(b) If the cause of action is discovered or discoverable before completion ~~[of the improvement]~~ or abandonment of ~~[construction]~~ an improvement, the two-year period begins to run upon completion or abandonment.

~~[(4)]~~ (c) Notwithstanding Subsection ~~[(3)(b)]~~ (4)(a), and except as provided in Subsection (4)(d), an action under this Subsection (4) may not be commenced against a provider more than nine years after completion ~~[of the improvement]~~ or abandonment of ~~[construction]~~ an improvement. ~~[In the event the cause of action]~~

(d) If an action under Subsection (4)(a) is discovered or discoverable in the eighth or ninth year of the nine-year period, ~~[the injured person]~~ a claimant shall have two ~~[additional]~~ years from ~~[that]~~ the date of discovery to commence an action.

(5) Subsection (4) does not apply to an action against a provider:

(7) This section shall not apply to an action for the death of or bodily injury to an individual while engaged in the design, installation, or construction of an improvement.

(8) ~~[The time limitation imposed by this]~~ This section does not apply to any action against any

person in actual possession or control of the improvement as owner, tenant, or otherwise, at the time any defective or unsafe condition of the improvement proximately causes the injury for which the action is brought.

(9) This section does not extend the period of limitation or repose otherwise prescribed by law or a valid and enforceable contract.

(10) This section does not create or modify any claim or cause of action.

(11) This section applies to all causes of action that accrue after May 3, 2003, notwithstanding that the improvement was completed or abandoned before May 3, 2004.

(d) (i) If the violation is of Subsection (4)(a)(ix):

(A) the person may be sentenced to imprisonment for an indeterminate term as provided by law, and the court shall additionally sentence the person convicted for a term of one year to run consecutively and not concurrently; and

equivalent of a conviction, even if the charge has been subsequently reduced or dismissed in accordance with the plea in abeyance agreement.

(b) A prior conviction used for a penalty enhancement under Subsection (2) shall be a conviction that is:

(i) from a separate criminal episode than the current charge; and

(8) (a) A penalty imposed for violation of this section is in addition to, and not in lieu of, a civil or administrative penalty or sanction authorized by law.

(b) When a violation of this chapter violates a federal law or the law of another state, conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state.

(b) In a prosecution alleging violation of this section regarding peyote as defined in Section 58-37-4, it is an affirmative defense that the peyote was used, possessed, or transported by an Indian for

bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(c) (i) The defendant shall provide written notice of intent to claim an affirmative defense under this Subsection (12) as soon as practicable, but not later than 10 days before trial.

(ii) The notice shall include the specific claims of the affirmative defense.

(iii) The court may waive the notice requirement in the interest of justice for good cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

(d) The defendant shall establish the affirmative defense under this Subsection (12) by a preponderance of the evidence. If the defense is established, it is a complete defense to the charges.

(13) (a) It is an affirmative defense that the person produced, possessed, or administered a controlled substance listed in Section 58-37-4.2 if the person was:

(i) engaged in medical research; and

(ii) a holder of a valid license to possess controlled substances under Section 58-37-6.

(b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed a controlled substance listed in Section 58-37-4.2.

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58-37-6; and

(b) the substance was administered to the person by the medical researcher.

(15) The application of any increase in penalty under this section to a violation of Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This Subsection (15) takes precedence over any conflicting provision of this section.

(16) (a) It is an affirmative defense to an allegation of the commission of an offense listed in Subsection (16)(b) that the person:

(i) reasonably believes that the person or another person is experiencing an overdose event due to the ingestion, injection, inhalation, or other introduction into the human body of a controlled substance or other substance;

(ii) reports in good faith the overdose event to a medical provider, an emergency medical service provider as defined in Section 26-8a-102, a law enforcement officer, a 911 emergency call system, or an emergency dispatch system, or the person is the subject of a report made under this Subsection (16);

(iii) provides in the report under Subsection (16)(a)(ii) a functional description of the actual location of the overdose event that facilitates responding to the person experiencing the overdose event;

(iv) remains at the location of the person experiencing the overdose event until a responding law enforcement officer or emergency medical service provider arrives, or remains at the medical care facility where the person experiencing an overdose event is located until a responding law enforcement officer arrives;

(v) cooperates with the responding medical provider, emergency medical service provider, and law enforcement officer, including providing information regarding the person experiencing the overdose event and any substances the person may have injected, inhaled, or otherwise introduced into the person's body; and

(vi) is alleged to have committed the offense in the same course of events from which the reported overdose arose.

(c) As used in this Subsection (16) and in Section 76-3-203.11, "good faith" does not include seeking medical assistance under this section during the course of a law enforcement agency's execution of a search warrant, execution of an arrest warrant, or other lawful search.

(17) If any provision of this chapter, or the application of any provision to any person or circumstances, is held invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

(18) A legislative body of a political subdivision may not enact an ordinance that is less restrictive than any provision of this chapter.

(19) If a minor who is under 18 years of age is found by a court to have violated this section, the court may order the minor to complete:

(a) a screening as defined in Section 41-6a-501;

(b) an assessment as defined in Section 41-6a-501 if the screening indicates an assessment to be appropriate; and

Subsection (12) as soon as practicable, but not later than 10 days before trial.

(1) Before a perpetrator who has been convicted of a domestic violence offense may be placed on probation, the court shall consider the safety and protection of the victim and any member of the victim's family or household.

