(b) The temporary regular license certificate or temporary limited-term license certificate shall be in the person's immediate possession while driving a motor vehicle, and it is invalid when the person's regular license certificate or limited-term license certificate has been issued or when, for good cause, the privilege has been refused.

(1) Prior to June 22 of each year, each local school board shall certify to the county legislative body in which the district is located, on forms prescribed by the State Tax Commission, the proposed tax rate approved by the local school board.

(2) A copy of the district's budget, including items under Section 53A-19-101, and a certified copy of

the local school board's resolution which approved the budget and set the tax rate for the subsequent school year beginning July 1 shall accompany the tax rate.

(3) If the tax rate approved by the board is in excess of the "certified tax rate" as defined under Subsection 59-2-924~~(3)~~(5)(a), the date for filing the tax rate and budget adopted by the board shall be that established under Section 59-2-919.

Section 157. Section 53A-16-113 is amended to read:

53A-16-113. Capital local levy -- First class county required levy -- Allowable uses of collected revenue.

(1) (a) Subject to the other requirements of this section, a local school board may levy a tax to fund the school district's capital projects.

(b) A tax rate imposed by a school district pursuant to this section may not exceed .0030 per dollar of taxable value in any calendar year.

(2) A school district that imposes a capital local levy in the calendar year beginning on January 1, 2012, is exempt from the public notice and hearing requirements of Section 59-2-919 if the school district budgets an amount of ad valorem property tax revenue equal to or less than the sum of the following amounts:

(a) the amount of revenue generated during the calendar year beginning on January 1, 2011, from the sum of the following levies of a school district:

(i) a capital outlay levy imposed under Section 53A-16-107; and

(ii) the portion of the 10% of basic levy described in Section 53A-17a-145 that is budgeted for debt service or capital outlay; and

(3) Beginning January 1, 2012, in order to qualify for receipt of the state contribution toward the minimum school program described in Section 53A-17a-103, a local school board in a county of the first class shall impose a capital local levy of at least .0006 per dollar of taxable value.

(4) (a) The county treasurer of a county of the first class shall distribute revenues generated by the .0006 portion of the capital local levy required in Subsection (2) to school districts within the county in accordance with Section 53A-16-114.

(b) If a school district in a county of the first class imposes a capital local levy pursuant to this section that exceeds .0006 per dollar of taxable value, the county treasurer shall distribute revenues generated by the portion of the capital local levy that exceeds .0006 to the school district imposing the levy.

(5) (a) Subject to Subsections (5)(b), (c), and (d), for fiscal year 2013-14, a local school board may utilize the proceeds of a maximum of .0024 per dollar of taxable value of the local school board's

(b) If a local school board uses the proceeds described in Subsection (5)(a) for general fund purposes, the local school board shall notify the public of the local school board's use of the capital local levy proceeds for general fund purposes:

Section 158. Section 53A-17a-133 is amended to read:

53A-17a-133. State-supported voted local levy authorized -- Election requirements -- State guarantee -- Reconsideration of the program.

(1) As used in this section, "voted and board local levy funding balance" means the difference between:

(a) the amount appropriated for the voted and board local levy program in a fiscal year; and

(b) the amount necessary to provide the state guarantee per weighted pupil unit as determined under this section and Section 53A-17a-164 in the same fiscal year.

(2) An election to consider adoption or modification of a voted local levy is required if initiative petitions signed by 10% of the number of electors who voted at the last preceding general election are presented to the local school board or by action of the board.

(3) (a) (i) To impose a voted local levy, a majority of the electors of a district voting at an election in the manner set forth in Subsections (9) and (10) must vote in favor of a special tax.

(ii) The tax rate may not exceed .002 per dollar of taxable value.

(b) Except as provided in Subsection (3)(c), in order to receive state support the first year, a district must receive voter approval no later than December 1 of the year prior to implementation.

(c) Beginning on or after January 1, 2012, a school district may receive state support in accordance

with Subsection (4) without complying with the requirements of Subsection (3)(b) if the local school board imposed a tax in accordance with this section during the taxable year beginning on January 1, 2011, and ending on December 31, 2011.

(4) (a) In addition to the revenue a school district collects from the imposition of a levy pursuant to this section, the state shall contribute an amount sufficient to guarantee \$33.27 per weighted pupil unit for each .0001 of the first .0016 per dollar of taxable value.

(b) The same dollar amount guarantee per weighted pupil unit for the .0016 per dollar of taxable value under Subsection (4)(a) shall apply to the portion of the board local levy authorized in Section 53A-17a-164, so that the guarantee shall apply up to a total of .002 per dollar of taxable value if a school district levies a tax rate under both programs.

(c) (i) Beginning July 1, 2015, the \$33.27 guarantee under Subsections (4)(a) and (b) shall be indexed each year to the value of the weighted pupil unit for the grades 1 through 12 program by making the value of the guarantee equal to .011194 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program.

(ii) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program for each succeeding year subject to the Legislature appropriating funds for an increase in the guarantee.

(d) (i) The amount of state guarantee money to which a school district would otherwise be entitled to receive under this Subsection (4) may not be reduced for the sole reason that the district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (4)(d)(i) applies for a period of five years following any such change in the certified tax rate.

(e) The guarantee provided under this section does not apply to the portion of a voted local levy rate that exceeds the voted local levy rate that was in effect for the previous fiscal year, unless an increase in the voted local levy rate was authorized in an election conducted on or after July 1 of the previous fiscal year and before December 2 of the previous fiscal year.

(f) (i) If a voted and board local levy funding balance exists for the prior fiscal year, the State Board of Education shall:

(A) use the voted and board local levy funding balance to increase the value of the state guarantee per weighted pupil unit described in Subsection (4)(c) in the current fiscal year; and

(B) distribute the state contribution to the voted and board local levy programs to school districts based on the increased value of the state guarantee

per weighted pupil unit described in Subsection (4)(f)(i)(A).

