offender may be tried in any county adjacent to such body of water. The words "body of water" shall include but not be limited to any stream, river, lake, or reservoir, whether natural or man-made.

(iii) A person who commits theft may be tried in any county in which he exerts control over the property affected.

(iv) If an offense is committed on or near the boundary of two or more counties, trial of the offense may be held in any of such counties.

(v) For any other offense, trial may be held in the county in which the defendant resides, or, if he has no fixed residence, in the county in which he is apprehended or to which he is extradited.

(h) A person who commits an offense based on Chapter 6, Part 11, Identity Fraud Act, may be tried in the county:

(i) where the victim's personal identifying information was obtained;

(ii) where the defendant used or attempted to use the personally identifying information;

(iii) where the victim of the identity fraud resides or is found; or

(iv) if multiple offenses of identity fraud occur in multiple jurisdictions, in any county where the victim's identity was used or obtained, or where the victim resides or is found.

(i) For the purpose of establishing venue for a violation of Subsection 77-41-105(3) concerning sex offender registration, the offense is considered to be committed:

(i) at the most recent registered primary residence of the offender, if the actual location of the offender at the time of the violation is not known; or

(ii) at the location of the offender at the time the offender is apprehended.

(2) All objections of improper place of trial are waived by a defendant unless made before trial.

72-5-104, as last amended by Laws of Utah 2011, Chapter 341

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 72-5-104 is amended to read:**72-5-104. Public use constituting dedication -- Scope.**

(1) As used in this section, "highway," "street," or "road" does not include an area principally used as a parking lot.

(2) (a) A highway is dedicated and abandoned to the use of the public when it has been continuously used as a public thoroughfare for a period of 10 years.

(b) Dedication to the use of the public under Subsection (2) does not require an act of dedication or implied dedication by the property owner.

(3) The requirement of continuous use under Subsection (2) is satisfied if the use is as frequent as the public finds convenient or necessary and may be seasonal or follow some other pattern.

(4) Continuous use as a public thoroughfare under Subsection (2) is interrupted only when:

(a) the regularly established pattern and frequency of public use for the given road has

actually been interrupted for a period of no less than 24 hours to a degree that reasonably puts the traveling public on notice; or

(b) for interruptions by use of a [manned] barricade on or after May 10, 2011:

(i) if the person or entity interrupting the continuous use gives not less than 72 hours advance written notice of the interruption to the highway authority having jurisdiction of the highway, street, or road; and

(ii) the [manned] barricade is [maintained] in place for at least 24 consecutive hours, then an interruption will be deemed to have occurred.

(5) Installation of gates and posting of no trespassing signs are relevant forms of evidence but are not solely determinative of whether an interruption has occurred.

(6) If the highway authority having jurisdiction of the highway, street, or road demands that an interruption cease or that a barrier or barricade blocking public access be removed and the property owner accedes to the demand, the attempted interruption does not constitute an interruption under Subsection (4).

(7) (a) The burden of proving dedication under Subsection (2) is on the party asserting the dedication.

(b) The burden of proving interruption under Subsection (4) is on the party asserting the interruption.

(8) The dedication and abandonment creates a right-of-way held by the state in accordance with Sections 72-3-102, 72-3-104, 72-3-105, and 72-5-103.

(9) The scope of the right-of-way is that which is reasonable and necessary to ensure safe travel according to the facts and circumstances.

(10) (a) The provisions of this section apply to any claim under this section for which a court of competent jurisdiction has not issued a final unappealable judgment or order.

(b) The Legislature finds that the application of this section:

(i) does not enlarge, eliminate, or destroy vested rights; and

(ii) clarifies legislative intent in light of Utah Supreme Court rulings in *Wasatch County v. Okelberry*, 179 P.3d 768 (Utah 2008), *Town of Leeds v. Prisbrey*, 179 P.3d 757 (Utah 2008), and *Utah County v. Butler*, 179 P.3d 775 (Utah 2008).

(i) the claimant has a legal right, title, or interest in the property, and the right, title, or interest renders the order of forfeiture invalid in whole or in part because the right, title, or interest was vested in the claimant rather than the defendant or was superior to any right, title, or interest of the defendant at the time of the commission of the acts or conduct that gave rise to the forfeiture of the property under this section; or

(ii) the claimant acquired the right, title, or interest in the property in a bona fide transaction for value, and, at the time of acquisition, the claimant did not know that the property was subject to forfeiture.