(2) The court may condition probation or a plea in abeyance on the perpetrator's compliance with a sentencing protective order that includes:

(a) an order enjoining the perpetrator from threatening to commit or committing acts of domestic violence against the victim or other family or household member;

(b) an order prohibiting the perpetrator from harassing, telephoning, contacting, or otherwise communicating with the victim, directly or indirectly;

(e) an order directing the perpetrator to surrender any weapons the perpetrator owns or possesses; and

(f) an order imposing any other condition necessary to protect the victim and any other designated family or household member or to rehabilitate the perpetrator.

(3) (a) Because of the serious, unique, and highly traumatic nature of domestic violence crimes, the high recidivism rate of violent offenders, and the demonstrated increased risk of continued acts of violence subsequent to the release of a perpetrator who is convicted of domestic violence, it is the finding of the Legislature that domestic violence crimes warrant the issuance of continuous protective orders under this Subsection (3) because of the need to provide ongoing protection for the victim and to be consistent with the purposes of protecting victims' rights under Title 77, Chapter 37, Victims' Rights, and Title 77, Chapter 38, Rights of Crime Victims Act, and Article I, Section 28 of the Utah Constitution.

(b) If a perpetrator is convicted of a domestic violence offense resulting in a sentence of

imprisonment, including jail, that is to be served after conviction, the court shall issue a continuous protective order at the time of the conviction or sentencing limiting the contact between the perpetrator and the victim unless the court determines by clear and convincing evidence that the victim does not have a reasonable fear of future harm or abuse.

(ii) an order prohibiting the perpetrator from harassing, telephoning, contacting, or otherwise communicating with the victim, directly or indirectly;

(v) any other order the court considers necessary to fully protect the victim and members of the victim's family or other household member.

(4) A continuous protective order may be modified or dismissed only if the court determines by clear and convincing evidence that all requirements of Subsection (3) have been met and the victim does not have a reasonable fear of future harm or abuse.

(5) In addition to the process of issuing a continuous protective order described in Subsection (3), a district court may issue a continuous protective order at any time if the victim files a petition with the court, and after notice and hearing the court finds that a continuous protective order is necessary to protect the victim.

**Section 65. Section 78B-7-805 is enacted to read:**

(e) an order directing the perpetrator to surrender any weapons the perpetrator owns or possesses; and

(f) an order imposing any other condition necessary to protect the victim and any other designated family or household member or to rehabilitate the perpetrator.

(3) (a) If a perpetrator is convicted of an offense that is not domestic violence resulting in a sentence of imprisonment that is to be served after conviction, the court may issue a continuous protective order at the time of the conviction or sentencing limiting the contact between the perpetrator and the victim if the court determines by clear and convincing evidence that the victim has a reasonable fear of future harm or abuse.

(b) (i) The court shall notify the perpetrator of the right to request a hearing.

(ii) If the perpetrator requests a hearing under this Subsection (3), the court shall hold the hearing at the time determined by the court and the continuous protective order shall be in effect while the hearing is being scheduled and while the hearing is pending.

(c) A continuous protective order is permanent in accordance with this Subsection (3)(c) and may include any order described in Subsection 78B-7-804(3)(c).

- (a) the named insured;
- (b) for a claim arising on or after May 13, 2014, the named insured's dependent minor children;
- (c) persons related to the named insured by blood, marriage, adoption, or guardianship, who are residents of the named insured's household, including those who usually make their home in the same household but temporarily live elsewhere;
- (d) any person occupying or using a motor vehicle:
  - (i) referred to in the policy; or
  - (ii) owned by a self-insured; and
- (e) any person who is entitled to recover damages against the owner or operator of the uninsured or

underinsured motor vehicle because of bodily injury to or death of persons under Subsection (1)(a), (b), (c), or (d).

(2) As used in this section, "uninsured motor vehicle" includes:

- (a) (i) a motor vehicle, the operation, maintenance, or use of which is not covered under a liability policy at the time of an injury-causing occurrence; or
- (ii) (A) a motor vehicle covered with lower liability limits than required by Section 31A-22-304; and  
 (B) the motor vehicle described in Subsection (2)(a)(ii)(A) is uninsured to the extent of the deficiency;
- (b) an unidentified motor vehicle that left the scene of an accident proximately caused by the motor vehicle operator;
- (c) a motor vehicle covered by a liability policy, but coverage for an accident is disputed by the liability insurer for more than 60 days or continues to be disputed for more than 60 days; or
- (d) (i) an insured motor vehicle if, before or after the accident, the liability insurer of the motor vehicle is declared insolvent by a court of competent jurisdiction; and  
 (ii) the motor vehicle described in Subsection (2)(d)(i) is uninsured only to the extent that the claim against the insolvent insurer is not paid by a guaranty association or fund.

(3) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, disease, or death.

(4) (a) For new policies written on or after January 1, 2001, the limits of uninsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

- (i) is filed with the department;
- (ii) is provided by the insurer;
- (iii) waives the higher coverage;

(iv) need only state in this or similar language that uninsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has no liability insurance; and

(v) discloses the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits

available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under this Subsection (4) continues for that issuer of the liability coverage until the insured requests, in writing, a change of uninsured motorist coverage from that liability insurer.

(c) (i) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), "new policy" means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) (i) As used in this Subsection (4)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (4)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where uninsured motorist coverage has been rejected, or where uninsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner as described in Subsection (4)(a)(iv), explains the purpose of uninsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (4)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (4):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).

(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that issuer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least \$25,000 per person and \$500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by the workers' compensation insurance carrier;

(iii) may not be reduced by any benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by

clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b)(ii).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a), (b), and (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person's spouse; or

(C) to the covered person's resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and

(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

- (I) to the covered person;
- (II) to the covered person's resident parent; or
- (III) to the covered person's resident sibling.

(ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (9)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (9).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (9)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(l) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(m) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

- (i) whether the claimant is a covered person;
- (ii) whether the policy extends coverage to the loss; or
- (iii) any allegations or claims asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(m) between the parties unless:

- (i) the award was procured by corruption, fraud, or other undue means;
- (ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (9)(p), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least \$5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(r)(iv), the costs under this Subsection (9)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(r) may not exceed \$2,500 unless Subsection (10)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

- (i) was not fully disclosed in writing prior to the arbitration proceeding; or
- (ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that the moving party's use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(v) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

(A) subject to Subsection (10)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or

arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);

(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person less:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment

made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than \$15,000, the amount shall be reduced to an amount equal to the policy limits plus \$15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) the arbitrator or arbitration panel's fee; and

(C) the reasonable costs of expert witnesses and depositions used in the presentation of evidence during arbitration or litigation.

(h) (i) The covered person shall provide an affidavit of costs within five days of an arbitration award.

(ii) (A) Objection to the affidavit of costs shall specify with particularity the costs to which the uninsured motorist carrier objects.

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed \$5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to Subsections (10)(a)(ii)(A)(II) and (B)(II) apply to any claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(11) (a) Notwithstanding Section 31A-21-313, an action on a written policy or contract for uninsured motorist coverage shall be commenced within four years after the inception of loss.

(b) Subsection (11)(a) shall apply to all claims that have not been time barred by Subsection 31A-21-313(1)(a) as of May 14, 2019.

**Section 2. Section 31A-22-305.3 is amended to read:**

**31A-22-305.3. Underinsured motorist coverage.**

(1) As used in this section:

(a) "Covered person" has the same meaning as defined in Section 31A-22-305.

(b) (i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term "underinsured motor vehicle" does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2);

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured's spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an

underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person's spouse, or covered person's covered relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For purposes of this Subsection (3), "new policy" means:

(i) any policy that is issued that does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(b) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that "underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance"; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(c) Any selection or rejection under Subsection (3)(b) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

(d) (i) Subsections (3)(b) and (c) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(b) and (c) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(e) (i) As used in this Subsection (3)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(a).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(b)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(a)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(a) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(a):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(b) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) \$10,000 for one person in any one accident; and

(ii) at least \$20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(b) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured's underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(b)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) A covered person injured as a pedestrian by an underinsured motor vehicle may recover underinsured motorist benefits under any one other policy in which they are described as a covered person.

(ii) Except as provided in Subsection (4)(b)(~~(iii)~~)(iii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

~~(iii)~~ (iii) (A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.

(B) Each parent's policy under this Subsection (4)(b)(~~(iii)~~)(iii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

~~(iii)~~ (iv) A covered person's recovery under any available policies may not exceed the full amount of damages.

~~(iv)~~ (v) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a), (b), and (c) is secondary coverage.

~~(v)~~ (vi) The primary and the secondary coverage may not be set off against the other.

~~(vi)~~ (vii) A covered person as described under Subsection (4)(b)(i) or is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

~~(vii)~~ (viii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

~~(viii)~~ (ix) (A) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers'

Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by a workers' compensation insurance carrier;

(iii) may not be reduced by benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the last liability policy payment.

(6) An underinsured motorist insurer does not have a right of reimbursement against a person liable for the damages resulting from an injury-causing occurrence if the person's liability insurer has tendered the policy limit and the limits have been accepted by the claimant.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which underinsured benefits are claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that if the policy under

which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).

(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the underinsured motorist coverage carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (8)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (8).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (8)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (8)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (8)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (8)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (8)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section is governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (9)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of underinsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel constitutes a final decision.

(l) (i) Except as provided in Subsection (9), the amount of an arbitration award may not exceed the underinsured motorist policy limits of all applicable underinsured motorist policies, including applicable underinsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable underinsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined underinsured motorist policy limits of all applicable underinsured motorist policies.

(m) The arbitrator or arbitration panel may not decide an issue of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) an allegation or claim asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the arbitration in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (8)(m) between the parties unless:

(i) the award is procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (8)(p), a claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury

trial with a complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least \$5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (8)(r)(iv), the costs under this Subsection (8)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (8)(r) may not exceed \$2,500 unless Subsection (9)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (8)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that a moving party's use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy.

(v) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers.

(9) (a) Within 30 days after a covered person elects to submit a claim for underinsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier:

(i) a written demand for payment of underinsured motorist coverage benefits, setting forth:

(A) subject to Subsection (9)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and all other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which the underinsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (9)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the underinsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (9)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the underinsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (9)(a)(ii) is reasonably necessary, the underinsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the underinsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the underinsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (9)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An underinsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of underinsured motorist benefits under Subsection (9)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (9)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (9)(a)(i);

(B) except as provided in Subsection (9)(c)(i)(C), tender the amount, if any, of the underinsured motorist carrier's determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the underinsured motorist carrier's determination of the amount owed to the covered person less:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the underinsured motorist carrier under Subsection (9)(c)(i) is the total amount of the underinsured motorist policy

limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an underinsured motorist carrier as provided for in Subsection (9)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (9)(c)(i) as payment in full of all underinsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (9)(c)(i) as partial payment of all underinsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (8)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (9)(c)(i) as partial payment of all underinsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the underinsured motorist carrier under Subsection (9)(c)(i).

(f) In an arbitration proceeding on the remaining underinsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (9)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of underinsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (9)(a)(i) and the underinsured motorist carrier's initial written response provided for in Subsection (9)(c)(i), the underinsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject underinsured motorist policy by more than \$15,000, the amount shall be reduced to an amount equal to the policy limits plus \$15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) the arbitrator or arbitration panel's fee; and

(h) (i) The covered person shall provide an affidavit of costs within five days of an arbitration award.