(ii) The State Board of Education shall report action taken under this Subsection (4)(f) to the Office of the Legislative Fiscal Analyst and the Governor's Office of Planning and Budget.

(5) (a) An election to modify an existing voted local levy is not a reconsideration of the existing authority unless the proposition submitted to the electors expressly so states.

(b) A majority vote opposing a modification does not deprive the district of authority to continue the levy.

(c) If adoption of a voted local levy is contingent upon an offset reducing other local school board levies, the board must allow the electors, in an election, to consider modifying or discontinuing the imposition of the levy prior to a subsequent increase in other levies that would increase the total local school board levy.

(d) Nothing contained in this section terminates, without an election, the authority of a school district to continue imposing an existing voted local levy previously authorized by the voters as a voted leeway program.

(6) Notwithstanding Section 59-2-919, a school district may budget an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section in addition to revenue from new growth as defined in Subsection 59-2-924~~(4)~~(1), without having to comply with the notice requirements of Section 59-2-919, if:

(a) the voted local levy is approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(b) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the school district complies with the requirements of Subsection (8).

(7) Notwithstanding Section 59-2-919, a school district may levy a tax rate under this section that exceeds the certified tax rate without having to comply with the notice requirements of Section 59-2-919 if:

(a) the levy exceeds the certified tax rate as the result of a school district budgeting an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section;

(b) the voted local levy was approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the school district seeks

to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(c) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the school district complies with requirements of Subsection (8).

(8) For purposes of Subsection (6)(b) or (7)(c), the proposition submitted to the electors regarding the adoption or modification of a voted local levy shall contain the following statement:

“A vote in favor of this tax means that (name of the school district) may increase revenue from this property tax without advertising the increase for the next five years.”

(9) (a) Before imposing a property tax levy pursuant to this section, a school district shall submit an opinion question to the school district’s registered voters voting on the imposition of the tax rate so that each registered voter has the opportunity to express the registered voter’s opinion on whether the tax rate should be imposed.

(b) The election required by this Subsection (9) shall be held:

(i) at a regular general election conducted in accordance with the procedures and requirements of Title 20A, Election Code, governing regular elections;

(ii) at a municipal general election conducted in accordance with the procedures and requirements of Section 20A-1-202; or

(iii) at a local special election conducted in accordance with the procedures and requirements of Section 20A-1-203.

(c) Notwithstanding the requirements of Subsections (9)(a) and (b), beginning on or after January 1, 2012, a school district may levy a tax rate in accordance with this section without complying with the requirements of Subsections (9)(a) and (b) if the school district imposed a tax in accordance with this section at any time during the taxable year beginning on January 1, 2011, and ending on December 31, 2011.

(10) If a school district determines that a majority of the school district’s registered voters voting on the imposition of the tax rate have voted in favor of the imposition of the tax rate in accordance with Subsection (9), the school district may impose the tax rate.

Section 159. Section 53A-17a-164 is amended to read:

(b) A tax rate imposed by a school district pursuant to this section may not exceed .0025 per dollar of taxable value in any calendar year if, during the calendar year beginning on January 1, 2011, the school district’s combined tax rate for the following levies was greater than .0018 per dollar of taxable value:

(b) (i) The amount of state guarantee money to which a school district would otherwise be entitled to under this Subsection (3) may not be reduced for the sole reason that the district’s levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (3)(b)(i) applies for a period of five years following any changes in the certified tax rate.

(4) A school district that imposes a board local levy in the calendar year beginning on January 1, 2012, is exempt from the public notice and hearing requirements of Section 59-2-919 if the school district budgets an amount of ad valorem property tax revenue equal to or less than the sum of the following amounts:

(1) A school district shall spend revenues only within the fund for which they were originally authorized, levied, collected, or appropriated.

(2) Except as otherwise provided in this section, school district interfund transfers of residual equity are prohibited.

(3) The State Board of Education may authorize school district interfund transfers of residual equity when a district states its intent to create a new fund or expand, contract, or liquidate an existing fund.

(4) The State Board of Education may also authorize school district interfund transfers of residual equity for a financially distressed district if the board determines the following:

(a) the district has a significant deficit in its maintenance and operations fund caused by circumstances not subject to the administrative decisions of the district;

(ii) may, as described in the solicitation, weight and score the management fee as a fixed rate or as a fixed percentage of the estimated contract value;

(iii) may, at any time after the opening of the responses to the request for proposals, have access to, and consider, the management fee proposed by the offerors; and

Section 36. Section 63G-6a-707.5 is amended to read:

63G-6a-707.5. Best and final offers.

(1) At any time during the evaluation process, the evaluation committee, with the approval of the director or the head of the issuing procurement unit, may:

(a) request best and final offers from responsible ~~[and] offerors who have submitted responsive [offerors] proposals that meet the minimum qualifications, evaluation criteria, or applicable score thresholds identified in the request for proposals, if:~~

(i) no single proposal addresses all the specifications stated in the request for proposals;

(ii) all or a significant number of the proposals are ambiguous on a material point and the evaluation committee requires further clarification in order to conduct a fair evaluation of proposals;

(iii) the evaluation committee needs additional information from all offerors to complete the evaluation of proposals;

(iv) the differences between proposals in one or more material aspects are too slight to allow the evaluation committee to distinguish between proposals;

(v) all cost proposals are too high or over budget; or

(vi) another reason exists supporting a request for best and final offers, as provided in rules established by the applicable rulemaking authority; and

(b) evaluate those best and final offers.

(2) In requesting and evaluating best and final offers under Subsection (1), the evaluation committee shall:

(a) ensure that each offeror receives fair and equal treatment with respect to the other offerors;

(b) establish a schedule and procedures for conducting discussions;

(c) ensure that information in each proposal and information gathered during discussions is not shared with other offerors until the contract is awarded;

(d) ensure that auction tactics are not used in the discussion process, including discussing and comparing the costs and features of other proposals; and

(e) set a common date and time for the submission of best and final offers.