(ii) (A) Objection to the affidavit of costs shall specify with particularity the costs to which the underinsured motorist carrier objects.

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (9)(g)(ii) may not exceed \$5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for underinsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (9)(a).

(ii) If the information under Subsection (9)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (9)(g).

(j) This Subsection (9) does not limit any other cause of action that arose or may arise against the underinsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (9) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (9)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by Laws of Utah 2014, Chapter 290, Section 11, and Chapter 300, Section 11, to this Subsection (9)(l) and Subsection (9)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by Laws of Utah 2014, Chapter 290, Section 11, and Chapter 300, Section 11, under Subsections (9)(a)(ii)(A)(II) and (B)(II) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

~~[(1) If at the time of sentencing the court, having regard to the nature and circumstances of the offense of which the defendant was found guilty and to the history and character of the defendant, and after having given any victims present at the sentencing and the prosecuting attorney an opportunity to be heard, concludes it would be unduly harsh to record the conviction as being for that degree of offense established by statute, the court may enter a judgment of conviction for the next lower degree of offense and impose sentence accordingly.]~~

~~[(3)]~~ (4) (a) An offense may be reduced only one degree under this section, whether the reduction is entered under Subsection ~~[(1)]~~ (2) or ~~[(2)]~~ (3), unless the ~~[prosecutor]~~ prosecuting attorney specifically agrees in writing or on the court record that the offense may be reduced two degrees.

(b) subject to the approval of the court, amend an information, as part of a plea agreement, to charge an individual for an offense under Subsections 76-3-103(1)(b) through (d), Subsection 76-3-103(2), or Section 76-3-104 with a classification of the offense at one degree lower than the classification that is provided in statute.

(2) A court may:

(a) enter a judgment of conviction for an offense filed under Subsection (1) at one degree lower than classified in statute; and

(b) impose a sentence for the offense filed under Subsection (1) at one degree lower than classified in statute.

(3) A conviction of an offense at one degree lower than classified in statute under Subsection (2) does not affect the requirements for registration of the offense under Title 77, Chapter 41, Sex and Kidnap Offender Registry, or Title 77, Chapter 43, Child Abuse Offender Registry, if the elements of the offense for which the defendant is convicted are the same as the elements of an offense described in Section 77-41-102 or 77-43-102.

(4) This section does not preclude an individual from obtaining and being granted an expungement for the individual's record in accordance with Title 77, Chapter 40, Utah Expungement Act.

*Be it enacted by the Legislature of the state of Utah:*

**Section 1. Section 78A-6-302 is amended to read:****78A-6-302. Court-ordered protective custody of a child following petition filing -- Grounds.**

(1) When a petition is filed under Section 78A-6-304, the court shall apply, in addressing the petition, the least restrictive means and alternatives available to accomplish a compelling state interest and to prevent irretrievable destruction of family life as described in Subsections 62A-4a-201(1) and (7)(a) and Section 78A-6-503.

[4] (2) After a petition has been filed under Section 78A-6-304, if the child who is the subject of the petition is not in the protective custody of the division, a court may order that the child be removed from the child's home or otherwise taken into protective custody if the court finds, by a preponderance of the evidence, that any one or more of the following circumstances exist:

(a) (i) there is an imminent danger to the physical health or safety of the child; and

(ii) the child's physical health or safety may not be protected without removing the child from the custody of the child's parent or guardian;

(b) (i) a parent or guardian engages in or threatens the child with unreasonable conduct that causes the child to suffer harm; and

(ii) there are no less restrictive means available by which the child's emotional health may be protected without removing the child from the custody of the child's parent or guardian;

(c) the child or another child residing in the same household has been, or is considered to be at substantial risk of being, physically abused, sexually abused, or sexually exploited, by a parent or guardian, a member of the parent's or guardian's household, or other person known to the parent or guardian;

(d) the parent or guardian is unwilling to have physical custody of the child;

(e) the child is abandoned or left without any provision for the child's support;

(f) a parent or guardian who has been incarcerated or institutionalized has not arranged or cannot arrange for safe and appropriate care for the child;

(g) (i) a relative or other adult custodian with whom the child is left by the parent or guardian is unwilling or unable to provide care or support for the child;

(ii) the whereabouts of the parent or guardian are unknown; and

(iii) reasonable efforts to locate the parent or guardian are unsuccessful;

(h) subject to Subsections 78A-6-105(39) and 78A-6-117(2) and Section 78A-6-301.5, the child is in immediate need of medical care;

(i) (i) a parent's or guardian's actions, omissions, or habitual action create an environment that poses a serious risk to the child's health or safety for which immediate remedial or preventive action is necessary; or

(ii) a parent's or guardian's action in leaving a child unattended would reasonably pose a threat to the child's health or safety;

(j) the child or another child residing in the same household has been neglected;

(k) the child's natural parent:

(i) intentionally, knowingly, or recklessly causes the death of another parent of the child;

(ii) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

(iii) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child;

(l) an infant has been abandoned, as defined in Section 78A-6-316;

(m) (i) the parent or guardian, or an adult residing in the same household as the parent or guardian, is charged or arrested pursuant to Title 58, Chapter 37d, Clandestine Drug Lab Act; and

(ii) any clandestine laboratory operation was located in the residence or on the property where the child resided; or

(n) the child's welfare is otherwise endangered.

~~[(2)]~~ ~~(3)~~ (a) For purposes of Subsection ~~[(1)]~~ ~~(2)~~(a), if a child has previously been adjudicated as abused, neglected, or dependent, and a subsequent incident of abuse, neglect, or dependency occurs involving the same substantiated abuser or under similar circumstance as the previous abuse, that fact constitutes prima facie evidence that the child cannot safely remain in the custody of the child's parent.

(b) For purposes of Subsection ~~[(1)]~~ ~~(2)~~(c):

(i) another child residing in the same household may not be removed from the home unless that child is considered to be at substantial risk of being physically abused, sexually abused, or sexually exploited as described in Subsection ~~[(1)]~~ ~~(2)~~(c) or Subsection ~~[(2)]~~ ~~(3)~~(b)(ii); and

(ii) if a parent or guardian has received actual notice that physical abuse, sexual abuse, or sexual exploitation by a person known to the parent has occurred, and there is evidence that the parent or guardian failed to protect the child, after having received the notice, by allowing the child to be in the physical presence of the alleged abuser, that fact constitutes prima facie evidence that the child is at substantial risk of being physically abused, sexually abused, or sexually exploited.

~~[(3)]~~ (4) (a) For purposes of Subsection ~~[(1)]~~ (2), if the division files a petition under Section 78A-6-304, the court shall consider the division's safety and risk assessments described in Section 62A-4a-203.1 to determine whether a child should be removed from the custody of the child's parent or guardian or should otherwise be taken into protective custody.

(b) The division shall make a diligent effort to provide the safety and risk assessments described in Section 62A-4a-203.1 to the court, guardian ad litem, and counsel for the parent or guardian, as soon as practicable before the shelter hearing described in Section 78A-6-306.

~~[(4)]~~ (5) In the absence of one of the factors described in Subsection ~~[(1)]~~ (2), a court may not

remove a child from the parent's or guardian's custody on the basis of:

(a) educational neglect, truancy, or failure to comply with a court order to attend school;

(b) mental illness or poverty of the parent or guardian; or

(c) disability of the parent or guardian, as defined in Section 57-21-2.

~~[(5)]~~ (6) A child removed from the custody of the child's parent or guardian under this section may not be placed or kept in a secure detention facility pending further court proceedings unless the child is detainable based on guidelines promulgated by the Division of Juvenile Justice Services.

~~[(6)]~~ (7) This section does not preclude removal of a child from the child's home without a warrant or court order under Section 62A-4a-202.1.

~~[(7)]~~ (8) (a) Except as provided in Subsection ~~[(7)]~~ (8)(b), a court or the Division of Child and Family Services may not remove a child from the custody of the child's parent or guardian on the sole or primary basis that the parent or guardian refuses to consent to:

(i) the administration of a psychotropic medication to a child;

(ii) a psychiatric, psychological, or behavioral treatment for a child; or

(iii) a psychiatric or behavioral health evaluation of a child.

(b) Notwithstanding Subsection ~~[(7)]~~ (8)(a), a court or the Division of Child and Family Services may remove a child under conditions that would otherwise be prohibited under Subsection ~~[(7)]~~ (8)(a) if failure to take an action described under Subsection ~~[(7)]~~ (8)(a) would present a serious, imminent risk to the child's physical safety or the physical safety of others.

(iii) may in its discretion limit testimony and evidence to only that which goes to the issues of removal and the child's need for continued protection.

(6) If the child is in the protective custody of the division, the division shall report to the court:

(a) the reason why the child was removed from the parent's or guardian's custody;

(b) any services provided to the child and the child's family in an effort to prevent removal;

(e) subject to Subsections 78A-6-307(18)(c) through (e), whether any relatives of the child or friends of the child's parents may be able and willing to accept temporary placement of the child.

(7) The court shall consider all relevant evidence provided by persons or entities authorized to present relevant evidence pursuant to this section.

(8) (a) If necessary to protect the child, preserve the rights of a party, or for other good cause shown, the court may grant no more than one continuance, not to exceed five judicial days.

(b) A court shall honor, as nearly as practicable, the request by a parent or guardian for a continuance under Subsection (8)(a).

(c) Notwithstanding Subsection (8)(a), if the division fails to provide the notice described in Subsection (2) within the time described in Subsection (3), the court may grant the request of a parent or guardian for a continuance, not to exceed five judicial days.

(9) (a) If the child is in the protective custody of the division, the court shall order that the child be returned to the custody of the parent or guardian unless it finds, by a preponderance of the evidence, consistent with the protections and requirements provided in Subsection 62A-4a-201(1), that any one of the following exists:

(i) subject to Subsection (9)(b)(i), there is a serious danger to the physical health or safety of the child and the child's physical health or safety may not be protected without removing the child from the custody of the child's parent;

(ii) (A) the child is suffering emotional damage that results in a serious impairment in the child's growth, development, behavior, or psychological functioning;

(B) the parent or guardian is unwilling or unable to make reasonable changes that would sufficiently prevent future damage; and

(C) there are no reasonable means available by which the child's emotional health may be protected without removing the child from the custody of the child's parent or guardian;

(iii) there is a substantial risk that the child will suffer abuse or neglect if the child is not removed from the custody of the child's parent or guardian;

(iv) subject to Subsection (9)(b)(ii), the child or a minor residing in the same household has been, or is considered to be at substantial risk of being, physically abused, sexually abused, or sexually exploited by a:

(A) parent or guardian;

(B) member of the parent's household or the guardian's household; or

(C) person known to the parent or guardian;

(v) the parent or guardian is unwilling to have physical custody of the child;

(vi) the child is without any provision for the child's support;

(vii) a parent who is incarcerated or institutionalized has not or cannot arrange for safe and appropriate care for the child;

(viii) (A) a relative or other adult custodian with whom the child is left by the parent or guardian is unwilling or unable to provide care or support for the child;

(B) the whereabouts of the parent or guardian are unknown; and

(C) reasonable efforts to locate the parent or guardian are unsuccessful;