(3) In a best and final offer, an offeror:

(a) may address only the issues described in the request for best and final offers; and

(b) may not correct a material error or deficiency in the offeror's proposal or address any other issue not described in the request for best and final offers.

~~(3)~~ (4) If an offeror chooses not to participate in a discussion or does not make a timely best and final offer, the offer submitted by the offeror before the conduct of discussions shall be treated as the offeror's best and final offer.

(5) An applicable rulemaking authority shall make rules governing best and final offers under this section.

Section 37. Section 63G-6a-708 is amended to read:

63G-6a-708. Justification statement -- Cost-benefit analysis.

(1) (a) In determining which proposal provides the best value to the procurement unit, the evaluation committee and the conducting procurement unit shall prepare a written justification statement that:

(i) explains the score assigned to each evaluation category;

(ii) explains how the proposal with the highest total combined score provides the best value to the procurement unit in comparison to the other proposals;

(iii) if applicable, includes the cost-benefit analysis described in Subsection (2) and how the cost-benefit analysis relates to the best value to the procurement unit; and

(iv) if applicable, includes the written determination described in Subsection (5).

(b) An explanation under Subsection (1)(a)(i) need not address each criterion within each category.

(2) If, in determining the best value to the procurement unit, the evaluation committee awards the highest score, including the score for cost, to a proposal other than the lowest cost proposal, and the difference between the cost of the highest scored proposal and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal, the evaluation committee and

the conducting procurement unit shall prepare an informal written cost-benefit analysis that:

(a) explains, in general terms, the advantage to the procurement unit of awarding the contract to the higher cost offeror; and

(b) except as provided in Subsection (5):

(i) includes the estimated added financial value to the procurement unit of each criterion that justifies awarding the contract to the higher cost offeror; and

(ii) demonstrates that the value of the advantage to the procurement unit of awarding the contract to the higher cost offeror exceeds the value of the difference between the cost of the higher cost proposal and the cost of the lower cost proposals.

(3) If the informal cost-benefit analysis described in Subsection (2) does not justify awarding the contract to the offeror that received the highest score, the issuing procurement unit:

(a) may not award the contract to the offeror that received the highest score; and

(b) may award the contract to the offeror that received the next highest score, unless:

(i) an informal cost-benefit analysis is required, because the difference between the cost proposed by the offeror that received the next highest score and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal; and

(ii) the informal cost-benefit analysis does not justify award of the contract to the offeror that received the next highest score.

(4) If the informal cost-benefit analysis described in Subsection (2) does not justify award of the contract to the offeror, described in Subsection (3), that received the next highest score, the issuing procurement unit:

(a) may not award the contract to the offeror that received the next highest score; and

(b) shall continue with the process described in Subsection (3) for each offeror that received the next highest score, until the issuing procurement unit:

(i) awards the contract in accordance with the provisions of this section; or

(ii) cancels the request for proposals.

(5) (a) The evaluation committee, with the issuing procurement unit's approval, may waive, in whole or in part, a requirement under Subsection (2)(b) if the evaluation committee determines in writing that assigning a financial value to a particular procurement item or evaluation criterion is not practicable.

(b) A written determination under Subsection (5)(a):

(i) shall explain:

(A) why it is not practicable to assign a financial value to the procurement item or evaluation criterion; and

(B) in nonfinancial terms, why awarding the contract to the higher cost offeror provides the best value to the procurement unit; and

(ii) may be included as part of the justification statement.

(6) (a) An issuing procurement unit is not required to make the cost-benefit analysis described in this section for a contract with a construction manager/general contractor if the contract is awarded based solely on the qualifications of the construction manager/general contractor and the management fee described in Subsection 63G-6a-707~~(6)~~(7).

(b) The applicable rulemaking authority shall make rules that establish procedures and criteria for awarding a contract described in Subsection 63G-6a-709(a) to ensure that:

(i) a competitive process is maintained; and

(ii) the contract awarded is in the best interest of the procurement unit.

Section 38. Section 63G-6a-709 is amended to read:

63G-6a-709. Award of contract -- Cancellation -- Rejection of proposal.

(1) After the completion of the evaluation and scoring of proposals and the justification statement, including any required cost-benefit analysis, the evaluation committee shall submit the proposals, evaluation scores, and justification statement to the head of the procurement unit or designee for review and final determination of a contract award.

(2) After reviewing the proposals, evaluation scores, and justification statement, including any required cost-benefit analysis, the head of the issuing procurement unit ~~or designee~~ shall:

(a) (i) award the contract as soon as practicable to ~~(i)~~ the ~~responsive and~~ responsible offeror with the responsive proposal receiving the highest total score; or

~~(ii) if, in accordance with Subsection (3), the procurement officer or the head of the issuing procurement unit disqualifies the offeror described in Subsection (2)(a)(i), the responsive and responsible offeror with the next highest total score; or~~

(ii) (A) if the head of the issuing procurement unit disqualifies an offeror under Subsection (3) who would otherwise have been awarded a contract, award the contract to the responsible offeror with the responsive proposal receiving the next highest total score; and

(B) if the head of the issuing procurement unit disqualifies an offeror under Subsection (3) who would otherwise have been awarded a contract under Subsection (2)(a)(ii)(A), repeat the process described in Subsection (2)(a)(ii)(A) as many times as necessary until a contract is awarded to a responsible offeror who is not disqualified; or

(b) cancel the request for proposals without awarding a contract.

~~(3) In accordance with Subsection (4), the procurement officer or the head of the issuing procurement unit may disqualify an offeror for:~~

~~[(a) a violation of this chapter;]~~

~~[(b) not being responsive or responsible;]~~

~~[(c) a violation of a requirement of the request for proposals;]~~

~~[(d) unlawful or unethical conduct; or]~~

~~[(e) a change in circumstance that, had the change been known at the time the proposal was submitted, would have caused the proposal to not have the highest score.]~~

(3) The head of an issuing procurement unit may reject a proposal if:

(a) the offeror who submitted the proposal:

(i) is not responsible;

(ii) is in violation of a provision of this chapter;

(iii) has engaged in unethical conduct; or

(iv) fails to sign a contract within:

(A) 90 days after the contract award, if no time is specified in the solicitation; or

(B) a time authorized in writing by the head of the issuing procurement unit;

(b) there is a change in the offeror's circumstances that, if the change had been known at the time the offeror's proposal was evaluated, would have caused the proposal not to have received the highest score; or

(c) the proposal:

(i) is not responsive; or

(ii) does not meet the mandatory minimum requirements, evaluation criteria, or applicable score thresholds stated in the solicitation.