(ix) subject to Subsections 78A-6-105(39)(b) and 78A-6-117(2) and Section 78A-6-301.5, the child is in immediate need of medical care;

(x) (A) the physical environment or the fact that the child is left unattended beyond a reasonable period of time poses a threat to the child's health or safety; and

(B) the parent or guardian is unwilling or unable to make reasonable changes that would remove the threat;

(xi) (A) the child or a minor residing in the same household has been neglected; and

(B) the parent or guardian is unwilling or unable to make reasonable changes that would prevent the neglect;

(xii) the parent, guardian, or an adult residing in the same household as the parent or guardian, is charged or arrested pursuant to Title 58, Chapter 37d, Clandestine Drug Lab Act, and any clandestine laboratory operation was located in the residence or on the property where the child resided;

(xiii) (A) the child's welfare is substantially endangered; and

(B) the parent or guardian is unwilling or unable to make reasonable changes that would remove the danger; or

(xiv) the child's natural parent:

(A) intentionally, knowingly, or recklessly causes the death of another parent of the child;

(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child.

(b) (i) Prima facie evidence of the finding described in Subsection (9)(a)(i) is established if:

(A) a court previously adjudicated that the child suffered abuse, neglect, or dependency involving the parent; and

(B) a subsequent incident of abuse, neglect, or dependency involving the parent occurs.

(ii) For purposes of Subsection (9)(a)(iv), if the court finds that the parent knowingly allowed the child to be in the physical care of a person after the parent received actual notice that the person physically abused, sexually abused, or sexually exploited the child, that fact constitutes prima facie evidence that there is a substantial risk that the child will be physically abused, sexually abused, or sexually exploited.

(10) (a) (i) The court shall also make a determination on the record as to whether reasonable efforts were made to prevent or eliminate the need for removal of the child from the child's home and whether there are available services that would prevent the need for continued removal.

(ii) If the court finds that the child can be safely returned to the custody of the child's parent or guardian through the provision of those services, the court shall place the child with the child's parent or guardian and order that those services be provided by the division.

(b) In making the determination described in Subsection (10)(a), and in ordering and providing services, the child's health, safety, and welfare shall be the paramount concern, in accordance with federal law.

(11) Where the division's first contact with the family occurred during an emergency situation in which the child could not safely remain at home, the court shall make a finding that any lack of preplacement preventive efforts was appropriate.

(12) In cases where actual sexual abuse, sexual exploitation, abandonment, severe abuse, or severe neglect are involved, neither the division nor the court has any duty to make "reasonable efforts" or to, in any other way, attempt to maintain a child in the child's home, return a child to the child's home, provide reunification services, or attempt to rehabilitate the offending parent or parents.

(13) The court may not order continued removal of a child solely on the basis of educational neglect as defined in Section 78A-6-105, truancy, or failure to comply with a court order to attend school.

(14) (a) Whenever a court orders continued removal of a child under this section, the court shall state the facts on which that decision is based.

(b) If no continued removal is ordered and the child is returned home, the court shall state the facts on which that decision is based.

(15) If the court finds that continued removal and temporary custody are necessary for the protection of a child pursuant to Subsection (9)(a), the court shall order continued removal regardless of:

(a) any error in the initial removal of the child;

(b) the failure of a party to comply with notice provisions; or

(c) any other procedural requirement of this chapter or Title 62A, Chapter 4a, Child and Family Services.

**Section 4. Section 78A-6-314 is amended to read:**

**78A-6-314. Permanency hearing -- Final plan -- Petition for termination of parental rights filed -- Hearing on termination of parental rights.**

(1) (a) When reunification services have been ordered in accordance with Section 78A-6-312, with regard to a minor who is in the custody of the Division of Child and Family Services, a permanency hearing shall be held by the court no later than 12 months after the day on which the minor was initially removed from the minor's home.

(b) If reunification services were not ordered at the dispositional hearing, a permanency hearing shall be held within 30 days after the day on which the dispositional hearing ends.

(2) (a) If reunification services were ordered by the court in accordance with Section 78A-6-312, the court shall, at the permanency hearing, determine, consistent with Subsection (3), whether the minor may safely be returned to the custody of the minor's parent.

(b) If the court finds, by a preponderance of the evidence, that return of the minor to the minor's parent would create a substantial risk of detriment to the minor's physical or emotional well-being, the minor may not be returned to the custody of the minor's parent.

(c) Prima facie evidence that return of the minor to a parent or guardian would create a substantial risk of detriment to the minor is established if:

(i) the parent or guardian fails to:

(A) participate in a court approved child and family plan;

(B) comply with a court approved child and family plan in whole or in part; or

(C) meet the goals of a court approved child and family plan; or

(ii) the minor's natural parent:

(A) intentionally, knowingly, or recklessly causes the death of another parent of the minor;

(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the minor; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the minor.

(3) In making a determination under Subsection (2)(a), the court shall review and consider:

(a) the report prepared by the Division of Child and Family Services;

(b) any admissible evidence offered by the minor's guardian ad litem;

(c) any report submitted by the division under Subsection 78A-6-315(3)(a)(i);

(d) any evidence regarding the efforts or progress demonstrated by the parent; and

(e) the extent to which the parent cooperated and used the services provided.

(4) With regard to a case where reunification services were ordered by the court, if a minor is not returned to the minor's parent or guardian at the permanency hearing, the court shall, unless the time for the provision of reunification services is extended under Subsection (7):

(a) order termination of reunification services to the parent;

(b) make a final determination regarding whether termination of parental rights, adoption, or permanent custody and guardianship is the most appropriate final plan for the minor, taking into account the minor's primary permanency plan established by the court pursuant to Section 78A-6-312; and

(c) establish a concurrent permanency plan that identifies the second most appropriate final plan for the minor, if appropriate.