(4) A ~~procurement officer or~~ head of an issuing procurement unit who ~~disqualifies an offeror~~ rejects a proposal under Subsection (3) shall:

(a) make a written finding, stating the reasons for ~~disqualification~~ the rejection; and

(b) provide a copy of the written finding to the ~~disqualified~~ offeror whose proposal is rejected.

(5) If an issuing procurement unit cancels a request for proposals without awarding a contract, the issuing procurement unit shall make available for public inspection a written justification for the cancellation.

(a) apply to all public officers and public employees[-]; and

(b) do not apply to a conflict of interest that exists between two or more government positions held by the same individual, unless the conflict of interest is also due to a personal interest of the individual that is not shared by the general public.

Utah Code Sections Affected:**AMENDS:**

31A-22-305.3, as last amended by Laws of Utah 2014, Chapters 290 and 300 and further amended by Revisor Instructions, Laws of Utah 2014, Chapters 290 and 300

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 31A-22-305.3 is amended to read:

31A-22-305.3. Underinsured motorist coverage.

(1) As used in this section:

(a) "Covered person" has the same meaning as defined in Section 31A-22-305.

(b) (i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term "underinsured motor vehicle" does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2); or

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured's spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person's spouse, or covered person's resident relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For purposes of this Subsection (3), "new policy" means:

(i) any policy that is issued that does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

~~[(a)]~~ (b) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that "underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance"; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

~~[(b)]~~ (c) Any selection or rejection under Subsection (3)~~[(a)]~~(b) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

~~[(e)]~~ (d) (i) Subsections (3)~~[(a)]~~(b) and ~~[(b)]~~ (c) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for

arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(~~(a)~~)(b) and (~~(b)~~) (c) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

~~[(d) For purposes of this Subsection (3), “new policy” means:]~~

~~[(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or]~~

~~[(ii) a change to an existing policy that results in:]~~

~~[(A) a named insured being added to or deleted from the policy; or]~~

~~[(B) a change in the limits of the named insured’s motor vehicle liability coverage.]~~

(e) (i) As used in this Subsection (3)(e), “additional motor vehicle” means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(~~(d)~~)(a).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured’s motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(~~(a)~~)(b)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(~~(d)~~)(a)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(~~(d)~~)(a) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(~~(d)~~)(a):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(~~(a)~~)(b) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity’s coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) \$10,000 for one person in any one accident; and

(ii) at least \$20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(~~(a)~~)(b) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured’s underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(~~(a)~~)(b)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured’s motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) Except as provided in Subsection (4)(b)(ii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(ii) (A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.

(B) Each parent's policy under this Subsection (4)(b)(ii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

(iii) A covered person's recovery under any available policies may not exceed the full amount of damages.

(iv) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a), (b), and (c) is secondary coverage.

(v) The primary and the secondary coverage may not be set off against the other.

(vi) A covered person as described under Subsection (4)(b)(i) is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(vii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(viii) (A) As used in this section, "interpolicy stacking" means recovering benefits for a single

incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) is secondary to the benefits provided by Title 34A, Chapter 2, Workers' Compensation Act;

(ii) may not be subrogated by a workers' compensation insurance carrier;

(iii) may not be reduced by benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the last liability policy payment.

(6) (a) ~~Within~~ Except as provided in Subsection (6)(d), within five business days after notification that all liability insurers have tendered ~~their liability~~ the liability insurers' policy limits, the underinsured carrier shall either:

(i) waive any subrogation claim the underinsured carrier may have against the person liable for the injuries caused in the accident; or

(ii) pay the insured an amount equal to the policy limits tendered by the liability carrier.

(b) If neither option is exercised under Subsection (6)(a), the subrogation claim is considered to be waived by the underinsured carrier.

(c) The notification under Subsection (6)(a) shall include:

(i) the name, address, and phone number for all liability insurers;

(ii) the liability insurers' liability policy limits; and

(iii) the claim number associated with each liability insurer.

(d) (i) A claimant may demand payment of policy limits from all liability insurers by sending notice to all applicable underinsured motorist insurers demanding payment.

(ii) The notice under Subsection (6)(d)(i) shall include the name, address, and claim number of all liability insurers from which the claimant has demanded policy limits.

(iii) The claimant shall send a copy of the notice to all liability insurers from which the claimant has demanded policy limits.

(e) Upon the liability insurer tendering limits to a claimant, the liability insurer shall provide notice of the tender to all underinsured motorist insurers for which the liability insurer received notice under Subsection (6)(d).

(f) If a claimant accepts the policy limits tender of each liability insurer, the liability insurer shall pay the claimant the accepted policy limits.

(g) (i) The subrogation rights of an underinsured motorist insurer are waived, unless:

(A) within five days of delivery of the notice of tender from the liability insurer, the underinsured motorist insurer affirmatively asserts the underinsured motorist insurer's rights to subrogation by delivering notice to the liability insurer of the underinsured motorist insurer's rights to subrogate; and

(B) the underinsured motorist insurer reimburses the liability insurer for the policy limits paid to the claimant.

(ii) If the subrogation rights of an underinsured motorist insurer are not waived under Subsection (6)(g)(i), any liability release signed by the claimant or the claimant's representative is rescinded.

(iii) A claimant's underinsured motorist coverage is preserved if the claimant provides notice to the underinsured motorist insurer as described in Subsection (6)(d).