(5) The court may order another planned permanent living arrangement for a minor 16 years old or older upon entering the following findings:

(a) the Division of Child and Family Services has documented intensive, ongoing, and unsuccessful efforts to reunify the minor with the minor's parent or parents, or to secure a placement for the minor with a guardian, an adoptive parent, or an individual described in Subsection 78A-6-306(6)(e);

(b) the Division of Child and Family Services has demonstrated that the division has made efforts to normalize the life of the minor while in the division's custody, in accordance with Sections 62A-4a-210 through 62A-4a-212;

(c) the minor prefers another planned permanent living arrangement; and

(d) there is a compelling reason why reunification or a placement described in Subsection (5)(a) is not in the minor's best interest.

(6) Except as provided in Subsection (7), the court may not extend reunification services beyond 12 months after the day on which the minor was initially removed from the minor's home, in accordance with the provisions of Section 78A-6-312.

(7) (a) Subject to Subsection (7)(b), the court may extend reunification services for no more than 90 days if the court finds, beyond a preponderance of the evidence, that:

(i) there has been substantial compliance with the child and family plan;

(ii) reunification is probable within that 90-day period; and

(iii) the extension is in the best interest of the minor.

(b) (i) Except as provided in Subsection (7)(c), the court may not extend any reunification services beyond 15 months after the day on which the minor was initially removed from the minor's home.

(ii) Delay or failure of a parent to establish paternity or seek custody does not provide a basis for the court to extend services for that parent beyond the 12-month period described in Subsection (6).

(c) In accordance with Subsection (7)(d), the court may extend reunification services for one additional 90-day period, beyond the 90-day period described in Subsection (7)(a), if:

(i) the court finds, by clear and convincing evidence, that:

(A) the parent has substantially complied with the child and family plan;

(B) it is likely that reunification will occur within the additional 90-day period; and

(C) the extension is in the best interest of the minor;

(ii) the court specifies the facts upon which the findings described in Subsection (7)(c)(i) are based; and

(iii) the court specifies the time period in which it is likely that reunification will occur.

(d) A court may not extend the time period for reunification services without complying with the requirements of this Subsection (7) before the extension.

(e) In determining whether to extend reunification services for a minor, a court shall take into consideration the status of the minor siblings of the minor.

(8) The court may, in its discretion:

(a) enter any additional order that it determines to be in the best interest of the minor, so long as that order does not conflict with the requirements and provisions of Subsections (4) through (7); or

(b) order the division to provide protective supervision or other services to a minor and the

minor's family after the division's custody of a minor has been terminated.

(9) (a) If the final plan for the minor is to proceed toward termination of parental rights, the petition for termination of parental rights shall be filed, and a pretrial held, within 45 calendar days after the permanency hearing.

(b) If the division opposes the plan to terminate parental rights, the court may not require the division to file a petition for the termination of parental rights, except as required under Subsection 78A-6-316(2).

(10) (a) Any party to an action may, at any time, petition the court for an expedited permanency hearing on the basis that continuation of reunification efforts are inconsistent with the permanency needs of the minor.

(b) If the court so determines, it shall order, in accordance with federal law, that:

(i) the minor be placed in accordance with the permanency plan; and

(ii) whatever steps are necessary to finalize the permanent placement of the minor be completed as quickly as possible.

(11) Nothing in this section may be construed to:

(a) entitle any parent to reunification services for any specified period of time;

(b) limit a court's ability to terminate reunification services at any time before a permanency hearing; or

(c) limit or prohibit the filing of a petition for termination of parental rights by any party, or a hearing on termination of parental rights, at any time prior to a permanency hearing provided that relative placement and custody options have been fairly considered in accordance with Sections 62A-4a-201 and 78A-6-503.

(12) (a) Subject to Subsection (12)(b), if a petition for termination of parental rights is filed prior to the date scheduled for a permanency hearing, the court may consolidate the hearing on termination of parental rights with the permanency hearing.

(b) For purposes of Subsection (12)(a), if the court consolidates the hearing on termination of parental rights with the permanency hearing:

(i) the court shall first make a finding regarding whether reasonable efforts have been made by the Division of Child and Family Services to finalize the permanency plan for the minor; and

(ii) any reunification services shall be terminated in accordance with the time lines described in Section 78A-6-312.

(c) A decision on a petition for termination of parental rights shall be made within 18 months from the day on which the minor is removed from the minor's home.

(13) If a court determines that a minor will not be returned to a parent of the minor, the court shall

consider appropriate placement options inside and outside of the state.

(14) (a) If a minor 14 years of age or older desires an opportunity to address the court or testify regarding permanency or placement, the court shall give the minor's wishes added weight, but may not treat the minor's wishes as the single controlling factor under this section.

(b) If the court's decision under this section differs from a minor's express wishes if the minor is of sufficient maturity to articulate the wishes in relation to permanency or the minor's placement, the court shall make findings explaining why the court's decision differs from the minor's wishes.

**Section 5. Section 78A-6-503 is amended to read:**

**78A-6-503. Judicial process for termination -- Parent unfit or incompetent -- Best interest of child.**

(1) Under both the United States Constitution and the constitution of this state, a parent possesses a fundamental liberty interest in the care, custody, and management of the parent's child. For this reason, the termination of family ties by the state may only be done for compelling reasons.

(2) The court shall provide a fundamentally fair process to a parent if a party moves to terminate the parent's parental rights.