(h) A person providing a notice required in this Subsection (6) shall deliver the notice by a service that provides proof of delivery.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which underinsured benefits are claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).

(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the underinsured motorist coverage carrier.

(d) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (8)(d)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (8)(d)(ii), the parties shall select a panel of three arbitrators.

(e) If the parties select a panel of three arbitrators under Subsection (8)(d)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (8)(e)(i) shall select one additional arbitrator to be included in the panel.

(f) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(d)(i); or

(ii) if an arbitration panel is selected under Subsection (8)(d)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(e)(ii).

(g) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section is governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(h) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (9)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(i) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.

(j) A written decision by a single arbitrator or by a majority of the arbitration panel constitutes a final decision.

(k) (i) Except as provided in Subsection (9), the amount of an arbitration award may not exceed the underinsured motorist policy limits of all applicable underinsured motorist policies, including applicable underinsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable underinsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined underinsured motorist policy limits of all applicable underinsured motorist policies.

(l) The arbitrator or arbitration panel may not decide an issue of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) an allegation or claim asserting consequential damages or bad faith liability.

(m) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(n) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the arbitration in good faith.

(o) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (8)(l) between the parties unless:

(i) the award is procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (8)(o)(ii)(A).

(p) (i) Upon filing a complaint for a trial de novo under Subsection (8)(o), a claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (8)(o)(ii)(A).

(q) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (8)(o), does not obtain a verdict that is at least \$5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(o), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (8)(q)(iv), the costs under this Subsection (8)(q) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (8)(q) may not exceed \$2,500 unless Subsection (9)(h)(iii) applies.

(r) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (8)(q), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(s) If a district court determines, upon a motion of the nonmoving party, that a moving party's use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(t) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy.

(u) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers.

(9) (a) Within 30 days after a covered person elects to submit a claim for underinsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier:

(i) a written demand for payment of underinsured motorist coverage benefits, setting forth:

(A) subject to Subsection (9)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and all other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health

care services to the covered person that are material to the claims for which the underinsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (9)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the underinsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (9)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the underinsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under

Subsection (9)(a)(ii) is reasonably necessary, the underinsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the underinsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the underinsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (9)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An underinsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of underinsured motorist benefits under Subsection (9)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (9)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (9)(a)(i);

(B) except as provided in Subsection (9)(c)(i)(C), tender the amount, if any, of the underinsured motorist carrier's determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the underinsured motorist carrier's determination of the amount owed to the covered person less:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the underinsured motorist carrier under Subsection (9)(c)(i) is the total amount of the underinsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an underinsured motorist carrier as provided for in Subsection (9)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (9)(c)(i) as payment in full of all underinsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (9)(c)(i) as partial payment of all underinsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (8)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (9)(c)(i) as partial payment of all underinsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the underinsured motorist carrier under Subsection (9)(c)(i).

(f) In an arbitration proceeding on the remaining underinsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (9)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of underinsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (9)(a)(i) and the underinsured motorist carrier's initial written response provided for in Subsection (9)(c)(i), the underinsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject underinsured motorist policy by more than \$15,000, the amount shall be reduced to an amount equal to the policy limits plus \$15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) the arbitrator or arbitration panel's fee; and

(C) the reasonable costs of expert witnesses and depositions used in the presentation of evidence during arbitration or litigation.

(h) (i) The covered person shall provide an affidavit of costs within five days of an arbitration award.

(ii) (A) Objection to the affidavit of costs shall specify with particularity the costs to which the underinsured motorist carrier objects.

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (9)(g)(ii) may not exceed \$5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for underinsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (9)(a).

(ii) If the information under Subsection (9)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (9)(g).

(j) This Subsection (9) does not limit any other cause of action that arose or may arise against the underinsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (9) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (9)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by Laws of Utah 2014, Chapter 290, Section 11, and Chapter 300, Section 11, to this Subsection (9)(l) and Subsection (9)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by Laws of Utah 2014, Chapter 290, Section 11, and Chapter 300, Section 11, under Subsections (9)(a)(ii)(A)(II) and (B)(II) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

53A-17a-133. State-supported voted local levy authorized -- Election requirements -- State guarantee -- Reconsideration of the program.

(1) As used in this section, "voted and board local levy funding balance" means the difference between:

- (a) the amount appropriated for the voted and board local levy program in a fiscal year; and
- (b) the amount necessary to provide the state guarantee per weighted pupil unit as determined under this section and Section 53A-17a-164 in the same fiscal year.

(2) An election to consider adoption or modification of a voted local levy is required if initiative petitions signed by 10% of the number of electors who voted at the last preceding general election are presented to the local school board or by action of the board.

(3) (a) (i) To impose a voted local levy, a majority of the electors of a district voting at an election in the manner set forth in Subsections (9) and (10) must vote in favor of a special tax.

(ii) The tax rate may not exceed .002 per dollar of taxable value.

(b) Except as provided in Subsection (3)(c), in order to receive state support the first year, a

district must receive voter approval no later than December 1 of the year prior to implementation.

(c) Beginning on or after January 1, 2012, a school district may receive state support in accordance with Subsection (4) without complying with the requirements of Subsection (3)(b) if the local school board imposed a tax in accordance with this section during the taxable year beginning on January 1, 2011 and ending on December 31, 2011.

(4) (a) In addition to the revenue a school district collects from the imposition of a levy pursuant to this section, the state shall contribute an amount sufficient to guarantee \$33.27 per weighted pupil unit for each .0001 of the first .0016 per dollar of taxable value.

(b) The same dollar amount guarantee per weighted pupil unit for the .0016 per dollar of taxable value under Subsection (4)(a) shall apply to the portion of the board local levy authorized in Section 53A-17a-164, so that the guarantee shall apply up to a total of .002 per dollar of taxable value if a school district levies a tax rate under both programs.

(c) (i) Beginning July 1, 2015, the \$33.27 guarantee under Subsections (4)(a) and (b) shall be indexed each year to the value of the weighted pupil unit for the grades 1 through 12 program by making the value of the guarantee equal to .011194 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program.

(ii) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program for each succeeding year subject to the Legislature appropriating funds for an increase in the guarantee.

(d) (i) The amount of state guarantee money to which a school district would otherwise be entitled to receive under this Subsection (4) may not be reduced for the sole reason that the district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (4)(d)(i) applies for a period of five years following any such change in the certified tax rate.

(e) The guarantee provided under this section does not apply to the portion of a voted local levy rate that exceeds the voted local levy rate that was in effect for the previous fiscal year, unless an increase in the voted local levy rate was authorized in an election conducted on or after July 1 of the previous fiscal year and before December 2 of the previous fiscal year.

(f) (i) If a voted and board local levy funding balance exists for the prior fiscal year, the State Board of Education shall:

(A) use the voted and board local levy funding balance to increase the value of the state guarantee per weighted pupil unit described in Subsection (4)(c) in the current fiscal year; and

(B) distribute the state contribution to the voted and board local levy programs to school districts

based on the increased value of the state guarantee per weighted pupil unit described in Subsection (4)(f)(i)(A).

(ii) The State Board of Education shall report action taken under this Subsection (4)(f) to the Office of the Legislative Fiscal Analyst and the Governor's Office of Planning and Budget.

(5) (a) An election to modify an existing voted local levy is not a reconsideration of the existing authority unless the proposition submitted to the electors expressly so states.

(b) A majority vote opposing a modification does not deprive the district of authority to continue the levy.

(c) If adoption of a voted local levy is contingent upon an offset reducing other local school board levies, the board must allow the electors, in an election, to consider modifying or discontinuing the imposition of the levy prior to a subsequent increase in other levies that would increase the total local school board levy.

(d) Nothing contained in this section terminates, without an election, the authority of a school district to continue imposing an existing voted local levy previously authorized by the voters as a voted leeway program.

(6) Notwithstanding Section 59-2-919, a school district may budget an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section in addition to revenue from eligible new growth as defined in [Subsection] Section 59-2-924[(4)], without having to comply with the notice requirements of Section 59-2-919, if:

(a) the voted local levy is approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(b) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the school district complies with the requirements of Subsection (8).

(7) Notwithstanding Section 59-2-919, a school district may levy a tax rate under this section that exceeds the certified tax rate without having to comply with the notice requirements of Section 59-2-919 if:

(a) the levy exceeds the certified tax rate as the result of a school district budgeting an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section;

(b) the voted local levy was approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(c) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the school district complies with requirements of Subsection (8).

(8) For purposes of Subsection (6)(b) or (7)(c), the proposition submitted to the electors regarding the adoption or modification of a voted local levy shall contain the following statement:

"A vote in favor of this tax means that (name of the school district) may increase revenue from this property tax without advertising the increase for the next five years."

(9) (a) Before imposing a property tax levy pursuant to this section, a school district shall submit an opinion question to the school district's registered voters voting on the imposition of the tax rate so that each registered voter has the opportunity to express the registered voter's opinion on whether the tax rate should be imposed.

(b) The election required by this Subsection (9) shall be held:

(i) at a regular general election conducted in accordance with the procedures and requirements of Title 20A, Election Code, governing regular elections;

(ii) at a municipal general election conducted in accordance with the procedures and requirements of Section 20A-1-202; or

(iii) at a local special election conducted in accordance with the procedures and requirements of Section 20A-1-203.

(c) Notwithstanding the requirements of Subsections (9)(a) and (b), beginning on or after January 1, 2012, a school district may levy a tax rate in accordance with this section without complying with the requirements of Subsections (9)(a) and (b) if the school district imposed a tax in accordance with this section at any time during the taxable year beginning on January 1, 2011, and ending on December 31, 2011.

(10) If a school district determines that a majority of the school district's registered voters voting on the imposition of the tax rate have voted in favor of the imposition of the tax rate in accordance with Subsection (9), the school district may impose the tax rate.

Section 6. Section 53A-17a-164 is amended to read:

53A-17a-164. Board local levy -- State guarantee.

(1) Subject to the other requirements of this section, for a calendar year beginning on or after January 1, 2012, a local school board may levy a tax to fund the school district's general fund.

(2) (a) Except as provided in Subsection (2)(b), a tax rate imposed by a school district pursuant to

this section may not exceed .0018 per dollar of taxable value in any calendar year.

Utah Code Sections Affected:**AMENDS:**

78B-2-308, as last amended by Laws of Utah 2015, Chapter 82

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 78B-2-308 is amended to read:**78B-2-308. Legislative findings -- Civil actions for sexual abuse of a child -- Window for revival of time barred claims.**

(1) The Legislature finds that:

(a) child sexual abuse is a crime that hurts the most vulnerable in our society and destroys lives;

(b) research over the last 30 years has shown that it takes decades for children and adults to pull their lives back together and find the strength to face what happened to them;

(c) often the abuse is compounded by the fact that the perpetrator is a member of the victim's family and when such abuse comes out, the victim is further stymied by the family's wish to avoid public embarrassment;

(d) even when the abuse is not committed by a family member, the perpetrator is rarely a stranger and, if in a position of authority, often brings pressure to bear on the victim to insure silence;

(e) in 1992, when the Legislature enacted the statute of limitations requiring victims to sue within four years of majority, society did not understand the long-lasting effects of abuse on the victim and that it takes decades for the healing necessary for a victim to seek redress;

(f) the Legislature, as the policy-maker for the state, may take into consideration advances in medical science and understanding in revisiting policies and laws shown to be harmful to the citizens of this state rather than beneficial; and

(g) the Legislature has the authority to change old laws in the face of new information, and set new policies within the limits of due process, fairness, and justice.

~~[(1)]~~ (2) As used in this section:

(a) "Child" means a person under 18 years of age.

(b) "Discovery" means when a person knows or reasonably should know that the injury or illness was caused by the intentional or negligent sexual abuse.