(3) If the party moving to terminate parental rights is a governmental entity, the court shall find that any actions or allegations made in opposition to the rights and desires of a parent regarding the parent's child are supported by sufficient evidence to satisfy a parent's constitutional entitlement to heightened protection against government interference with the parent's fundamental rights and liberty interests.

(4) (a) The fundamental liberty interest of a parent concerning the care, custody, and management of the parent's child is recognized, protected, and does not cease to exist simply because:

(i) a parent may fail to be a model parent; or ~~because~~

(ii) the parent's child is placed in the temporary custody of the state.

(b) The court should give serious consideration to the fundamental right of a parent to rear the parent's child, and concomitantly, of the right of the child to be reared by the child's natural parent.

(5) At all times, a parent retains a vital interest in preventing the irretrievable destruction of family life.

(6) Prior to an adjudication of unfitness, government action in relation to a parent and a parent's child may not exceed the least restrictive means or alternatives available to accomplish a compelling state interest.

(7) Until parental unfitness is established and the children suffer, or are substantially likely to

suffer, serious detriment as a result, the child and the child's parent share a vital interest in preventing erroneous termination of their relationship and the court may not presume that a child and the child's parents are adversaries.

(8) It is in the best interest and welfare of a child to be raised under the care and supervision of the child's natural parents. A child's need for a normal family life in a permanent home, and for positive, nurturing family relationships is usually best met by the child's natural parents. Additionally, the integrity of the family unit and the right of parents to conceive and raise their children are constitutionally protected. For these reasons, the court should only transfer custody of a child from the child's natural parent for compelling reasons and when there is a jurisdictional basis to do so.

(9) The right of a fit, competent parent to raise the parent's child without undue government interference is a fundamental liberty interest that has long been protected by the laws and Constitution of this state and of the United States, and is a fundamental public policy of this state.

(10) (a) The state recognizes that:

~~(a)~~ (i) a parent has the right, obligation, responsibility, and authority to raise, manage, train, educate, provide for, and reasonably discipline the parent's ~~children~~ child; and

~~(b)~~ (ii) the state's role is secondary and supportive to the primary role of a parent.

~~(c)~~ (b) It is the public policy of this state that ~~parents~~ a parent retain the fundamental right and duty to exercise primary control over the care, supervision, upbringing, and education of ~~their children~~ the parent's child.

~~(d)~~ (c) The interests of the state favor preservation and not severance of natural familial bonds in situations where a positive, nurturing parent-child relationship can exist, including extended family association and support.

(11) This part provides a judicial process for voluntary and involuntary severance of the parent-child relationship, designed to safeguard the rights and interests of all parties concerned and promote their welfare and that of the state.

(12) (a) Wherever possible, family life should be strengthened and preserved, but if a parent is found, by reason of ~~his~~ the parent's conduct or condition, to be unfit or incompetent based upon any of the grounds for termination described in this part, the court shall then consider the welfare and best interest of the child of paramount importance in determining whether termination of parental rights shall be ordered.

(b) In determining whether termination is in the best interest of the child, and in finding that termination of parental rights, from the child's point of view, is strictly necessary, the court shall consider, among other relevant factors, whether:

(i) sufficient efforts were dedicated to reunification in accordance with Subsection 78A-6-507(3)(a); and

(ii) the efforts to place the child with kin who have, or are willing to come forward to care for the child, were given due weight.

**Section 6. Section 78A-6-507 is amended to read:**

**78A-6-507. Grounds for termination of parental rights -- Findings regarding reasonable efforts.**

(1) Subject to the protections and requirements of Section 78A-6-503, and if the court finds termination of a parent's parental rights, from the child's point of view, is strictly necessary, the court may terminate all parental rights with respect to [a] the parent if the court finds any one of the following:

(a) that the parent has abandoned the child;

(b) that the parent has neglected or abused the child;

(c) that the parent is unfit or incompetent;

(d) (i) that the child is being cared for in an out-of-home placement under the supervision of the court or the division;

(ii) that the parent has substantially neglected, wilfully refused, or has been unable or unwilling to remedy the circumstances that cause the child to be in an out-of-home placement; and

(iii) that there is a substantial likelihood that the parent will not be capable of exercising proper and effective parental care in the near future;

(e) failure of parental adjustment, as defined in this chapter;

(f) that only token efforts have been made by the parent:

(i) to support or communicate with the child;

(ii) to prevent neglect of the child;

(iii) to eliminate the risk of serious harm to the child; or

(iv) to avoid being an unfit parent;

(g) (i) that the parent has voluntarily relinquished the parent's parental rights to the child; and

(ii) that termination is in the child's best interest;

(h) that, after a period of trial during which the child was returned to live in the child's own home, the parent substantially and continuously or repeatedly refused or failed to give the child proper parental care and protection; or

(i) the terms and conditions of safe relinquishment of a newborn child have been complied with, pursuant to Title 62A, Chapter 4a, Part 8, Safe Relinquishment of a Newborn Child.

(2) The court may not terminate the parental rights of a parent because the parent has failed to complete the requirements of a child and family plan.

(3) (a) Except as provided in Subsection (3)(b), in any case in which the court has directed the division to provide reunification services to a parent, the court must find that the division made reasonable efforts to provide those services before the court may terminate the parent's rights under Subsection (1)(b), (c), (d), (e), (f), or (h).

(b) Notwithstanding Subsection (3)(a), the court is not required to make the finding under Subsection (3)(a) before terminating a parent's rights:

(i) under Subsection (1)(b), if the court finds that the abuse or neglect occurred subsequent to adjudication; or

(ii) if reasonable efforts to provide the services described in Subsection (3)(a) are not required under federal law, and federal law is not inconsistent with Utah law.