(c) "Injury or illness" means either a physical injury or illness or a psychological injury or illness. A psychological injury or illness need not be accompanied by physical injury or illness.

(d) "Molestation" means ~~[touching]~~ that a person, with the intent to arouse or gratify the sexual desire of any person:

(i) touches the anus, buttocks, or genitalia of any child, or the breast of a female child ~~[younger than 14 years of age, or otherwise taking];~~

(ii) takes indecent liberties with a child~~;~~ or ~~[causing]~~

(iii) causes a child to take indecent liberties with the perpetrator or another~~;~~ ~~[with the intent to arouse or gratify the sexual desire of any]~~ person.

(e) "Negligently" means a failure to act to prevent the child sexual abuse from further occurring or to report the child sexual abuse to law enforcement when the adult who could act knows or reasonably should know of the child sexual abuse and is the victim's parent, stepparent, adoptive parent, foster parent, legal guardian, ancestor, descendant, brother, sister, uncle, aunt, first cousin, nephew, niece, grandparent, stepgrandparent, or any person cohabiting in the child's home.

~~[(g)]~~ (f) "Perpetrator" means an individual who has committed an act of sexual abuse.

~~[(h)]~~ (g) "Sexual abuse" means acts or attempted acts of sexual intercourse, sodomy, or molestation by an adult directed towards a child.

~~[(f)]~~ (h) "[Person] Victim" means an individual who was intentionally or negligently sexually abused. It does not include individuals whose claims are derived through another individual who was sexually abused.

~~[(2)]~~ (3) (a) A ~~[person]~~ victim may file a civil action against a perpetrator for intentional or negligent sexual abuse suffered as a child at any time.

(b) A person victim may file a civil action against a non-perpetrator for intentional or negligent sexual abuse suffered as a child:

(i) within four years after the person attains the age of 18 years; or

(ii) if a person victim discovers sexual abuse only after attaining the age of 18 years, that person may bring a civil action for such sexual abuse within four years after discovery of the sexual abuse, whichever period expires later.

~~[(3)]~~ (4) The victim need not establish which act in a series of continuing sexual abuse incidents caused the injury complained of, but may compute the date of discovery from the date of discovery of the last act by the same perpetrator which is part of a common scheme or plan of sexual abuse.

~~[(4)]~~ (5) The knowledge of a custodial parent or guardian may not be imputed to a person under the age of 18 years.

~~[(5)]~~ (6) A civil action may be brought only against a living person who:

(a) intentionally perpetrated the sexual abuse;

(b) would be criminally responsible for the sexual abuse in accordance with Section 76-2-202; or

(c) negligently permitted the sexual abuse to occur.

(7) A civil action against a person listed in Subsection (6)(a) or (b) for sexual abuse that was time barred as of July 1, 2016, may be brought within 35 years of the victim's 18th birthday, or within three years of the effective date of this Subsection (7), whichever is longer.

(8) A civil action may not be brought as provided in Subsection (7) for:

(a) any claim that has been litigated to finality on the merits in a court of competent jurisdiction prior to July 1, 2016, however termination of a prior civil action on the basis of the expiration of the statute of limitations does not constitute a claim that has been litigated to finality on the merits; and

(b) any claim where a written settlement agreement was entered into between a victim and a defendant or perpetrator, unless the settlement agreement was the result of fraud, duress, or unconscionability. There is a rebuttable presumption that a settlement agreement signed by the victim when the victim was not represented by an attorney admitted to practice law in this state at the time of the settlement was the result of fraud, duress, or unconscionability.

(3) Except as otherwise provided in the segment's organizing resolution, a segment that satisfies the conditions described in Subsections (2)(a) through (e):

(a) is treated as a separate interlocal entity; and

(b) may:

(i) in its own name, contract, hold title to property, grant liens and security interests, and sue and be sued;

(ii) exercise all or any part of the powers, privileges, rights, authority, and capacity of the segment's associated entity; and

(iii) engage in any action in which the segment's associated entity may engage.

(b) assign a tax or other liability imposed against the segment to the segment's associated entity or to another segment established by the segment's associated entity if the assignment impairs a creditor's ability to collect the amount due when owed.

(8) If a segment and a segment's associated entity or another segment established by the segment's associated entity are involved in a joint action or have a common interest in a facility, the segment's or the segment's associated entity's maintenance of records and accounts related to the joint action or common interest does not constitute a violation of Subsection (2)(b) or (c).

(9) Except as otherwise provided in this part or where clearly not applicable, the provisions of law that apply to a segment's associated entity also apply to the segment, including Subsection

11-13-205(5), as if the segment were a separate legal or administrative entity.

(10) (a) To the extent an associated entity is a taxpayer as defined in Section 59-8-103, the associated entity shall pay tax on the associated entity's gross receipts at the rate of tax that would apply if all gross receipts of the associated entity and the associated entity's segments, in the aggregate, were the gross receipts of a single taxpayer.

(5) A notice of limitation on liabilities of a segment that is recorded in accordance with this part in the principal county of the segment's associated entity constitutes notice for all purposes of the limitation on liabilities of the segment, regardless of whether the segment is established at the time the notice is recorded.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 78B-6-2001 is enacted to read:**Part 20. Asbestos Bankruptcy Trust Claims
Transparency Act****78B-6-2001. Title.**

This part is referred to as the “Asbestos Bankruptcy Trust Claims Transparency Act.”

Section 2. Section 78B-6-2002 is enacted to read:**78B-6-2002. Legislative findings -- Purpose.**

(1) The Legislature finds that:

(a) approximately 100 employers have declared bankruptcy at least partially due to asbestos-related liability;

(b) these bankruptcies have resulted in a search for more solvent companies by claimants, resulting in over 10,000 companies being named as asbestos defendants, including many small- and

medium-sized companies, in industries that cover 85% of the United States economy;

(c) scores of trusts have been established in asbestos-related bankruptcy proceedings to form a multi-billion dollar asbestos bankruptcy trust compensation system outside of the tort system, and new asbestos trusts continue to be formed;

(d) asbestos claimants often seek compensation from solvent defendants in civil actions and trusts or claims facilities formed in asbestos-related bankruptcy proceedings;

(e) there is limited coordination and transparency between these two paths to recovery, which has resulted in the suppression of evidence in asbestos actions and potential fraud; and

(f) justice is promoted by transparency with respect to asbestos bankruptcy trust claims in civil asbestos actions.

(2) This part is enacted to:

(a) provide transparency with respect to asbestos bankruptcy trust claims in civil asbestos actions; and

(b) reduce the opportunity for fraud or suppression of evidence in asbestos actions.

(a) The sworn statement shall be provided no later than 120 days prior to the date set for trial for the asbestos action.

(b) For each asbestos trust claim or potential asbestos trust claim identified in the sworn statement, the statement shall include the name, address and contact information for the asbestos trust, the amount claimed or to be claimed by the plaintiff, the date the plaintiff filed the claim, the disposition of the claim and whether there has been a request to defer, delay, suspend, or toll the claim.

(c) The sworn statement shall include an attestation from the plaintiff, under penalties of perjury, that the sworn statement is complete and based on a good faith investigation of all potential claims against asbestos trusts.

(2) The plaintiff shall make available to all parties all trust claims materials for each asbestos trust claim that has been filed by the plaintiff or by anyone on the plaintiff's behalf against an asbestos trust, including any asbestos-related disease.

(2) If, in the disclosures required by Section 78B-6-2004, a plaintiff identifies a potential asbestos trust claim, the judge may stay the asbestos action until the plaintiff files the asbestos trust claim and provides all parties with all trust claims materials for the claim. Section 7. Section 78B-6-2007 is enacted to read:

(1) Not less than 90 days before trial, if a defendant identifies an asbestos trust claim not previously identified by the plaintiff that the defendant reasonably believes the plaintiff can file, the defendant shall meet and confer with plaintiff to discuss why defendant believes plaintiff has an additional asbestos trust claim. The defendant may move the court for an order to require the plaintiff to file the asbestos trust claim after the meeting. The defendant shall produce or describe the documentation it possesses or is aware of in support of the motion.

(2) Within 10 days of receiving the defendant's motion under Subsection (1), the plaintiff shall, for each asbestos trust claim identified by the defendant, do one of the following:

- (b) file a written response with the court setting forth the reasons why there is insufficient evidence for the plaintiff to file the asbestos trust claim; or
- (c) file a written response with the court requesting a determination that the plaintiff's expenses or attorney's fees and expenses to prepare and file the asbestos trust claim identified in the defendant's motion exceed the plaintiff's reasonably anticipated recovery from the trust.

(3) (a) If the court determines that there is a sufficient basis for the plaintiff to file the asbestos trust claim identified by the defendant, the court shall order the plaintiff to file the asbestos trust claim and shall stay the asbestos action until the plaintiff files the asbestos trust claim and provides all parties with all trust claims materials no later than 30 days before trial.

(b) If the court determines that the plaintiff's expenses or attorney's fees and expenses to prepare and file the asbestos trust claim identified in the defendant's motion exceed the plaintiff's reasonably anticipated recovery from the asbestos trust, the court shall stay the asbestos action until the plaintiff files with the court and provides all parties with a verified statement of the plaintiff's history of exposure, usage or other connection to asbestos covered by the asbestos trust.

(d) “Utah solar incentive program” means the eligible utility rooftop solar pilot program established by commission order in 2012.

(2) (a) As provided in this section, the commission may approve a tariff under which an electrical corporation includes a line item charge on ~~its~~ the electrical corporation’s customers’ bills to recover costs incurred by the electrical corporation for demand side management.

(b) The commission shall authorize a large-scale electric utility that is allowed to charge a customer for demand side management under Subsection (2)(a) to:

(i) if requested by the large-scale electric utility, capitalize the annual costs incurred for demand side management provided in Subsection (2)(a);

(ii) amortize the annual cost for demand side management over a period of 10 years;

(iii) apply a carrying charge to the unamortized balance that is equal to the large-scale electric utility’s pretax weighted average cost of capital approved by the commission in the large-scale electric utility’s most recent general rate proceeding; and

(iv) recover the amortization cost described in Subsection (2)(b)(ii) and the carrying charge described in Subsection (2)(b)(iii) in customer rates.

(3) The commission shall, before January 1, 2017, authorize a large-scale electric utility to implement a combined line item charge on the large-scale electric utility’s customers’ bills to recover the cost to the large-scale electric utility of:

(ii) The commission may not consider the existence of the regulatory liability described in Subsection (5)(a)(ii) in a determination to accelerate depreciation under Subsection (5)(b)(i).

(c) The commission shall allow the large-scale electric utility to apply a carrying charge to the regulatory liability described in Subsection (5)(a)(ii) in an amount equal to the large-scale electric utility's pretax average weighted cost of capital approved by the commission in the large-scale electric utility's most recent general rate proceeding.

(d) The commission may allow a large-scale electric utility to use the regulatory liability carrying charge described in Subsection (5)(c) to offset the carrying charge described in Subsection (2)(b)(iii).

(e) The large-scale electric utility shall apply the carrying charge described in Subsection (5)(c) to funds that a large-scale electric utility is authorized to use to depreciate thermal generation plant under Subsection (5)(a) until the reduction in the large-scale electric utility's rate base associated with the thermal generation plant depreciation for which the funds are used is reflected in the large-scale electric utility's customers' rates.

(f) If the commission determines that funds established in the regulatory liability under Subsection (5)(a) are no longer needed for the purpose of depreciating thermal generation plant, the large-scale electric utility shall use the balance of the funds in the regulatory liability to offset the capitalized demand side management costs described in Subsection (2)(b)(i).

(6) (a) During the pilot program period, of the funds a large-scale electric utility collects via the line item charge described in Subsection (3), the commission shall authorize the large-scale electric utility to allocate on an annual basis:
